### Chapter 4304

“Young man, are you crazy? You bet on Chen Ping and placed so many bets.”

“I heard that Chen Ping is only at the Tribulation Realm. Even if he is at the peak of the Tribulation Realm, he can't be the opponent of Mr. Mu.”

An old monk with a white beard said to Chen Ping!

“No, I heard that Chen Ping is only at the seventh level of the Tribulation Realm, but even if he is at the seventh level of the Tribulation Realm, it is enough to beat Mu Qing.”

Chen Ping smiled slightly!

After hearing what Chen Ping said, all the monks were in an uproar and mocked Chen Ping, thinking that Chen Ping was just talking nonsense!seventh

-level cultivator in the Tribulation Realm can defeat a cultivator at the peak of the first level of the Mahayana Realm. Isn't that a joke?

“Who said that the seventh level of the Crossing Tribulation Realm can defeat the first level of the Mahayana Realm? I want to see who is so arrogant!”

At this time, a cold voice came, and then Tan Rongkun walked in with people!

Seeing Tan Rongkun appear, all the cultivators in the gambling house were slightly startled and retreated involuntarily!

The aura naturally exuded by the second-level cultivator of the Mahayana Realm was enough to scare these cultivators!

This is the Mahayana Realm, the realm closest to the immortal realm. How many people practiced desperately, and finally got stuck in the Crossing Tribulation Realm!

Although it seems that there are as many Mahayana Realm as dogs, according to the proportion of cultivators in the Heavenly Realm, the cultivators of the Mahayana Realm are also rare!

When Pavilion Master Qian saw Tan Rongkun bringing people in, he frowned slightly. The bloody smell on Tan Rongkun was obviously a demon cultivator, and he was the kind who often killed people!

Chen Ping looked at Tan Rongkun and frowned, because he felt that the aura of Tan Rongkun was similar to that of Di Chongjing and Jiang Zongzhu!

“Daoyou, this is a gambling house, a place for everyone to have fun, so don’t take some words seriously.”

Pavilion Master Qian stepped forward and said to Tan Rongkun with a smile on his face!

Pavilion Master Qian was afraid that Tan Rongkun would get angry because of what Chen Ping had just said, and then fight!

After all, Chen Ping said that the seventh level of the Tribulation Realm could beat the first level of the Mahayana Realm. If the cultivators of the Mahayana Realm heard it, they would definitely feel bad!

To be able to cultivate to the Mahayana Realm, there must be something extraordinary, and they have gone through hardships. Now that they have been denied so lightly, they must feel unhappy!

“Don’t worry, this is Wantong Pavilion, I won’t bully the weak, but since someone values Chen Ping so much and bets a lot of money, then I will also bet, but I bet on Mu Qing to win.”

After Tan Rongkun finished speaking, he threw out a bag of purple gold spirit coins and bet on Mu Qing’s side!

After the betting, Tan Rongkun looked at Chen Ping coldly and said, “Boy, when the day of the fight comes, I hope to see you on the scene. Don’t run away!”

While speaking, Tan Rongkun’s aura suddenly burst out and rushed straight to Chen Ping!

Chen Ping was only the seventh level of the Tribulation Realm. A little pressure could make Chen Ping kneel down!

But when Tan Rongkun’s aura pressed towards Chen Ping, Chen Ping stood motionless, as if he didn’t feel a bit!

Tan Rongkun couldn’t help but frown, and his aura increased a little!

But Chen Ping still didn't move. Although Chen Ping didn't move, the people around him couldn't bear it!

Many people gritted their teeth and tried their best to support it, and some people fell directly to the ground!

“Daoyou, I hope you can give us Wantong Pavilion a face and don't make trouble here anymore!”

Pavilion Master Qian said to Tan Rongkun with a flushed face!

At this time, Pavilion Master Qian couldn't bear it anymore, so he could only use Wantong Pavilion to threaten Tan Rongkun!

Tan Rongkun took back his breath, looked at Chen Ping in surprise, then turned around and led his men away!

## Chapter 4305

After Tan Rongkun left, everyone breathed a sigh of relief!

Chen Ping followed Pavilion Master Qian and bowed goodbye, then turned and left!

Seeing this, Shen Jizi hurriedly chased after him, following Chen Ping happily!

To him, Chen Ping was the God of Wealth!

Chen Ping looked at Shen Jizi wearing big shorts, and helplessly took out a purple gold spirit coin and said, “Go buy some clothes, and keep the rest for yourself...”

“Thank you, Mr. Chen, don't worry, I will definitely be able to pay you back, because I know you will definitely win, and then I will get rich.”

“The bet ratio you followed Mu Qing is ten to one. As long as you win, our bet will be ten times...”

Shen Jizi was excited, he was sure that Chen Ping could win!

“If I can't win, won't you lose everything?”

Chen Ping looked at Shen Jizi with a playful look and asked!

“Impossible, even if Mr. Chen really lost, with your character, you will never see me penniless, and you will definitely return my bet to me!”

Shen Jizi said!

Chen Ping was speechless when he heard it. It turned out that this guy had already calculated it. If he won, he would make a lot of money.

If he lost, then with his character, he would never see that he didn't even have clothes to wear, and he would definitely give him money. After all, Chen Ping was not short of money!

Shen Jizi's calculations were really smart!

“Okay, go buy clothes. If I really lose, I will give you all the money on me. By then, I will be dead, and I will need money immediately!”

Chen Ping said with a faint smile!

When Shen Jizi heard it, he hurriedly said awkwardly: “Mr. Chen can't lose, he will definitely not lose...”

After that, Shen Jizi hurried to buy clothes. After all, this was not very elegant!

Just after Shen Jizi left, someone suddenly called Chen Ping.

“Mr. Chen...”

Two

beautiful figures came towards Chen Ping!

“Palace Master...”

Chen Ping looked over and found that it was the Palace Master of Guanghan Palace who came with Lan Yingying!

“Mr. Chen, I guessed that you should come to Nanjin City soon, so I went down the mountain to try my luck. I didn't expect to meet you.”

“It's been less than a month, and you have actually reached the seventh level of the Tribulation Realm. It's really amazing!”

“With your cultivation speed, I'm afraid it won't take long before you can ascend to become an immortal!”

The Palace Master of Guanghan Palace said!

“Palace Master is joking. It’s not that easy to become an immortal...” Chen Ping smiled and said!

“Palace Master, let’s find a place to chat. People are coming and going on this street. It’s not a place to chat!”

Lan Yingying said!

“Yes, let’s find a place to chat!”

The Palace Master of Guanghan Palace nodded and took Chen Ping and others to find a place to live!

Chen Ping would not leave Nanjin City before the fight, so the Palace Master of Guanghan Palace would not return to Guanghan Palace. It was necessary to find a place to live!

Just when Chen Ping settled down in Nanjin City, in the headquarters of the Demon Sealing Alliance in the Northern Territory, hundreds of thousands of miles away!

Zuo Tianzheng sat upright in his seat, his face livid to the extreme!

Elder Chu was covered in scars, and said with a wandering look: “Alliance leader, the Xiao Dynasty blatantly attacked us and openly supported Chen Ping. It’s simply too much.”

“I think we should find a way to give the Xiao Dynasty a warning and let them stop interfering in Chen Ping’s affairs.”

“Knock? How to knock?” Zuo Tianzheng said with a cold face and wide eyes: “Otherwise, you take people to the Xiao Dynasty to knock?”

“I... I don’t have that strength!” Elder Chu hurriedly shook his head in fear!

A general of the Xiao Dynasty destroyed the Feng family. If it weren’t for Elder Chu’s cleverness and running away in advance, it would have been wiped out by now!

How could he have the ability to take people to the Xiao Dynasty to cause trouble!

## Chapter 4306

Seeing the look on Elder Chu's face, Zuo Tianzheng couldn't help but sneer, then he said: "Okay, I know you don't have the ability to strike the Xiao Dynasty, and I won't let you go to die, but right now there is an important thing that needs to be entrusted to you to do!"

Elder Chu heaved a sigh of relief when he heard it, and hurriedly asked: "Leader, just tell me if you have anything to do, I will do my best..." "

Recently, many demon cultivators in our Demon Sealing Alliance have been ready to make a move. Even those demon cultivators who cooperate with us have had the intention of rebelling."

"I have received reliable information that someone is secretly hiding a large number of demon cultivators, and these demon cultivators are locked up in secluded places. You take people to investigate."

"We in the Northern Territory will never allow such people to exist, let alone the existence of demon cultivators that are not under the control of our Demon Sealing Alliance. Only when the affairs of the Northern Territory are handled well, can we have the strength to fight against the Xiao Dynasty."

"As for that Chen Ping, don't worry about him anymore. A hundred years of offerings is tempting enough, and someone will definitely take action against him!"

Zuo Tianzheng said to Elder Chu!

"What? There are still demon cultivators in our Northern Territory, and they are hidden by others? Who on earth has such courage to do such a thing?"

"Don't worry, leader, I will definitely investigate this matter. As long as the demon cultivators do not submit to our Demon Sealing League, they will be killed..."

Elder Chu said confidently! At

this time, he felt that he was able to do it again. He was not in the state that had just been asked to deal with the Xiao Dynasty!

After all, there should not be many demon cultivators in the Northern Territory after so many years, and their strength could not be too high. After all, the headquarters of the Demon Sealing League is in the Northern Territory, and the living space of demon cultivators in the Northern Territory is very small!

"Go..."

Zuo Tianzheng waved his hand!

Elder Chu slowly retreated, and immediately took people to investigate the matter!

.....

Southern Territory, Mu Family!

Tan Rongkun brought his men here, but were stopped by the Mu family's guards!

"Who are you? What's the matter with our Mu family?"

A guard asked Tan Rongkun!

"We are here to see your young master Mu Qing. Please inform him."

Tan Rongkun said very politely!

The guard looked at Tan Rongkun, then shook his head and said, "No, our young master will have a duel in two days. Now he is taking the time to recuperate. Manager Liu has told us not to see anyone."

"You go, our Mu family will also close the door to visitors these days and not entertain anyone..."

"Bold, you, a little guard of the Mu family, dare to talk like this..."

A disciple brought by Tan Rongkun saw that the guards of the Mu family were so awesome, and he was immediately angry and wanted to teach them a lesson!

But he was stopped by Tan Rongkun. After all, in addition to seeing Mu Qing, he also needed the help of the Mu family to send a batch of monks!

It would not be good if he got into a fight with the Mu family!

"Little brother, to be honest, I am a friend of your young master Mu Qing, and I hope you can go and tell him."

Tan Rongkun said, taking out some purple gold spirit coins and handing them to the guard!

But who knew that the guard actually knocked the purple gold spirit coins from Tan Rongkun's hand, and said indifferently: "Leave immediately, otherwise don't blame us for being rude."

At this moment, Tan Rongkun also got angry. After all, he was a master of the Mahayana realm. It was too embarrassing to be stopped by two gatekeepers like this!

I saw that Tan Rongkun's internal breath was slightly shaken, and the two Mu family guards had no time to move, and they all fell to the ground in an instant, with fear in their eyes!

Tan Rongkun did not kill them. After all, these Mu family members could be taught a lesson, but if they were killed, it would be difficult to deal with!

"Let's go..."

Tan Rongkun walked straight into the Mu family with his men!

Chapter 4307

But just as they walked into the Mu family, a terrifying aura suddenly attacked!

"Who dares to trespass into our Mu family..."

A figure flashed over, followed by an overwhelming aura!

Seeing this, Tan Rongkun frowned slightly, waved his hand suddenly, and instantly blocked the aura!

"Who are you? Dare to break into our Mu family?"

Manager Liu appeared, and a large number of Mu family members also poured out from all directions!

Tan Rongkun and his men were surrounded in an instant! However

, seeing Tan Rongkun's second-grade Mahayana cultivation, these people from the Mu family did not take action!

"I came to find your young master Mu Qing, but your guards wouldn't let me in!"

"I had no choice but to break in..."

Tan Rongkun said!

“Our young master Mu Qing doesn’t want to see anyone. Get out of here before I get angry, or don’t blame me for being rude!”

Steward Liu said with a cold face!

“What if I don’t leave?”

Tan Rongkun smiled coldly!

“If you don’t leave, then leave your life behind...” After Steward Liu finished speaking, his aura continued to swell, ready to take action at any time!

“Standard Liu, don’t be rude!”

At this time, Mu Qing rushed out and hurriedly shouted at Steward Liu!

After running in front of Tan Rongkun, Mu Qing said respectfully: “Uncle Master, why are you here?”

“Mu Qing, don’t call me Uncle Master. When the eldest brother taught you the skills, it was also an exchange of interests, not a discipleship.”

“The eldest brother is in seclusion, but he is worried about your fight, so he asked me to come over to take a look, and bring some monks to the Blood Bone Sect by the way!”

Tan Rongkun said to Mu Qing!

“Master, who is this person?”

Manager Liu looked at Tan Rongkun and asked in confusion!

“Manager Liu, I have been learning outside these years, and I learned from the people of the Blood Bone Sect. Otherwise, my strength would not have grown so fast.”

“And the monks that my father prepares every year are also sent to the Blood Bone Sect...”

Mu Qing introduced!

Manager Liu heard it and quickly changed his smile and said to Tan Rongkun: “Daoyou, I’m really sorry. I have offended you just now!”

Tan Rongkun waved his hand and said generously: “It’s okay, ignorance is not a crime.”

“Uncle, you have never been to the Mu family. This time, have a good time here for two days. After I finish the duel with Chen Ping, I will go back with you.” “

I'll let Manager Liu take care of the monks' affairs. I guarantee that you will bring enough monks when you leave!"

Mu Qing said respectfully to Tan Rongkun!

"Okay, then I'll have fun for two days, and by the way, see what's so special about that guy named Chen Ping!"

Tan Rongkun nodded!

After all, he rarely leaves the Blood Bone Gate, and living among the dry bones all day is also very boring!

Two days later, the arena in Nanjin City was crowded

with people! Today is the day when Chen Ping and Mu Qing compete. Although not many people knew about the competition between the two at the beginning, after the publicity of Wantong Pavilion, many people in the entire South Region have come to watch the excitement!

Wantong Pavilion took this opportunity to make a fortune. This is the thinking of a businessman, and they will not consider the feelings of Chen Ping and Mu Qing!

Since things have come to this, Chen Ping and Mu Qing have both admitted it. Anyway, whether there is anyone watching or not, the two are fighting for life and death, and one of them will definitely die on the arena!

"Get out of the way, all of you..."

With a shout, the crowd around the arena slowly opened a road.

Mu Qing walked towards the arena with a proud face, followed by dozens of Mu family children, and Tan Rongkun followed on the left and right!

Seeing Mu Qing appear, many people began to shout excitedly!

Chapter 4308

"Mr. Mu, you must win. I've put all my wealth on you!"

"Mr. Mu will definitely be invincible. Come on!"

“Mr. Mu will win...”

Many of the onlookers bet that Mu Qing would win, so they all shouted excitedly!

Mu Qing felt the cheers of the people around him, and walked up to the ring with a proud look, and then waved his hands with the people around him!

Looking at Mu Qing’s appearance, it was obvious that he had absolute confidence!

Just as everyone was cheering, dozens of people came from the other side of the ring!

But these people are all female cultivators, each of them is as beautiful as a fairy, with an extraordinary temperament!

These female cultivators are the saints of Guanghan Palace. The appearance of the saints instantly attracted the attention of many people!

In front of these saints was Chen Ping, who was dressed in cloth and looked very simple.

The Palace Master of Guanghan Palace was beside Chen Ping, and they came to the ring together!

The Palace Master of Guanghan Palace had a majesty from the inside out, and he was awe-inspiring without being angry!

Everyone automatically made way for him!

“Mr. Chen will win, you will definitely win...”

After Chen Ping walked to the bottom of the ring, a shout suddenly came out from the crowd!

You don’t need to look, just listen to the voice to hear that this is Shen Jizi!

Shen Jizi also put all his wealth on Chen Ping, when he hoped that Chen Ping could win!

Seeing that only one person was cheering for Chen Ping, Mu Qing on the ring was full of sneers!

“I thought you didn’t dare to come, but I didn’t expect you to really come!”

Mu Qing looked at Chen Ping and said in a cold voice!

“Why shouldn’t I dare? I only need one hand to beat you like this. I’m afraid you don’t dare to come!”

Chen Ping said with a slight smile on his face!

“You don’t have to deliberately provoke me to make me lose my mind. Don’t talk nonsense. Feel free to go on stage. After killing you, I have other things to do.”

Mu Qing waved at Chen Ping!

“Since you want to die so much, I will fulfill your wish!”

Chen Ping’s body jumped slightly and went directly to the ring!

“Is it him?” Tan Rongkun was stunned after seeing Chen Ping!

“Does Daoyou Tan know this Chen Ping?”

asked Liu Zongguan on the side!

“I have seen this kid in the gambling house of Wantong Pavilion. He was boasting loudly at that time. It turns out that he is Chen Ping.”

“It’s just the seventh level of the Tribulation Realm. It’s just a foolish dream to want to defeat Mu Qing!”

Tan Rongkun had a sneer on his face!

He can rest assured now. Mu Qing will definitely win!

“Daoyou Tan, don’t underestimate this Chen Ping. This guy is improving very quickly, and he has the ability to fight across levels.”

“I’d better inform the young master to be careful. This Chen Ping is probably no less than the first level of the Mahayana Realm now!”

Liu Zongguan noticed it immediately after seeing Chen Ping on the stage!

At that time, Chen Ping was only at the fourth level of the Tribulation Realm, but he was able to fight back and forth with Mu Qing.

Although he was not lower than Mu Qing, he was not much worse!

Now, in just one month, Chen Ping has actually been promoted to the seventh level of the Tribulation Realm. I am afraid that his strength will not be lower than the first level of the Mahayana Realm!

“Butler Liu, you are too cautious, aren’t you? A mere seventh level of the Tribulation Realm can defeat a first-level cultivator in the Mahayana Realm. Why don’t I believe it!”

Tan Rongkun looked at General Manager Liu with disdain and said!

General Manager Liu ignored him. After all, no one would believe it if they had seen it with their own eyes!

“Young Master, this Chen Ping has actually been promoted to the seventh level of the Tribulation Realm. You have to be careful!”

General Manager Liu used the sound transmission technique to warn Mu Qing!

“Don’t worry, I will make him die on this stage today!”

Mu Qing responded, with a fierce look in his eyes!

At this time, Pavilion Master Qian of Wantong Pavilion also stepped onto the stage. Nanjin City, as a small town at the foot of a mountain at the southernmost end of the Southern Region, did not have a city lord!

## Chapter 4309

Qian, the Pavilion Master of Wantong Pavilion, also plays the role of the city lord. After

all, Wantong Pavilion is the most powerful in Nanjin City! “You two, since you have already stepped onto the stage, it is a life-and-death battle. No matter who lives or dies, you must not retaliate after you step off the stage!”

After saying this, Pavilion Master Qian gently waved at the corner of the stage!

Soon, rays of light appeared around the stage, covering the entire stage!

Buzz!

As the light enveloped the stage, a space tremor was emitted. The entire stage was blocked by formations around it, which was also to avoid hurting innocent people!

“Chen Ping, I didn’t expect that in just one month, you have been promoted to the seventh level of the Tribulation Realm. However, no matter how fast you improve, you can’t defeat me!”

Mu Qing's face was full of confidence, and the breath in his body was slowly condensing, and incomparable power bloomed!

Behind Mu Qing, a faint blood-red color appeared, and the terrifying pressure instantly came towards Chen Ping!

This pressure was like an invisible thug, firmly locking Chen Ping. Before he started, Mu Qing gave Chen Ping a horse power! But

Chen Ping stood still, and there was no fear on his face!

Mu Qing raised his lips slightly, and a sneer appeared on his face: "Within ten moves, I will make you bleed on the spot..."

After that, Mu Qing grabbed with his big hand, and the blood mist behind him instantly condensed into a long sword!

The long sword was swung out, and a sword light slashed towards Chen Ping, with a swift and fierce speed!

Chen Ping took advantage of the situation to block it, and I don't know when, the Dragon Slaying Sword has appeared in Chen Ping's hand!

The Dragon Slaying Sword directly blocked in front of him, making a dragon roar, and shattered the sword light!

Everyone looked at it in shock, a little incredible!

You know, Mu Qing's sword is a force of ten thousand kilograms, but I didn't expect it to be blocked so easily by Chen Ping!

And the crowd did not feel the burst of breath from Chen Ping!

"Could it be that this guy, relying solely on the strength of his flesh, blocked the attack of a first-grade cultivator in the Mahayana realm?"

Liu Zongguan's face was full of surprise!

Although he knew that Chen Ping's true strength was very strong, not what his realm showed, he had tried his best to overestimate Chen Ping's strength, but he did not expect it to be so terrifying! He

actually blocked Mu Qing's attack just by relying on the strength of his flesh. It seemed very relaxed and comfortable, and there was no sign of a life-and-death battle!

Chen Ping looked at Mu Qing calmly, without the slightest expression, and the Dragon Slaying Sword kept making a dragon roar in his hand!

Mu Qing frowned slightly, and was extremely shocked in his heart!

He did not expect that Chen Ping did not burst out any breath, but blocked his attack just by relying on the strength of his flesh!

Even Tan Rongkun, who had always looked down on Chen Ping and believed that Chen Ping would definitely lose, widened his eyes at this moment, his face full of disbelief!

At this moment, everyone began to re-evaluate and define Chen Ping's strength!

However, only Chen Ping himself knew that he did not block Mu Qing's attack simply by relying on the strength of his physical body. His physical body was not strong enough yet!

Chen Ping used the power of his True Fire Dharma Body. You should know that Chen Ping's True Fire Dharma Body is not a void, but is solidifying!

Because this True Fire Dharma Body is equivalent to Chen Ping's clone, the power and aura of the two bodies are exactly the same, so people will not notice it!

Everyone thought that Chen Ping simply relied on the strength of his physical body to block Mu Qing's attack!

This was the first time that Chen Ping used the power of his True Fire Dharma Body. When the True Fire Dharma Body was completely solidified, Chen Ping's physical body would be twice as strong.

"Boy, take another sword from me..."

Mu Qing shouted coldly, and the whole person suddenly jumped into the air, and the long sword in his hand chopped down.

This time, the sword light surged wildly, rushing straight into the sky, and the sword chopped down, and the void was about to be torn apart!

Chapter 4310

Boom! When

Mu Qing slashed down with this sword, the whole void exploded, and the huge arena also shook, and the air waves scattered, and even the formations around the arena could not help but twist!

Everyone around was shocked, and many people retreated one after another. If the formation could not withstand it and the aftermath scattered, many cultivators would be in trouble!

When the air waves dissipated and everyone's attention returned to the arena, they were surprised to find that David was still standing there without moving, holding the Dragon Slaying Sword without any change!

Even the expression on his face did not change at all, as if nothing had happened!

Mu Qing's sword seemed to have not slashed towards David at all!

The sharp sword energy had not even reached David, and it had all dissipated and disappeared without a trace!

"This... How is this possible?" Many

cultivators were shocked when they saw this scene. You know, Mu Qing is a first-grade cultivator in the Mahayana realm. David is a seventh-grade cultivator in the Tribulation Realm. Even if he can fight against a higher level, it can't be so outrageous!

In front of David, Mu Qing, a first-grade cultivator in the Mahayana realm, seems to be worthless!

"Is Mr. Chen so strong? Even a first-grade cultivator in the Mahayana realm can't shake him at all?"

The Palace Master of Guanghan Palace looked at David's figure and was shocked!

You know, a month ago, David was still the one who needed her to protect him!

But in just one month, David's strength has become unfathomable, and the Palace Master of Guanghan Palace is no match for him!

This made the Palace Master of Guanghan Palace a little excited. If it weren't for the identity of the Palace Master of Guanghan Palace, she might have thrown herself into David's arms long ago!

David was the most talented person she had ever seen, and he had saved her life, so it was normal for the Palace Master of Guanghan Palace to have a crush on him!

At this time, Manager Liu's face had become extremely ugly. Mu Qing's two attacks were stronger than the last, but they did not shake David at all!

This is when David did not fight back. If the situation continued like this, he could not imagine whether Mu Qing could still walk off the ring alive!

Tan Rongkun's face was also solemn at this moment, and he no longer had the contempt he had at the beginning. The strength shown by David was indeed very inconsistent with his realm!

At this moment, he finally understood why David dared to say such big words in the gambling house!

"Mr. Chen, awesome, so awesome..."

"Mr. Chen will win..."

Seeing this, Shenjizi shouted excitedly, and even got a flag from somewhere, shaking it vigorously to cheer for David!

The monks around him looked solemn and helpless. If they had known that David was so awesome, they would have bet on David!

Many people have put all their wealth on Mu Qing. If Mu Qing loses, he will lose everything!

Mu Qing was on the ring, gnashing his teeth and looking at David. The confidence he had at the beginning had long since disappeared.

David raised his mouth slightly, and a faint spiritual power emanated from his body. This spiritual power slowly spread, causing the space to begin to fluctuate, and it became stronger and stronger!

The indestructible golden body was activated, and the golden scales emitting golden light began to cover David's whole body!

Although the True Fire Dharma Body is very useful, David can't always use the power of the True Fire Dharma Body. After all, the True Fire Dharma Body has not yet reached the point of complete solidification!

In the two attacks just now, the True Fire Dharma Body also suffered a lot of blows, but in the eyes of everyone, David was fine and unscathed!

"If you only have this ability, it's a bit unlikely to kill me within ten moves, right?"

David said to Mu Qing with a joking look on his face!

Looking at David's joking look, Mu Qing almost died of anger, and in front of everyone!
