

A Man Like None Other

Novel Chapter 01 – 05

Chapter 1

"I'm finally out..."

David Chen breathed in the fresh air outside and shouted with all his might!

Behind David is Horendel Prison. He stayed here for three years and was finally released today after serving his sentence.

"Hey, I don't know what happened to your parents?"

David carried a ragged canvas bag and hurried to the house. His parents had never seen him once in three years, and now David was very worried about them.

On the way home, he kept looking at the bronze ring he was wearing!

The ring is engraved with a lifelike dragon, and there is a command word at the position of the dragon head!

This ring was given to him by his fellow inmate Ervin Lao when he was released from prison today.

This Ervin is a very strange person. He talks about it all day long, saying that he is the master of the Dragon Sect.

Who knows astronomy and geography, and is proficient in forensic medicine, which can bring people back to life!

Everyone regarded this Ervin as a lunatic and didn't want to pay attention to him.

Only David would chat with the him when he had nothing to do, and he even gave him some of his meals.

Ervin told David some strange things every day, about Dragon Sect, about Dragon Island, things David had never heard of!

Later, the old master asked David to accompany him to meditate and practice the exercises every day, David was also bored, so he learned along with him!

But who knows, three years later, David actually followed the Old Ervin to practice his skills and medical skills!

Just when he was released from prison today, Ervin handed the ring to him and told him that,

On July 15 this year, go to an unnamed island in the East China Sea no matter what,

As long as he arrives on the island. Show the ring, someone will pick him up, and then he will have a big chance.

Because he did learn a lot from Ervin, David believed in Ervin's words and agreed, but there are still several months before July 15th.

Before he knew it, David had already walked to the door of the house, looking at the dilapidated house in front of him.

His face was complicated, he didn't know what happened to his parents in the past three years,

Because of his impulsiveness, his parents would definitely would have been Under a lot of pressure!

Thinking back three years ago, David's eyes are still flashing with anger!

Three years ago, he and his girlfriend Delia Geng had reached the point of talking about marriage.

The two were college classmates and had been talking for two years!

But one day, on the night of sending Delia home, the two met a drunk Jordan!

This Jordan is a famous second-generation rich in Horendel, and he has done all the bad things!

As a result, when Jordan saw that Delia was beautiful, he became ill-intentioned, and started to act on Delia!

As a well-known local rich second-generation, Jordan Xiao didn't even look at David at all!

Seeing his girlfriend being insulted, David went crazy!

Picked up a brick and smashed it on Jordan's head!

The results are predictable...

The powerful and influential Jordan was beaten, of course, he would not let it go, and directly called the police and arrested David.

Sentenced to three years in prison for intentional injury!

It was not until today that David was released.

After hesitating for a long time, David gently knocked on the door!

"Who is it?"

The door opened, and an old woman with white hair and a rickety figure stuck her head out, groping forward with one hand: "Who, who is knocking on the door?"

The old woman's eyes were closed, and it was obvious that she couldn't see anything, so she was blind!

When David looked at the old woman in front of him, he was stunned, his eyes were wide open, and his whole body was shaking slightly.

He couldn't believe that this old woman with white hair and a wrinkled face in front of him was actually his mother, Barbara Tang!

In just three short years, how did his mother become like this?

"Mom, it's me, I'm David!"

He stepped forward to support his mother and shouted excitedly.

"David? Is it really you?"

Barbara touched David's face with both hands, and the tears couldn't stop flowing!

"Mom, it's me, it's me..."

David's eyes were also red: "Mom, what's wrong with you? What's wrong?"

David didn't understand his mother was fine when he left, why did she become like this in just three years!

"Hey, it's a long story, come on in!"

Barbara pulled David into the room!

Looking at the humble room, almost empty, David was dumbfounded!

Although their family is not rich, but his father has a formal job, so it is still possible to achieve a well-off life, but how has the family become like this now!

"Mom, what happened at home?"

When David saw the appearance of the family, he asked his mother.

"Hey!" Barbara sighed: "After you left..."

Barbara recounted the matter from start to end. It turned out that after David was imprisoned, the Xiao family did not intend to let them go, and demanded compensation of one million.

In the end, there was no way. David's parents sold his marriage house and borrowed a lot of money,

But they still couldn't collect enough. In the end, the remaining 300,000, they could only pay the Xiao family in installments!

For this reason, David's father's job was also gone, and he could only make a living by sweeping the streets,

While his mother washed her face with tears all day long, and her eyes got blinded by crying!

This is why David was imprisoned for three years, but his parents never saw him once.

Listening to his mother's remarks, David slowly clenched his fists, and there was a majestic killing intent in the depths of his eyes!

He didn't expect this Xiao family to be so cruel, this is to kill their family!

"Mom, doesn't that Delia care about you at all?"

David asked with a puzzled face.

That Delia is his wife who is about to go through the door, and he is imprisoned for that Delia. It is impossible for Delia to look at her parents like this and be indifferent, right?

“Oh, don’t mention it, the Geng family doesn’t care, even the dowry we gave, I wanted to come back, but they didn’t give it. They said it wasn’t their fault that they couldn’t get married. It’s because you’re in jail, so the dowry won’t be returned!”

“Your dad asked them for a theory, and they were beaten up by their family!”

The more Barbara spoke, the more bitter her heart became, and in the end she couldn’t stop her tears!

Chapter 2

“Then the Geng family is really like this?” David’s brows were tightly knit together, he couldn’t believe that Delia was really like this.

When he was arrested, Delia cried and said that she would wait for him to come out, and the two are getting married!

How did it become like this? David decided to ask Delia to clarify.

But at this moment, the door was suddenly slammed with force, so strong that it almost knocked the door off!

Hearing the knock on the door, Barbara’s face suddenly turned pale, and he could see that she was very scared!

“Mom, who is this?”

Seeing Barbara’s expression, David asked with a frown.

"Don't worry about it, go back to the room quickly, don't come out!"

Barbara pushed David into the room and opened the door nervously!

The door had just opened, and a bald guy with four or five tattoos and a fierce face walked in.

"How is the money prepared?"

The bald head looked at Barbara and asked.

"Brother bald, everything is ready, ready..."

Barbara kept nodding, reaching out and groping to take out a cloth bag from the corner!

At this time, many neighbors in the neighborhood also gathered around, looking at the bald-headed people, they all hid far away.

"These guys come to ask for money every month, they really want to kill people!"

"No, there is no law at all!"

"Shh, keep your voice down, these guys are all sent by the Xiao family to collect money on a regular basis."

A few neighbors hid aside and talked angrily, but no one dared to care!

At this moment, the bald head grabbed the cloth bag in Barbara's hand, opened it, and glanced at it.

"What the h3ll is this?" The bald head frowned and turned the bag over.

There were some old banknotes scattered all over the floor. There were one hundred, fifty, one or two, and even many more. Gross coins!

"Can these junk be worth 10,000?"

The bald head asked Barbara loudly.

"Brother bald, it's exactly 10,000, we've counted it, you can count it if you don't believe me."

Barbara accompanied her smile, nodded and bowed.

"f.art!" The bald head kicked Barbara's abdomen, and she directly hit the ground:

"Let me count? I don't have the time, so give me a hundred bills."

"Mom!" David rushed out of the back room and hurriedly helped Barbara up!

The cold eyes swept across the bald people, and the eyes flashed with coldness!

The bald-headed people were stunned for a moment, and they all shuddered under David's eyes!

"David, who told you to come out, hurry into the room, don't worry!"

Barbara desperately pushed David into the room!

"Mom, since I'm out, let me handle this matter, you sit down!"

David helped Barbara sit on the stool, then turned around and looked at the bald head coldly.

The bald head glanced at David, and said with a sneer:

"Isn't this the guy who hit Master Xiao with a brick and served three years in prison? I didn't expect him to come out!"

"It's really time to come out. Today is the big day for your girlfriend and Young Master Xiao to get married. Isn't the ex-boyfriend going to participate?"

"Green hat turtle..."

"Hahaha..."

The bald head and a few men all burst into laughter!

"What did you say?"

David frowned, his eyes full of disbelief.

"I said that the woman you are in jail for her is going to marry Young Master Xiao today."

"The wedding will be held at the Regal Hotel, but it's luxurious. Why don't you go take a look?"

The bald head looked at David with a sneering expression.

David's brows furrowed even tighter, his hands clenched tightly into fists.

Behind him, Barbara's face changed, and she was shaking with anger.

After all, her son was imprisoned because of that Delia, but she didn't expect this woman to turn her head and marry her enemy.

"You kneel down and apologize to my mother, and I can spare your life."

A cold glow flashed in David's eyes, and the killing intent rose from his body.

The temperature in the room suddenly dropped a bit, and the laughter of the bald people stopped abruptly!

After a while, the bald head reacted and said angrily: "What did you say? You asked me to kowtow and apologize?"

With that the bald head, he smashed David with a punch.

With David's small figure, this punch can make David fall to the ground!

bang...

But who knows, when the bald head just rushed up, David kicked out!

The bald man suddenly fell to the ground clutching his crotch, sweating profusely in pain, and screaming constantly!

"David, you can't fight anymore..."

Listening to the wailing of the bald head, Barbara hurriedly shouted at David.

David was imprisoned because of the attack. It just came out. If he was sent in because of the fight, would it still be worth it?

"Kill him for me, kill him..."

The bald head roared and stared at David viciously!

Several bald men rushed towards David.

David glanced at his mother, his hands suddenly flicked, and several white lights flashed,

And all those people felt their legs numb, and they all fell to the ground!

This time, the bald head was startled and looked at David in disbelief, a chill came out of his heart!

The neighbors outside saw the scene in front of them, their eyes widened, and some couldn't believe it!

"Apologize to my mother!"

David's icy voice sounded again!

The bald head hesitated for a moment, but seeing David's cold eyes, he could only kneel on the ground.

"Sorry..."

The bald head and a few of his subordinates began to apologize!

"Go away!" David waved his hand!

He didn't want to kill in front of the neighbors and his mother.

If he wanted to kill these little gangsters, it was just a matter of snapping his fingers.

The bald head was supported by his subordinates and stood up, gave David a vicious look,

And they limped away, obviously he was not convinced, but David was not afraid of the bald head's revenge!

Chapter 3

"Mom, are you okay? Those people are gone!"

After leaving bald, David asked Barbara with concern.

"Hey! You said you, just came out, what did you provoke him to do!"

Barbara complained to David: "Quickly pick up the money on the ground, we have saved it all."

David squatted down and collected the scattered banknotes on the ground.

"Mom, I'll just make money in the future, you and Dad have a good rest, and I'll find a way to make your eyes look good to you."

David collected the money and handed the bag to Barbara.

"You can do it if you have the heart!" Barbara said, and even started to cry:

"You are back now, and Mom is relieved. If I hadn't been thinking about you these past few years, Mom would have died..."

Looking at his mother, David's eyes began to turn scarlet!

bang...

David couldn't bear it any longer, and punched the only table!

wow...

The table was smashed to pieces in an instant!

Xiao family...

Geng family...

I will definitely make you pay the price, definitely...

The anger on David's face was raging!

Seeing to feel David's anger, Barbara hurriedly said:

"David, you must not cause trouble, now that you are out, find a job, everything will be fine."

"Mom, don't worry, I know what to do, I'll go out!"

David comforted his mother, and then walked out of the house. He was going to go to Delia to ask what was going on!

After walking out of the house, David was still full of anger!

But just as he was crossing the road, suddenly a red Porsche rushed over from the road, and the speed was very fast, directly knocking David into the air!

bang...

David's body fell heavily to the ground. If he hadn't practiced with the old master, it would have killed him!

"Who can drive without eyes!"

David was originally angry, but when he went out, he was knocked out, and he was even more angry!

"How the h3ll do you walk without eyes?"

Just as David scolded angrily and was about to stand up, there was a sudden scream!

Saw a girl getting off the Porsche. The girl was wearing a white dress and walking on a pair of high-heeled shoes.

She was very beautiful, but at this time she was looking at David angrily!

David frowned, and the body that wanted to stand up lay back again.

"Who of us doesn't have eyes? It's obviously you who bumped into me. You are a pretty girl, why do you smell like sh!t when you talk?"

David said to the girl without showing weakness.

"You dare to scold me?"

The girl glared at David, suddenly raised her foot and kicked him over.

The high-heeled shoes the girl wears are like sharp knives. If they hit a body, there will be a blood hole!

"Sonya, stop..."

Seeing that the girl was about to kick David, a middle-aged man opened the car door and got out of the back seat.

The middle-aged man has an aura of indifference and self-arrogance.

At first glance, he looks like a person who has been in a high position for a long time!

It's just that the middle-aged man at this time was a little pale, and his breathing was short.

After shouting this sentence, he held the car door and gasped continuously!

"Dad, why did you come down!"

After the girl saw the middle-aged man, she hurriedly ran over and asked the middle-aged man.

"Let's go to the hospital quickly, don't waste time..."

The middle-aged man said to the girl.

The girl nodded, walked to David again, took out a wad of money from her bag, and threw it on him:

"There are 10,000 here, quickly take the money and leave, we are in a hurry!"

David didn't go to get the money, but stood up and glanced at the middle-aged man not far away and said,

"You don't have to go to the hospital, it's too late."

After David finished speaking, he turned around and was about to leave.

He could see that this middle-aged man was already in danger, and he couldn't make it to the hospital at all!

"Stop!" The girl stopped directly in front of David and glared angrily: "What do you mean, tell me clearly, or you don't want to leave!"

At this time, the middle-aged man also frowned and walked a few steps towards David!

"Your father suffers from a hidden illness. He was injured in his left lung."

"Within five minutes, he would have difficulty breathing and suffocate to death. Can you be in the hospital in five minutes?"

David calmly followed the girl and asked.

"You are talking nonsense, my father just has a cold..."

"Sonya..." The middle-aged man stopped the girl, and then took two steps toward David again, his eyes full of shock:

"Little brother, how did you see that my left lung is injured?"

"I told you, but you don't understand. I'm in a hurry right now, so I don't have time to waste time with you guys..."

David said, he was about to turn around and leave!

"Little brother...cough cough..." The middle-aged man called David, then coughed violently, and when it calmed down a little,

He immediately stepped forward and pulled David's arm: "Little brother, since you can see If I get sick, it will definitely be cured,"

"I hope my little brother can save my life, I am willing to pay any price, this is my business card!"

The middle-aged man took out a business card and handed it to David.

Originally, David didn't want to not care, but when he saw the name on the business card,

He immediately took the business card in his hand: "Are you Ruben Su, president of the Su Group?"

"Exactly!" Ruben nodded.

Suddenly, David shot at Ruben, pointing at Ruben's some particular acupoints.

David's speed was so fast that neither Ruben nor Sonya could react.

Chapter 4

"What do you want to do?" Sonya hurriedly stepped forward to block Ruben, but David had already stopped at this time.

However, after David hit a few acupuncture points, Ruben immediately felt that his breathing was smooth and his face was much more rosy.

"I only temporarily controlled your injury. It will take some time to heal. Your hidden disease needs to be slowly recuperated because of its age!"

David said lightly.

"Thank you little brother for your help, thank you so much..." Ruben stepped forward and grabbed David's hand excitedly, thanking him constantly.

Sonya was very surprised to see that her father's face was obviously rosy and his body was much better.

"I shot to save you because I know that you often do good deeds, and you have donated more to than a dozen elementary schools. I did it all because of that reason!"

The reason why David rescued Ruben was because he knew that Ruben was a good man.

If he met by chance and had no acquaintance, David would not necessarily rescue him, not to mention that Sonya had just talked badly to him and almost hit him.

David is not a b!tch, to save anyone!

When Ruben heard this, he was a little embarrassed: "What kind of good deed I have done is far from good, little brother saved my life,"

"Just say whatever you want, now it's noon, I invite little brother to a meal at the Regal Hotel?"

"No, I still have something to deal with!"

David shook his head and refused, and he still wanted to see Delia to clarify.

Seeing David's refusal, Ruben was a little surprised.

Must know that as the richest man in Horendel, there are countless people who want to invite him to dinner, and those who can sit with him for dinner are all powerful people.

Now he took the initiative to invite David to dinner, but David refused, which was a bit unexpected!

"Little brother, say we have to sit and have a meal together to express my gratitude!"

Ruben held David's arm tightly.

David could see that Ruben desperately wanted to invite him to dinner, just wanting to know about the follow-up treatment of his illness,

But seeing Ruben as sincere, David nodded and said, "Well, I'll deal with the matter first. Then I will go to the Regal Hotel to find you!"

Seeing David say this, Ruben released his hand: "Well, it's a deal, just call me!"

David nodded and left impatiently, rushing towards the Geng family!

.....

"Where's Delia? I want to see her!"

In front of a slightly old villa, David said to the middle-aged woman in front of him!

This middle-aged woman is Delia's mother Ethel Jia. If it was before, David would never have dared to speak to her in such a tone,

But now after listening to his mother's remarks, David was very angry and did not act directly. Even if it is good.

Ethel was wearing a cheongsam, arrogant, crossed her hands on her chest, and looked at David with disdain:

"Hurry up and get out of my way, my daughter is getting married today, you are too bad here as a prisoner of labor..."

"marrying?"

David frowned, it seemed that what the bald head said was true!

"Where is Delia? Who is she marrying? Let her come out to meet me and make it clear..."

David rushed towards the villa with a cold face!

"Hey...you lunatic, how can you break into other people's yards casually?"

Ethel pulls David desperately!

But where can she compete with David's strength, the whole person was dragged into the yard by David!

David was about to rush in with his eyes open. At this time, a girl in a wedding dress walked out with a gloomy face!

When he saw the girl, David suddenly stopped.

"Delia, what's going on? What's going on? Can you explain it to me?"

David waited for his eyes angrily and questioned Delia!

"David, let's go, don't come looking for me, I have decided to marry Jordan!"

Delia looked at David expressionlessly and said!

David's eyes narrowed and his fists clenched tightly. Although he already knew it, when Delia said it herself, David's heart twitched fiercely.

He was imprisoned by that Jordan, but now his girlfriend is going to marry him?

This is so ironic!

Suddenly, David laughed bitterly at himself, he felt that he was really too cheap...

"Is that what you mean?"

David looked at Delia, there was no anger on his face, and his hands slowly loosened.

"Yes!" Delia nodded: "I want to have a rich life, but you can't give it to me at all."

"And you are still a prisoner of labor reform."

"Even if you come out, I'm afraid it will be difficult for you to support yourself. What will you support me with?"

"For the sake of our previous relationship, you can take these hundreds of dollars and sleep on the streets of the province!"

After Delia finished speaking, she took out a few hundred bills from her bag and threw them on David's face!

At this moment, David looked at her and gave up completely. The person in front of him was no longer his girlfriend.

"You will regret this!"

David turned around and left without taking Delia's money.

"Huh, you will regret marrying this poor ghost!"

Ethel spat fiercely in the back!

Chapter 5

When David just walked to the door, a convoy of greetings directly blocked the way!

A young man in a suit and leather shoes walked down from the float with a bouquet of flowers in his hand. This person was Jordan!

Jordan was slightly taken aback when he saw David, but then he laughed out loud.

"I forgot that you were released from prison today. What a coincidence. Would you like to join me and Delia's wedding?"

Jordan looked at David playfully, his eyes full of ridicule!

David just glanced at Jordan coldly, turned sideways and wanted to leave, he didn't want to talk nonsense with such a person!

"Don't go!" Jordan stopped David again: "Do you have no money to follow? It doesn't matter, you don't need to take the money, you can eat the leftovers at that time,"

"We are holding the wedding at the Regal Hotel. If you don't come this time, I'm afraid you won't have the chance to eat there in the future!"

Jordan smirked at David, and even reached out and patted David's face.

David knocked Jordan's hand off with all his strength!

"Marry a second-hand one, there is nothing to worry about, it's all left by me."

David smiled coldly.

In fact, David never touched Delia at all, and he didn't even pull his hand. He said this to disgust Jordan, and to rectify that Delia by the way.

Jordan was stunned after hearing this, and hurriedly looked at Delia!

Delia told him that she never even held hands with David. What's the situation now?

Seeing Jordan look over, Delia became anxious and shouted at David:

"David, what nonsense are you talking about? Who is left by you to play? Just your virtue, I didn't let you go. Touched!"

Ethel also panicked, and yelled at David: "David, don't eat grapes and say grapes are sour. With your virtue, how could my daughter let you touch!"

"Jordan, don't believe his nonsense, he made it clear that he wanted to disgust you."

Ethel explained to Jordan that she finally found a golden tortoise-in-law, but she couldn't be disturbed by David's words.

"Auntie, don't worry, I won't believe it."

Jordan is not stupid, and of course he will not trust David's words!

"Believe it or not!"

David was too lazy to pay attention to Jordan, so he bypassed him and walked out!

"Wait a moment!"

Jordan stopped David: "You'd better keep your mouth under control, don't speak ill of my wife everywhere, or I'll make you look good!"

Jordan was afraid that David would talk nonsense everywhere and ruin the reputation of their Xiao family!

"Hehe... The mouth is on me, I can say whatever I want, just say it, you care about me?"

David looked at Jordan coldly: "But you have to pay attention, don't lose your life one day, I don't know what happened!"

Looking at David's cold eyes, Jordan was in a trance for a moment, and there was a trace of fear in his heart.

But just for a moment, Jordan felt that he had been humiliated, his eyes widened and he reprimanded: "If you kid is not afraid of death, you can try it, then don't kneel down and beg me!"

Jordan's face was full of anger, if it wasn't for him getting married today, he would have given David a good look!

"I don't know who knelt down and begged whom? Let's wait and see!"

David stared at Jordan.

"Jordan, the time has come, let's not pay attention to this poor ba5tard, stupid X!"

Ethel gave David a look of contempt!

Jordan held the flowers, and the group walked towards the house!

David looked at Jordan's back, and suddenly flicked his fingers, and a silver light suddenly entered Jordan's body.

Jordan shuddered obviously, but he didn't care and continued to walk into the room.

"I want to see if you will kneel down and beg me!"

A sneer appeared on the corner of David's mouth, he turned and left, heading towards the Regal Hotel.

.....

The entrance of the Regal Hotel!

Ruben personally waited for David at the door, and Ruben's appearance made everyone who entered the Regal Hotel have a lot of discussion.

"Isn't this the richest man Su? He is standing at the door of the hotel, as if waiting for someone."

"I don't know what the other party's background is, and he could make the richest man wait for him!"

"I heard that the eldest son of the Xiao family is getting married, and the wedding will be held here. Isn't it someone who is waiting for the Xiao family?"

"It's possible, after all, the Xiao family is also a wealthy family, so they should give some face."

Everyone walked into the Regal Hotel talking, but Ruben was still hovering at the door, looking at his watch from time to time, his face became a little impatient.

"Dad, I think that kid is talking nonsense. He said that you injured your left lung, and you still have a hidden disease that is life-threatening."

"It's just nonsense. You just had cold and your lungs are inflamed. Don't wait, let me accompany you to the hospital!"

Sonya persuaded Ruben.

Ruben has been waiting here for half an hour, but before David arrived, Sonya felt that David was talking nonsense. Besides, Ruben never told them that he had injured his left lung, and he had never seen this before. a situation.

"Sonya, there are some things you don't understand, my injury, even if I get to the hospital, it's not good at all, I have a hidden disease, it's been more than 20 years, the reason why I haven't told you is because I'm afraid you Worry about..."

Ruben sighed and said solemnly.

When Sonya heard this, her whole body became a little stupid, and she nervously took Ruben's hand: "Dad, this... what the h3ll is going on? Don't scare me, don't scare me... I've already called Dr. Sun. Call, he came right away."

Sonya panicked. Since she can remember, she has never seen her mother. It was Ruben who brought her up and the two depended on each other for life. If Ruben had three strengths and two weaknesses, Sonya didn't know how to live on her own. .

"It's a long story, but when I have time, Dad is slowly telling you..."

After Ruben finished speaking, he looked at his watch again, and then looked anxiously into the distance!
