

A Man Like None Other Novel Chapter 4081

Chapter 4081

“Now that the Divine Fire Seal is in the hands of Junior Brother, and he has recognized the master, does that mean Junior Brother is the master of the sect?”

Zhu Ling said!

“Then David is not a disciple of my Zi Yan Sect at all, and the Divine Fire Seal cannot be in his hands.”

“As disciples of the Zi Yan Sect, we have the obligation to protect the Divine Fire Seal from being taken away by outsiders.”

Huo Yuanting began to incite many disciples of the Zi Yan Sect! You

must know that the Divine Fire Seal is extremely important in the hearts of these disciples, otherwise the sect master would not have to let the Divine Fire Seal recognize the master.

Now that David’s identity has been exposed, he is not a disciple of the Zi Yan Sect, so it is not appropriate for him to take the Divine Fire Seal. Even if he recognizes the master, he cannot let David take the Divine Fire Seal away!

Huo Yuanting recognized this point, so he would fight to the death and resist. If he could get the Divine Fire Seal in his hands, that would be it!

“Who said David is not a disciple of my Zi Yan Sect?”

The old sect master asked back!

“Of course not. We all know what kind of person Elder Yu is. He must have received money from David and brought him in.”

“And with Elder Yu’s two tricks, it is impossible for him to be David’s master.”

Huo Yuanting said!

“Yes, Elder Yu can’t be David’s master, but I can be David’s father-in-law.”

“David has already had a physical relationship with my daughter and has become my son-in-law.”

“His status is more important than that of a disciple of Zi Yanmen. Why can't he get the Divine Fire Seal?”

The old master snorted coldly!

David was a little dumbfounded when he heard it. When did he have a physical relationship with Zhu Ling?

It's just watching a bath!

The world of heaven and man is so open. Just watching a bath, can they be together?

David himself didn't know it yet, but he became the old master's son-in-law!

When Zhu Ling heard her father say this in public, she blushed, but she could see that she was very happy!

And the other disciples of Zi Yanmen were envious and jealous of David!
<You have to know that Zhu Ling is the goddess in the hearts of many men!

The kind that makes you tremble all over when you look at her!

This kind of goddess was actually slept with by David!

I'm jealous just thinking about it!

“Junior brother, when did you sleep with Senior Sister Zhu Ling?”

Wei Qing was very puzzled. He had been with David during this period, and he didn't see David have any chance!

David smiled helplessly and didn't answer Wei Qing!

At this time, Huo Yuanting was also stunned when he heard the words of the old master. He didn't expect David to be with Zhu Ling!

Think about it, his son was kicked out of Ziyanmen just because he teased Zhu Ling a little!

But now David has slept with Zhu Ling, but nothing happened!

“Humph, this is just your one-sided statement. No matter what, this Divine Fire Seal must not be in David's hands.”

After Huo Yuanting finished speaking, he snatched the Divine Fire Seal from David's hand!

This guy wanted to return the Divine Fire Seal to his own hands!

"Overestimate your abilities..."

Facing Huo Yuanting, David showed disdain!

I saw a flame burst out from the Divine Fire Seal, and the monstrous flames smashed down toward Huo Yuanting like a mountain!

Kakaka...

Huo Yuanting's body shook, and he felt his body pressed and creaked, and he instantly fell to the ground!

This breath made it impossible for Huo Yuanting to get up!

Huo Yuanting, who was in the Mahayana realm, was lying like a dog now!

Huo Yuanting struggled desperately, but the more he struggled, the more difficult it was to breathe!

In the end, Huo Yuanting stopped struggling. Although his eyes were reluctant, he was powerless!

The old sect master looked at Huo Yuanting like that, sighed, and said: "Huo Yuanting, thinking of you being in Ziyamen for many years, and your son is dead, I won't kill you today, but you will be expelled from Ziyamen, and you will never step into Ziyamen again!" As

the old sect master finished speaking, David put away the flame!

Chapter 4082

Huo Yuanting looked pale, helplessly looking at David. The power of the Divine Fire Seal was too great, and Huo Yuanting simply couldn't bear it!

But fortunately, he still retained his cultivation, and just left the Purple Flame Sect!

“Elder Tian, are you willing to leave the Purple Flame Sect with me? I won’t treat you unfairly.”

“You have followed me for these years and offended Elder Yu and others. If I leave, will you still have a good harvest?”

Huo Yuanting wanted to take his men away!

At this time, Elder Tian and others were a little scared. Although they didn’t want to leave the Purple Flame Sect, after all, after leaving the Purple Flame Sect, they would have no place to live, and even resources would be difficult to get!

But if they didn’t leave, Elder Yu and others would retaliate at that time, and that would be troublesome!

Just when Elder Tian and others were hesitant, the old sect master said, “Let bygones be bygones, but if anyone wants to leave, I won’t stop them!”

“Don’t listen, if you stay now, you will definitely be retaliated in the future!”

Huo Yuanting said loudly!

“If you trust me, you can stay. If you don’t trust me, then go!”

The old sect master waved his hand and asked Elder Yu and others to make way!

Seeing this situation, Elder Tian and others looked at each other, and then knelt on the ground: “We trust the old sect master and are willing to die for Zi Yanmen...”

Huo Yuanting saw this scene and knew that he was doomed and no one was willing to follow him!

As the saying goes, when the tree falls, the monkeys scatter. Now he is nothing, so how can anyone follow him?

“Okay, okay, okay...”

Huo Yuanting said three good words in a row, and finally jumped away from Zi Yanmen!

He was afraid that if he stayed, the old sect master would change his mind and get rid of him, which would be troublesome!

After Huo Yuanting left, David looked at the old sect leader and said, “Old sect leader, this Divine Fire Seal is the most precious treasure of your Zi Yan Sect. I will use this Divine Fire Seal to refine the ultimate fire fusion technique, and then I will return it to you!”

This Divine Fire Seal originally belonged to the Zi Yan Sect. If David took it away, the future development of the Zi Yan Sect would be hindered!

David only came to learn the fusion of the ultimate fire. Although the Divine Fire Seal is a very powerful treasure, David cannot be greedy!

He has already learned the two ultimate fires of the Purple Flame Sect and also learned the True Fire Dharma Body. More importantly, he has also inherited the skills of Hong San, the first master of the Purple Flame Sect!

If he takes the Divine Fire Seal away, it would be a bit too embarrassing!

In that case, how can the Purple Flame Sect develop in the future?

“Since the Divine Fire Seal has recognized its master, then you are the master of our Purple Flame Sect. How can the master hand over the Divine Fire Seal?”

The old master smiled faintly!

“No, no, no, I can’t be the master of the Purple Flame Sect, not to mention that I am now being hunted by the Demon Sealing League, which will bring trouble to the Purple Flame Sect.”

“And I have no fixed place to live, I won’t stay in one place for a long time, it’s not suitable at all!”

David shook his head repeatedly!

But the old sect master smiled slightly, and then bowed directly to David and said: “Greetings to the new sect master...”

Seeing this, Elder Yu and others also knelt on the ground: “Greetings to the new sect master...”

Wei Qing, Qian Xiu, and others all looked at David excitedly!

Their junior brother has now become the new sect master, and they are all happy for David!

David looked at the disciples of Zi Yan Sect who were kneeling, and smiled bitterly helplessly!

He seemed to know the intention of the old sect master, so he said: “Okay, since you all nominated me, then I will do it reluctantly, all get up!”

“Sect Master, what should we do with this guy?” Wei Qing pointed at Gu Tianchao who was so scared that he couldn’t walk and asked!

David took a look at Gu Tianchao, and frightened Gu Tianchao so much that he kowtowed repeatedly!

“Lock him up first, this guy is good at formation techniques, keep him for the time being!”

David wanted to use Gu Tianchao to explore the details of Liangyi Sect, but not now. Now David has to hurry up and practice the art of fire fusion!

After briefly explaining a few things to the old sect master, David said, “I am going to the Divine Fire Mountain now to practice the technique of ultimate fire fusion. All matters within the sect should be managed by the old sect master!”

After David finished speaking, he jumped and headed straight for the Divine Fire Mountain!

Chapter 4083

Huhuang City!

Fox Princess Bai Qian was sitting on the throne of her palace at this moment, with an extremely solemn expression!

Huo Feng and Ji Yun stood beside Bai Qian, and everyone looked unhappy!

“Fox Princess, the spirit boat is ready. Let’s leave quickly. Once the city is broken, we can’t leave.”

“Don’t worry, as long as Mr. Chen comes back, I believe he will definitely help you take back Huhuang City!”

Ji Yun persuaded Bai Qian!

“Bai Qian, don’t be stubborn anymore. If the master comes back and finds that you died in the battle, he will be sad.”

“Don’t you find that the master likes you very much? When he is with the two of us, he always sleeps with you for a long time!” Huo

Feng also persuaded Bai Qian!

But Bai Qian had tears in her eyes, bit her lips tightly, and was afraid!

This was the kingdom she had fought so hard for, but now it was going to be taken away by others!

Just when Bai Qian was hesitating, Granny Zhen rushed in with scars all over her body!

“Queen, the people of the Feng family are about to rush in, let’s go quickly!”

“As long as there is a green mountain, there is no fear of running out of firewood. You go with me to hide first, and we will come back one day!”

Granny Zhen persuaded Bai Qian!

Bai Qian looked at Granny Zhen with scars all over her body, and finally nodded!

She didn’t want to see Granny Zhen, who had taken care of her all her life, die here!

After Xue Kun’s death, the Feng family knew that their hope of cooperating with Hu Huangcheng was shattered, so they gathered a lot of people to attack Hu Huangcheng!

Behind the Feng family is the Fengmo League, and there are rumors that David is in Hu Huangcheng, so many people have set their sights on Hu Huangcheng!

Now Hu Huangcheng is about to be broken, and at that time, Bai Qian can’t leave even if she wants to!

Bai Qian followed Huo Feng and others onto the airship, and then quickly flew away from Hu Huangcheng.

Because they didn’t expect that there would be an airship in Hu Huangcheng, no one stopped the airship for a while!

Bai Qian looked at the ruins of Hu Huangcheng and the bodies of the people, and her heart felt like it was being cut by a knife!

“Where are we going now?”

Ji Yun asked!

After all, Ji Yun was not very familiar with the Central Region. He had only been to the Ji family in the Central Region.

“Go to the Western Region. Before I came to Huhuang City, I was a person from the Western Region. Let’s hide in my house for a while!”

said, Grandma Zhen!

“Grandma Zhen, you are from the Western Region. I have never heard you mention it!”

Bai Qian was a little surprised!

“I have been away from home for decades, but I just don’t want to mention it!” Grandma Zhen smiled bitterly!

Obviously, there was a reason why Grandma Zhen left, so she didn’t mention it for so long!

If it weren’t for this situation, Grandma Zhen probably wouldn’t say it!

At that time, because Grandma Zhen had super high medical skills, she was left in Huhuang City!

The entire human cultivators and pharmacists are very rare, not to mention the beast race, so Grandma Zhen was taken in by Huhuang City for this reason!

“How do we notify the master? He is still in Ziyanmen now. If he goes to Huhuang City to find us, wouldn’t he be walking into a trap?”

Huo Feng asked!

“I can’t contact Mr. Chen with the sound transmission jade slip. I guess he is practicing now. I will contact him with the sound transmission jade slip when I find a chance!”

Ji Yun said!

The airship flew towards the Western Region. Fortunately, the people of the Feng family did not chase!

At this time, David was sitting on the Shenhua Mountain, with his eyes slightly closed, exhaling turbid air, holding the Shenhua Seal in both hands and hugging it to his chest!

Buzz!

Waves of flames continued to spread, and then in this flame, a magnificent and pure breath was flowing!

The six fires were constantly rotating around David!

Boom!

Suddenly, the sky and the earth changed color, and the wind and clouds rolled back!

This sudden change made many people in Ziyamen look towards the direction of Shenhuo Mountain!

“Father, it’s been three days. Will David be okay?”

Zhu Ling looked at the sudden change in the Shenhuo Mountain and asked with concern!

Chapter 4084

“I don’t know either, but when I merged the Ultimate Fire, there didn’t seem to be such a big noise. It might be because David has too much Ultimate Fire!”

“Let’s go and see what’s going on...”

The old sect master took Zhu Ling and the others and headed straight for the Shenhushan Mountain!

When they arrived at the foot of the Shenhushan Mountain, they looked up and were surprised to find that six different colors of auspicious clouds appeared in the sky!

These auspicious clouds condensed above the Shenhushan Mountain.

Then, these auspicious clouds of different colors began to merge!

The Ultimate Fire around David’s body was also protecting and merging!

Above David’s head, the origin star of fire actually flashed out, constantly flashing light!

Soon, countless lights filled the air, the starlight was bright and gorgeous, like a galaxy!

Thousands of starlights continued to gather, and then poured into David’s origin star!

Everyone who saw this scene breathed rapidly and was stunned!

They could feel that this was the breath of the origin of fire!

But how could David possess so many origins of fire at once?

The six fires merged, and then turned into the power of the origin and poured into the origin star!

The breath in David's body was rising rapidly!

The colorful auspicious clouds slowly disappeared, until the last pure and incomparable essence of the fire slowly fell from the top of David's head into his body!

Boom!

At this moment, David's body instantly made a roar!

Accompanied by a wave of air that could be seen by the naked eye spreading around, the auspicious clouds that had just dispersed above his head actually condensed!

However, this time it was not auspicious clouds, but a dark thunder cloud!

"Damn, is the junior brother going to break through again?" Wei

Qing was going crazy when he saw this scene!

David had just broken through, it had only been a few days, and he was going to break through again!

Elder Yu glared at Wei Qing fiercely and said, "as888H8, this is the sect master, not the junior brother?"

"Yes, yes, the sect master, the sect master is so awesome, how could he break through so quickly?"

Wei Qing changed his words again and again!

The old sect master, Zhu Ling and others were also shocked!

However, this thunder cloud was real. Lightning flashed across, and soon thunders fell from the sky!

David himself did not expect that by using this divine fire seal to fuse the ultimate fire, his realm would be instantly improved!

This is only six ultimate fires. If he has dozens of ultimate fires, wouldn't he be able to rush to the peak of the cross-tribulation realm in an instant?

Thunders came down one after another, hitting David continuously!

David was excited at this moment, and he didn't feel the slightest pain of the thunder!
After

the thunder, David's body jumped into the air!

The aura of the sixth level of the cross-tribulation realm permeated the entire Shenhua Mountain!

Looking at the divine fire seal in his hand, David was very happy!

He didn't expect that such a large amount of energy was gathered in this divine fire seal, which allowed him to reach a higher realm in an instant!

However, after David's realm was improved, the aura on the divine fire seal was obviously much weaker!

As his consciousness sank into his body, David saw that in his origin space, the stars of the origin of fire were emitting dazzling light at this moment. This star of the origin of fire was much brighter than other stars of origin!

David slowly fell down, and his restrained breath still couldn't cover up the pressure on him! A mere

sixth-grade Crossing Tribulation Realm actually had a naturally radiated pressure!

It was chilling!

"David, you are really great. I didn't expect that you continued to merge the ultimate fire and even improved your realm!"

Zhu Ling ran over happily and said!

"David, congratulations, in just three days, you have improved your realm again. This is unheard of!"

The old master congratulated!

"Thanks to the old master's guidance and this divine fire seal, otherwise I would not have been able to improve so quickly."

David said with a smile!

In fact, David knew that the reason why he could improve so quickly was inseparable from following Hong San!

Hong San passed on his lifelong skills to him, and with the blessing of the Divine Fire Seal, it was normal for David's strength to increase rapidly!

Chapter 4085

“You are too modest. This is all because of your own extraordinary talent.”

“Now that you are the leader of Ziyamen, how Ziyamen will develop in the future depends on you!”

The old leader laughed!

“No, no, no, my position as leader is only temporary. I will leave after I finish my work. At that time, I will pass the position to Senior Sister Zhu Ling.”

David said hurriedly!

He thought that the old leader asked him to be the leader in order to pass the position to Zhu Ling!

If the old leader passed the position to Zhu Ling himself, he was probably afraid that some elders would not accept it!

After all, the position of the leader of Ziyamen is not hereditary. It is somewhat inappropriate for the old leader to pass it to his daughter!

Now that David passes it to Zhu Ling, it can shut up others! Chen

Ping understood it this way, but he misunderstood. The old leader did not mean that. He really wanted David to be the leader!

“Zhu Ling is a woman. She will get married sooner or later. She is not suitable to be the leader of the sect.”

“Unless you marry Zhu Ling, she can share the heavy responsibility with you at that time!”

said the old leader!

“That’s not allowed...” David waved his hand hurriedly!

He can’t marry Zhu Ling.

David said that the first wedding must be given to Sonya. Although Sonya’s whereabouts are unknown now, David firmly believes that Sonya is waiting for him!

Although David has many women, and has had physical contact with many of them, he will not give his first wedding to any other woman!

“Why, do you think I’m not worthy of you?”

Zhu Ling asked a little aggrieved when she saw this!

“No, senior sister has a good figure, good skin, and is stunningly beautiful. All men will like her when they see her.”

“It’s just that I already have a girlfriend, and I have many confidantes. We have already had physical contact, so...so I’m not worthy of senior sister.”

David hurriedly explained!

Zhu Ling laughed when she heard it. I thought David looked down on me!

The old sect master laughed: “What does it matter? Since you can’t marry, let Zhu Ling be your confidante.”

“In this world of heaven and man, it is normal for men to have three wives and four concubines, and it is normal to have feelings for each other and practice dual cultivation together. After all, this helps to improve strength.”

“Yes, you don’t have to marry me, and you don’t have to give me any status. The world of heaven and man doesn’t care about these. As long as you have me in your heart, it’s fine.”

Zhu Ling approached David and took David’s hand.

This made Wei Qing and others drool!

The woman they dared not dream of actually took the initiative to approach David at this moment, and even took the initiative to devote herself!

This is the gap, the gap between people!

Seeing this, David didn’t say anything anymore. People have taken the initiative to this point. If he didn’t agree, it would be a bit shameless! What

’s more, Zhu Ling is really tempting. When he thought of that night, when he accidentally saw Zhu Ling’s body, David was still rushing to each other! When

everyone returned to Ziyamen, David immediately went to find the imprisoned Gu Tianchao!

Gu Tianchao was imprisoned in the dungeon of Ziyamen, and there were magic arrays set up by Elder Cui around him!

Gu Tianchao was disheveled at this time, and he had lost his high spirits at the beginning!

After hearing the voice, Gu Tianchao slowly said: "You are finally here..."

"Have you been waiting for me?"

David was a little surprised!

"Of course, otherwise do you think the magic arrays around can trap me?"

Gu Tianchao raised his head and smiled!

David glanced and laughed. These arrays really couldn't trap Gu Tianchao!

This guy's array technique is really superb!

But David didn't understand why this guy didn't run away, but waited for him?

"What are you waiting for me for? Do you want to beg me?"

David asked!

Chapter 4086

"Of course I'm not begging you, I just want to do business with you..."

Gu Tianchao said!

"Business? What business?" David immediately became interested!

Although Gu Tianchao was disheveled and was so scared that he was about to pee, David was alert to Gu Tianchao at this time!

Because the expression this guy showed at this moment was not that of a coward!

became a prisoner, but he still wanted to do business, which proved that this guy was not simple-minded!

Maybe some of what they saw before were just appearances!

"I hope you can help me become the leader of Liangyi Sect."

Gu Tianchao said bluntly!

David was stunned. This guy was the elder of Liangyi Sect, and now he wanted to be the leader!

But why did he come to him?

“How do you know I can help you? And how do you know I have the ability?”

David asked curiously.

“Your array technique is the most powerful I have ever seen, and you will definitely help me because I have this in my hand.”

After saying that, Gu Tianchao waved his palm and took out a dark red crystal from the storage space!

David was stunned when he saw the crystal, because he didn't recognize this kind of crystal!

The aura emitted by this crystal is many times stronger than that of the spirit stone!

“Blood jade? How can this guy have blood jade that is only available in heaven?”

The Red Cloud Demon Lord was also surprised when he saw the dark red crystal!

“Senior, what is blood jade? Is it only available in the heaven?”

David was excited when he heard about the things in heaven!

“This is a kind of fairy jade in heaven. For array masters, this thing is a major resource for comprehending arrays and improving the strength of arrays.”

The Red Cloud Demon Lord explained!

There are not many array masters in the heavenly world, and it is impossible to have blood jade. Jade is a resource that only exists in the heavens!

After hearing the explanation of the Red Cloud Demon Lord, David's face became more and more excited!

“This thing is the treasure of the array master, and you also know that after breaking through the Tribulation Realm, the cultivators who have reached the Mahayana Realm are already considered to be semi-immortal bodies, and slowly the spiritual energy in the body will also be transformed into immortal energy.”

“It’s just that when you ascend, the immortal energy in the body will be very scarce, but with this thing, the array master can replenish a lot of immortal energy.”

“Of course, this kind of thing also requires a high-level array master to use it. If the level is too low, only the fusion realm, it will be useless.”

Gu Tianchao explained with David, but from beginning to end he never told David what this thing was called, and where it came from!

“Blood jade, a kind of immortal jade in the heavens, the most basic resource for array masters, it’s really good!”

David pretended to be calm and said!

Gu Tianchao was stunned, his eyes widened, his face full of disbelief!

“You...how do you know this? This is impossible!”

Gu Tianchao couldn’t figure out how David knew it!

You know, this kind of thing is only available in their Liangyi Sect. The reason why their Liangyi Sect’s formation technique is so powerful is also because of this blood jade!

“I know much more than you can imagine. Although this blood jade is not considered a top-grade fairy jade in the heavenly realm, it is also a treasure in the heavenly realm.”

“Just a blood jade, you want me to help you become the leader of Liangyi Sect, are you thinking too much!”

David smiled coldly!

In fact, David has already agreed in his heart. With the blood jade, David will definitely make rapid progress information!

However, David cannot show too much excitement. Now it has reached the point of bargaining!

David must keep calm at this moment!

Gu Tianchao frowned slightly. Originally, he wanted to brag about this blood jade, let David treat it as a treasure, and then use this blood jade to get David’s help!
