### Chapter 4251

“The sect master is right. That kid was too arrogant just now. He was only at the sixth level of the Tribulation Realm, but he showed such strong strength. Apart from the huge power of the Xiao Dynasty, I don’t know who else can cultivate such a genius.”

A disciple of the Zhantian Fa Sect said!

“Yes, a sixth-level cultivator of the Tribulation Realm was able to make Elder Li suffer in one move. This alone is enough to prove that this kid is not simple.”

“Don’t think about it anymore. We have to find Elder Liu and the others as soon as possible!”

Mu Qiufeng said, and let the spirit boat sail quickly!

At this time, David and the others were driving the broken spirit boat, constantly approaching the island!

The many pharmacists in the cabin were all sweating profusely. If the people of the Zhantian Fa Sect had forced their way in just now, they would definitely find them and be completely exposed, and a fierce battle would be inevitable!

Fortunately, David showed up in time, and Gu Tianchao, this guy, was able to fool and fool the people of the Zhantian Fa Sect away!

“Fellow Daoist Chen, what should we do next? Are we going to that island?”

“That island is probably full of dangers!”

Chen Wenliang asked David with lingering fear!

“Of course we have to go. Now we have killed a lot of people from Zhantian Sect, and now many people have gone to support. I believe there won’t be many people on that island.”

“We can just attack the island now and occupy it completely.”

“As long as we occupy the island, we will take the initiative.”

David explained!

“Fellow Daoist Chen is right. We only have this one way to go now, and there will definitely not be too many people from Zhantian Sect on the island.”

Zhong Qing also agreed with David’s opinion!

After everyone reached a consensus, the spirit boat headed towards the island!

Mu Qiufeng and the others also approached the storm sea area, and the huge storm was still roaring!

Mu Qiufeng didn’t dare to let the spirit boat get too close. He just searched nearby and didn’t find any spirit boats around!

You know, the spirit boat brought by Elder Liu is very huge, and there are many formations on it. It shouldn’t be easily destroyed by the storm!

“Master, Elder Liu’s spirit boat has not been found around here. I don’t know if it was really sucked into the storm.”

The hunchbacked old man said to Mu Qiufeng!

“It shouldn’t be. This is not the first time Elder Liu has come here. How could he not know the power of the storm, and how could he be sucked in!”

Mu Qiufeng frowned slightly, not understanding what was going on!

“Master, look, are there any bodies in that area?”

At this time, a disciple of Zhantian Fazong hurriedly shouted!

Everyone looked in the direction of the disciple’s finger, and sure enough, they saw a lot of bodies floating on the sea, and there were some spirit boat wreckage!

The most important thing is the body of a whale demon floating on the sea!

“Quick, go and have a look...”

Mu Qiufeng hurriedly commanded the spirit boat to go over!

When they saw clearly that the bodies on the sea were those of Elder Liu and his men, they were all stunned!

They didn’t expect that the dozens of disciples of the Zhantian Sect brought by Elder Liu were all dead!

And it looked like the battle was very tragic!

There were fragments of spirit boats everywhere.

Especially the body of the whale monster, floating like a hill!

“What’s going on? How could this happen?”

The hunchbacked old man was shocked!

“Salvage the people.”

Mu Qiufeng had a gloomy face and asked people to salvage the bodies of Elder Liu and his men!

Looking at the death of those disciples of the Zhantian Sect, many people couldn’t hold it back!

“Sect Master, the whale monster has appeared. It seems that Elder Liu has taken the secret medicine.”

“Now that Elder Liu is dead, even the whale monster is dead. It can be seen that the opponent’s strength is very strong. It will never be done by a few pharmacists.”

The hunchbacked old man said!

“When Elder Liu and his men asked for help, did they say that there was a formation master among the other party’s pharmacists?”

Mu Qiufeng asked!

“Yes, that’s what he said!” The hunchbacked old man nodded!

“Formation Master, Array Master...”

Mu Qiufeng frowned and muttered to himself!

Suddenly, Mu Qiufeng’s eyes widened and his expression became angry: “I know, Liangyi Sect, it must be those people from Liangyi Sect.”

“The spiritual boat they are driving is the spiritual boat of Elder Liu and his people, and there must be a pharmacist hiding in the cabin.”

“Only this group of people can cause such great harm to Elder Liu and his people!”

Mu Qiufeng said so, and everyone reacted!

“No wonder I feel something is wrong, and the so-called prince of the Xiao Dynasty, that guy is not weak, and he can completely deal with Elder Liu.”

“We were all fooled, they stopped me from entering the cabin to check...”

said the hunchbacked old man!

“It’s bad. I told them about the island and asked them to go to the island.”

“There are not many people guarding the island now. If these people really go to the island, it will be troublesome. Go back quickly, go back quickly...”

Mu Qiufeng reacted and screamed loudly!

The spiritual boat under his feet quickly turned around and rushed towards the island!

Mu Qiufeng was trembling with anger. He also tried his best to invite the other party to the island. Isn’t this inviting a wolf into the house?

“Speed up, speed up, we must stop them before they land on the island!”

Mu Qiufeng shouted!

At this time, on the island, the disciples of Zhantian Fazong were guarding Su Tianshuo and others!

These pharmacists will become slaves of Zhantian Fazong in the future, and they will refine medicine for them endlessly every day! “

Feng Xing, you old man, as long as we have a chance to escape, we will kill you first.”

Su Tianshuo was locked in a dark dungeon and cursed at Feng Xing!

Now that the leader and elders of Zhantian Fazong have gone out, Feng Xing has directly become the biggest leader here!

Su

Tianshuo and his pharmacists were directly locked up!

In fact, Feng Xing knew best that even if they were well fed and well entertained, Su Tianshuo and his people would not stay on this small island to refine pills for Zhantian Fazong!

In order to prevent Su Tianshuo and others from escaping, Feng Xing directly locked them all in the dungeon! There were

several formations around the dungeon. Even if no one was guarding, Su Tianshuo and his people could not escape!

“President Su, what’s the use of scolding me now? You’d better save some energy, otherwise when you refine the pill, if you can’t practice it, or waste resources, you will be very painful.”

Feng Xing smiled coldly!

“Mr. Feng, I can be obedient. Can you let me out? I promise not to run away!”

Bao Longxing knew that if they were locked up, there would be no possibility of escape!

After all, they were just pharmacists, and no one knew the formation!

Now I can only ask Feng Xing not to let myself suffer too much!

“You should stay in the dungeon honestly. When we find the remaining pharmacists and the body of David, you guys will start working!”

Feng Xing laughed and left the dungeon!

At this moment, many pharmacists in the dungeon began to blame Su Tianshuo!

Bao Longxing was the one who blamed the most. Since he had already been imprisoned, there was no need to praise Su Tianshuo!

“With your brain, how can you become the president? And you have negotiated cooperation with Zhan Tian Fa Zong!”

“Now we are all prisoners of Zhan Tian Fa Zong. I am afraid we will be exhausted to death here in the future.”

Bao Longxing said angrily to Su Tianshuo!

“Yes, it’s all because of you. You don’t act as the president of the Pharmacist Association, but you still want to dominate the pharmacists of the entire Tianren world. Who do you think you are?”

“Now we are finished. It’s all your fault. You have to take responsibility.”

“I am so angry. Brothers, beat Su Tianshuo up...”

As soon as someone proposed, many people responded and attacked Su Tianshuo!

## Chapter 4253

Just when Su Tianshuo was being beaten, suddenly there were bursts of urgent bells outside, the sound was urgent and spread throughout the island!

Everyone hurriedly stopped and kept listening to the situation outside!

Now they were controlled by the formation, and their consciousness could not be released!

“What’s the situation outside? It sounds very urgent!”

pharmacist asked!

“Is it possible that someone is coming to attack this island? It would be best to kill all the beasts of Zhantian Fazong!”

Another pharmacist said!

Now these people wish that all the people of Zhantian Fazong would die so that they can be rescued!

“Don’t think about it. This place is far away from the mainland. Who would come here to attack Zhantian Fazong? We can only find a way to save ourselves!”

Bao Longxing sighed and said!

He regretted it to death now. Why did he work with Su Tianshuo, this idiot!

In the main hall of Zhantian Fazong, Feng Xing frowned and said, “What happened? Why did someone suddenly ring the bell?”

“Old Feng, there is an unidentified spirit boat approaching the island, so we rang the defensive bell. Now the sect master and the two elders are not here, and we dare not go out to check rashly!”

A deacon of Zhantian Fazong said to Feng Xing!

Although Feng Xing is not a member of Zhantian Fazong, his status is higher than that of this deacon, and he can be on equal footing with the elders of Zhantian Fazong!

“Isn’t it the spirit boat of Sect Master Mu? How could there be other spirit boats coming to this place?”

“Take me to see what’s going on...”

Feng Xing asked the deacon to take him to the seaside!

At this time, the entire island was shrouded in a colorful light, and more than a dozen disciples of Zhantian Fazong were waiting on the beach. A few

dozen miles away from them, a spirit boat was heading towards the island at a rapid speed.

Because the spirit boat was very shabby, it was obvious that it was not a spirit boat of Zhantian Fazong, so the defensive formation was activated!

Feng Xing came to the seaside, looking at the rapidly approaching spiritual boat, his brows furrowed slightly!

“How did such a shabby spiritual boat get here?”

Feng Xing didn’t understand. This place was far away from the mainland. How could such a shabby spiritual boat come here?

As the spiritual boat got closer and closer, Feng Xing’s brows furrowed deeper and deeper!

Soon, he found that it was David and his men on the spiritual boat!

This made Feng Xing nervous. He thought that David and his men had died in the storm vortex a long time ago, but he didn’t expect them to run here!

Seeing the damaged spiritual boat, Feng Xing knew that David and his men must have suffered heavy losses, and even the spiritual boat had become like this!

“These people are the pharmacists I mentioned. I didn’t expect them to be alive and find this place!”

“Attack quickly, don’t let them get on the island...”

Feng Xing said to the deacon!

The deacon was also shocked when he heard it. Elder Liu, Mu Qiufeng and others all went out to find these people. Unexpectedly, they actually ran to the base camp!

“Quick, release the poisonous insects, don’t let them land...”

The deacon screamed loudly!

Soon, hundreds of black poisonous insects buzzed out from a forest in the center of the island!

One of the poisonous insects with light golden lines was directing these poisonous insects in the center, heading towards David’s spiritual boat!

“Daoyou Chen, look, what’s going on?”

Chen Wenliang found the poisonous insects in the sky and said immediately!

“We have been discovered. This should be the poisonous insects released by the Zhantian Fazong!”

David looked at the black mass of poisonous insects in the sky pressing towards this side, and frowned slightly!

“It turned out to be poisonous insects. We don’t have to be afraid at all. I think Zhantian Fazong has forgotten what we do. We are pharmacists, and we are least afraid of poisonous insects!”

Chen Wenliang said confidently!

If they are afraid of some poisonous insects, wouldn’t they be laughed at?

## Chapter 4254

“It’s better to be careful. All of you go into the cabin and don’t come out easily!” After

David finished speaking, he jumped up!

Then David waved his hand, and a huge palm appeared in the void in an instant, and then suppressed the poisonous insects in the sky!

Just as David’s huge palm was suppressing it, the light golden poisonous insect suddenly flapped its wings quickly, making a piercing sound!

Seeing this, the other poisonous insects followed suit, and the piercing sound became louder and louder!

And flapping their wings generated a huge force, which actually countered David's palm!

"These guys actually have this kind of consciousness. It seems that this poisonous insect is not simple!"

David said in surprise!

At this moment, Mu Qiufeng, who was hundreds of miles away, instantly noticed that the poisonous insects were released!

"It seems that those guys have approached the island, and the poisonous insects have been released!"

Mu Qiufeng said with a frown!

"So fast?" The hunchbacked old man was a little surprised!

"But fortunately, they have been discovered. It is impossible for them to sneak attack our base camp."

"Now that the defense array is activated and the poisonous insects have been released, they will definitely be able to stop them for a while."

"Notify them to speed up and get back as soon as possible!"

Mu Qiufeng ordered loudly, letting the spirit boat drive at the fastest speed!

He pinched his fingers, then flicked his fingers, and a ray of golden light instantly disappeared into the void!

Then, the light on the golden poisonous insect became dazzling!

"You killed my elders, and now you want to sneak attack my base camp. This is simply unreasonable!"

The poisonous insect actually spoke, but the voice that came out was Mu Qiufeng's!

"I didn't expect you to know it so quickly. It seems that you are not stupid."

"Now you want to rely on these poisonous insects and the defensive formation to stop us, so don't waste your energy."

“Have you forgotten what we do? We have formation masters and pharmacists here.”

“

No matter it is poisonous insects or defensive formations, how can they stop us!”

David said with a sneer!

“Boy, no matter what your identity is, but looking at your strategy and strength, it is not bad. If you are willing to cooperate with our Zhantian Fazong, I can give you half of all the resources here!”

Mu Qiufeng just wants to stabilize David now, because he also knows that relying on poisonous insects and formations alone can't really stop David and the others!

Only by stabilizing David and the others first, and then waiting for them to come back!

How could David not know Mu Qiufeng's intentions, so he smiled coldly and said, “I will destroy you now, all your resources are mine, why should I divide it in half?”

After David finished speaking, he suddenly slapped out with an endless fire in his palm!

What these poisonous insects fear most is the ultimate fire!

Before Mu Qiufeng could say anything, the poisonous insects were instantly wrapped up by the ultimate fire!

At this moment, the poisonous insects were all in chaos, and they desperately fled everywhere, but it was useless!

With the ultimate fire on their bodies, they could not be extinguished at all!

Hundreds of poisonous insects fell into the sea one after another!

The golden poisonous insect flapped its wings and tried desperately to escape, but it couldn't escape at all!

Finally, under the gaze of everyone, the golden poisonous insect also fell into the sea!

“Too abominable, speed up, speed up...”

Mu Qiufeng screamed!

These poisonous insects are all treasures. For Zhantian Fazong, taming these poisonous insects took a lot of energy!

Originally, these poisonous insects lived on this small island all year round, and Mu Qiufeng tamed them for hundreds of years before he succeeded!

Now they were burned to death by David with the ultimate fire!

Especially the golden poisonous insect, Mu Qiufeng spent a lot of resources to cultivate such a poisonous insect king!

And he also fed it with his own blood and established a connection with his soul!

But now, it's all over!

## Chapter 4255

Seeing those poisonous insects being killed by David with one palm, Feng Xing and those people from Zhan Tian Fa Zong were all shocked!

Especially Feng Xing, he knew that if David and others landed on the island, they would definitely not let him go!

You know, it was his idea to lead David and others into the storm sea!

As if seeing Feng Xing's nervousness, the deacon of Zhan Tian Fa Zong said: "Don't worry, Mr. Feng, even if the poisonous insects can't deal with these people, they can't think of landing on the island. There are defensive formations around the island."

"You don't know, these people are not all pharmacists, there are also people from Liangyi Sect among them, they are also masters of formations."

Feng Xing sighed lightly!

Feng Xing knew that the formation technique of Liangyi Sect was also very powerful, and David was also a very powerful formation master! He

saw David subdue Wang Qingshi with his own eyes!

"What? People from Liangyi Sect are also among them?"

At this moment, the deacon of Zhantian Fazong was a little panicked!

Originally, he thought it was just a pharmacist who couldn't break their defensive formation at all, but now the other party actually has a formation master from Liangyi Sect, so it's not certain whether their defensive formation can withstand it!

“Quickly rush to the island...”

David ordered Gu Tianchao to urge the spirit boat and rush to the island quickly.

They must occupy this island before Mu Qiufeng and others come back!

Gu Tianchao led the people from Liangyi Sect and desperately urged the spirit boat to rush to the island quickly!

Just as they approached the island, the spirit boat finally couldn't bear the burden and shook violently!

At this moment, the spirit boat swayed with the wind and was about to sink at any time!

“Abandon the boat quickly, everyone should stop getting on the spirit boat.”

Seeing this, David hurriedly shouted!

Everyone flew into the air one after another, and just as they rose to the air, they heard a loud bang!

After the explosion, the spirit boat slowly sank into the sea!

Now

David and his team are suspended in the air, and there is no way to get to the island. The island is surrounded by colorful spiritual light, which is obviously shrouded by the formation!

“Gu Tianchao, break the formation...”

David shouted!

He knew that they couldn't stay suspended in the air all the time, and there was no time. They had to occupy the island as soon as possible!

Gu Tianchao nodded, and then took the disciples of Liangyi Sect. Every distance there would be a disciple of Liangyi Sect, surrounding the entire island!

David himself flew to the sky above the center of the island. With a golden light from David's fingertips, all the disciples of Liangyi Sect also took action!

Dozens of golden lights hit the defensive formation directly, and then collided with the colorful spiritual light, bursting out with dazzling light.

David and his team are preparing to break the formation by force. If they look for the eye of the formation and break the formation slowly, David can do it, but time does not allow it!

Seeing David and his men forcefully breaking the formation, Feng Xing and many of the disciples of Zhan Tian Fa Zong were panicked!

They could feel the power that erupted from David and his men, and this defensive formation could not withstand it at all! The

divine bell on the island shook involuntarily, emitting bursts of harsh bell sounds!

The bells became more and more urgent, and in the end there was no pause!

The pharmacists in the dungeon, listening to the bells outside, were all puzzled!

“The bells are so urgent, there must be someone attacking Zhan Tian Fa Zong, and I don’t know who it is.”

“It would be better to kill all the beasts of Zhan Tian Fa Zong, just in time to let us out.” “

Council Member Chen and his men, right?”

The pharmacists discussed one after another!

“It can’t be Chen Wenliang and his men, they are trapped in the storm, we saw it with our own eyes, they can’t get out of that storm.”

Bao Longxing shook his head and said!

At this moment, he really regretted it, but there is no regret medicine in the world!
