Chapter 4301

This is the station of the Blood Bone Sect. After escaping, Di Chongjing's soul rushed here desperately!

"Second brother, save me, second brother save me..."

Di Chongjing shouted with fear in his voice!

From the hall, a man in a gray robe with a string of bones on his chest walked out!

The bones on the man's chest turned out to be heads, which looked very scary!

This man is Di Chongjing's second brother, Tan Rongkun. This guy is many times more ruthless than Di Chongjing! It

's just that when their master was not dead, this Tan Rongkun was very good at disguise, so that Master Jiang couldn't believe that his second brother would do such a thing!

"Junior brother, what's going on? How come you only have a wisp of soul left? Where's your body?"

"Didn't I ask you to destroy the Soul Demon Sect of the third junior brother? How did it become like this?"

Tan Rongkun looked at Di Chongjing with surprise and asked!

While speaking, the skulls on Tan Rongkun's chest actually emitted a faint green light!

"Second senior brother, I failed. All the people I brought died. I finally abandoned my body and escaped."

Di Chongjing said in horror!

Thinking of David's methods against him, Di Chongjing trembled all over!

"How could this be? Is the third junior brother stronger than you? This shouldn't be?"

Tan Rongkun was puzzled!

“No, I was about to succeed, but unfortunately the third senior brother came with help, a young man of unknown identity helped him.”

“That young man is very powerful. Although he looks only at the seventh level of the Tribulation Realm, his explosive power is by no means inferior to the second level of the Mahayana Realm.”

“And this young man has a whip in his hand and a token of the Xiao Dynasty. He is very extraordinary.”

Di Chongjing explained!

“Token of the Xiao Dynasty? Could it be the prince of the Xiao Dynasty? But I have never heard that the prince of the Xiao Dynasty has such strength.”

Tan Rongkun frowned slightly and said with a serious expression.

“No, I know the Xiao Prince. This young man is definitely not the Xiao Prince. I just don’t know what kind of relationship he has with the Xiao Dynasty and why he has a token of the Xiao Dynasty in his hand.”

Di Chongjing shook his head. After all, he had been in the Xiao Dynasty for a while and knew the prince of the Xiao Dynasty.

“Then why don’t you use the bone flute to summon monsters to deal with them? There must be a lot of monsters in the dense forest near the Soul Demon Sect. It should be easy to summon hundreds of monsters casually, right?”

Tan Rongkun continued to ask.

“Oh, don’t mention it. I summoned the monsters with the bone flute, but it’s a pity that the boy actually had a divine beast with flames. Although the divine beast was small, it was so majestic that it scared away all the monsters.”

“My bone flute was also robbed. If I wasn’t smart, I’m afraid I would have been destroyed by now.”

Di Chongjing said with lingering fear.

“It’s really strange. I’ve never heard of such a powerful young man in the Heavenly Realm. He has a whip and a divine beast in his hand. He is at the seventh level of the Tribulation Realm, but he can burst out with strength that is not weaker than the second level of the Mahayana Realm. Why do I feel that what you said is a little unrealistic?”

Tan Rongkun couldn’t figure it out. How could there be such a young man in the Heavenly Realm?

The Xiao Dynasty is also a big force in the Heavenly Realm, and the resources of the Xiao Dynasty are countless. Even so, the princes of the Xiao Dynasty do not have this ability. Who in the Heavenly Realm can cultivate such a powerful young man?

“Second brother, I really didn’t lie to you. If I tell a lie, I am willing to suffer the pain of the nine thunders!”

Seeing that Tan Rongkun didn’t believe him, Di Chongjing raised his hand and swore!

“Fourth brother, you don’t have to swear, I was just saying it casually.”

“You go and reshape your body first. I still have some things to do. When I come back after I finish my work, I will go with you to the Soul Demon Sect to ask for an explanation.”

Chapter 4302

“Don’t bother the senior brother about this matter. He is in seclusion. It will not take long for him to break through the third level of the Mahayana realm. When the time comes, the senior brother will catch some Mahayana cultivators for us to practice with.”

Tan Rongkun said to Di Chongjing!

Di Chongjing was immediately excited when he heard it and said, “The senior brother is going to break through the third level of the Tribulation Realm? That’s great. The cultivation method that Master taught us is really good. The improvement speed is too fast. If we can use the blood and bones of the Mahayana cultivators to practice, the speed will be even faster.”

“I don’t know what the second senior brother is going to do. You still need to go in person...”

“Do you know Mu Qing who learned from the senior brother?” Tan Rongkun asked!

“Of course I know. He is the son of the Mu family, and then he followed the senior brother to learn magic skills. It was this magic skill that allowed him to reach the Mahayana realm at a young age, but didn’t he leave?”

Di Chongjing said!

“Yes, he did leave, but he has an appointment with someone to fight, and the fight should be in the next few days. Senior Brother was worried before he went into seclusion, so he asked me to go to Nanjin City to take a look.”

“By the way, let the Mu family send some monks over for us. If it weren’t for the magic skills taught by Senior Brother, how could Mu Qing practice so quickly?”

Tan Rongkun said!

“Someone actually followed the young master of the Mu family to compete. He is really bold. Moreover, Mu Qing is very talented. He has reached the first level of the Mahayana realm at a young age. How many young people can be his opponent?”

Di Chongjing didn’t understand who was so stupid to compete with Mu Qing. But just after he finished speaking, he thought of David, and then continued: “But the kid I met today is stronger than Mu Qing, but I don’t know which family he is from.”

Looking at Di Chongjing’s look, Tan Rongkun thought he was scared, so he waved his hand and said: “Fourth Junior Brother, you should take a rest, and then let someone help you reshape your body. Fortunately, we have the Heavenly Demon Stone in our hands. It is not difficult for you to reshape your soul with this strength!”

“Okay, Second Senior Brother, you have to be careful, I’m going!”

Di Chongjing nodded, then walked into the hall, ready to reshape his body!

He didn’t know that the person who followed Mu Qing to compete was David who almost took his life today!

Of course, Tan Rongkun didn’t know that after settling Di Chongjing, he took two disciples to Nanjin City!

At this time, David followed Ji Yun on an airship and slowly landed on the square of Nanjin City!

Just after landing, people from Wantong Pavilion came!

After all, the airships in this place are controlled by Wantong Pavilion, and most of them are brought here by Wantong Pavilion’s airships!

When David walked down from the airship, he saw that it was actually the Pavilion Master Qian of the Wantong Pavilion Branch in Nanjin City who was coming!

Although he was not very familiar with Pavilion Master Qian, with the introduction of Elder Sun of Wantong Pavilion, David followed Pavilion Master Qian and got to know him!

Seeing David coming down from the airship, Pavilion Master Qian laughed and said, "I was wondering who could come here by airship, it turned out to be Mr. Chen."

"Recently, your appointment to fight with Mu Qing, the son of the Mu family, has spread throughout the entire southern region. Many people come here to see the fight between the two of you."

"Our Wantong Pavilion also benefited from Mr. Chen, which made us a lot of money again..."

After hearing this, David just smiled slightly. He knew that this news must have been deliberately spread by Wantong Pavilion in order to attract people to make money!

However, this is also the nature of businessmen. Wantong Pavilion makes money by information!

"Pavilion Master Qian, I want to ask, is there any gambling game for the fight?"

David asked!

"Of course there is. With such a thing, how can there be no gambling game? This time, our Wantong Pavilion is the banker in person. Does Mr. Chen also want to place a bet in person?"

Pavilion Master Qian asked.

Chapter 4303

"I'm quite interested. Pavilion Master Qian, please lead the way!"

David really wanted to see how many people bet on him to win!

"Mr. Chen, if you see the bets, don't be angry!"

Pavilion Master Qian smiled slightly, and then took David and Ji Yun to the gambling house where Wantong Pavilion was personally the banker!

David also knew that there would definitely be many people betting on Mu Qing's victory. After all, the gap between his realm and Mu Qing's was too big!

Just when David and the others arrived at the gambling house, they just walked to the door and heard a noisy sound inside!

“I’m betting all my clothes now, and I’m betting that David can win. If any of you believe in me, then bet with me!”

Someone shouted loudly, even betting his clothes!

“Mr. Chen, there are still people who support you so much?”

Ji Yun listened to the words inside and couldn’t help but look at David curiously!

He didn’t understand, who would support David so much in this Nanjin City?

Even the Pavilion Master Qian was slightly stunned. He didn’t expect that there were still people who supported David so firmly!

David smiled slightly. He had already recognized that the voice was from Shen Jizi!

“Shen Jizi, your ragged clothes are worth nothing. You even bet all your clothes.”

“That’s right. It’s not enough to bet all your money. You also bet your clothes. David is your father. Why do you support him so much?”

“Shen Jizi, Master Mu Qing is now a first-grade Mahayana Realm, and I heard that he has reached the peak. He may soon break through to the second-grade Mahayana Realm. How could David be his opponent?”

“You, you are just a liar. You are still here to get others to bet with you. Who is so stupid!”

Everyone mocked Shen Jizi!

Shen Jizi is also a celebrity in Nanjin City. There are many people who know him. Knowing that this guy is cheating, no one will believe him, let alone bet with him!

“Don’t be complacent. I can tell you that you can’t judge a person by his appearance, and you can’t measure the sea by a bucket. David will definitely win.”

“He and I have a life-long friendship. I know his strength best. Believe it or not!”

Shen Jizi said nonchalantly, wearing only a pair of shorts!

You know, this is Nanjin City, an extremely cold place. Now Shen Jizi is only wearing a pair of shorts!

Although cultivators can use spiritual energy to resist the severe cold, it can only be used for a short time. If you consume spiritual energy for a long time to resist the severe cold, you will be reluctant!

Therefore, many cultivators wear animal skins. Even if they don't use spiritual energy, their bodies still don't feel cold!

And animal skins can also be regarded as cultivation resources. This is why Shen Jizi wants to bet on his clothes!

The fur of monsters is also valuable!

"I'll bet with you..."

David walked into the gambling house and said loudly!

Shen Jizi looked in the direction of the voice. When he found David, his eyes suddenly lit up and he was about to shout out in joy, but was stopped by a look from David!

David didn't want to let everyone know about him just because he was fighting. That would probably cause a lot of trouble!

Although many people in Nanjin City have heard of David's name, not many people have actually seen David!

Shen Jizi saw that David was looking at him, and he instantly understood and said, "Young man, you have vision. Bet with me and I will guarantee you wealth and glory!"

David took out a bag of purple gold spirit coins from his body and threw them all on the gambling table!

"I also bet that David can win..."

David said slowly!

Everyone widened their eyes and looked at the bag of purple gold spirit coins with surprise!

When Pavilion Master Qian saw this scene, he just smiled slightly and did not expose David's identity. No matter how much David bet, Pavilion Master Qian would not stop him. After all, their Wantong Pavilion was the banker. No matter who won or lost, they would take a commission, which was a guaranteed profit!
