**When His Eyes Opened Chapter 2886**– Hazel was very surprised.

Hazel: “When did it happen?”

The staff: “It happened yesterday. But I only found out today. Because the leader was looking for Lennox and Sloane in private. What do you think the result is?”

Hazel guessed: “Did the two of them leave together?”

The staff shook his head: “You think Lennox is too great. Lennox betrayed Sloane, then Sloane left, and Lennox stayed.”

Hazel saw Sloane and Lennox shopping outside years ago, the relationship between the two was obviously very intimate, they looked like they were in love.

Unexpectedly, Lennox betrayed Sloane so easily.

“Sloane is really stupid. She treats everyone as a fool. In the years I have been in TV station, I have never used such a despicable thing. Even if she succeeded in making you look ugly, she thought she could get away with it? Lennox also was a bit stupid to fall in love with a woman of that kind of character, but fortunately he wakes up in time, otherwise he will ruin his good future.”

Hazel had mixed feelings in her heart, and didn't know how to answer the words for a while.

Hazel: “Who is hosting Sloane's show now?”

“Another newcomer.” The staff pointed to Sloane's previous position, “It is also an intern selected by your University. She is doing two shows now. Usually she can do it at the same time Both programs are highly valued by leaders.”

Hazel nodded.

“I won't bother you anymore, you can take a good look at the manuscript again!” The staff finished talking with a smile, and then walked away.

4 o'clock in the morning.

Hazel came home from get off work.

The house was brightly lit.

The lights on the first, second and third floors were all on.

When Hazel was changing shoes at the door, she saw Hayden, Robert, Leerain and Kara in the living room.

Hayden was watching TV, and Robert, Leerain and Kara were probably playing games.

Seeing Hazel come back, Hayden immediately got up from the sofa.

Hayden: "Little sister, are you hungry? There is a supper."

"Brother, why don't you go to bed?" Hazel was not very hungry, but supper was fine.

"Brother Hayden is waiting for you to get off work!" Kara said, "Sister Hazel, can you play games?"

Hazel shook her head: "I can't."

"Sister Hazel is so good at studying! Let's play a game." Leerain spoke for Hazel with a look of admiration.

Kara raised her hand and patted Leerain on the head.

Leerain immediately covered her head and hid behind Robert.

"Hahaha! I don't know how to play. No one taught me." Hazel explained, "Didn't you say there is a supper? Do you want to eat supper? Let's eat together?"

"Okay! We are all waiting for you to get off work." Kara said, yawning, "I'm sleepy, I'm going to bed after supper."

"Well, mom and others are still playing poker?" Hazel asked.

"Yes, they're still playing poker! I said I'm going to play poker until breakfast." Kara was not convinced, "I want to play poker too. But no one plays with me."

"You don't know how to play poker?" Hazel said, "Playing poker should be easier than playing games!"

"Of course I will, but no one will fight with me. I asked Brother Robert and Brother Hayden to accompany me, and they will not accompany me."

"Isn't there still Leerain?" Hazel asked.

"It's just me and Leerain, how do we fight? It takes four people to play poker!" Kara sighed, "Brother Robert and Brother Hayden must dislike us for being too young."

Hazel smiled and put her arms around Kara's shoulders, "Why don't I play with you when it's daytime?"

Kara: "Okay! When it's daytime, you can ask sister Lilly to play with sister Maria."

"Then isn't there only five people?" Hazel counted the number of people.

Kara: "There are five people, one for me, one for you, sister Lilly and sister Maria."

**When His Eyes Opened Chapter 2887**-Hazel: "What about Leerain?"

"Let him play by himself!" Kara's strength demonstrated what it meant to be ruthless.

After eating supper in the dining room, several people prepared to go to bed.

Before Hazel went back to her room, she went to the poker room to have a look.

"Hazel is back? Did you go to work today?" Gwen asked immediately when she saw Hazel.

"It went well. Auntie, are you hungry? I brought you some snacks." Hazel put the snacks aside.

"Hazel, go to bed quickly! We'll go to sleep after we play for a while." Avery looked at her daughter with a gentle smile on her face.

"Yeah, I'm going to sleep then." Hazel came out of the poker room and went back to her room.

Weird tonight.

She didn't feel sleepy at all.

She woke up very early in the morning and didn't sleep at noon.

She laid on the bed with her eyes open, thinking wildly.

Suddenly, she picked up the phone.

Then she understood why she didn't want to sleep because she hadn't sent a message to Lucas yet.

–Young Master, today is the New Year in Aryadelle. I had an unforgettable and beautiful day. There are relatives and friends, and each of them likes me very much. I really like them too. I'm much more cheerful now than before, and I don't think about sad things all the time. Master, I wonder how you are doing? In the new year, let's become better people together!

After sending the message, she put down her phone and soon fell asleep.

When she woke up again, it was almost noon.

It was very quiet in the villa.

Her Mom and brother were sleeping.

Only her Dad, Uncle Ben, Aunt Shea, Lilly and Maria got up.

“Let's go have lunch!” Elliot got up from the sofa.

Hazel had supper at night, so she was not particularly hungry.

“Mom, what time do they play cards?” Hazel asked.

“It didn't end until after 6 o'clock. This is your mother's first time playing all night.” Elliot teased, “I wonder if she can still get up today.”

Just after Elliot finished speaking, Avery walked down the stairs.

“Mom, why don't you sleep more?” Hazel hurried over to help her mom.

“The schedule is messed up, so I can't fall asleep.” Avery didn't feel any other discomfort except a little headache, “Have they gotten up yet?”

Hazel: “No. Mom, let's go have lunch first!”

“I'm not too hungry but let's eat something!” Avery's spirit was not very good, but she was in a good mood, “You rest for the next few days, you should plan carefully and see how you want to play.”

“Should I go to give it to my aunt? Are they paying New Year's greetings?” Hazel asked.

“Yeah! New Year's greetings to the two aunts, and to your Auntie Tammy. If you want to go to other relatives, you can go, and you don't have to go if you don't want to.” Avery held her daughter's hand, “Today, I will stay at home first. Rest, and start greeting the New Year tomorrow.”

“Yes. Kara asked me to play poker during the day, mom, can I play poker?” Hazel asked her mom for advice.

Avery: “Haha..., of course!”

.....

This Spring Festival holiday, Hazel had a very happy time.

She played poker with her friends every day, and the time flew by very quickly.

In a blink of an eye, the New Year’s greetings were over, and Hazel’s winter internship was over.

Layklala’s marriage was on the agenda.

After the invitation was sent out, news about Layla and Eric’s wedding soon spread on the Internet.

**Novel When His Eyes Opened Chapter 2888**—“Layla and Eric’s wedding, the secrecy work is also very good! No longer is there a rumour spreading!”

“Yeah! I heard that no media was invited! If we can find exclusive news, even if it’s just a picture of the wedding day, the traffic will definitely explode!”

“Don’t even think about it! Since they didn’t invite any Media, at that time, the wedding venue will definitely not be able to fly in.”

“Actually, if you really want to sneak into the wedding venue, it’s not impossible...you can sneak in in advance! For example, you can work as a staff member in the hotel.”

“The hotel will not let a newly recruited employee go to the wedding venue to entertain guests! Your thinking is too simple! And even if you can sneak in, you can’t bring any equipment in! The wedding venue will definitely be inspected layer by layer.”

“But the editor-in-chief said that whoever can get the first-hand exclusive information will be given a bonus of \$100,000! If you can get this bonus, you won’t have to work this year.”

“That’s a lot! After all, this is Eric’s wedding! Even if you don’t use the exclusive information to issue a press release, just contact any of Eric’s loyal fans and you can sell it for \$100,000. Believe it or not? Eric has so many Fans of rich women.”

The employees of a certain media company were discussing in one go.

For the sake of bonuses and KPI, everyone racked their brains and tried every means to get inside information about Layla and Eric's wedding.

"Joanna, doesn't your mother owe more than \$100,000 for the operation fee? If you can get the bonus this time, the pressure on your family will be much less!" A female colleague saw that Joanna had been silent all this time, So came over and talked to her.

"Eric hardly stays at home now. The wedding between him and Layla is basically organized by the Foster family. Everyone in the Foster family is equipped with bodyguards when they go out. It's as difficult as heaven to get close to them." Joanna said calmly, "This bonus is not easy to get."

The female colleague: "Yes! If it is easy to get it, I will take it. \$100,000 is not a small amount. The editor-in-chief said that if anyone gets this bonus, they will be paid in the middle of the year. I was promoted once! When the time comes, I will definitely get a salary increase."

"Work hard." After saying these two words, Joanna put the documents on the table into her bag, and left the office.

The female colleague: "Joanna, what are you going to do? Do you want to have dinner together at noon?"

Joanna: "No! I brought a meal."

.....

It's March 1st.

The wedding of Layla and Eric was held as scheduled.

The weather today was sunny and the temperature was the highest in nearly two months.

The Foster family hired the best security company in Avonsville to ensure the order and privacy of the wedding.

After the ceremony was held in the church at noon, the couple, their relatives and friends came to the resort hotel.

Wearing the uniform of a hotel waiter, Joanna stood by the side of the banquet hall, ready to be called at any time.

The reason why she was able to come in today was because she talked to a fellow villager.

She said that if she could get a bonus of \$100,000, she could give \$50,000 to the other party.

After thinking for a while, the other party agreed.

Who could resist the temptation to get \$50,000 if someone helped her to work for a day?

Of course, if Joanna didn't get the \$100,000 bonus, she wouldn't lose anything.

Joanna looked at the fairy-like bride with fascination.

Eric was recognized as a top-notch look in the entertainment industry, but Layla stood beside Eric, but she was not inferior at all.

It was enough to see how beautiful Layla was.

They were a match made in heaven.

After Joanna was in a trance for a while, she suddenly saw the guest next to her open the exquisite gift box that accompanied her.

"I heard that this car model can be exchanged for a real car!" A guest said.

"Hayden is really powerful! This is too generous! When his younger brother and sister get married, she will definitely continue to give cars." Another guest smiled.

**Novel When His Eyes Opened Chapter 2889** – The guest said: "Yes! he is really rich and low-key, just like his father."

A gold bar was taken out of the gift box by the guest.

The moment Joanna saw the gold bar, her eyes were blinded by the gold.

Was this how rich people give gifts like this?!

Sent cars and gold bars?

When Joanna thought of her family returning to poverty because of her mother's serious illness, she suddenly felt very sad.

"I don't know what kind of woman he likes! I've told his parents several times, and I want to help him introduce someone, but he just won't let go. What his parents mean is that they can't control him."

"Of course I can't do it. Hayden's ability is no worse than his father's now! Such an excellent person, of course he won't listen to his family."

"But now Layla is married, and Hayden is not young. We can start a family now. My daughter is very obsessed with Hayden, but unfortunately Hayden definitely doesn't like lazy girl."

"Hahaha! Who doesn't like Hayden! He's a handsome young boy, yet he's so good at making money. He's perfectly inherited from his Dad's business talent and his mother's smart brain."

...

Joanna investigated the Foster family's information.

She had seen Hayden's photo on the Internet.

Hayden was indeed good-looking, but looking at the photos, he seemed to dislike women.

He looked so aloof.

When the luncheon was about to end, Joanna walked quickly towards the bathroom.

She put a more decent outfit in the bathroom ahead of time.

After changing her clothes later, she pretended to be a guest and mixed into the crowd.

Guests present could bring electronic devices and take pictures. It's just that there was a signal jammer on site, so no information could be sent here.

In fact, this already represented the attitude of Elliot's family.

The guests invited to the scene were all relatives and friends of the Foster family and the Santos family, so they naturally understood their attitude, so they would not casually post pictures or expose any information on the Internet.

Joanna only needed to take a few pictures of the scene before she could leave.

The atmosphere at the scene was actually not as serious as imagined. After lunch, everyone gathered in small groups to chat and drink champagne.

Joanna had already imagined that she had successfully completed the work and received a bonus of \$100,000.

After she got to the bathroom, she went into the cleaner's tool shed.

While changing clothes, she heard a voice from outside the door.

"This opportunity today is once in a thousand years. I don't know when the next Foster family will hold a wedding! You have also seen how many people covet Hayden. He is so handsome and rich. Who dares to underestimate our family?" The female voice was deep and powerful, as if things were bound to happen.

"Mom, of course I am willing to marry Hayden, but is your plan really useful? What time is it now, even if I sleep with him tonight, he may not necessarily marry me!" The young girl's voice was full of hesitation and uneasy.

"Even if he doesn't want to be responsible to you, his parents are sensible people and they will make decisions for you. Even if his parents can't let him marry you, they will definitely benefit us. In short, our family will not suffer." The woman persuaded, "Daughter, don't be afraid, let alone shrink back. I have already bought a waiter. When Hayden drinks the special wine at night, you can go to the room with him."

After a while, the footsteps gradually disappeared.

In the cleaner's tool room, Joanna covered her chest with her hands, panting heavily.

If the mother and daughter's plan went smoothly, then Hayden would be caught tonight.

Although she didn't know Hayden, the sense of justice in her heart made her want to inform Hayden.
