Full Read Online **Chapter 4391** of the novel **A Man Like None Other**

Chapter 4391

Qijia Town!

Qi Yuankun, who is the governor of Qijia Town, is drinking wine and waiting for his son to return!

During this period, after Qi Heng ascended to the Mahayana realm, Qi Yuankun was so happy. He is the youngest Mahayana master in their vicinity!

Today's Qijia Town is also famous in the entire Eastern Region, especially now that Ning Zhi is in charge of Qijia Town!

In addition, Qijia Town has cooperated with the Demon Sealing Alliance, which is even more powerful!

Now Qi Yuankun has expanded to the extreme!

Many small sects and forces in the surrounding areas have been annexed by Qijia Town!

But just when Qi Yuankun was humming a little tune and drinking a little wine, the two cultivators brought by Qi Heng ran back in a panic!

"Director, Director, it's not good, it's not good..."

Two monks knelt down in front of Qi Yuankun, trembling all over!

Qi Yuankun frowned slightly and said, "What happened? You two are so scared?"

"Where is the young master?"

One of the monks swallowed his saliva and said, "Director, the young master was killed..."

Crash...

The wine glass in Qi Yuankun's hand fell to the ground in an instant, and then shattered!

“What did you say?” Qi Yuankun stood up and asked in disbelief!

“Director, the young master was killed, and his head was cut off with a sword!”

Another monk also hurriedly said!

“Bullshit, it’s impossible, absolutely impossible, how could Zhujia Town have such a master.”

Qi Yuankun didn’t believe it at all, because he knew that Zhujia Town would never have such a master!

His son is a master of the Mahayana realm. Zhu Yuanji of Zhujia Town has the highest strength, but he is only at the peak of the Tribulation Realm!

How could he cut off his son’s head with a sword?

Suddenly, Qi Yuankun seemed to remember something, and his eyes widened, saying, “Could it be that it is the people of the Wanjian Sect? Is it possible that the people of the Wanjian Sect are in Zhujia Town?”

Only the destroyed Wanjian Sect can kill a master of the Mahayana realm with one sword! And

only the elders of the Wanjian Sect can do this!

But the Wanjian Sect has been destroyed, and everyone is dead or fleeing. How could anyone dare to stay in the East Region?

Qi Yuankun knew that the Wanjian Sect had always had a friendship with Zhujia Town, but it was impossible for him to ignore his own life and stay in Zhujia Town to support Zhujia Town?

You must know that the Wanjian Sect offended the Demon Sealing League. In the East Region, the three words of the Demon Sealing League are mentioned, and they are like gods!

Every sect is proud to join the Demon Sealing League. After all, with the Demon Sealing League, even if the resources in the East Region are scarce, they can get more resources first!

However, the Demon Sealing Alliance will not accept any sect or force, and still has certain requirements! The Ten Thousand Swords Sect

was favored by the Demon Sealing Alliance, but it did not know what was good for it, and could only lead to the destruction of the sect! “Director, it’s not from the Ten Thousand Swords Sect, it’s... it’s that David...”

said a cultivator! “David?” Qi Yuankun frowned slightly, he always felt that this name was very familiar, but he couldn’t remember it for a while! “It’s the guy that the Demon Sealing Alliance used a hundred years of offerings to hunt down!” The cultivator explained! Boom!

When Qi Yuankun heard this, his head suddenly exploded, and then he asked anxiously: “What realm is David in, and he can actually kill my son with one sword?” “The seventh level of the Tribulation Realm...” “fu\*\* you...” The cultivator had just finished speaking, and Qi Yuankun kicked the cultivator away!

“Do you think I’m a fool? A person who is at the seventh level of the Tribulation Realm can kill my son with one sword. Are you saying that my son, a master of the Mahayana Realm, is not even as good as the seventh level of the Tribulation Realm?” Qi Yuankun was angry. Wasn’t this an insult to his IQ?

## Chapter 4392

Seeing this, another cultivator was so scared that he trembled and could only bite the bullet and said, “Director, he is really only at the seventh level of the Tribulation Realm. The realm that David showed is only the seventh level of the Tribulation Realm, but it is possible that his realm is hidden.”

“Otherwise, the Demon Sealing Alliance would not have used a hundred years of offerings to hunt down this kid. This David must have something extraordinary!”

The words of another cultivator calmed Qi Yuankun down. He guessed that David must have hidden his strength!

It is impossible for a seventh-level cultivator in the Tribulation Realm to kill a Mahayana cultivator with one sword!

“Butler...”

Yuankun shouted!

Qi Yuankun knew that his son could be killed by David with one sword. Even if he took people to avenge him, he would only die in vain!

Although the hatred of killing his son is irreconcilable, Qi Yuankun is not stupid!

Soon, the housekeeper was called in and whispered, "Master, is there anything?"

"Is Young Master Ning here?"

Qi Yuankun asked!

This matter can only be handled by Ning Zhi, after all, Ning Zhi is the real behind-the-scenes boss in Qijia Town!

"Master, Young Master Ning has been out for many days with several demon cultivators from the Demon Sealing League and has never come back."

"I tried to contact him, but I couldn't get in touch with him. I don't know if there was any accident!"

The housekeeper whispered!

"Impossible, in the entire East Region, there are not many people who can threaten Young Master Ning."

Qi Yuankun waved his hand and said!

The strength level of the entire East Region is not high, and there are not many masters in the Mahayana realm, so there are very few people who can threaten Ning Zhi!

"Master, have you forgotten that in the Gelu Mountain area some time ago, there was a strange phenomenon in the sky and the spiritual light was great. Maybe the legend is true."

The housekeeper still said in a low voice! After

hearing this, Qi Yuankun was silent for a moment, then frowned and said, "You mean, Master Ning and the others might encounter those people from outside the domain?"

"It's hard to say!" The housekeeper didn't dare to admit it!

"Those are all legends, they can't be taken seriously at all. Is there really another world in Gelu Mountain, and there are hidden sects?"

"You know, for so many years, no one has seen those hidden outsiders, they have only heard about it."

"If there are really these hidden masters, and they suddenly appear and cause turmoil in our Eastern Region, I don't think the Lord of the Territory can sit idly by." "

No matter where Master Ning and the others go, you should contact the Demon Sealing League immediately, and then inform them that David is in the Eastern Region.”

Qi Yuankun ordered!

“I understand!” The housekeeper nodded, but did not leave immediately, looking like he was about to say something!

“Housekeeper, just say whatever you want to say!”

Qi Yuankun said!

The housekeeper glanced at the two monks, then waved his hand and said, “You two go out!”

The two monks retreated, and the housekeeper approached Qi Yuankun’s ear and said, “Master, if we lure all the people from the Demon Sealing League here, I’m afraid we can’t hide the matter of the Gelu Mountain ruins.”

“We in Qijia Town have spent a hundred years secretly looking for the entrance to the ruins. Now we have some clues. If it is discovered by others, I’m afraid there will be nothing for our Qijia Town at that time.” “

The strange phenomenon some time ago, I feel that it is also related to the entrance to the ruins being found. I hope you will consider it carefully!”

Qi Yuankun was silent...

They have a treasure map in Qijia Town that has never been passed on for generations, but no one has ever known what the treasure map is used for!

Until a hundred years ago, someone saw that the treasure map should be an entrance to the ruins, on Gelu Mountain, but the exact location is unknown!

Qijia Town has begun searching since then, and this search has lasted for a hundred years!

Now that the entrance to the ruins has been revealed, if we lure all the people from the Demon Sealing League here at this time and the ruins are discovered, all the efforts of Qijia Town over the past century will be in vain!

## Chapter 4393

After all, the strength of Qijia Town cannot be compared with the Demon Sealing League. If the Demon Sealing League finds the ruins, there will be no problem for Qijia Town!

But if the Demon Sealing League is not sought for help, with the strength of Qijia Town, it is impossible to seek revenge on David!

Qi Yuankun was in a dilemma for a while!

After thinking for a long time, Qi Yuankun said, "Let's go to the Demon Sealing League. Let's not look for the entrance to the ruins for the time being!"

"Master, if the vision some time ago is really the ruins or the appearance of the masters from outside the domain, then the secrets of our Qijia Town can't be kept."

The housekeeper wanted to persuade Qi Yuankun!

"I asked you to go, so go, why so much nonsense, let the Demon Sealing League send some masters over, our Qijia Town is also a member of the Demon Sealing League, and the Demon Sealing League can't just watch and die!"

Qi Yuankun was a little angry and yelled at the housekeeper!

Seeing this, the housekeeper could only turn around and leave helplessly!

Yuankun's eyes were filled with anger, he could not fail to avenge his son's death!

.....

Zhujia Town!

After David obtained all the resources of Zhujia Town, he cured Zhu Yuanji!

During this period, Zhu Qingxiu also slowly recovered on his own!

And he also found out the whereabouts of the Shenji Grass!

"Mr. Chen, thank you so much, if it weren't for you, I would probably be dead!"

After Zhu Yuanji recovered, he was grateful to David!

"Mr. Chen, we have no way to repay your kindness. All the resources of Zhujia Town are here, and we can't give you any reward."

“But don’t worry, if I return to the Xiao Dynasty and really get together with Afeng, I will definitely repay you!”

Zhu Qingyue looked at David gratefully and said!

Now Zhujia Town has nothing to thank David for. Zhu Qingyue can only wait for her answer to Xiao Huangchao. If she really becomes the prince consort of Xiao Huangchao, she will be able to repay David!

“You don’t have to be so polite. It’s just a small favor. Besides, I have used a lot of the resources of Zhujia Town myself. It can be regarded as a reward!”

David said a little embarrassed!

In fact, David also used a lot of these resources in Zhujia Town to recover his body, otherwise he would not be able to treat Zhu Yuanji!

He followed Ning Zhi in the battle, and it was indeed a huge consumption, and he had to recover!

“Mr. Chen, I found out the whereabouts of the Shenji Grass. Some people say that there is this Shenji Grass in Gelu Mountain!”

Zhu Qingxiu followed David and said!

“Gelu Mountain?” David was slightly stunned, and then said: “Then we can go to Gelu Mountain to pick some of this fairy grass. As long as there is this fairy grass, I can cure you 100%. “

“Great, I will accompany Mr. Chen to Gelu Mountain to pick Shenji Grass now!”

Zhu Qingxiu said excitedly!

“No, you can’t go...”

At this time, Zhu Yuanji hurriedly stopped him!

“Father, what’s wrong?” Zhu Qingxiu looked at Zhu Yuanji puzzled and asked!

“Gelu Mountain has been in turmoil recently. Some time ago, strange phenomena appeared on Gelu Mountain, spiritual light flashed, and some people even heard strange noises. I’m afraid the legend is true.”

Zhu Yuanji said!

“Legend? What legend?”

Zhu Qingxiu's face was full of doubts!

David also became interested instantly, pricked up his ears and listened carefully, wanting to hear what the legend was!

"Legend has it that there is another world in the Gelu Mountain area, where many masters from outside the domain live, and they are very powerful."

"The reason why there are so few masters in our Eastern Region is because they have all been taken into that world."

"But these are just legends and have not been confirmed..."

"But in the previous world, strange phenomena appeared on Gelu Mountain, and everyone thought of this legend, so you'd better not go to Gelu Mountain, so as not to really encounter any danger!"

Zhu Yuanji advised!

Chapter 4394

"Father, is there such a legend? Why haven't I heard of it?"

Zhu Qingyue asked in confusion!

"In recent years, this legend has become less common. Of course, you haven't heard of it. You should know that we used to have many masters in the East Region, and there were also many demon cultivators at that time." "

But with the establishment of the Demon Sealing League, the survival of the demon cultivators was greatly threatened, and slowly those demon cultivators disappeared."

"Legend has it that these people have hidden in another world. Some people also say that a secret realm has been opened up for the demon cultivators to hide in, but no one can tell what happened."

"Anyway, the Gelu Mountain is very evil, you'd better not go..."

Zhu Yuanji is still persuading!

"Father, if I don't go to the Gelu Mountain and get the Shenji Grass, I will live under the mask for the rest of my life."

Zhu Qingxiu said anxiously!

If she can't seize this opportunity, then she may never be able to take off the mask on her face!

Even if we get the Shenji Grass, it will be useless without a pharmacist like David!

Zhu Yuanji was silent, not knowing what he was saying!

"Director Zhu, don't worry, I will take good care of Miss Zhu. We will come back as soon as we get the Shenji Grass. There will be no danger."

David followed Zhu Yuanji and said!

Zhu Yuanji could only nod in agreement. He had seen David's ability. Even Qi Heng, who was in the Mahayana realm, was killed by a sword. Even if he encountered anything, he should be able to deal with it!

David took Zhu Qingxiu and Ji Yun, and then took an airship to leave Zhujia Town!

Gelu Mountain is a full ten thousand miles away from Zhujia Town, and this Gelu Mountain is close to the North Territory. A part of the mountain range stretches to the southernmost end of the North Territory!

But just as David and his men were heading towards Gelu Mountain by airship, suddenly the strange phenomenon above Gelu Mountain suddenly changed!

I saw a series of white light, which seemed to burst out from the mountain, and the sky above the entire East Territory began to become illusory!

that light, there seemed to be the whistling of golden swords and iron horses, as well as the sound of a war!

All the cultivators in the East Region were attracted by this vision!

"Is this the other world in the legend?"

Zhu Qingxiu said in shock as he looked at the vision of heaven and earth!

"Mr. Chen, are there any relics in Gelu Mountain?"

Ning Zhi also looked at the vision and asked!

David looked at the vision of heaven and earth outside through the porthole of the airship, then slowly shook his head and said, "This is not a relic, nor is it another world. This is a battlefield where gods and demons fight."

“It seems that the battlefield of gods and demons in this place has been banned. This is because the ban has been weakened, causing the breath of the battlefield of gods and demons to be exposed!” “

Battlefield of gods and demons? I didn't expect that there would be a battlefield of gods and demons in this desolate land of the East Region...”

Ji Yun said with some curiosity!

“The East Region was not desolate before, and it became like this later...”

Zhu Qingxiu hurriedly explained!

“Let's go. The aura of the battlefield of gods and demons has been leaked. It is estimated that many people will go there. Let's go and take a look...”

David knew that there must be many unexpected opportunities and treasures in the battlefield of gods and demons!

Others will definitely know it, so now that the aura of the battlefield of gods and demons has been leaked, many people will definitely rush over!

Ji Yun nodded, accelerated the speed of the airship, and headed towards Gelu Mountain!

At the same time, a hunchbacked old man followed by two sword-wielding demon cultivators suddenly appeared in the East Region in a white light!

These three people are from the Demon Sealing League. After getting help from Qijia Town, the three of them used the teleportation array to come to the East Region!

This teleportation array can only be used by the most powerful organization like the Demon Sealing League!

Chapter 4395

“Master, this is the first time we have shown up in nearly a hundred years. As long as we catch David this time, we can come and go freely in the Demon Sealing Alliance and they won't lock us up in the dungeon anymore!”

A demon cultivator behind the hunchbacked old man said excitedly!

“Tianluo, Tiansha, you two have followed me for so many years, why are you still so attached to the outside world?”

“What’s wrong with the dungeon of the Demon Sealing League? We have not lacked any resources in the past hundred years, and we have had a peaceful life.”

The hunchbacked old man said, then glanced at the strange phenomenon in the sky and continued: “Tianluo, go to the place where the strange phenomenon of heaven and earth occurs and find out what happened. Don’t start a conflict casually!”

“I will take Tiansha to Qijia Town to see. Since David can kill a first-grade cultivator in the Mahayana realm with one sword, his strength is definitely not inferior to yours.”

“Don’t be careless. Although we are now under the command of the Demon Sealing League, we are not its dogs. Before doing anything, you must ensure your own safety.

“Remember the teachings of the patriarch!” After

Tianluo finished speaking, his figure flashed and he went towards the place where the strange phenomenon of heaven and earth occurs!

The hunchbacked old man took Tiansha to Qijia Town!

It must be said that the hunchbacked old man had some brains. Although he had to bow his head under the eaves, he also clearly positioned himself and was definitely not a dog of the Demon Sealing League!

Not long after Tianluo disappeared, David sat in the airship and frowned suddenly!

“Ji Yun, be careful, there is a mysterious breath approaching us...”

Just as David’s voice fell, a figure had stopped in front of the airship!

This person held a blood-red sword, and black mist was all around his body. It was Tianluo!

It is nearly ten thousand miles away from the Gelu Mountain. If you fly there, it will definitely consume a lot!

Now that an airship has appeared, Tianluo will of course take the airship!

“I didn’t expect that there would be an airship in this desolate East Region. Can I take a ride?”

Tianluo held a long sword and asked loudly to the airship!

Ji Yun looked at David, he didn't know how to answer!

After all, the breath that erupted from Tianluo made people a little frightened!

Moreover, this Tianluo looked like a demon cultivator at first glance. Ji Yun didn't know the other party's identity, and didn't dare to answer easily!

“When did a demon cultivator of such a realm appear in the East Region? It seems that this demon cultivator should have reached the second-grade strength of the Mahayana realm?”

Zhu Qingxiu frowned and said!

She has now recovered to the first-grade strength of the Mahayana realm. Her realm is also considered a master in the Wanjian Sect!

You must know that the Wanjian Sect has a very high status in the entire East Region. If it weren't for the Demon Sealing League, the Wanjian Sect would not have been destroyed!

But now, a second-grade demon cultivator of the Mahayana realm has appeared, which surprised Zhu Qingxiu!

David didn't speak at this time. Facing the demon cultivator in front of him, David couldn't know the other party's identity for a while!

Although the demon cultivator is not a bad person, David doesn't know if this demon cultivator is from the Demon Sealing League!

If it is from the Demon Sealing League, it will be troublesome!

After all, the Demon Sealing League also raises a large number of demon cultivators!

“Damn it, can't you hear me? Since you don't want to drink the toast, don't blame me for being rude.”

Tianluo was furious when he saw that the people in the airship had not responded!

The blood-red long sword in his hand slashed at the airship!

Facing this sword, Ji Yun was startled and hurriedly controlled the airship to avoid it!

When Zhu Qingxiu saw this, he jumped out and slashed out with the long sword in his hand!

Boom!

The two sword lights suddenly collided with each other, and Zhu Qingxiu's body was instantly blown away!

When Tianluo saw this, his face changed slightly: "Are you from the Wanjian Sect?"

Zhu Qingxiu stabilized his body, glared at Tianluo and said: "Since you know that I am from the Wanjian Sect, why don't you get out quickly, otherwise you will die without a burial place!"

Zhu Qingxiu wanted to use the Wanjian Sect to scare the other party. Since the other party knew that he was a disciple of the Wanjian Sect, he must know how powerful the Wanjian Sect was!
