### Chapter 1291

...

When Dong Jiahao and Dong Liqun went out, they saw David standing at the door covered in blood.

"Brother David, are you injured?"

Dong Jiahao's face was startled, and he hurriedly stepped forward to check David's injuries.

David smiled lightly: "It's just a small injury!"

"Mr. Chen, I have some good gold sore medicines here, as well as Qi-tonifying pills, I will order someone to bring them right away!"

Dong Liqun also stepped forward and hurriedly followed David respectfully.

"Patriarch Dong, don't need it, it's all minor injuries, and it will get better soon!"

David said gratefully.

Seeing David's tone of voice, Dong Liqun finally breathed a sigh of relief, and immediately turned around and made a gesture of invitation: "Mr. Chen, please come to the room..."

David walked into Dong's villa, and Dong Liqun poured tea and water for David himself!

David actually saw the panic in Dong Liqun's heart, and he smiled lightly.

"Brother David, I heard that you killed Ning Dahai?"

Dong Jiahao asked David.

David nodded: "Killed, but he blew himself up."

"Blow yourself up?"

Dong Jiahao and Dong Liqun were all shocked!

They knew the power of a Marquis' self-destruction. Ning Dahai blew himself up, but David was fine. He only suffered some minor injuries, which was enough to show David's strength.

"Wouldn't Ning Zhi also be killed by Ning Dahai's self-destruction?"

Dong Jiahao asked curiously.

"Ning Zhi escaped, but even if he escapes to the ends of the earth, I will find and beat him!"

David shook his head.

"That's a pity. This Ning Zhi is too sinister. If he escapes, you have to be more careful."

Dong Jiahao told David.

"Thank you Brother Dong for reminding me!" David nodded, and then continued: "Brother Dong, I came to the Dong family this time because I

wanted your Dong family to take over all the properties and resources of the Ning family.”

“You also know that the Ning family’s property is huge, and many martial arts families are eyeing it. Now that Ning Dahai is dead, if no one takes over the Ning family’s property, it will be quickly eaten away.”

“I don’t have time to manage these, and these industries mean nothing to me, so I hope Brother Dong can take over!”

After David finished speaking, Dong Jiahao and Dong Liqun were stunned!

Especially Dong Liqun, David didn’t ask him to settle accounts, he felt very lucky, but he didn’t want David to send such a big bargain to the Dong family!

“Brother David, what you said is true. You must know that the Ning family’s property is one of the best in the entire Kyoto.”

Dong Jiahao asked in disbelief.

“Of course it’s true!” David said with a slight smile.

“Brother David, since you trust me so much, I, Dong Jiahao, have nothing to say. In the future, as long as you say a word from Brother David, I, Dong Jiahao, will go through fire and water, and I will do anything...”

Dong Jiahao looked at David very excitedly, his eyes turned red.

On the other hand, Dong Liqun was so ashamed that he knelt down in front of David with a thud.

David was stunned for a moment, and hurriedly stepped forward to help Dong Liqun up: “Patriarch Dong, what are you doing?”

“Mr. Chen, I have never done anything wrong, but I am ashamed of Mr. Chen...”

"In the future, I, Dong Liqun, will be Mr. Chen's pawn, and everyone in my Dong family will obey Mr. Chen's orders..."

"If I, Dong Liqun, dare to do something with two hearts, the world will not allow it..."

Dong Liqun was impressed by David's mind at this moment, he could not wait to slap himself a few times!

"Patriarch Dong is serious. Brother Dong and I are friends, and he has helped me a lot. It's good for us to help each other!"

David smiled lightly!

David didn't stay at the Dong family for a long time. After talking about some things, he left. He was going to go to the Valley of the Villains to see if the four villains had recovered.

## Chapter 1292

Valley of the Wicked!

At this time, Zhao Liguó summoned all the people, and today the four wicked people are going out.

And Zhao Liguó planned to bring someone to find the Ning family today to fight to the death!

Zhao Liguó knew that this was going to be a disaster, but he was not afraid!

David is dead, Zhao Liguó will never live, he must avenge David!

The gate of the Devil Town Tower slowly opened, and the four villains came out.

When the four wicked men saw Zhao Ligu taking everyone and guarding the gate of the Demon Suppression Tower, they were all stunned.

"Zhao Zhuangzhu, what happened?"

Ding Dao asked Zhao Wuji.

Zao Wou-Ki's expression was solemn, and he pondered for a while, because he didn't know how to follow the four villains.

After a while, Zao Wou-Ki opened his mouth and said, "Master Ding Gu, Chen... Mr. Chen is dead..."

Zao Wou-Ki's words instantly made the four villains stunned on the spot.

"Zao Wou-Ki, you f.ck, how could Mr. Chen die? How long did we stay in the tower?"

Ding Busan yelled at Zao Wou-Ki.

"You have been here for a month, and during this month, Mr. Chen hid in the south, but he was still found by the Ning family's head, Ning Dahai, and then killed Mr. Chen..."

Zhao Wuji gritted his teeth, his face full of grief!

"How could this be? How did you know the news?"

Ding Dao asked in disbelief.

"Ning Dahai said it himself, and he also announced that Mr. Chen is the corpse."

"I called everyone together, just waiting for you to go out and avenge Mr. Chen."

Zhao Wuji said.

Ding Bu's body flickered, and he almost didn't fall, but was supported by Ding Bu'er behind him.

"Ning family, I want him to pay his debts with blood..."

Ding Bubu widened his eyes angrily, and his anger was burning.

Ning Zhi led people to kill almost everyone in the Valley of the Wicked, and now Ning Dahai killed David.

This blood debt must be repaid.

"Ning Dahai, I'll kill your ancestor, we'll kill this ba5tard now and avenge Mr. Chen..."

Ding Busan gritted his teeth and roared.

"Yes, kill the Ning family and avenge Mr. Chen. If you kill one, you won't pay, but if you kill two, we will earn one..."

Ding Busi followed suit.

Ding didn't try hard to calm down his mood, and after a while, he said, "The Ning family is so powerful, we will die if we go."

"Zhao Zhuangzhu, you take your people to stay, don't go to die in vain, the four of us go!"

When Zhao Liguó heard it, he was stunned and said, "Master Ding Gu, don't you four go and die in vain? With so many of us, we can still compete with the Ning family."

"Don't worry, none of us are afraid of death. Since we choose to go, we will have the determination to die!"

Ding Dao waved his hand: "Zhao Zhuangzhu, don't get me wrong, I'm not saying you are afraid of death, I just don't want you to die in vain!"

"The four of us can go. At the last minute, we will blow ourselves up..."

Zhao Liguó was stunned when he heard the word "self-destruction".

In general, few martial artists choose to self-destruct, because after self-destruction, it will vanish and nothing will be left, not even a corpse.

And the self-destruction of a Marquis Wu would be even more terrifying!

Zhao Liguó looked at Ding, not knowing what to say.

He also instantly understood why Ding Dabu didn't let them go. A Marquis of Wu blew himself up, and there would be nothing left within 100 meters of the scene.

If they go, they will turn to ashes in the end!

"Yes, we can blow ourselves up. Anyway, our life was saved by Mr. Chen, and we just went with him!"

Ding Busan said loudly.

Zhao Liguó gritted his teeth, his eyes full of reverence!

## Chapter 1293

"Do you like self-destruction so much?"

At this moment, a faint voice came from the direction of Taniguchi, the wicked man.

Everyone was shocked and hurriedly followed the voice.

When they saw David appear in front of them, everyone couldn't believe it.

Especially Zhao Ligu and Zhao Chuang!

"Brother Chen, are you... not dead?"

Zhao Chuang charged towards David incredulously.

"Zhao Zhuangzhu, isn't this Mr. Chen? Where did you get the fake news?"

Seeing David appear, Ding Dao suddenly asked Zhao Ligu angrily.

"me..."

Zhao Ligu was also full of confusion, not understanding why David was still alive.

"Okay, don't blame him, I did die once..."

David smiled slightly and shared his experience with the four villains.

When they heard that David actually killed Ning Dahai and destroyed the Ning family, everyone was shocked.

Almost no one does not know the strength of the Ning family in the martial arts world of Kyoto, but now it has been destroyed by David alone!

After David explained some things, he directly entered the town magic tower!

Following a battle in Ning Dahai, although David was victorious, his body was also damaged, especially his spiritual power was severely depleted.

He needs to go to the Martial Arts Alliance to be a dignitary after the Town Demon Tower returns to its peak state!

It took three days for David's spiritual power to completely recover.

This time, David found something very difficult for him.

That is his current strength, even if he is cultivating in the Demon Suppression Tower, the speed is much slower.

Before breaking through Marquis Wu, if David wanted to recover his spiritual power, he would soon be able to recover in the Demon Suppression Tower.

But now it has been three days.

This is only to restore spiritual power. If you want to improve your strength, I am afraid that it will take longer.

However, there is no way to do this. After all, every breakthrough in the realm not only brings about an increase in strength, but also doubles the difficulty of cultivation.

"It seems that I have time to go to the Red Lotus Palace..."

David thought of the cave in the Red Lotus Palace. If he could unlock the secret of the cave, it might be of great help to his cultivation.

After leaving the Demon Town Tower, David came to the hall of the Valley of the Wicked!

The four evildoers and Zhao Ligu were all there, and when they saw David coming out, they all went up to meet him.

"Mr. Chen, are you okay?"

Ding Dao asked David.

David smiled slightly: "It's all right, you guys stay in the Valley of the Wicked, I'll go to the Martial Arts Alliance!"

Everyone was shocked when they heard that David was going to the Martial Arts Alliance.

"Mr. Chen, the Martial Arts Alliance has always regarded you as a thorn in the flesh. What are you doing in the Martial Arts Alliance?"

Ding asked in confusion.

He didn't know that Sonya was captured by the Martial Arts Alliance.

But Zhao Liguó knew it. As soon as David said he was going to the Martial Arts Alliance, he immediately said, "Is Mr. Chen going to save Miss Sonya?"

David nodded.

"Then let's go with you, there are so many people and great strength..."

Zhao Liguó said.

"Zhao Zhuangzhu, who is this Miss Sonya?"

Ding didn't ask.

"It was Mr. Chen who was his girlfriend and was taken away by the Martial Arts Alliance..."

Zhao Liguó replied.

"What, that old Zhuzhishan dare to catch Mr. Chen's girlfriend, we will kill the martial arts alliance now and rescue Mr. Chen's girlfriend..."

When Ding Busanyi heard this, he suddenly shouted angrily.

"Okay, just stay in the Valley of the Wicked, I can go by myself!"

David said lightly.

"Mr. Chen, the strength of the Martial Arts Alliance is not what you see on the surface. If you go by yourself, it will be very dangerous."

Ding did not persuade David.

"Don't worry, I'm just going to explore the bottom of the martial arts alliance this time, and they don't dare to kill me blatantly..."

The reason why David dared to enter the Martial Arts Alliance alone is that Zhu Zhishan would not blatantly kill him in the Martial Arts Alliance.

## Chapter 1294

After all, they will scruple Mr. Shi.

Ding didn't want to say anything, but was interrupted by David's wave.

"I've made up my mind, don't say it anymore!"

After David finished speaking, he turned around and walked out of the Valley of the Villains.

The four villains and Zhao Liguo hurriedly sent David out.

But just as everyone walked out of Taniguchi, a terrifying aura came from not far away.

Immediately afterwards, I saw seven black shadows, from far to near, and quickly greeted them.

Seven men in black came to David and looked at David coldly.

The eyes of the seven people didn't have any brilliance, they were like dead people, and they didn't even blink.

And the aura emanating from these seven people actually carried a corpse aura!

David frowned, his face became a little dignified, he had never felt such a breath before.

But that Ding was not big, but his face changed: "Seven Evil Star Lord?"

David frowned and said, "What? What is the Seven Evil Stars? Why do I feel that these seven people have a corpse aura?"

"Mr. Chen, these seven guys are not human anymore, they are just seven corpses."

Ding didn't say much.

"Corpse?" David was a little stunned. He didn't understand why the seven corpses had such a terrifying aura and why they acted.

"Mr. Chen, it's a long story, these seven evil stars do not refer to these seven people, but to the manipulation behind these seven people!"

"This Seven Evil Star Lord is an evil cultivator, specializing in refining corpses, similar to the corpse king of Miao Village, and the Miao Village uses puppet control, but this Seven Evil Star Lord does not use it, he uses spiritual power! "

"And the puppet corpse of the Seven Evil Star Lord can be of any strength. As long as it is a corpse, the Seven Evil Star Lord can refine the puppet corpse!"

"But the Seven Fiends have disappeared for many years, how could a puppet corpse suddenly appear here?"

"And these seven guys, judging by their breath, there are at least four Marquis..."

Ding Dao said with a puzzled face.

After David heard it, he suddenly realized that it is no wonder that there is a corpse aura in the breath of these guys.

"I don't know these seven evil stars, I don't know what he sent these seven guys here to do!"

David said in surprise.

"I don't know, but the puppet corpse is dispatched, there must be a mission..."

Ding didn't have a look of vigilance on his face.

Just as Ding Dao's voice fell, he saw seven puppet corpses suddenly rushing towards David.

The seven puppet corpses moved in unison, and all jumped up high.

Immediately after, seven terrifying breaths came directly towards David!

"Mr. Chen, be careful..."

Ding Bu gave a loud roar, and his body suddenly stood up.

The other four of the four villains also immediately rose into the sky and rushed towards the seven puppet corpses.

David quickly retreated, and he was dozens of meters away in an instant.

And just where he was standing, a huge explosion sounded, and a deep pit exploded in an instant!

David's face became extremely gloomy, golden light appeared on his body, and scales began to cover his body, and the undamaged golden body started.

As soon as he stretched out his hand, the Dragon Slaying Sword appeared in David's hand, and then with a fierce light in his eyes, he walked directly towards the seven puppet corpses.

"Damn, it's just a few dead people, and they still want to kill me..."

David was furious.

He didn't know any Seven Fiends Xingjun at all, but the other party wanted his own life, how could David not be angry.

The Dragon Slaying Sword ignited flames, and then a sword pierced the chest of a puppet corpse.

Just when David thought that one sword would solve one problem and was about to pull out the sword, he didn't want the puppet corpse to suddenly slap David's chest.

David's body flew upside down, but the puppet corpse that was pierced through his chest charged towards David without blinking an eye.

## Chapter 1295

"Mr. Chen..."

Zhao Liguó held the sword and stepped forward to block the puppet corpse.

David frowned tightly after looking at the puppet corpse who was stabbed by himself, but nothing happened.

"This is too perverted..."

David's eyes narrowed, and then his body rose into the air.

In an instant, David appeared in front of the puppet corpse again.

“Shh...”

David raised the Dragon Slaying Sword and slashed down in anger. This sword was powerful.

The terrifying sword energy poured out from the Dragon Slaying Sword.

One arm of the puppet corpse was chopped off by David in an instant and flew out.

But at that fracture, there was not a trace of blood flowing out.

Even with one arm left, the puppet corpse still charged towards David without blinking an eye.

A streak of energy attacked David, David scolded secretly, and his body quickly retreated!

bang bang bang ...

There was a sound of explosions, and David was instantly blasted out of several deep pits!

“Bah ah...”

David spat out the dirt in his mouth and looked at the puppet corpse: “This is too perverted...”

But without waiting for David to catch his breath, the puppet corpse rushed towards David again.

There were also two puppet corpses heading towards David.

Their goal is only David, so even if the four villains help David to block, these puppet corpses will rush towards David as soon as they have a chance.

Looking at the puppet corpse rushing towards him, David frowned, his eyes full of anger.

With a wave of the Dragon Slaying Sword in his hand, he pushed forward with the palm of his left hand.

A terrifying spiritual force directly pushed the flames on the Dragon Slaying Sword forward more than ten meters!

The raging flames quickly burned under the action of spiritual power.

Those puppet corpses were instantly ignited.

There was a burst of burnt smell, accompanied by a crackling sound!

Seeing this, David breathed a sigh of relief. Although these puppet corpses can't be chopped to death, they can always be burned to death, right?

But just when David breathed a sigh of relief, he saw two puppet corpses burning with flames, rushing towards David.

Even if the whole body burned, these puppet corpses did not retreat or panic at all!

"Oh sh!t..."

Seeing this, David quickly retreated, but the two puppet corpses were chasing after him!

"Mr. Chen, cut off the head of the puppet corpse, they can't control it..."

Ding Dao shouted at David.

As soon as David heard it, he held the Dragon Slaying Sword, stabilized his figure, and chopped off the head of a puppet corpse.

Although his body also suffered a punch, but David had a golden body and was not injured.

The head of the puppet corpse was chopped off, and the body fell to the ground instantly.

It seems that the other party uses mental power to control these puppet corpses, and it still needs the heads of these corpses.

If it is a headless corpse, there is no way to control it.

Knowing the way to crack the puppet corpse, David held the Dragon Slaying Sword and began to swipe out continuously.

The seven puppet corpses were cut off by David in less than an hour.

Just after the heads of the seven puppet corpses were cut off, in a dark, damp, dark cave, a guy with disheveled hair and eyes like copper bells lay a dozen corpses beside this guy.

This guy is the Seven Devils Xingjun in Ding Dao's mouth. He has disappeared for many years and has been practicing his own corpse refining technique.

"How did this Mountain of Wishes do it? My seven puppet corpses died so quickly..."

Qi Sha Xingjun said with a distressed expression on his face.

But it was only for a moment, the face of Qisha Xingjun returned to a cold expression, and with a wave of his hands, a black mist filled his palms, and the corpses lying on the ground actually began to move.

## Chapter 1296

Valley of the Wicked!

After David beheaded those puppet corpses, he rushed to Kyoto non-stop.

No matter if he succeeds today or not, David has to give it a try. Although David himself doesn't have much hope, he always has to do something, he can't watch Sonyaffer in it!

In the Martial Arts Alliance at this time, Zhu Zhishan's eyes were slightly closed, and his face was very ugly.

Seven puppet corpses, including four Marquis Wu, were even unable to kill David.

"Damn, a dead person is a dead person. If you don't have a brain, why won't you fcuking start when David is alone?"

"I actually ran to the Valley of the Wicked to start, what a fcuking idiot..."

Zhu Zhishan cursed, but there was no way, the puppet corpse had no thoughts, how could they think about that.

Beside Zhu Zhishan, several elders stood respectfully, not daring to say a word.

"You three don't stand here anymore, get out of here, they're all trash..."

Zhu Zhishan is annoyed when he sees these elders!

Now that David has stepped into Wuhou, these elders are no longer David's opponents, so Zhu Zhishan is upset when he sees them!

The three elders did not dare to speak, they bowed their heads and walked away.

After walking out of the gate of the Martial Arts Alliance, the Great Elder snorted angrily.

"It's too much, anyway, the three of us are the elders of the Martial Arts Alliance, so treat us like this..."

The first elder said in an atmosphere, obviously dissatisfied with Zhu Zhishan's attitude.

"Brother, forget it, who made us inferior to others, and now that we join forces, we are no longer David's opponent."

The second elder sighed.

"That David is too terrifying. A few days ago, David asked me to bring a message to the leader, saying that he was going to break into our martial arts alliance alone!"

The third elder's voice trembled, thinking of facing David alone that day, the third elder was afraid.

"Hmph, that David is simply over his head, thinking that if he kills Ning Dahai, he will be invincible in the world..."

The second elder snorted coldly.

But as soon as the words were finished, the three elders were stunned for a moment.

Because they saw that David was right in front of them and walked straight over.

Seeing David approaching, the three elders breathed rapidly, and the second elder, who was just disdainful, also trembled slightly at this moment.

David also found three elders, but he ignored them.

Instead, he walked straight past them and went straight to the Martial Arts Alliance.

At this moment, in David's eyes, these three elders are no longer a concern!

Looking at David walking over, the three elders looked at each other, looking a little overwhelmed!

The second elder suddenly wanted to speak, and stopped David, but was stopped by the first elder.

"Brother, this David is going to the Martial Arts Alliance..."

The second elder said.

"I'm not blind, I see!"

The first elder glared at the second elder: "Let's go quickly and pretend we didn't see him. Do you want to be cannon fodder?"

When the second elder heard this, he shook his head in fright, and then the three elders pretended not to see David and left quickly.

...

The door of the Martial Arts Alliance!

Two guards stood straight on both sides, and these two guards alone were in the realm of Wuzong!

You must know that a master of Wuzong is treated like an emperor in a small city.

But here, you can only look at the door!

And these two Martial Sects also worked hard, because they were able to enter the Martial Dao Alliance, and the cultivation resources they obtained were incomparable outside.

With the improvement of realm, they are more and more dependent on cultivation resources, so they can only watch the door in the Martial Arts Alliance!

"The three elders have been scolded just now. It seems that the leader of the alliance is not happy during this time. We must not provoke him..."

One guard spoke to another guard.

## Chapter 1297

"Now the status of these elders is getting lower and lower, and the alliance will scold them if they don't move. It seems that this elder is not easy to do..."

Another guard sighed.

"You don't know, the leader of the alliance often goes out during this period of time, and every time he comes back, he can bring back some masters, all of them are Marquis, and I don't know where they got them."

"No wonder these elders are always scolded, their status is getting lower and lower, it seems that strength is still respected..."

"No, I don't think it will take long. The elders and directors will be replaced. After director Guo's death, there will be no one who can take the top position."

Just as the two guards were chatting, they suddenly felt a chilling killing intent coming from not far away, the two of them shivered, and hurriedly turned their heads to look into the distance.

I saw a figure slowly appear, walking steadily towards the Martial Arts Alliance.

"Stop, who are you? This is the powerhouse of the Martial Arts Alliance, and no one is allowed to approach..."

A guard yelled at David.

David looked calm, said nothing, and still walked towards the Martial Arts Alliance.

This time, David annoyed the two guards.

"Stop for me, or we'll be welcome..."

Another guard also shouted loudly.

David then stopped, and then slowly looked at the two people.

Just looking at it, the two guards felt cold all over, as if they had fallen into an ice cave.

"I'll give you a chance, get out now..."

David said coldly.

The two guards were stunned, looked at each other, and then asked, "Who are you? Why did you break into my Martial Arts Alliance?"

"David..."

David slowly said his name.

When David said his name, the two guards' eyes suddenly widened, their Adam's apple rolled, and they kept swallowing saliva.

The body was shaking constantly, and there was a yellow liquid flowing out of one person's feet!

David glanced at the two people with disdain, and then walked straight towards the inside of the Martial Arts Alliance.

The two guards did not dare to stop them, and even more did not dare to speak.

When David walked into the Martial Arts Alliance, the two guards recovered and turned around and ran away.

They know that if they stay here, they are afraid they will die miserably!

David walked into the Martial Arts Alliance and looked around. It was the first time he walked in from the front door openly.

However, as soon as David stepped into the Martial Arts Alliance, there was a strong murderous intent floating up!

David's eyes closed slightly, and a spiritual consciousness instantly moved towards the depths of the Martial Arts Alliance.

However, just as David's consciousness was released, he was suddenly cut off by an extremely domineering aura.

David shuddered and opened his eyes suddenly.

At this moment, David's face was ugly, and his brows were tightly knit together.

He had just entered the Martial Arts Alliance this time, and he encountered such a powerful aura.

His consciousness was cut off almost effortlessly.

"It seems that this martial arts alliance is really hidden, not as it appears on the surface..."

David muttered to himself, but since he has come, David will not back down!

Walking towards the depths of the Martial Arts Alliance, the first is a courtyard, surrounded by antique houses, and after passing through an arch, there is a hall with many rooms on both sides.

David walked through the courtyard and came to the hall, but he didn't meet anyone, which made David feel very strange.

David stood in the center of the hall, looked around, and wanted to send out his spiritual sense to investigate, but finally gave up.

Instead of wasting mental power, it is better to roar and hand over the mountain of Zhu Zhi.

David believes that Zhu Zhishan must know that he is here, or else the dignified martial arts alliance will let people break in at will, and no one will stop it, what will it look like.

"Old Zhu Zhishan, get out of here, I'm here to ask you for someone..."

David roared hard, and the whole hall was buzzing!

## Chapter 1298

Just as David's roar stopped, a roar sounded: "You are so brave, dare to break into my martial arts alliance..."

Afterwards, more than a dozen warriors dressed in black training suits with the logo of the Martial Arts Alliance poured out from the houses of the two tests.

David glanced at these people and snorted coldly: "Where's Zhu Zhishan? Let him get out. He won't be afraid and turn into a tortoise, right?"

"Bold, dare to slander our alliance leader like this, courting death..."

A guy from the Martial Arts Alliance shouted angrily, and he was about to attack David with two blades.

"stop..."

A voice came from the depths, and then I saw Zhu Zhishan walking out slowly.

"The ally..."

Seeing Zhu Zhishan, these people all shouted respectfully.

"David, I originally thought you were telling a joke, but I didn't expect you to dare to break into my martial arts alliance. Do you really think that if you kill Ning Dahai, you will be invincible in the world?"

"But you do have some skills. Among the younger generation of warriors in Kyoto, you are considered a leader. It's a pity that you are too crazy, so crazy that you dare to break into my martial arts alliance..."

Zhu Zhishan looked at David with disdain and ridicule on his face!

David looked at Zhu Zhishan coldly, and his murderous aura began to fill his body: "I'm here to ask for someone, not to listen to your nonsense..."

David said, a terrifying atmosphere instantly enveloped the entire hall.

The people in the Martial Arts Alliance felt the cold breath, and their expressions changed.

And Zhu Zhishan put away the disdain in his eyes, and said with a cold face: "I want someone? Who do I want?"

"Don't pretend to be my mother. My girlfriend was caught by your Martial Arts Alliance. Are you still here pretending not to know?"

David was so angry with Zhu Zhishan, his whole body trembled slightly because of anger, and his eyes became scarlet.

The golden light flickered, and scales covered David's body.

The terrifying aura on David instantly made those in the Martial Arts Alliance feel oppressed!

"What did you say? I don't know at all, I hope you don't slander our Martial Arts Alliance..."

Zhu Zhishan is still pretending not to know anything.

"Let your mother f. art, let me go..."

David shouted angrily, and the terrifying aura instantly dissipated toward the surroundings.

Those in the Martial Arts Alliance suddenly felt a gust of wind swept in, and then they were all blown away directly.

Some of the weaker ones were directly smashed into internal organs, vomited blood and died!

Seeing this scene, Zhu Zhishan frowned: "David, do you dare to kill people in my martial arts alliance?"

"Not only will I kill people, but I will also tear down your broken martial arts alliance..."

David's aura was constantly rising.

The raging atmosphere continued to spread around, and David wanted to dismantle the entire martial arts alliance.

It's just that no matter how much David's breath wants me to spread, it can't shake the surrounding buildings. This time David understands that this martial arts alliance is protected by a magic circle.

Although the building can't be damaged, those in the Martial Arts Alliance can't stand it.

Their faces changed wildly, and some people were even torn to shreds by this terrifying aura...

"presumptuous..."

Seeing this, Zhu Zhishan opened his eyes wide and punched David.

"Come on, I'll kill you today..."

David gritted his teeth, a golden light erupted from his fist, and then he punched him.

The terrifying divine dragon power erupted from David's fist, and slammed heavily with Zhu Zhishan.

boom!

There was a deafening sound, the ground shook and the mountains shook, and the scattered energy was like a sickle, reaping the lives of the surrounding Martial Dao Alliance warriors.

A burst of blood splashed, ghosts and wolves howled, and the rest of the people desperately fled for their lives!

## Chapter 1299

The aftermath of two Marquis fighting in such a confined space is not something these people can bear.

David's body took a few steps backwards. Although Zhu Zhishan didn't move, his face became ugly.

Although Zhu Zhishan stepped into the realm of Marquis early, and his strength is even higher than that of David, the punch just now made him feel a little more comfortable.

Because he really felt the threat of death from the power of the punch just now.

He could see that David was here to work hard.

As the saying goes, the soft is afraid of the hard, and the hard is afraid of death.

If David's tendon twitched and he blew himself up, even if he had three heads and six arms, he might not be able to survive.

"David, you don't dare to do whatever you want in our martial arts alliance because you have Mr. Shi's backing. It really makes me anxious, and I dare to kill you!"

Zhu Zhishan threatened David.

"Stop talking nonsense, either let my girlfriend go or die..."

David's eyes were scarlet, and his killing intent continued to skyrocket.

Looking at David like this, Zhu Zhishan also had a headache. If David was really killed, he would not be able to explain it to Mr. Shi.

But if he was spending time with David like this, he was afraid that David would blow himself up.

After pondering for a moment, Zhu Zhishan said: "Okay, wait a minute, I'll bring your girlfriend..."

David frowned and looked at Zhu Zhishan. He didn't expect that Zhu Zhishan agreed so happily.

It seems that there must be fraud, but even if he knows there is fraud, David can only agree!

"Five minutes, I can't see my girlfriend, I will kill everyone in the Martial Arts Alliance..."

David said coldly.

"Don't worry, it won't take five minutes..."

Zhu Zhishan raised the corner of his mouth slightly, then turned and walked towards the depths of the Martial Arts Alliance.

After passing through a door, there was a smile on the corner of Zhu Zhishan's mouth, and then a secret door was opened, and four people who looked exactly the same in white clothes appeared.

"You four, go and kill that guy in the hall, hurry up..."

Zhu Zhishan said to the four people.

"Don't worry, I wish the leader!"

The four nodded at the same time.

Seeing the four people heading towards the hall, Zhu Zhishan flashed, jumped out of the Martial Arts Alliance, and then disappeared into the distance.

He wanted to kill with a knife and let these four people kill David, and he was no longer in the Martial Arts Alliance.

In this way, even if Mr. Shi pursues it, he can have an excuse to prevaricate.

It is said that David entered the Martial Arts Alliance without authorization to kill, and was killed by the people of the Martial Arts Alliance, and he was not in the Martial Arts Alliance, so he had nothing to do with him.

Zhu Zhishan's idea is very good, and he is confident that those four people can definitely kill David.

These four people are the tokens used by Zhu Zhishan, and they were found from the deep mountains. All four people are in the realm of Marquis, because they are evil cultivators and can only hide.

David was waiting for Zhu Zhishan in the hall. He didn't know that Zhu Zhishan had already run away.

A few minutes later, David frowned, and his eyes immediately looked into the depths of the Martial Arts Alliance!

I saw a few terrifying breaths coming directly towards him, and several breaths finally combined, like a rapidly coming cannonball!

Seeing this, David suddenly punched out.

The terrifying power of the dragon also rushed out, and slammed into each other with that power.

boom!

A huge roar suddenly exploded, and the terrifying energy dissipated. If it wasn't for the protection of the magic circle, the building of the Martial Arts Alliance would have collapsed several times.

David's body was shaken back, and then he looked coldly at the depths of the Martial Arts Alliance!

“You have already reached the realm of Martial Marquis at a young age. You are indeed talented, but a mere Marquis, would you dare to enter the Martial Arts Alliance alone?”

Following a voice, four people in white suits appeared in front of David.

## Chapter 1300

David looked at the four people, wearing exactly the same clothes, but they looked very similar. You don't need to think about it to know that these four people are quadruplets!

However, these four people were all in the realm of Marquis, which made David's face become solemn.

“Who are you? Where is Zhu Zhishan?”

David questioned the four people.

“You don't have to care who we are, you just need to remember that the four of us sent you on the road!”

One person said lightly.

When David heard this, he was instantly furious: “Zhu Zhishan, you fcuking old liar, come out with something...”

“You don't need to shout, if you have the ability to kill the four of us, then the leader of the alliance will naturally come out...”

After speaking, the four people burst into breath at the same time, and everyone began to shine.

However, the four people's flashes of light are not the same, which proves that the four people's cultivation methods are not the same.

"Do you kill yourself, or do you want the four of us to do it? If you kill yourself, you can die more comfortably. If it falls into the hands of the four of our brothers, then..."

The eldest among the four said with a smile.

"Big brother, what do you have to say to him, such a hippie and tender meat, even if you want to kill him, let the four of us have fun and talk about it..."

The third of the four showed a wretched look!

When David heard it, he couldn't help shivering, and then looked at the four people in front of him: "It's fucking disgusting, even the four of you who have just been promoted, dare to say such big things."

After David finished speaking, he stepped out, and the golden light on his body burst out instantly.

At this moment, David, like a god of war, looked at the four people in front of him with contempt.

"Hmph, I really don't know whether to live or die, then I'll send you on your way..."

The fourth snorted coldly, and his figure instantly moved towards David, and a streak of energy rushed towards David.

"Fourth, this kid is full of treasures, pay attention..."

The third roared loudly.

"Third brother rest assured..."

Let's just say, the fourth child has already arrived in front of David and swiped a punch towards David's shoulder blade.

It seemed that he didn't want to kill David at once, he just wanted to make David lose his ability to resist.

"Tiny..."

Seeing these guys despise him so much, David's anger rose in his heart.

"Holy Light Fist..."

David shouted angrily, brilliant golden light flickered on David's fist, the power of the dragon condensed, and then David punched it out.

boom!

A burst of golden light erupted, and the scene was filled with terrifying killing intent.

Immediately afterwards, I heard a crisp bone cracking sound and a scream!

"This fourth child, with such a heavy shot, how can he play for a while..."

The third child was complaining when he saw a figure flying straight towards them.

Then he fell heavily in front of them.

At this time, the fourth child's arms have already been twisted, and Bai Sensen's bones are exposed outside, and his body is dripping with blood, and his appearance is very miserable!

This time, the expressions of several people changed dramatically, their faces were incredible!

And after David smashed the fourth child with one punch, his aura was still surging, and his killing intent was awe-inspiring!

The remaining three guys looked at each other and hurriedly helped the fourth up.

Then the eldest took out a black pill, which smelled so bad, and stuffed the pill into the mouth of the fourth.

After swallowing the pills, the eldest brother pinched the magic formula, and black mist began to surround the fourth eldest's wound, and soon a strange scene happened.

I saw that the strangely curved arm of the fourth child was slowly recovering, and the exposed bones also began to grow!

David frowned: "So you are evil cultivators, it seems that this martial arts alliance is not clean..."

David glared at the four people in front of him, his aura constantly erupting.

Looking at David in front of them, the four people's faces became solemn, and there was no more contempt at the beginning.
