

When His Eyes Opened

Chapter 2452

□ □ □

Chapter 2452

Hayes was very moved. He raised his wine glass and drank the wine in the glass.

Gloria immediately picked up the wine bottle and poured wine for him.

“Let’s have a good chat! After all, we don’t know each other very well.” Gloria said and poured him a good drink and said first,

“Let me tell you about my family first!”

Hayes looked at her face in the dim light. Her face looked like she’s a different person tonight.

This morning, when Hayes talked to Gloria, Gloria completely ignored him.

Unexpectedly, when Gloria came back from work all day, her attitude turned around unexpectedly.

“My parents are both from Yonroeville, and I have an older brother and a younger sister. My older brother is already working. He

works in the tea company at home. My younger sister is still in high school. If our family’s situation is compared to Aryadelle, it

can be regarded as a well-off family! Have you ever been to Yonroeville?”

Hayes shook his head: “I usually go to larger countries.”

Gloria: “My parents have strict requirements on the children, so most of the girls in our Yonroeville are more traditional. So

yesterday I really found it difficult to accept...”

Hayes blushed in shame: “Gloria, I’m sorry! I didn’t know that your side is more traditional. If you told me this yesterday, I might not be so impulsive. If there is anything going on in the future, we should communicate well. If you can listen to me, I will listen to you, okay?”

Gloria looked shy, with the corners of her mouth raised: “Hayes, I told you about the situation in my family, now it’s your turn.”

Hayes: “Okay, the situation in my family is relatively simple.”

“Let’s drink this glass of wine first.” Gloria picked up the glass and toasted him.

Hayes picked up the wine glass and drank the wine in it again.

Seeing that he had finished drinking, Gloria immediately praised: “Hayes, you are really good at drinking. Because I’m not very good at drinking, I admire a man like you who is good at drinking.”

Hayes's heart fluttered when Gloria praised him stand up.

"I'm really good at drinking. I can drink a bottle of red wine. I can drink a case of beer." Hayes boasted, handing over the empty wine glass and asking Gloria to pour himself the wine. Gloria lowered her eyes and thought, fortunately she bought two bottles of red wine and came back. If Gloria only buy one bottle, Hayes may not get drunk.

...

The next day, in the morning.

Gloria was woken up by the phone ringing.

She found her mobile phone, saw her mother's call, got out of bed immediately, and went to the bathroom to answer it.

"Gloria, come back quickly! Your father has an accident!" Mrs. Wiens choked and couldn't cry.

Gloria's body softened, and her hands supported the wall, and then she stabilized her body.

"What's wrong with Dad? Mom, what's going on?"

Gloria's tears kept falling.

"You'll know when you come back. Gloria, you can buy a plane ticket and come back now." After Mrs. Wiens finished speaking, she hung up the phone.

Gloria was really worried, so after drying her tears, she found her brother's number and dialed it.

Soon, the call was connected.

Gloria: "Brother, what's wrong with dad?"

"Dad is sick. He's in the intensive care unit now. The doctor said he might not last long." The brother's voice came from the

phone in a low voice, "Gloria, if you still want to see dad for the last time, then hurry back."

Gloria came out of the bathroom, opened the wardrobe, and found clothes to change.

Hayes drank too much last night and had a severe headache.

Hearing such a big movement in the bedroom, he forced himself to open his eyes.

Hayes: "Gloria... what's wrong?"

"My dad is seriously ill, I want to go back to Aryadelle!" Gloria quickly changed her clothes, picked up her bag, opened it, and checked the documents.

Hayes: "Is it so sudden? Do you need me to accompany you back?"
