Chapter 4268

Mu Qiufeng's body was completely exposed in front of everyone. At this moment, Mu Qiufeng's eyes were wide open, and his face was full of horror!

He really didn't understand how David did it, so that all the tens of thousands of array patterns on the statue were unlocked!

Could this guy really be taught by the Array Demon Ancestor?

Mu Qiufeng obviously didn't believe it. How old was David? How could he be taught by the Array Demon Ancestor himself! What

's more, the Array Demon Ancestor was in the heaven! Even

the first master of the Zhantian Sect was just the disciple of the disciple of the disciple of the Array Demon Ancestor, and it has been passed down for countless generations.

It's just that in order to show off the statue's awesomeness, Mu Qiufeng said that the tens of thousands of array patterns on the statue were all taught by the Array Demon Ancestor himself!

The first master of the Zhantian Sect, I'm afraid he hasn't even seen the Array Demon, and he taught it personally!

"You...how did you do it?"

Mu Qiufeng asked David with disbelief on his face!

"I've already said that this is the formation pattern that was personally passed down by the formation demon. You are just showing off your sword in front of Guan Gong. I not only have the formation pattern that was personally passed down by the formation demon, but I also have the divine pattern here!"

After David finished speaking, he drew a line in the air with his finger, and a divine pattern appeared!

The divine pattern that was just visible slowly went towards Mu Qiufeng, and in the air, it formed a silk net-like formation!

Seeing this, Mu Qiufeng was horrified and jumped to escape, but he found that the divine pattern formation was following him like a shadow. No matter how he ran, the divine pattern formation was actually chasing him from behind!

Soon, Mu Qiufeng was wrapped in the formation, and his body seemed to have fallen into the magma flame. The burning sensation was no worse than the fire!

Ah...

Mu Qiufeng roared, and his body shook violently!

“Please, please spare me, I can be your slave...”

Mu Qiufeng desperately followed David to beg for mercy!

But David was indifferent. He had been fooled once. How could David fall in the same place twice!

No matter how Mu Qiufeng shouted, David was indifferent!

In the end, Mu Qiufeng was burned to death by the divine pattern formation, and the whole person turned into a mummy!

With a wave of David’s palm, the formation was lifted, and Mu Qiufeng’s body fell into the sea and was instantly swallowed by the monsters in the sea!

The leader of the Zhantian Sect died just like that!

There will be no Zhantian Sect in the future Tianren World!

After destroying Mu Qiufeng, David slowly fell back to the island. Looking at the many injured pharmacists, David said: “President Chen, let’s rest on this island for a few days. When everyone’s injuries are stable, let’s set off on the spirit boat!”

“Okay, everything is up to you, Daoyou Chen!”

Chen Wenliang nodded!

Everyone rested on the island for three days, and then took the spirit boat to ride the wind and waves and returned to the Western Region!

The road was calm, and the storm in the storm sea area disappeared!

In the few days on the island, plus the time to return to the Western Region, David used the gold-making stone to improve his gold source a lot!

Returning to the Western Continent, everyone breathed a sigh of relief after stepping on the land.

After this life and death, it is estimated that many pharmacists will not dare to go to the depths of the sea in this life!

“Fellow Daoist Chen, thank you for saving my life this time. We are going back to the Central Region. If you need me, just speak up!”

Chen Wenliang said to David with great gratitude!

If it weren't for David, none of these pharmacists would be able to come back!

“Yes, if fellow Daoist Chen can use us, just speak up, we should do our best.”

All the pharmacists respected David very much!

“Everyone, we are all pharmacists, and it is natural to help each other.”

“But there is one thing, I really need President Chen's help!”

David said!

Chapter 4269

“Fellow Daoist Chen, if you have anything to say, just tell me!”

Chen Wenliang asked!

“I hope that after returning to the Central Region, President Chen can take care of the Yuding Sect. After all, Ruyan and Nie Heng have already joined the Central Region Pharmacist Association.”

David hopes that Chen Wenliang can take care of the Yuding Sect in the medical field!

David can't be with Liu Ruyan all day, and it's even more impossible for him to stay in the Yuding Sect for a long time, so it's still necessary for someone in the medical field to take care of the Yuding Sect!

Chen Wenliang glanced at Liu Ruyan, and then assured David: “Don't worry, Fellow Daoist Chen, the Northern Territory Pharmacist Association is now in name only. I will

definitely unite with the various presidents and recommend Miss Liu to become the president of the Northern Territory Pharmacist Association.”

“I, Chen Wenliang, will be the guarantor at that time. If anyone is dissatisfied, they can ask the pharmacists in the Northern Territory to come to me, Chen Wenliang...” Chen

Wenliang is also very famous in the pharmacist world, otherwise he would not have become the president of the Central Territory Pharmacist Association!

“I can also be the guarantor...”

At this time, Bao Longxing also stood up!

As one of the four great families in Yongle City, the Bao family also has a very important position in the medical industry!

Bao Longxing is trying to curry favor with David at this moment. Along the way, he has truly witnessed how powerful David is!

“Thank you very much!”

David thanked him, and then looked at Liu Ruyan!

“Ruyan, follow President Chen and the others back to the Central Region first, and then you can go back to Yuding Sect. When I finish dealing with things, I will go to Yuding Sect to find you!”

David asked Liu Ruyan to go back to Yuding Sect. He couldn't let Liu Ruyan follow him. David still had a lot of things to do! With

Liu Ruyan's strength, it was too dangerous to follow him!

Especially the time for the duel he agreed with Mu Qing was coming. Although he was not afraid of the first-grade cultivators of the Mahayana realm, it did not mean that David could now compete with the Mu family!

David must continue to improve his realm strength now. Only when his strength is strong enough can he protect the woman around him!

Especially with the Demon Sealing League staring at him covetously, David dared not let Liu Ruyan follow him!

“David, I know you have a lot of things to do now. I can't help you much and will become a burden, but don't worry, I will definitely work hard to improve myself and become your good wife!”

Liu Ruyan grabbed David's hand. It can be seen that she was very reluctant!

After all, this separation, I don't know how long it will take to see David again!

"Nie Heng, you have to take good care of the young lady along the way, understand?"

David exhorted Nie Heng!

"Mr. Chen, don't worry, even if I lose my life, I won't let the young lady get hurt at all."

Nie Heng promised!

"The two of us can also protect Miss Liu all the way. We hope to join the Yuding Sect!"

At this time, Nie Lei and Nie Hong, brother and sister, stepped forward and said!

They plan to join the Yuding Sect and follow Liu Ruyan!

In fact, they are not interested in the Yuding Sect, but David. Since the Yuding Sect has David's cover, the future will definitely be limitless!

David glanced at Liu Ruyan. After all, it is not easy for him to make a decision on such matters. Liu Ruyan is the leader of the Yuding Sect!

Before Liu Ruyan could speak, Nie Heng said, "Miss, I think we should let the two siblings follow. After all, it's not easy for them, and they are not bad by nature." After

Nie Heng finished speaking, he secretly glanced at Nie Hong, who suddenly lowered her head and bit her lip!

David could tell at a glance that Nie Heng and Nie Hong were probably having an affair, but he didn't know when these two people secretly got together!

No wonder Nie Heng spoke for the two siblings, but David could also see that the two siblings were indeed not bad by nature!

Chapter 4270

"Since Nie Heng has spoken, let them follow."

David said!

Liu Ruyan nodded and said, "Okay, let them follow!"

David personally watched Chen Wenliang and the others leave on the teleportation array. Although Liu Ruyan was reluctant, she still left!

The other pharmacists also went back to their own homes, and David followed Granny Zhen and Zhong Qing back to the Zhen family!

Bai Qian, Huo Feng and Ji Yun were anxiously waiting for David!

They didn't know if David would be in danger. Halfway through, Zhen Yuandao and others ran back, and David and the others went after Su Tianshuo!

There was no news for several days, and even the sound transmission jade slips could not be contacted. Of course, several people were worried! But

seeing that David was back safe and sound, several people were instantly happy!

In the Zhen family hall, Zhen Yuandao was talking with Granny Zhen and Zhong Qing!

He also learned from the two people about the risks that everyone encountered when going to the deep sea this time!

However, benefits often come with risks. This time, Granny Zhen and Zhong Qing also got a lot of resources from Zhantian Sect!

Especially the beast pills, Zhong Qing's storage bag was almost full!

"It seems that this David is really not simple. Not only is he a great doctor, he also knows the divine pattern formation, and has all kinds of fire and magical powers."

After listening to Granny Zhen and Zhong Qing's narration, Zhen Yuandao said in shock!

"More than that, every weapon on him is a treasure. There must be an unknown secret on David!"

Zhong Qing kept observing David along the way. He knew that David was definitely not as simple as everyone saw!

"Now that Su Tianshuo is dead, the president of the Western Region Pharmacist Association is vacant. We have to personally select someone to go up. We must not let similar things happen again."

Zhen Yuandao was scared when he thought of Su Tianshuo's conspiracy. All their pharmacists almost couldn't come back!

“We really need to find a reliable person, and he cannot be someone from the four major families, otherwise it will be easy to cause disputes.”

Zhong Qing nodded and said!

“Zhong Yaozun, I think you are the most suitable for this position. Who in the entire Western Region Pharmacist world dares not to obey you?”

“Even the four major families in Yongle City dare not disobey you!”

Zhen Yuandao wanted Zhong Qing to be the president of the Western Region Pharmacist Association. After all, Zhong Qing is considered one of his own!

“No, no, no, I’m used to being casual, and I don’t want to be the president!”

Zhong Qing waved his hands quickly!

“It must be you. I will hold a meeting and propose it in two days.” Zhen Yuandao must let Zhong Qing be the president!

Just when the two of them refused, Grandma Zhen said impatiently: “Okay, okay, let’s talk about the president later.”

“Brother, when I came back just now, I heard that people from the Xiao Dynasty came to our house. What did they come for?”

When Grandma Zhen and the others came back, they heard from Zhen Huan that people from the Xiao Dynasty had lived in the Zhen family for several days!

“Oh, it was Emperor Xiao who sent someone to invite David.”

Zhen Yuandao said!

“Is it because he cured Prince Xiao?”

asked Grandma Zhen!

“No, many spirit beasts raised in the Xiao Dynasty suddenly became seriously ill, so we wanted to ask the pharmacist to go and treat them.”

“David was named, but David is not here, so he can only live in our house temporarily.”

“Now that you are back, I will send someone to invite David in a while!”

Zhen Yuandao said!

“The spirit beast is suffering from a serious illness, so it’s the same if you go. It seems that Emperor Xiao only trusts David now.” “But David’s medical skills are indeed not comparable to ours...”

Zhong Qing said!

“Indeed, we must admit the gap.” Zhen Yuandao nodded, “I will personally invite David to see if he can take us to the Xiao Dynasty. It is good to gain some knowledge and increase some medical skills.”
