Married At First Sight Chapter 3574 – Serenity moved closer to the camera and asked, “Sister, is everything going well?”

She had something on her mind.

Liberty reassured her, “Yes, everything is still under control. Don’t worry. Just enjoy the winter break with Sonny. He loves going to the zoo and amusement park, so take him out for some fun.”

Serenity replied, “The zoo here is similar to the one in Wiltspoon, and Sonny can’t go on many rides at the amusement park because he’s still too young. Jane and I are planning to take the kids to the children’s park tomorrow. It has lots of things for Sonny and Titus to enjoy.”

Liberty agreed. “That sounds good. Just be careful and watch out for other kids when you go out.”

“Sister, I know. I’m not a child, and I have bodyguards with me,” Serenity said confidently.

She didn’t bring the York family’s bodyguards with her, but Jane’s family had plenty. Whenever they took the kids out, the bodyguards would prepare everything and ensure everyone’s safety.

In Annenburg, Serenity felt safe. No one would dare mess with the Johnson family.

“Sister, you have dark circles under your eyes. Get some rest,” Serenity said, noticing Liberty’s tired appearance. “You’ve lost weight too. Don’t just focus on work. Make sure you eat and sleep well. Your health is important.”

Liberty smiled, “I can take care of myself. I’ve just been working late recently, but tonight I finished early. I’ve showered, so I’ll rest after this call.”

She still needed to call Duncan later. He always waited for her call every night, never calling first because he knew she was busy. He wanted to talk when she was free so they could chat longer.

“Sonny, let your mom rest. We should sleep too. Tomorrow, after breakfast, your aunt and Aunt Jane will take you to the children’s park.”

Sonny and Titus cheered, clapping their hands in excitement.

“Mom, Titus and I are going to bed now. Goodnight, Mom.”

The boys were thrilled about tomorrow’s plans. Sonny quickly said goodnight to Liberty.

Titus added, “Aunt Liberty, Sonny and I will call you again tomorrow night. Goodnight.”

“Goodnight, boys,” Liberty said with a smile.

After the call ended, Serenity turned to the boys, “Time to go to bed.”

Sonny hugged Serenity, his eyes sparkling. “Goodnight, Aunt.”

Serenity’s heart melted. She smiled and ruffled his hair. “Goodnight, Sonny.”

Titus followed suit, hugging Serenity’s legs and saying goodnight as well.

When the boys weren’t causing trouble, they were absolutely lovable. When they were naughty, Serenity sometimes wanted to reach for a hanger and give them a good scolding.
