Chapter 4109

At this moment, David was like opening the door to a new world, and he was extremely excited!

It turns out that a true master of formations can not only set up formations, but also change everything!

Formation masters have always been the weaker side, just like pharmacists, although in this world of heaven and man, formation masters and pharmacists are rare!

Very respected, but in terms of real strength, whether it is a formation master or a pharmacist, the strength is weaker than other cultivators!

But now it seems that formation masters are not weak, but many formation masters have not understood the use of formation patterns! Chen

Ping's natal divine pattern and natal magic pattern are both flowing in brilliance!

The connection between the two is getting closer and closer, and a strange breath is constantly emanating from David's eyebrows!

Then lines light up in front of David!

Then David quickly carved with one hand, and the lines in front of him kept changing according to David's intentions.

Soon, a complete divine pattern appeared, followed by the second one!

Then David began to carve the magic pattern. After the magic pattern appeared, it covered the divine pattern!

At this time, the two patterns could not be completely integrated, but they were not mutually exclusive!

Seeing this, David's mind continued to strengthen. As long as these patterns were integrated together, an item would be produced!

He could evolve the item, and in the eyes of outsiders, this item was created out of thin air by David!

“It’s bad, this kid is going to go crazy...”

The ancestor of the divine pattern who was observing David was immediately shocked!

David’s cultivation is not enough now, but he wants to forcibly fuse the two patterns. This is simply courting death!

You must know that once you go crazy, even if you don’t die, you will become demented, that is, a useless person!

The ancestor of the divine pattern can’t watch a gifted person like David go crazy! The ancestor of the divine pattern moved his body and came in front of David!

Then he shouted: “Stop practicing, stop quickly...”

David’s eyes were red, and he couldn’t listen at all. He was already deeply involved in it!

He already understood the secret of the array pattern, so he wanted to merge the two array patterns!

Seeing this, the God Pattern Ancestor reached out to grab David!

When David saw that the God Pattern Ancestor wanted to stop him from practicing, he immediately shot out a ball of flames!

The shocking flames wrapped around the God Pattern Ancestor, and the God Pattern Ancestor waved his hand, instantly shattering the surrounding flames, and grabbed David’s shoulder!

David is now unconscious, and he put all his mind on the fusion of the array pattern!

Now he attacks those who are close to stop him, completely out of instinct!

The God Pattern Ancestor grabbed David and wanted to force David’s consciousness to be released!

If David continues like this, he will definitely go crazy, just like an ordinary person who is obsessed with a cow’s head. If he can’t release it, it will become extremely painful!
Chen

Ping desperately attacked the God Pattern Ancestor, and the God Pattern Ancestor endured David’s attack and didn’t fight back at all!

“Brother, you’ve spoiled this kid too much. Even if he’s gifted, he can’t help but fight back.”

Seeing this, the array demon got anxious! He

jumped up, and the magic patterns in the sky were instantly grabbed in his hands!

“Boy, you dare to hit my brother, I’m going to teach you a lesson.”

The array demon instantly shot out a black light and went straight to David!

David’s body trembled, as if he was a deflated ball, and the whole person became limp.

At the same time, the red eyes slowly lost their color, and the whole person fainted!

The array demon pinched off the magic pattern, and David could no longer merge the magic pattern with the divine pattern!

David has only cultivated his own magic pattern now, and there are still many magic patterns that he has not had time to carve and cultivate!

The ancestor of the divine pattern handed David to Bai Ju, and asked him to take David to rest!

“Brother, are you okay?”

The array demon asked the ancestor of the divine pattern with concern!
