Chapter 4386

He can't put the entire Zhujia Town in danger for the sake of his daughter!

After hearing what his father said, Zhu Qingxiu gritted his teeth and said, "Father, I will meet Zhu Heng. Now that I am back, I don't have to be afraid of the people in Qijia Town."

"Miss, don't be impulsive. Qi Heng has now broken through to the Mahayana realm, and he just broke through. There are people in Qijia Town who are protecting him, and the strength of the people in Qijia Town has greatly increased."

"You are already injured, you should have a good rest!"

Seeing this, Liu Bo hurriedly persuaded Zhu Qingxiu!

"Sister, don't worry about my affairs. This is my fate. But you don't have to worry. If the Qijia Town goes too far in the end, I won't compromise."

"Actually, when I ran away from home this time, I met the prince of the Xiao Dynasty in the Western Regions, and we fell in love!"

"If I am really in danger, I believe that Prince Xiao will not ignore it."

Zhu Qingyue was afraid that Zhu Qingxiu would be hurt because of her own affairs, so she hurriedly said!

"What? You know the prince of the Xiao Dynasty? And you are in love?"

Zhu Yuanji looked at Zhu Qingyue in disbelief!

And Liu Bo on the side said: "Master, although the second lady fell in love with the prince of the Xiao Dynasty, Emperor Xiao did not agree. When I found the second lady, she was about to be driven out of the Xiao Dynasty!"

When Zhu Yuanji heard this, his excited expression instantly fell!

"Uncle Liu, didn't Mr. Chen say that Emperor Xiao has agreed now, and Brother Feng is also looking for me everywhere."

Zhu Qingyue hurriedly said!

“Second Miss, that’s just Mr. Chen’s one-sided statement. Who knows whether it’s true or not?”

“Let’s trick Qi Heng away first. If this guy stays in our Zhujia Town, it will be troublesome.”

“By then, I don’t know how much the young girls and wives in Zhujia Town will suffer!”

Uncle Liu said!

“Yes, we have to trick Zhu Heng away first...”

Zhu Yuanji said!

“Sister, don’t go out. I’ll handle this matter myself!”

Zhu Qingyue told Zhu Qingxiu, and then followed Uncle Liu and his father out!

When they came to the hall, Qi Heng was sitting in the hall, followed by two eighth-grade cultivators in the Tribulation Realm!

And Qi Heng himself was constantly emitting a faint breath, the breath of the Mahayana Realm!

This is obviously showing off, and it is also to add some oppression to the Zhu family!

When Qi Heng saw Zhu Qingyue, his eyes lit up immediately. He immediately stood up and said with a lewd smile: “Yueyue, I finally see you. Do you know how much I missed you for so long?”

“If I hadn’t missed you so much, I would be even stronger now. It’s a pity that I have just broken through to the Mahayana realm...”

When saying the three words “Mahayana realm”, Qi Heng deliberately raised his voice!

Zhu Qingyue just gave Qi Heng a cold look and ignored him at all!

Seeing this, Zhu Yuanji forced a smile, walked up to Qi Heng and said: “Mr. Qi, congratulations on your breakthrough to the Mahayana realm. You are really a hero. There are not many Mahayana realms in our entire Eastern Region.” Zhu

Yuanji flattered Qi Heng and made this guy happy first. Otherwise, if he really got angry, I’m afraid no one in Zhujia Town would be able to control him!

Sure enough, after hearing what Zhu Yuanji said, Qi Heng smiled and said, "Uncle Zhu, thank you for the compliment. After I marry Yueyue, we will be a family. If anyone dares to bully Zhujia Town, I, Qi Heng, will be the first to disagree!"

"Master Qi, Xiaoyue just came home. I want to let her calm down for a few days before talking about your affairs."

Zhu Yuanji wanted to delay the time!

Chapter 4387

When Qi Heng heard this, his smiling face suddenly turned cold, and he said in a cold voice: "I took the initiative to come to your Zhu family this time, not to discuss with you."

"Since Zhu Qingyue is back, we must get married. If you don't want to marry me, then let me play for a few days. If I get tired of playing, leave immediately!"

Qi Heng actually said such words in public, and this was still in the Zhu family. He was so arrogant !

"Qi Heng, you stinky hooligan!"

When Zhu Qingyue heard this, his face flushed with anger, and he wanted to kill this guy on the spot!

"Mr. Qi, you are a bit too much!"

Zhu Yuanji frowned, and his eyes were full of anger!

Qi Heng was too much. Who did he think his daughter was?

"Mr. Qi, this is Zhujia Town, not your Qijia Town. Although you have broken through to the Mahayana realm and brought two eighth-grade cultivators of the Tribulation Realm, if you really fall out, our Zhujia Town is not easy to mess with."

Liu Bo said with a cold face! This

Qi Heng is too much. Although Liu Bo doesn't want to fall out with Qijia Town, he can't let Qi Heng be too arrogant now. He must suppress him!

"You are just a servant, and you dare to threaten this young master?"

Qi Heng looked at Liu Bo, and then waved his hand!

A majestic breath gushed out, and the heat wave swept over!

Liu Bo was shocked and didn't react at all. The whole person was instantly blown away by this breath!

“Liu Bo...”

Seeing this, Zhu Qingyue and Zhu Yuanji rushed over!

But at this time, Liu Bo had already lost his vitality, and his body was like being steamed. It can be seen how powerful Qi Heng's attack was!

“Qi Heng, you are too much. You dare to kill our people in public.”

“Even if I try my best today, I will never let you leave Zhujia Town.”

Zhu Yuanji was completely angry!

With

the surging of the breath in his body, the sky-high anger directly overturned the roof of the hall!

A series of bells rang out over Zhujia Town, and all the people in Zhujia Town stopped their work and moved towards Zhu Yuanji!

They knew that this was a crisis in Zhujia Town, so all the bells would ring!

In a short moment, thousands of people from Zhujia Town surrounded Zhu Yuanji's yard!

Some middle-level people from Zhujia Town rushed into the hall. These people were all in the Tribulation Realm, but they were only at the fifth or sixth level of the Tribulation Realm!

In front of Qi Heng, who was in the Mahayana Realm, it was really not enough!

However, these people looked at Liu Bo's body, and they were all furious. Even though they knew they were no match for him, no one retreated!

Qi Heng looked at himself being surrounded, and he was not afraid at all, but instead showed a sneer!

“A bunch of little trash, you want to deal with me?”

Qi Heng waved his hand, and all the people from Zhujia Town around him flew out!

Qi Heng took two of his men and jumped directly into the air, overlooking the entire Zhujia Town!

Zhu Yuanji looked at the middle-level people of Zhujia Town who were killed by Qi Heng, and his anger had burned to the extreme!

Zhu Qingyue gritted his teeth, soared into the sky, and went towards Qi Heng!

But he was grabbed by Zhu Yuanji. He would not watch Zhu Qingyue go to die!

“Xiaoyue, it was your father who harmed you. You should find a chance to escape. I shouldn’t let Liu Bo find you back.”

Zhu Yuanji regretted it at this time. Zhu Qingyue ran away, so he ran away. He shouldn’t have found her again!

“Father, I don’t blame you, I don’t blame you...”

Zhu Qingyue burst into tears!

Zhu Yuanji stroked Zhu Qingyue’s hair, his eyes full of determination, and then he suddenly punched Qi Heng!

The strength of the peak of the Tribulation Realm broke out at this moment!

Chapter 4388

Facing Zhu Yuanji’s angry punch, Qi Heng’s mouth corners slightly raised, his eyes full of disdain. Ever since he broke through the Tribulation Realm and reached the Mahayana Realm, he no longer looked down on these Tribulation Realm monks!

Just when Zhu Yuanji was close at hand, Qi Heng threw a punch, and in this punch, there was actually a trace of fire!

It seems that Qi Heng received some teachings from Ning Zhi, and it was because of this that he broke through to the Mahayana Realm!

Boom! The

two fists collided, and an earth-shaking sound instantly erupted!

The entire Zhujia Town was shaking, and then everyone saw a figure falling rapidly from mid-air!

It was Zhu Yuanji. Zhu Yuanji's chest was severely burned, and blood was still gushing out of his mouth!

When Zhu Yuanji fell to the ground, a deep pit of more than ten meters was smashed out of the entire ground!

"Father....."

"Director..."

Zhu Qingyue rushed over!

The people from Zhujia Town also surrounded him!

When Zhu Qingyue brought Zhu Yuanji out of the deep pit, Zhu Yuanji only had one breath left!

His face was extremely pale, and his breath was almost gone!

Everyone in Zhujia Town looked at Qi Heng angrily!

But Qi Heng looked down at everyone with an indifferent face: "If any of you are not convinced, you can attack me."

"Kill him..."

Someone burst into anger and went towards Qi Heng!

Then more people from Zhujia Town attacked Qi Heng!

Seeing this, the two followers behind Qi Heng immediately blocked Qi Heng's way!

Qi Heng waved his hand: "You retreat, you are just a bunch of little trash, I can send you away with a wave of my hand..."

Facing the people of Zhujia Town, a jumping flame appeared in Qi Heng's palm, and then the breath in his body continued to surge!

The flames grew bigger and bigger, and then he slapped out with his palm, and flames rushed towards the people in Zhujia Town like poisonous snakes!

"Ah....."

“I’m burning to death...”

“Help.....”

The moment the flames touched the people of Zhujia Town, they all screamed desperately!

In just a blink of an eye, dozens of people in Zhujia Town died tragically!

At this moment, all the people in Zhujia Town were afraid, and no one dared to attack!

The gap between their strength and Qi Heng’s was too big!

It was like an insurmountable gap!

At this moment, Zhu Yuanji could only watch the people of his Zhujia Town die tragically, but he had no way to do anything!

“Zhu Qingyue, take off your clothes and sleep for me now, and I might be able to spare these garbage in your Zhujia Town.”

“If you don’t agree, then I can only take action and wipe out your Zhujia Town...”

Qi Heng looked at Zhu Qingyue and said!

Zhu Qingyue looked at Qi Heng angrily, but couldn’t say a word!

“Second Miss, don’t agree to him, we...”

There was a fearless obstruction from the people of Zhujia Town, but before he finished speaking, Qi Heng shot out a flash of light and killed him instantly!

“Zhu Qingyue, you have to think about it. Now I will give you a moment to think about it. During this time, I will continue to kill people from your Zhujia Town until you nod!”

Qi Heng finished speaking, and slapped down from the sky!

Boom!

Dozens of people from Zhujia Town were instantly wiped out in this palm!

Even though they have reached the realm of transcending tribulation, they still have no power to resist!

“Don’t...”

Seeing the tragic death of many people in Zhujia Town, Zhu Qingyue screamed loudly!

But as soon as the voice fell, Qi Heng slapped down again, and dozens of people from Zhujia Town disappeared again!

“I promise, I promise you, as long as you let our people from Zhujia Town go, I can let you play with me as you like...”

Zhu Qingyue compromised!

But just when Qi Heng was complacent and ready to grab Zhu Qingyue, a voice came from a distance!

“A guy of the first rank of the Mahayana realm dares to be so rampant?”

Hearing this voice, Zhu Qingyue’s eyes suddenly lit up!

Chapter 4389

“Mr. Chen, Mr. Chen...”

Zhu Qingyue shouted loudly, and saw David’s figure approaching from afar!

When the people in Zhujia Town saw that help had come, they were all very excited.

Qi Heng frowned and looked at David coming from a distance. He didn’t expect that someone would actually cross a pole!

But when David came closer, Qi Heng laughed immediately!

A mere seventh-grade cultivator in the Tribulation Realm also pretended to be a big-tailed wolf! And

those people in Zhujia Town, after seeing David’s realm, all lost their excitement in an instant!

This kind of strength can’t save them at all!

But only Zhu Qingyue was still trembling slightly, looking at David excitedly!

Although David was only at the seventh-grade realm of the Tribulation Realm, the real strength he showed was not bad!

Zhu Qingyue knew it!

“Boy, you are just a seventh-grade cultivator in the Tribulation Realm, and you dare to join in the fun. Are you looking for death?”

Qi Heng looked at David and said with disdain!

David ignored him, but glanced at Zhu Qingyue and said, “Are you okay?”

Zhu Qingyue is Xiao Feng’s girlfriend. After all, Xiao Dynasty treats David well, and David should protect Zhu Qingyue!

“Mr. Chen, I’m fine...”

Zhu Qingyue shook her head!

Seeing that Zhu Qingyue was fine, David turned his attention to Qi Heng!

Qi Heng was furious when he saw that David, a small cultivator, ignored him!

“Can’t you fu**ing hear me? If you don’t want to die, get out of here. Do you want to interfere in my affairs?”

“Don’t you see what kind of virtue you are...”

Qi Heng snorted!

“Trash...”

Swish...

David just said trash, and before Qi Heng could speak, he saw a golden light flashing in front of him!

Qi Heng’s head was thrown high, then quickly fell to the ground, and then rolled to Zhu Qingyue’s feet!

Then Qi Heng’s headless body fell quickly and fell to the ground, with a lot of dust!

Everyone in Zhujia Town was stunned when they saw this scene! Everyone

’s face was full of disbelief, and their mouths were wide open!

They never thought that the result would be like this!

Just now Qi Heng was still a killing god, killing them Zhujia Town without any ability to fight back, controlling the life and death of everyone!

But in a blink of an eye, this killing god was beheaded!

This sword was so casual and easy!

How is this possible?

A seventh-grade cultivator in the Tribulation Realm actually killed a first-grade cultivator in the Mahayana Realm with a casual sword. This is a bit too outrageous!

Everyone in Zhujia Town was stunned!

And the two eighth-grade cultivators in the Tribulation Realm brought by Qi Heng were also stunned!

They didn't react at all to what was going on, and their eldest master had his head chopped off!

"You two get back now and say that I, David, killed the person. If you want revenge in Qijia Town, just come to me!"

David waved his hand towards the two monks!

At this time, the two monks reacted. When they heard the word David, they all trembled and turned around and ran in a hurry!

They knew that David was the man that the Demon Sealing League had been chasing for a hundred years!

David's body slowly fell, and Zhu Qingyue knelt down in front of David with gratitude!

When Zhu Qingyue knelt, everyone in Zhujia Town also knelt down in unison!

Although many people don't know who David is, the person who can kill Qi Heng with one sword is definitely not an ordinary person!

Maybe there is a huge force behind him, so that their Zhujia Town will be saved, and they don't have to be afraid of the people in Qijia Town!

"Zhu Yuanji, the pacification department of Zhujia Town, thank you for saving me..."

Zhu Yuanji also dragged his seriously injured body and knelt down in front of David!

David just gently lifted his palms, and everyone felt a force that lifted them up!

Chapter 4390

“It’s just a small favor, no need to thank me...”

David said casually!

It seemed that killing Qi Heng was as easy as crushing an ant to him!

“Mr. Chen, my father was seriously injured. I wonder if you can help treat him?”

Zhu Qingyue asked!

She knew that David was also a pharmacist and knew medical skills! Chen

Ping just took a look, then nodded and said, “Although he was seriously injured, it was not fatal. It’s okay!”

Zhu Qingyue was very happy when she heard it, and ordered people to clean up the scene!

Then Zhu Qingyue took David and Zhu Yuanji to the backyard!

Zhu Qingxiu was still in the backyard. She had been waiting anxiously in her heart, not knowing what was going on outside!

When she saw David following Zhu Qingyue and supporting her father to walk in, her worries disappeared instantly!

She had experienced life and death with David, so of course she knew David’s ability!

As long as David comes, Qijia Town will not be a concern!

“Miss Ah Zhu, I hope no one will disturb me when I treat your father. In addition, there are some resources that you need to gather in Zhujia Town.”

David said to Zhu Qingyue!

Although David himself has a lot of resources, he almost consumed them all after a fierce battle with Ning Zhi. The demon-subduing formation consumes a lot of resources!

In addition, David’s own body consumption is also not small, and he needs to replenish it slowly!

But if there are no resources, what can he use to replenish it!

Since he helped Zhujia Town this time, it is only right to let Zhujia Town provide some resources!

David is not a bodhisattva, he can't help for nothing!

"Don't worry, Mr. Chen, I will collect all the resources of Zhujia Town for Mr. Chen's use!"

After Zhu Qingyue finished speaking, he went to collect resources immediately!

When David looked at Zhu Qingxiu, he took out the Wanjian Sect Jade Slip Secret Book and returned it to Zhu Qingxiu!

"Miss Zhu, thank you for your jade slip secret book..."

David knew that if it weren't for this jade slip secret book, he would not be able to practice the super awesome swordsmanship of Wanjian Guizong!

Zhu Qingxiu took the jade slip secret book and asked, "Mr. Chen, how are those demon cultivators?"

"Most of them were killed by me, only one escaped, and they won't be a big deal."

"Your body was also injured in this battle, and you need to rest for a while, so don't run around."

David said to Zhu Qingxiu!

"Okay!" Zhu Qingxiu nodded, but there was some hesitation in his eyes!

"What's wrong with you? Do you have anything to say?"

David saw Zhu Qingxiu's look, so he asked!

"Mr. Chen, I want to ask, can you heal my face?"

Zhu Qingxiu asked in a low voice!

David nodded and said, "It's okay, but your face has been like this for too long. If you want to restore it to its original state, you must consume a lot of immortal herbs. Among them, the Shenji Grass is the most special and not easy to find!"

In fact, it is not difficult to heal the burns on Zhu Qingxiu's face. The difficult part is how to collect enough immortal herbs!

David can't have all kinds of immortal herbs to deal with all the symptoms!

"Mr. Chen, as long as it can be cured, as for finding the Shenji Grass, I'll find a way..."

Zhu Qingxiu said excitedly!

As long as I can cure it, I don't have to live under the mask anymore!

David began to treat Zhu Yuanji, and Zhu Qingxiu walked out of the room. She didn't want to disturb David from treating her father!

And she also wanted to find out where in the East Region there is the immortal grass Shenji Grass!

Zhu Qingxiu finally had a smile on her face. After all, every girl loves beauty!

Zhu Qingxiu also thought about being able to return to that beautiful face!

Zhu Qingyue sent people to collect resources from the entire Zhujia Town. When the people in Zhujia Town heard that it was for Zhu Yuanji's treatment, they were all very enthusiastic and took out all their resources!
