Chapter 4087

But now David actually knows this blood jade, and it seems that one blood jade can't satisfy David at all!

But Gu Tianchao, as an elder of Liangyi Sect, only has one blood jade!

"Of course not, my blood jade is just a deposit. When you help me become the leader of Liangyi Sect, I can give you ten blood jades, how about that?"

Gu Tianchao asked tentatively!

David shook his head: "I still feel it's a bit risky."

"What do you want? We only have a dozen blood jades in Liangyi Sect. Isn't it enough to give you ten?" Gu

Tianchao was a little anxious!

Seeing Gu Tianchao's look, David knew that Gu Tianchao would not lie. It seemed that Liangyi Sect really only had a dozen blood jades!

It's impossible to give them all to him. Ten is already the limit!

So David said, "It's not that I want more of this blood jade, I also want to get the essence of your Liangyi Sect's formation."

"Don't tell me that your Liangyi Sect is such a big formation sect, there won't be no essence, right?"

Gu Tianchao heard it and eased a little and said, "So you want our Liangyi Sect's divine runes, you should have said it earlier."

"Yes, I want your Liangyi Sect's divine runes!"

David nodded!

In fact, David didn't know what the Liangyi Sect's divine runes were. He was just testing it just now. I didn't expect that Gu Tianchao said it himself!

“Okay, I will find a way to introduce you to the ancestor of the divine runes, but whether you can get the divine runes and whether you can condense the divine runes is your own business.”

“But I tell you, the divine runes are not so easy to condense, and you may go astray.”

Gu Tianchao said!

“Then you don’t have to worry about it, you just need to agree to me!”

At this moment, David was completely talking nonsense with Gu Tianchao. He looked like he had it all planned out, but in fact David didn’t know anything now.

“I have a sound transmission jade slip here. When I return to Liangyi Sect, I will inform you when the time is right.”

“As long as you help me become the leader of Liangyi Sect, then our Liangyi Sect will definitely be friends forever and have win-win cooperation with you Zi Yan Sect!”

Gu Tianchao said excitedly!

“You don’t look like a coward. Why were you so scared at that time?”

David asked curiously!

Gu Tianchao smiled: “If I didn’t show fear and was very tough, would you still lock me up?”

“Of course not, I will kill you on the spot. How can I spare someone who threatens me!”

David said!

“Hahaha, that’s right, if I didn’t do that, how could we have today’s cooperation?”

“I originally came to help Huo Yuanting, and I came here privately, and I also cooperated with Huo Yuanting secretly. He would help me take the position of the leader of Liangyi Sect.”

“But who knew that this guy was so disappointing and was defeated by you, so I can only come to you to talk.”

Gu Tianchao said!

“Aren’t you afraid that I won’t agree and then kill you? “

David was a little curious. This guy could escape but didn't, but waited for him. Wasn't he afraid that he would kill him!

"There is no hatred that cannot be resolved by interests. As long as I give you enough benefits, I believe you won't kill me."

"This is how the world of heaven and man is. Benefits are the greatest."

"Now haven't you promised me that you won't kill me?"

Gu Tianchao said with some pride!

"You are right. Now you can go..."

David had to admit that this Gu Tianchao was indeed smart.

The main reason was that the benefits were too great, especially the blood jade. Things from heaven were too precious!

After Gu Tianchao handed the blood jade to David, he walked out of the dungeon!

Seeing that Gu Tianchao was released by David, many people were surprised, but no one dared to say anything!

After all, David is now the leader of Zi Yan Men!

What's more, David's strength is obvious to everyone, and they are all shocked by David!

Chapter 4088

When he saw David, Ruben became excited and ran towards David.

"Little brother, you are finally here, please come in..."

Ruben held David's hand and finally breathed a sigh of relief.

"Boss Su, since I promised you, I will definitely come."

David knew that Ruben was afraid that he would stand him up.

Ruben showed a trace of embarrassment and could only smile, "Little brother, please, please..."

Ruben put himself in a very humble manner, which made people who came to the hotel guess David's identity after seeing it. Su

Yuqi saw David standing straight while her father was groveling, and she immediately became furious. "What's wrong with you? My dad has been waiting for you at the door for more than half an hour, and you can see that my dad's face is obviously getting uglier and uglier. Can you cure illnesses?"

Sonya originally had a lot of opinions about David. At the beginning, when David controlled Ruben's condition, Sonya was surprised and thought that David was really good.

But it didn't take long for Ruben's originally ruddy face to become uglier and uglier, which made Sonya feel that David was a liar, and maybe he was just trying to cheat money.

"Yuqi, stop fooling around, hurry up and apologize to your little brother..."

Ruben's face turned cold and he yelled at Sonya.

"I won't apologize to him. Look at him. His hair hasn't even grown out yet. How can he be a miracle doctor? I think he's just a big liar..."

Sonya looked at David coldly. She felt that the reason why Ruben didn't go to see a doctor was because of David.

Seeing that Sonya didn't listen, Ruben's face instantly turned red with anger, and his breathing began to become rapid.

"Cough cough cough..."

Ruben wanted to say something, but he didn't say a word, and he began to cough violently!

"Dad..."

Sonya rushed over and supported Ruben!

Ruben coughed out a mouthful of black blood, which frightened Sonya's face.

Looking at the black blood coughed out by Ruben, David's brows instantly frowned. It seems that Ruben's injury is more serious than he thought. David didn't know how Ruben could hold on until now with such a serious injury.

“Help your dad go to the room...”

David said to Sonya, who had already panicked.

But Sonya was stunned and didn't move, because she didn't trust David very much!

Seeing that Sonya didn't move, David frowned and said sternly, “Do you want to watch your father die?”

Sonya was yelled at by David, so she supported Ruben and walked into a private room in the hotel!

After entering the room, David took Ruben's pulse and his expression became solemn.

Just as David was about to treat Ruben, the door of the room was suddenly pushed open, and a doctor wearing glasses and a white coat walked in.

“Doctor Sun, come on, check on my dad, he just vomited There's blood!”

When Sonya saw the person coming, she felt like she had grabbed a life-saving straw.

“What? Open it and let me see...”

Doctor Sun was shocked and hurriedly opened the medicine box!

“Get out of the way...”

Sonya pushed David aside, then supported Ruben and said to Doctor Sun, “Doctor Sun, my father's illness depends on you, you must save him!”

At this time, Ruben was almost unconscious, and his breathing became very weak.

“Don't worry, Miss Su, I will do my best! “

Doctor Sun said as he began to feel Ruben's pulse!

As the pulse feeling time got longer and longer, Doctor Sun's frown deepened. Sonya looked at Doctor Sun with a face full of anxiety, but did not dare to speak.

“Miss Su, President Su has injured his spleen and lungs, and has hidden diseases. This accumulated chronic disease must be slowly adjusted, but someone has forcibly stimulated President Su's immunity. Although it seems to be effective for the time being, it has aggravated President Su's condition. I'm afraid President Su is in danger now. Who treated President Su before me?”

Doctor Sun said solemnly.

Sonya was furious when she heard it, and looked directly at David on the side. David had just treated her father, and at that time, it was indeed as Doctor Sun said, her father's condition had improved a lot, but she did not expect that this would harm her father.

"You liar, if anything happens to my father, I will never forgive you! "

Sonya yelled at David, her face full of anger. If she hadn't been holding Ruben and couldn't get away, Sonya would have probably attacked David!

"Why do you say I'm a liar? What did I cheat your family of? If it weren't for me, your father would have been a corpse long ago. It's simply unreasonable! "

David snorted coldly. He was disgusted with Sonya. A girl, she kept calling someone a liar. How could she be gentle like a girl!

"You..."

Sonya was so angry, but she couldn't argue with David at this time. The most important thing was to save her father first.

"Doctor Sun, please, think of a way quickly, please..."

Sonya was so anxious that she was about to cry.

Doctor Sun opened the medicine box, took out a black pill and stuffed it into Ruben's mouth. Then he took out a bag of silver needles and pierced several acupuncture points of Ruben's Huizhong, Tianhai, and Zuchi!

"You are not saving people by doing this, you are harming people..."

David looked at Doctor Sun's acupuncture method and said slowly.

Doctor Sun frowned, "What do you mean? Are you questioning me? Can you do acupuncture too? "

Acupuncture is a traditional Chinese medicine. It is not like Western medicine, which can be mastered in three to five years. It is difficult to get started with Chinese medicine without ten to eight years of study. If you want to master it, it may take decades. Some people have studied it for a lifetime and still dare not say that they have mastered it!

But David is only about twenty years old. Even if he has been learning acupuncture since his mother's womb, how good can he be?

Chapter 4089

“What nonsense are you talking about? You are not needed here, get out of here quickly...”

Sonya was afraid that David would affect Doctor Sun’s treatment, so she shouted angrily.

“Okay, you told me to get out. I’ll sit in the corridor outside. In less than five minutes, you will definitely beg me to come back.”

After David finished speaking, he opened the door of the box and walked out.

David walked back, and no one cared about him. Doctor Sun began to carefully give Ruben acupuncture, and soon he was sweating profusely!

After the last needle was inserted, Ruben woke up slowly and opened his eyes!

“Dad, my dad is awake, Doctor Sun, my dad is awake, so good...”

Seeing Ruben wake up, Sonya shouted happily, her eyes full of tears.

She was really scared just now, afraid that her father would never wake up again.

Doctor Sun saw that Ruben woke up and breathed a sigh of relief. He was actually not sure!

But just when Sonya and Dr. Sun were relieved, Ruben, who had opened his eyes, suddenly trembled violently, with a very painful expression, and his whole face turned purple!

“Dad... Dad...” Sonya shouted loudly, and looked at Dr. Sun in panic, “Doctor Sun, what’s going on?”

At this time, Dr. Sun was also a little flustered, and seemed at a loss, “I... I don’t know, how could this happen, how could this happen...”

“Who are you asking? You are a doctor!”

Sonya was anxious and yelled at Dr. Sun.

At this time, Ruben’s shaking amplitude became smaller and smaller, and finally, there was no movement at all, and even breathing could not be detected.

At this time, Dr. Sun was even more panicked. If Ruben was in trouble, he was afraid that he would not be able to get well.

“Dad, don’t scare me, don’t scare me...”

Sonya cried.

“Miss Su, let’s send Mr. Su to the hospital, I can’t do anything!”

Dr. Sun said anxiously.

The reason why he chose to send Ruben to the hospital at this time was nothing more than to evade responsibility. If Ruben died in the hospital, it would have nothing to do with him.

“Do you think I’m stupid? Can my dad make it to the hospital in this condition? Hurry up and save him. If you can’t save my dad, you won’t live either...”

Sonya had lost her mind at this time and said with anger in her eyes.

The Su family is the richest family in Jiangcheng. It’s not a simple matter to deal with a small doctor.

This scared Doctor Sun, but he had no other choice. When he was anxious, he suddenly thought of David. Doctor Sun hurriedly said, “Miss Su, the young man who just went out, maybe he really has a way. I think

that young man has some tricks!” When Doctor Sun said this, Sonya also thought of David. However, Doctor Sun looked down on David just now, but now he praised him, just to let David come to help him take the blame!

As long as David started to treat him, even if Ruben died, he couldn’t find his responsibility. It was all David’s responsibility.

Sonya hesitated for a moment, but finally put Ruben on the chair and rushed out of the room!

David was sitting on a chair in the corridor at this time. He knew that Sonya would definitely come out to find him.

Sonya saw that David had not left yet, so she ran over in a hurry. But just as she was about to open her mouth, she suddenly realized that she didn’t even know David’s name.

“Please, please save my father...”

Sonya begged David with an embarrassed look on her face.

David slowly raised his head and looked at Sonya, but Sonya didn't dare to look directly into David's eyes. She just cursed at David, but now she came to beg David!

"Do you believe that I can save your father and believe that I am not a liar?"

David asked.

Sonya didn't say anything. She didn't know how to answer, because at that moment Sonya didn't completely believe David. She just didn't do it, and she just wanted to give it a try!

Seeing Sonya like that, David smiled and didn't embarrass her. Instead, he got up and walked towards the private room.

Sonya hurriedly followed in, and Dr. Sun was sweating profusely, anxiously walking into the private room!

Seeing David coming, Doctor Sun seemed to see a savior. No matter whether David could cure Ruben or not, as long as David took action, his own responsibility would be pushed away.

"Little brother, it was my fault just now. Please save Mr. Su!"

Doctor Sun also put down his status and begged David.

Compared with his own life and property, saying a few nice words is nothing!

David glanced at Ruben, sighed, and said, "It seems that I can only fight..."

After David finished speaking, he looked at Doctor Sun and asked, "Do you have any silver needles?"

"Yes, in the medicine box!"

Doctor Sun hurriedly took out a pack of silver needles and handed it to David.

"Not enough!" David shook his head.

"Not enough?" Doctor Sun was stunned. "This pack of silver needles has more than 30 needles. Isn't it enough?"

In normal acupuncture, being able to perform more than a dozen needles is already amazing. Even Zhou Jimin, the president of the Chinese Medicine Association, who is

known as a miracle doctor, can only perform more than 20 needles. More than 30 silver needles should be enough!

“Not enough, I need a lot of silver needles!” David said.

“How many do you want?”

Doctor Sun asked carefully.

“Ninety-nine and eighty-one!”

When David finished speaking, Doctor Sun was stunned and froze!

After a moment, a trace of fear appeared in Doctor Sun’s eyes, but he didn’t say anything and took out all the silver needles from the medicine box!

David took the silver needles and laid Ruben’s body flat on the ground. Then he waved his hands and kept inserting silver needles into Ruben’s body!

Cold sweat began to appear on David’s forehead. He looked very tired and his clothes were soaked!

After the last silver needle was inserted into Ruben’s body, David let out a long breath. He seemed to be exhausted and sat down on the ground.

During this period, Sonya had been watching restlessly. She didn’t know anything about acupuncture and wanted to ask, but she was afraid of disturbing David.

But at this time, Doctor Sun had been stunned on the spot, with his mouth wide open, enough to fit an egg.

After a while, Dr. Sun’s expression changed from shock to excitement, and he knelt in front of David with a plop!

Dr. Sun’s sudden action startled David and Sonya!

Chapter 4090

“Divine doctor, please accept me as your apprentice!”

Doctor Sun said, and kowtowed to David!

David opened his mouth but found that he had no strength at all, and Sonya looked at Doctor Sun in shock, "Doctor Sun, what's wrong with you? My father hasn't woken up yet?"

Sonya didn't understand. Her father hadn't woken up yet, so why did Doctor Sun call David a divine doctor?

"Miss Su, you don't know, the divine doctor just used the Nine-Turn Soul-Resurrection Needle, which can revive even the dead. President Su must be fine!"

Doctor Sun followed Sonya to explain.

"So powerful?" Su

Yingxia looked at David in disbelief. If what Doctor Sun said was true, then David could really be called a divine doctor.

"I didn't expect you to know the Nine-Turn Soul-Resurrection Needle!"

David took two breaths and said in surprise.

The Nine-Turn Resurrection Needle is an ancient acupuncture method that has long been lost. David learned it from Ervin. He didn't understand how Dr. Sun knew it.

"Divine doctor, I am Karl, vice president of the Horendel Chinese Medicine Association. I have seen this acupuncture method in an ancient book. I didn't expect to have the honor of seeing a divine doctor giving acupuncture today. Please accept me as your apprentice."

Karl kowtowed to David.

Karl's behavior made David a little overwhelmed. At this moment, a few coughs were heard, and Ruben woke up!

"Dad!" Sonya reacted and hurried forward to help Ruben up, but was pulled by David. "Miss Su, you can't move now. Wait for me to take out the silver needles from your father!"

David took Sonya's slender hand, which was soft and warm in his hand, which made David's heart excited. Sonya seemed to feel the temperature of David's hand, and her face turned red. "Thank you!"

David hurriedly let go of Sonya, calmed down, and gently waved his hands in front of Ruben. Eighty-one silver needles were sucked onto David's palm!

"It's OK!"

David returned the silver needles to Karl and said to Sonya.

At this moment, Sonya didn't dare to doubt David at all. After thanking him, she stepped forward to help Ruben up, and tears of excitement were about to flow out.

"Dad, how do you feel?"

Sonya asked while supporting Ruben.

"I'm fine, I'm doing fine!"

Ruben smiled slightly, but when he saw Karl kneeling on the ground, he asked with a puzzled look on his face, "What's going on?"

Sonya could only tell him about how David saved him with the Nine-Turn Soul-Restoring Needle. When Ruben finished listening, he was immediately surprised.

He felt that David must be quite capable since he could see the symptoms of his body, but he didn't expect that he was so powerful that even Karl, the vice president of the Chinese Medicine Association, had to kneel to become his disciple!

"Little brother, this is the second time you've saved me. From now on,, you are the great benefactor of my Su family. As long as you say a word, I, Su, will do what I can and will never refuse!"

Ruben said excitedly.

"Mr. Su, you are too polite. It's just a small favor. Besides, you have been doing good deeds for a long time, and this is also your blessing!"

David said calmly, but then changed the subject, "Although I used the Nine-Turn Soul-Restoring Needle to temporarily save your life if you don't treat this disease, you will not live more than three months at most!"

Hearing what David said, Ruben knelt in front of David with a plop, "Please save my life, sir. I am willing to give all my life's wealth! "

Ruben was scared, and stopped calling David "little brother". Instead, he addressed him respectfully as "sir". He was really afraid that David would not save him.

To survive, he was willing to give all his wealth to David. As the richest man in Horendel, Ruben had a lot of assets, and now he was going to give them all to David. Anyone who saw this would be envious.

"Mr. Su, there is no need to do this. Since I met you, I will naturally save you, but I still need some rare medicinal materials, so you need to prepare them!"

David had no money to buy medicine for Ruben, and the medicinal materials he needed were all priceless, and ordinary people really couldn't prepare them all!

"Sir, just tell me what you need!" Ruben nodded quickly, and then said to Sonya, "Yuqi, get paper and pen to write it down!"

David felt uncomfortable when Ruben suddenly changed his name to "sir", so he said, "Mr. Su, my name is David, you can just call me by my name! "

How can that be? Mr. Chen is my lifesaver. My Su family will never forget him!"

Seeing that Ruben was stubborn, David did not insist, but wrote a full prescription with pen and paper and gave it to Sonya!

"Mr. Su, most of the medicines on this prescription are the herbs you need, but a small part is prepared for my mother. My mother is blind. If she wants to be cured, she also needs some herbs!"

David said to Ruben truthfully.

David's mother Barbara's eye disease was caused by crying for too long, so she became blind. It was not difficult for David to cure her!

But with his current ability, it might be a bit difficult to prepare the herbs for treatment, so he asked the Su family to prepare them together.

However, there are two things that David is worried that the Su family will not be able to find. One of them is a brush with a certain spirituality, such as the brushes used by literary masters for a long time, which have spirituality.

Or a brush made of spiritual animal hair. A brush is also OK. These spiritual brushes are just one of them!

Cinnabar is also needed. Although cinnabar is very common now, the cinnabar that David needs to use must be made of red sandalwood or old sandalwood that is more than 100 years old. With the spiritual brush, when the time comes, you only need to tap Barbara's eyes a few times, and she will basically be able to see things.

Although David also wrote these two things on the list, he did not expect the Su family to find these two things. These two things are hard to come by, and only those who understand can distinguish them!
