### Chapter 1902

“Oh...is he going to find Uncle Mike on vacation?” Layla’s eyes lit up. Because she planned to take her brother to Bridgedale to find her brother.

If Uncle Chad also goes to Bridgedale, they can go to Bridgedale together.

“I didn’t ask him.” Elliot got up from the dining chair and held his daughter’s hand, “Did you have fun playing in the water?”

Layla: “Robert is happier. I think it’s too childish. Dad, I’m going to take a bath.”

“Yeah.” Elliot walked over to his son after seeing his daughter back to the room.

Robert became a drowning chicken. His dark eyes stared at his father, his mouth pouted, and he said in disgust, “Dad stinks.”

This was the first time Elliot drank so much alcohol in his own home after Robert.

“Then you sleep with Grandma Cooper tonight. You should also go take a bath.” After Elliot finished speaking, Mrs. Cooper took Robert to take a bath.

Elliot returned to the dining room, Chad scratched his head, reached out and rubbed his face.

“Are you awake?” Elliot teased, “Your alcohol intake is getting worse and worse.” Chad scratched his head: “I must be too sleepy. I didn’t sleep well last night, and I didn’t have a lunch break today.”

“The driver will take you back.” Elliot called the driver.

“Boss, is it possible that it’s not that my drinking has gotten worse, but that your drinking has gotten better?” Chad forced himself to regain his dignity, “I remember you used to drink two glasses...”

Elliot: “You used to be too. Do n’t drink three glasses and pour it.”

Chad: “I was really sleepy and fell asleep. If you don’t believe me, let’s keep drinking.”

“I’m sleepy. You go back.” After Elliot finished speaking, he went upstairs and went back to his room.

Chad was sent home by the driver. Because he slept on his stomach for an hour at Elliot’s house, Chad was very awake now.

Chad called Mike.

“My boss asked me to drink tonight. I poured it after three drinks. He even laughed at me for not drinking enough.” Chad was a little aggrieved, so he complained to Mike.

“When I go back next time, see if I can’t drink him.” Mike said, he couldn’t help but say, “You pour three glasses? It’s really getting more and more rubbish.”

Chad: “I was so sleepy that I fell asleep. I’m not drunk.”

Mike: “Oh, you’re so sleepy, you went to be a thief last night?”

“What are you a thief? I’m so busy right now. Isn’t it time to take a vacation? A lot of work has to be dealt with before the vacation!” Chad pushed the glasses on the bridge of his nose, “My boss told me tonight that he wants to chase Avery back for Layla.”

“Did Elliot tell you how he plans to chase?” Mike asked.

“He was very defensive about me. He probably thought he told me, and I’ll tell you.” Chad was a little sentimental, “My boss was not like this before. He used to believe in me.”

Mike: “It’s okay, you still have me.”

Chad: “You can’t be trusted! You listen to Avery’s words the most, and you don’t tell me a lot of things. I’m not human now!”

“Hey...you just get used to it.” Mike really wanted to comfort him, but after thinking about it, it is better to make him stronger.

In a flash, two days passed.

Ben Schaffer’s parents returned to Aryadelle. After Ben Schaffer picked up his parents at the airport, he took them to the restaurant he ordered.

Ben Schaffer called Elliot the night before and made an appointment with him to meet today.

As Gwen’s brother, Elliot met with Ben Schaffer’s parents on behalf of Gwen’s elders.

In the restaurant, Gwen and Elliot were sitting at the table.

There are only the two of them in the private room now.

The awkward Gwen clasped her toes on the ground. If she knew it earlier, she would go to the airport with Ben Schaffer to pick up people.

### Chapter 1903

“Didn’t you say that your job comes first, so don’t you think about getting married for the time being? Why did you suddenly figure it out?” Elliot asked after drinking a glass of water.

“It’s just a meal together, don’t think too much.” Gwen replied.

“I’ve seen my parents, is it still a long way to get married?” Elliot said calmly, without any turbulence, “You’d better think clearly, whether to marry Ben Schaffer. It’s too late to regret it now.”

“Do you regret it after eating this meal today? Is it too late?” Gwen asked back.

“You can regret it anytime. You can get a divorce if you get married. It’s just that I have a special relationship with Ben Schaffer, and I hope you are more careful.” Elliot clenched his fingers holding the water glass, “She really wants to be at this age. The marriage is settled...”

“How do you know that he won’t cheat after marriage?” Gwen retorted him, “Just because you have a good relationship with Ben Schaffer, you think Ben Schaffer is fine with everything. “

“Because I have a good relationship with him, he will look at me for my sake and will never treat you badly.” Elliot, sitting here today as Gwen’s relative, felt that there were some things that he needed to remind her.

“Do you want me to thank you?” Gwen dismissed, “Even if he treats me badly in the future, I won’t cry and beg him to treat me well. I won’t give up my job, I will support myself. From your failed marriage with Avery, I know that men are unreliable.”

Elliot said, “Gwen! I’m your brother, if you think Avery treats you better, you can ask Avery to be your elder!”

“Avery has always treated me better than you.” Gwen was frightened by his roar, but she held back her fear and talked back to him, “Avery never yells at me, and never dislikes me. What about you? Before I had this decent job, you didn’t want to recognize your sister at all. Now that I can support myself and find a boyfriend, you finally appeared in front of me as a brother!”

Elliot listened to her accusation, his heart was cold.

It’s true that Elliot didn’t greet Gwen like Avery did, but he definitely didn’t despise her as she said.

The private room door was suddenly pushed open, and Ben Schaffer walked in with his parents.

Ben Schaffer saw the faces of Gwen and Elliot at a glance, and immediately said with a smile: "There is a traffic jam on the road, so I came a little late. Are you hungry?" Turning his head, he said to the waiter, "Serve the food."

After that, Ben arranged for his parents to be seated.

Before Ben sat down, Gwen immediately walked to the seat next to him and sat down.

Ben Schaffer was very happy that Gwen took the initiative to come to him, but! Gwen didn't show respect to Elliot, which made Ben Schaffer very embarrassed.

Now, Ben Schaffer, along with Ben Schaffer's parents and Gwen, are sitting next to each other, while Elliot is sitting alone on the other side.

This scene didn't look like they came to eat, but like the four of them came to interrogate Elliot.

"Gwen, did you quarrel with your brother?" Ben Schaffer asked Gwen in a low voice.

Gwen pretended to be casual and said, "He told me not to marry you."

Ben Schaffer and his parents, all were stunned.

"This, this is impossible, hahaha!" Ben Schaffer used laughter to hide his panic.

He regarded Elliot as his own brother, how could his own brother stab him in the back?

"I just let her think clearly, don't make a decision in a hot head, and go back on it after a while." Elliot explained under the watchful eyes of Ben Schaffer and Ben Schaffer's parents.

Ben Schaffer breathed a sigh of relief: "I knew you would definitely not stop me from being with Gwen."

"Who doesn't get married by impulsiveness? The more you make me think about it, the easier it is for me to go back on it." Gwen answered.

"Uh...Gwen, what you said makes sense." Juniper said with a smile, "but even if you agreed to marry Ben Schaffer because you were too hot-headed, I think it's fine. Anyway, you should get married first. Now, have a child, if you don't like each other and get a divorce in the future, it's fine... We will definitely set you free."

## Chapter 1904

Juniper's attitude was clear, she just wants them to have a child for the Schaffer family.

Elliot's face suddenly turned gloomy.

Ben Schaffer glared at his mother.

Juniper immediately added: "Of course, what I just said was the worst outcome. Of course, I hope that Gwen and Ben Schaffer can grow old together and love each other forever. Ben Schaffer, if Gwen promises to marry you, you must be nice to Gwen. If you dare If you bully Gwen, if you don't need Elliot to come forward, I and your dad will break your leg first"

"I know." After Ben Schaffer agreed, he looked at Gwen, "Gwen, I know we are together, I am the one who climbed high. After we get married, I will treat you more well. The reason why I called Elliot here today is to let him testify. If I treat you badly and make you wronged in the future, punish me how you want to punish me."

A blush appeared on Gwen's face.

This old man, when it comes to love words, one set after another, her heart is full of fawns, and her heart is full of joy.

The unhappiness when quarreling with Elliot was instantly cured.

Seeing her shyness, Ben Schaffer immediately took out the prepared diamond engagement ring and handed it to her. At the same time, Ben knelt down on one knee: "Gwen, marry me!"

Gwen looked at the diamond ring in front of her, her pierced eyes dazzled.

Such a big diamond ring is enough to witness Ben Schaffer's sincerity.

When she said that she was hot-headed, she was actually very clear-headed, but now, her head is starting to heat up.

Which woman can resist such temptation?

After a brief struggle, Gwen said the word, "Okay."

Ben Schaffer immediately took out the diamond ring and put it on Gwen's middle finger.

"Do you like the ring? I asked a female colleague from our department to help you choose it. I don't think you like the style. We will choose the wedding ring by ourselves." Ben Schaffer sat down in the chair and whispered to Gwen.

Gwen: "Oh...I think this kind of ring with no style is more attractive."

Ben: "As long as you like it."

...

After lunch, Elliot drove away. Just now, he witnessed Ben Schaffer and Gwen madly throwing dog food, and it was a lie to say that there was no fluctuation in their hearts.

He just remembered his sweet past with Avery more than once. When they are good, they are sweeter than Ben Schaffer and Gwen.

Starry River Villa.

After Avery finished lunch, she sorted out the fresh cut flowers from the garden and put them in a bottle.

The phone screen lit up, she took off her gloves, picked up her phone, and saw the photo sent by Gwen.

In the photo, Gwen wears a sparkling diamond ring on her finger, which is very eye-catching.

Avery immediately replied: [Ben Schaffer proposed to you?]

Gwen: [Hmm. He said today that the relatives of both parties would meet for a meal. I thought it was really just a meal, but he proposed to me.]

Avery: [Congratulations! The diamond ring is beautiful!]

Gwen: [I quarreled with Elliot today. He made me think hard so that I wouldn't regret it. His words stimulated me, so I agreed to Ben Schaffer's proposal.]

### **Chapter 1905**

Avery couldn't help laughing: [Even if he didn't irritate you, you should agree to Ben Schaffer's proposal!]

Gwen: [Maybe not so fast. I really enjoy being pursued by him. What if he's less attentive after I promised to marry him?]

Avery: [Hahahaha...]

Gwen: [Avery, you laughed so hard that I was flustered.]

Avery: [Life certainly cannot be full of passion every day. In fact, ordinary days are the safest and best. Otherwise, if you think about the many quarrels after marriage, isn't it more scary?]

Gwen: [This is true. I just hope that after marrying him, I can continue to work. Otherwise, if I stay at home every day, I will definitely be cranky, and I will have to fight if I have nothing to do.]

Avery: [Enjoy the joy now, don't think so much.]

Gwen: [Hmm!]

...

Elliot planned to drive to Avery's house, but on the way, he received a call from Norah Jones.

He put on a bluetooth headset and answered the phone.

"Elliot, I heard that Avery is with the dream maker boss. Is this true?" Norah Jones asked.

Elliot: "Why are you asking this?"

Norah Jones hesitated, then said, "The friend I told you last time was actually a friend from nothing."

Elliot frowned, "Norah Jones, do you know what you're talking about? "

"Of course I know. Where are you now? Let's meet and talk about it!" Norah Jones knew that she was funny, like a clown, but even if she didn't say it, this matter might be used as a trick in the future.

That being the case, it is better to be honest.

Elliot turned the car around at the intersection ahead and headed for the Tate Industries.

Norah Jones was standing at the door of Tate Industries Building.

Elliot's car stopped in front of her. She walked to the passenger seat, opened the door, and got in the car.

"Take me a cup of coffee!" Norah Jones said lightly.

"When did you come back?" Elliot drove the car out.

"I came back yesterday." Norah Jones said, "Because of my meeting with B"illy, I was quite frightened, so I came back. I guess I won't want to go to Bridgedale any time soon.

"Has he disappeared? Why did you meet him?" Elliot wanted to know what method Norah had used.

"I'll show you the emails between me and him later." Norah Jones laughed at herself, "I asked a few friends from investment banks, and they spoke highly of the Dream Makers Group. I didn't want to give up, so I used Some self-righteous little things. Looking back now, I was really stupid. Maybe Billy was too stupid, so he asked me to meet."

Elliot drove the car to a nearby coffee shop and stopped.

The two entered the coffee shop, and after ordering two cups of coffee, Norah Jones opened the mailbox and handed it to Elliot.

"Elliot, don't laugh at me." Norah said awkwardly.

Elliot took her phone and glanced at the emails between Norah and Billy.

Soon, he returned her cell phone to Norah.

He didn't look carefully at the first long email Norah Jones sent Billy.

He didn't care about the process of Norah Jones's 'seducing' Billy, he just wanted to confirm whether Billy's mailbox was real.

"Dwarfism, looks ugly, is it true?" Elliot said in a low voice, "Is there no merit in him?"

Norah Jones: "His merit is probably his business acumen. Besides that, he is really bad. I have never seen a man uglier than him. Elliot, if a person does not willing to show his true face, in fact, it is easy to guess that he must be ugly and defective, other than that, there is no other reason."

Elliot's face became gloomy.

"So I went back to Aryadelle, and when I heard that Avery was in love with him, I was shocked and didn't close my eyes all night." Norah Jones continued.

"What kind of boyfriend Avery is looking for is none of your business?" Elliot said rudely.
