### Chapter 4311

“I’ll make you pay for this arrogant fellow...”

Mu Qing roared, and endless blood mist appeared behind him. The terrifying power emanated from Mu Qing’s body!

Mu Qing’s face was extremely ugly. He was a first-grade cultivator in the Mahayana Realm, but he was humiliated in public by David, a seventh-grade cultivator in the Tribulation Realm. This humiliation was fatal!

After two attacks, he failed to cause any harm to David. Mu Qing also began to face up to David’s true strength!

The aura of the first-grade Mahayana Realm continued to burst out, and the blue veins on Mu Qing’s forehead bulged!

“Dharma body... appear...”

Buzz!

With Mu Qing’s roar, a figure slowly appeared in the red blood mist behind him!

This figure supported the world and stood between heaven and earth, like a mountain!  
In

the moment when the Dharma body appeared, red light flowed, endless divine power emerged, and the earth and the sky trembled and the wind and clouds changed color!

Everyone was shocked when they saw this scene!

The Dharma body behind Mu Qing was obviously much more solid than a month ago. This should be the result of Mu Qing’s hard work for a month!

Everyone looked up at the Dharma body, and everyone felt very small!

When Tan Rongkun saw this Dharma body, he couldn’t help but open his mouth wide, and said in surprise: “Where did Mu Qing learn this Dharma body? It’s too scary...”

No one in their Blood Bone Sect knows this technique, not even his senior brother!

Obviously, this is something Tan Rongkun learned from somewhere else, but this is normal. As a young master of the Mu family, he spent a lot of money to learn some techniques and improve his strength. After all, Mu Qing is not a disciple of the Blood Bone Sect, and he doesn't have to abide by any sect rules!

When the Palace Master of Guanghai Palace saw the Dharma body behind Mu Qing, they were also shocked and began to sweat for David!

Because at this time, the power in Mu Qing's body was obviously soaring!

"The Poro Dharmakaya is really good, but it's a pity that your Dharmakaya is not yet solid, it's too weak."

"I'll show you how my Dharmakaya is..."

After David finished speaking, golden light exploded on his body, and a phantom slowly appeared behind him!

The phantom became clearer and clearer, and soon everyone was surprised to find that the phantom behind David was actually himself!

And around this Dharma body, there was a blazing flame!

"How can this guy condense his own Dharma body? He is just in the Tribulation Realm, this is impossible!"

Manager Liu was shocked and said incredulously!

Everyone looked at David in shock!

The Dharma body condensed by Mu Qing was just someone else's phantom, summoned by the technique!

And David's Dharma body turned out to be his real self!

A cultivator in the Tribulation Realm could actually condense a Dharma body, which was simply incredible!

"This... this is impossible, how could you condense your own Dharma body, the illusion is definitely an illusion..."

Seeing this, Mu Qing didn't believe that David could condense his own Dharma body at all!

"Whether it's an illusion or not, you'll know if you try it!"

After David finished speaking, his body slowly floated up, and his main body stood in front of the huge Dharma body. The whole person exuded endless majesty, which made people have to show endless admiration!

“True Fire Dharma Body... Open...”

Boom!

With a bang, the sky and the earth were instantly filled with flames, and these flames seemed to erupt from the ground!

The terrifying power, accompanied by the flames, burst out from under David's feet!

Mu Qing was instantly blown away by this force, and even the Poro Dharma body behind him began to shake!

Mu Qing's face was red, and blood was overflowing from the corners of his mouth!

However, David did not stop, holding the Dragon Slaying Sword, and his body was surrounded by flames!

Endless flames and breath burst out from the True Fire Dharma Body, constantly impacting the void, causing the entire void to tremble, as if it was about to collapse!

## Chapter 4312

David did not hold back this time, but wanted to see what his True Fire Dharma Body had reached.

The terrifying flame aura enveloped David's entire body. Everyone could only see the huge True Fire Dharma Body, and could no longer see David's figure!

“Oh my God, is this still the power that a cultivator in the Tribulation Realm can burst out?”

“Monster, this David is a complete monster...”

“A wonder, it's really a wonder, a first-grade cultivator in the Mahayana Realm was actually injured by a cultivator in the Tribulation Realm, and he has no power to fight back?”

Everyone looked at David in front of them with a look of shock. They never expected that this would be the result!

Originally, everyone thought that Mu Qing could knock David down with just three punches and two kicks!

But now it seems that the result is completely the opposite!

Tan Rongkun's face has become so ugly that he would never have thought that David actually had such a strong strength!

Although he also knew that the Demon Sealing League used a hundred years of offerings to hunt down David, that did not mean that David, a

person in the Tribulation Realm, showed strength that exceeded that of the Mahayana Realm! Mu Qing gritted his teeth, wiped the blood from the corner of his mouth, and slowly merged into the Dharmakaya behind him. The long sword in his hand was instantly held in the Dharmakaya's hand, and at the same time, the sword body also increased by hundreds of times!

The huge blood sword slashed towards David, and this time the sword light was obviously much brighter!

The power contained in the sword light made the avenue roar, with a devastating momentum. Although the speed was not fast, it broke all laws with force!

Rumble...

David's True Fire Dharmakaya also took a photo, and a fire dragon appeared, instantly defeating the sword light, but David's footsteps did not move at all!

"Ah..."

Mu Qing was going crazy, and the long sword in his hand kept waving, and sword lights fell towards David like raindrops!

At this time, Mu Qing's expression was distorted, and his whole body was full of tyrannical killing aura!

"You are no match for me. Why don't you kneel down and admit defeat? Now that ten moves have passed, I will take your head!"

David said, and suddenly rushed out from the flames, and then swung the Dragon Slaying Sword in his hand!

Boom!

Just this sword, swallowing mountains and rivers, arousing a thousand-foot sword light!

The Dharma body like a mountain, at this moment, slowly disappeared under David's sword!

Mu Qing's body appeared, but his eyes were wide open, and his face was full of shock!

The blood-colored long sword in his hand also instantly turned into blood mist and disappeared, and a blood-red thin line appeared from Mu Qing's neck!

Bang!

Mu Qing opened his mouth, but before he had time to speak, his head fell directly on the ring, and then his body fell heavily!

A spiritual light flashed out from Mu Qing's body, but was hit by David's fire, which instantly wrapped up the spiritual light!

"Ah..."

A shrill scream sounded, this is Mu Qing's soul!

He wanted to escape from his body, as long as he left a trace of residual soul, there was still hope to reshape his body and live.

But who knew that David would not even let go of his soul, obviously wanting to kill him, without mercy at all!

"Stop..."

Manager Liu was furious when he saw this, and murderous intent emerged instantly!

The others were also horrified. No one noticed that Mu Qing was killed, and even the remaining soul was not spared!

Manager Liu rushed towards the ring, but he ran into the formations around the ring, and his body was instantly blocked back!

Tan Rongkun was stunned on the spot, he didn't react at this time.

He never thought that Mu Qing would die so quickly!

This is a first-grade master of the Mahayana realm, how could he die like this?

Even if he was defeated, he shouldn't be killed so easily?

This is simply out of the norm...

## Chapter 4313

“Mr. Chen is mighty...”

Ji Yun saw that David won, and he shouted happily!

The Palace Master of Guanghan Palace and others were also very excited. They were still worried about David just now, but now they don't have to worry!

“Mr. Chen is awesome, Mr. Chen 666...” *WWW.VODJW.LA*Shen

Jizi was so excited that he waved his flag and shouted. This time he was going to win a lot of money!

Just when Shen Jizi was shouting, the chief steward Liu gave him a cold look, which scared Shen Jizi and made him shut his mouth!

Pavilion Master Qian waved gently towards a corner of the ring, and the formations around the ring disappeared instantly!

At the moment the formation disappeared, Chief Steward Liu jumped up and attacked David!

Everyone from the Mu family and Tan Rongkun also followed him onto the ring!

Seeing this, the Palace Master of Guanghan Palace hurriedly led many saints of Guanghan Palace to rush forward!

The reason why she brought so many people here was to prevent the people of the Mu family from jumping off the wall in desperation, and then bullying the few with more people!

David faced the chief steward Liu who was attacking him, clenched his fist tightly, and suddenly punched out!

Ten thousand golden lights bloomed from David's fist, and the terrifying power made many monks around him fly backwards one after another!

Without the barrier of the formation, everyone could feel the power of David's punch more clearly!

Chief steward Liu also frowned, waved his palms in front of his chest, and blocked David's punch!

"Chief steward Liu, I said before the fight, a fight of life and death, leaving it to fate, how can you find an account later?"

Pavilion Master Qian also walked to the ring, frowned slightly and asked chief steward Liu!

"He killed our son, this David must die, otherwise how can I explain to the head of the family!"

Chief steward Liu said with murderous eyes!

Now Mu Qing is the only child of the Mu family, and he has been killed by David. Butler Liu doesn't know how to explain this to the Patriarch of the Mu family!

If

David is not left behind, when the Patriarch of the Mu Family comes out of seclusion, Manager Liu will definitely be punished!

"Manager Liu, if you want to bully the minority with your numbers, I am not afraid of you in Guanghan Palace. Do you think that the saints in our Guanghan Palace are vegetarians?"

The Palace Master of Guanghan Palace said with an ice sword in hand, full of murderous intent!

"Humph, your Guanghan Palace is nothing. If you dare to stop me, I will destroy your Guanghan Palace!"

Manager Liu did not take Guanghan Palace seriously at all!

"Okay, let's give it a try!"

After the Palace Master of Guanghan Palace finished speaking, all the saints under his command showed their weapons, and bursts of icy air burst out from their bodies!

"Everyone, don't be impulsive. If you fight, the whole Nanjin City will suffer."

"What's more, the last time you had a fight, even the Domain Lord showed up and warned you. If you have a large-scale fight this time and anger the Domain Lord, you know the consequences." "

By then, Guanghan Palace and the Mu family, I'm afraid not a single one will be left alive. If the Domain Lord wants to destroy both of you, it's just a matter of waving his hand!" Pavilion Master

Qian knew that his words were not taken seriously, so he brought up the Domain Lord!

Others might not know about the Domain Lord's appearance, but as the Pavilion Master of the Wantong Pavilion, Pavilion Master Qian was very clear about it!

Sure enough, as soon as Pavilion Master Qian finished speaking, the Palace Master of Guanghan Palace and the Chief Steward Liu all looked at him!

The murderous aura on the two of them was also restrained a lot!

After all, no one dared to make the Domain Lord unhappy. That was not just looking for death, that was going to destroy the whole family!

After hesitating for a moment, Manager Liu put away his aura, looked at David coldly and said, "Boy, you're on your own. When our master comes out of seclusion, he will definitely make you die miserably!"

After that, Manager Liu took Mu Qing's body and left!

He didn't dare to annoy the domain master. If he really annoyed the domain master, the Mu family would be completely finished!

It's not just the death of Mu Qing that will solve the problem!

Manager Liu left without paying attention to Tan Rongkun.

## Chapter 4314

Tan Rongkun looked at David, turned around and led his men away. As for asking the Mu family to help send some monks, Tan Rongkun would not mention it again. Mu Qing was dead, and it would have nothing to do with the Mu family following their Xuegumen!

Seeing that everyone had left, the Palace Master of Guanghan Palace was relieved. If they had really fought just now, they would have ended up in a situation where both sides would have suffered losses!

"Master Qian, thank you very much..."

David followed Master Qian to thank him!

If it weren't for Master Qian, they might have really fought just now!

"Mr. Chen, why thank me? You have the ability yourself, but you'd better leave Nanjin City as soon as possible. If you wait for the Patriarch of the Mu family to come out of seclusion, I'm afraid it will be troublesome!"

Master Qian said to David!

"I understand!" David nodded!

Of course, he would not be stupid enough to wait here for the Patriarch of the Mu family to come out of seclusion to find trouble with himself!

He also had to rush back to the Soul Demon Sect, and then follow Sect Master Jiang to find the place where the Blood Bone Sect was!

If he could gather enough bones of the Red Cloud Demon Lord, and wait for the Red Cloud Demon Lord to recover his body, David could rely on the Red Cloud Demon Lord and become invincible in the Heavenly Human Realm!

"Mr. Chen, where are you going next? I can escort you!"

asked the Palace Master of Guanghan Palace!

David told the Palace Master of Guanghan Palace about his itinerary. When he heard that David was going to the Soul Demon Sect and then looking for the Blood Bone Sect, the Palace Master of Guanghan Palace decided to take dozens of saints with him!

David did not refuse. After all, David did not know what the strength of Sect Master Jiang's senior brother and second brother was. More people meant more strength!

After saying goodbye to Pavilion Master Qian, David took the Palace Master of Guanghan Palace and others to the airship in the square, ready to leave Nanjin City!

"Mr. Chen, Mr. Chen..."

Just as David was about to get on the airship to leave, someone suddenly called him!

David took a look and found that it was Shen Jizi!

Shen Jizi ran over breathlessly and said to David: "Mr. Chen, you bet on yourself and won, why don't you exchange the spirit coins? I have already exchanged them and won a lot!"

After that, Shen Jizi patted his bulging purse, and then took out a dozen purple gold spirit coins and threw them to David: "These are what I return to you. Thanks to you, I won so much money!"

Looking at Shen Jizi's look, David smiled and said: "Wantong Pavilion has branches everywhere. I can exchange them somewhere else. It will be fine."

"As for you being able to win money, it's not that you have a keen eye for people. This money should be won by you."

Shen Jizi smiled awkwardly. If he hadn't stayed with David for a while and knew David's strength, Shen Jizi would never have bet on David!

After chatting with Shen Jizi for a few words, David asked Ji Yun to start the airship and head towards the Soul Demon Sect!

The Palace Master of Guanghan Palace and those saints, almost no one has ever taken an airship, so they are all very curious, and they keep looking around on the airship!

You can see the scenery outside through the porthole, and there are rooms to rest, sleep and practice!

You don't have to waste any of your spiritual power, it's so comfortable!

"No wonder Wantong Pavilion is so financially strong, and the forces in various places dare not provoke it. It turns out that riding an airship is so comfortable."

"This Wantong Pavilion has many airships. Many cultivators have to take the airship of Wantong Pavilion. It costs a lot of money to take it once."

"Now we can take the airship without spending money. It's great..."

Lan Yingying said in shock!

"This airship is really comfortable..." The Palace Master of Guanghan Palace also said in shock!

"Ji Yun's family has many such airships. His family also uses airships to attract customers to make money."

David smiled slightly!

Hearing that Ji Yun's family has many such airships, many saints looked at Ji Yun in shock!

If Guanghan Palace didn't have rules, many saints would have thrown themselves into Ji Yun's arms. This kind of rich second generation is rare!

## Chapter 4315

After arriving at the Soul Demon Sect, David introduced the Palace Master of Guanghan Palace to Sect Master Jiang!

After a few days of recuperation, Sect Master Jiang and the disciples of the Soul Demon Sect were no longer in danger, thanks to David's elixir!

David and his companions did not stay in the Soul Demon Sect for too long, but led by Sect Master Jiang to look for the Blood Bone Sect's base!

After all, Sect Master Jiang was from the same sect as them, and Sect Master Jiang knew everything about their aura and habits!

So it was not particularly difficult to find the Blood Bone Sect's base, it was just a matter of time!

While David was leading everyone to look for the Blood Bone Sect's base, Tan Rongkun gathered all the disciples in the Blood Bone Sect!

Di Chongjing's body had also recovered, and they all sat in the main hall! This

time, Tan Rongkun was unable to bring back the monks, which caused the resources in the Blood Bone Sect to be seriously insufficient!

You have to know that these people rely on sucking human blood and gnawing human bones to practice!

"Second Brother, didn't you go this time to bring back some cultivators? Why did you come back alone?"

Di Chongjing asked!

"Hey, don't mention it. Mu Qing was killed in one second by a sword on the ring. How can I ask the Mu family for cultivators?" "

It seems that we can only rely on ourselves in the future, but when the eldest brother breaks through, we will be relaxed in the future!"

Tan Rongkun said!

“What? Killed in one second? What kind of strength is it to compete with Mu Qing? How could it be possible to kill a first-grade cultivator in the Mahayana realm?”

Di Chongjing’s face was full of disbelief!

“The seventh level of the Tribulation Realm, that is David who is being hunted by the Demon Sealing League. This guy is really weird. He is obviously in the seventh level of the Tribulation Realm, but his explosive strength is terrifyingly high!”

“This guy is not only powerful, but also condensed a Dharma body. That is the original Dharma body. It’s really strange!”

Tan Rongkun still had lingering fears when he thought of David’s fight with Mu Qing. It was incredible!

“Seventh level of the Tribulation Realm? He killed Mu Qing with one sword?”

Di Chongjing frowned. He also thought of David who had fought with him in the Soul Demon Sect!

It’s just that he had never seen David, nor did he know him, and didn’t know David’s identity!

But they are all seventh level of the Tribulation Realm. In the entire Tianren Realm, there are probably not many people who can kill the first level of the Mahayana Realm in the seventh level of the Tribulation Realm!

“Second Brother, what do you think David looks like? Isn’t he the young man I met in the Soul Demon Sect?”

“He is also seventh level of the Tribulation Realm, but I am no match for him at all. In the end, even his physical body was destroyed.”

Di Chongjing asked!

Seeing this, Tan Rongkun hurriedly described David’s appearance in detail. When Di Chongjing heard it, he immediately widened his eyes and said, “Yes, it’s him. It turns out that this guy is David. I was defeated by this guy.”

“No wonder he can kill Mu Qing with one sword. It seems that he has a lot of secrets.”

Di Chongjing frowned, his eyes full of anger!

“Damn, it was this guy who ruined the good things. When I have the chance to meet him, I must kill him.”

“Right now we have to practice as soon as possible to improve our strength, and the cultivation resources provided to the eldest brother must not be cut off at this time.”  
After

Tan Rongkun finished speaking, he turned his head and looked at the disciples of the Blood Bone Sect on the side and said, “How many cultivators have we imprisoned now? Are they enough for the eldest brother to practice?”

“To reply to the second uncle, we only have a dozen cultivators now, and many of them are in the fusion realm. There are only a few cultivators in the tribulation realm, and they are all second and third grades. Their strength is too low. I am afraid they can’t hold on for long.”

The disciple said truthfully!

Upon hearing this, Tan Rongkun frowned and said, “Come on, take me to see it...”

Soon, Tan Rongkun and his group walked towards the back of the Blood Bone Gate Hall!
