

# A Man Like None Other

## Novel

### Chapter 1341

After all, Yuan Ying's immortality is immortal. This is also a legend. Whether it is true or not, David has not tested it.

But this time, David felt confident.

David looked around and found that there were only three corpses of the members of the Martial Arts Alliance, and he didn't see Zhu Zhishan. It seemed that Zhu Zhishan was not dead.

"This old thing is really strong..."

David cursed, and then rushed towards the Red Lotus Palace.

...

Southwest frontier, Wancheng!

Although this small town is not big, it is an important border town, and the mountains and forests here are dense, and there are countless major sects and families!

Since David killed Fei Qingping, the master of the Holy Beast Palace, the Holy Beast Palace fell directly from the position of the largest sect in the south to the altar!

Xiao Da took over the Holy Beast Palace, but it will take a lot of time to restore the strength of the Holy Beast Palace in a short time.

On this day, Xiao Da was dealing with the affairs of the Holy Beast Palace, and a disciple of the Holy Beast Palace rushed to report!

“Palace Master, Zhou Tiancheng of the Zhou family of Wancheng asks to see you...”

said the disciples.

“Zhou Tiancheng? What is he doing in our Holy Beast Palace?”

Xiao Da was very surprised. After all, the Sacred Beast Palace had no contact with the Zhou family, and the Zhou family had been calling themselves the largest wealthy family in the south.

The sudden visit of the Zhou family today made Xiao Da always have a bad feeling in his heart!

“Palace Master, what should we do?”

Seeing Xiao Da frowning and not speaking, the disciple asked.

“Please come in!”

Xiao Da said.

Xiao Da has just taken over the Holy Beast Palace, and many of the former disciples have scattered, and now the Holy Beast Palace has long lost its previous strength.

So he decided not to offend the Zhou family, or else the Holy Beast Palace would have no place here.

Soon, a middle-aged man was invited in, and there were two followers behind him!

Seeing this, Xiao Da hurriedly got up to greet him.

“Why do you have time to come to my Holy Beast Palace on Tuesday?”

Xiao Da asked very humbly.

“Palace Master Xiao, you took over the Holy Beast Palace, and our Zhou family should have come to congratulate you, but I was too busy some time ago, so I just made time for it!”

Zhou Tiancheng smiled lightly.

“You’re welcome on Tuesday, please take a seat...”

Xiao Da hurriedly asked Zhou Tiancheng to sit down, and then ordered someone to pour tea for Zhou Tiancheng!

After the two chatted for a while, Zhou Tiancheng went straight to the topic: “Palace Master Xiao, I heard that your Holy Beast Palace and Red Lotus Palace have formed an alliance?”

When Xiao Da heard this, he nodded again and again: “Yes, we have formed an alliance...”

“It’s good to form an alliance, it’s good to form an alliance!” Zhou Tiancheng smiled lightly: “I have always admired Palace Master Ji of the Red Lotus Palace, but I didn’t have the chance to meet him. I’m here today because I want to introduce Palace Master Xiao.”

“Of course, I can’t let Palace Master Xiao work in vain. As long as you can bridge the gap between me and Palace Master Ji, my Zhou family is willing to offer a hundred cohesive pills!”

After Zhou Tiancheng finished speaking, he looked straight at Xiao Da.

And Xiao Da's eyes lit up instantly after hearing the Hundred Gathering Pills, but he also knew what Zhou Tiancheng's purpose was to see Ji Ruxue this week.

This week, Zhou Tiancheng was a well-known big pervert in the entire Wancheng and even the entire southwest. Now Zhou Tiancheng has more than a dozen wives, and he is still not satisfied.

Now if he introduced Ji Ruxue to Zhou Tiancheng, it would be like pushing Ji Ruxue into the mouth of the wolf.

But in the face of hundreds of cohesive pills, Xiao Da was also tempted, so he was a little hesitant!

"Palace Master Xiao, I know what you are hesitating about. Are you afraid of David? But let me tell you, David was already dead and was killed by the Zhu Alliance Master of the Kyoto Martial Arts Alliance."

"Your only choice now is to cooperate with me. You should understand that with the current strength of your Holy Beast Palace, it would be easy for our Zhou family to destroy you..."

It seemed that Zhou Tiancheng had already figured out everything before coming here.

## Chapter 1342

Things like David's killing of Fei Qingping are a big deal in this southwest, and it is impossible to hide from others.

Zhou Tiancheng made a little inquiries, and he knew the ins and outs of it!

“Master Tuesday, of course I’m happy to serve Master Tuesday, but you know, Master Tuesday, that Ji Ruxue is like a jade and will definitely not give in. I’m afraid then...”

Xiao Da was afraid that Ji Ruxue’s actions would be too extreme.

“Palace Master Xiao, you only need to trick that Ji Ruxue into your Holy Beast Palace, and I will handle the rest by myself.”

Zhou Tiancheng said lightly.

Xiao Da looked at Zhou Tiancheng like that, and knew that he would not give up until he achieved his goals, so he gritted his teeth and said, “Okay, then I will invite that Ji Ruxue to Lord Tuesday...”

“Hahaha, Palace Master Xiao really knows the current affairs, then I will wait patiently here...”

Zhou Tiancheng laughed out loud.

...

Red Lotus Palace.

Ji Ruxue and Xiaomin have not thought about tea and rice for several days.

“Sister, has Brother Chen really been killed by the Martial Arts Alliance? I have never been able to believe that the Martial Arts Alliance will release false news?”

Xiaomin couldn’t believe that David died like this.

Ji Ruxue did not speak, because she knew that the Kyoto Martial Arts Alliance would not generally release fake news.

But one thing, Ji Ruxue didn’t quite believe that David died so easily.

Ji Ruxue now still remembers that night, the night she thought David died.

David's vision of heaven and earth when he broke through proves that David is fundamentally different from ordinary warriors. Maybe this time David died, and he will come back to life like the last time!

"Palace Master, someone from the Holy Beast Palace is here!"

At this time, a disciple of the Red Lotus Palace said to Ji Ruxue.

As soon as she heard that it was the Holy Beast Palace, Ji Ruxue hurriedly sorted out her emotions, and then said, "Let the people from the Holy Beast Palace come in!"

Since the Sacred Beast Palace and the Red Lotus Palace formed an alliance, Ji Ruxue and the Sacred Beast Palace have been walking around frequently.

Soon, the people from the Holy Beast Palace walked in, and then said to Ji Ruxue: "Ji Palace Master, our Palace Master wants to invite Ji Palace Master to our Holy Beast Palace, saying that there is something important to discuss!"

When Ji Ruxue heard this, she nodded and said, "Okay, I understand, report back to your palace master, I'll be there soon!"

After the people from the Holy Beast Palace left, Ji Ruxue also began to prepare to go to the Holy Beast Palace.

"Sister, shall I go with you too?"

Xiaomin said to Ji Ruxue.

"You stay at home, remember to look after the cave in the back mountain, no one is allowed to enter!"

Ji Ruxue looked at the direction of the capital, and then continued: "I always think that Mr. Chen will come..."

"Sister, do you also feel that Brother Chen is not dead?"

Seeing Ji Ruxue say this, Xiaomin asked happily.

Ji Ruxue didn't say anything, no matter whether David died or not, he will always live in Ji Ruxue's heart.

Ji Ruxue knew that from now on, she would not be tempted by any man.

Ji Ruxue rushed to the Holy Beast Palace, and at this moment, Zhou Tiancheng took out a small glass bottle from his arms, then dripped a few drops of liquid from it, and gently stirred a few times in the teacup.

Xiao Da watched and said nothing.

In the past, he saw Fei Qingping doing all kinds of evil, and he was disgusted and conflicted in his heart, so when Fei Qingping was fighting with David, he shot and killed Fei Qingping and became the palace master of the Holy Beast Palace.

But now, the dragon slayer has finally become a dragon, and he himself has become a person like Fei Qingping, but there is no way, his position is different, so his perception is also different!

"Palace Master Xiao, I'll see you in a while. As long as Ji Ruxue drinks this cup of tea, she will obey obediently..."

Zhou Tiancheng said to Xiao Da.

## Chapter 1343

"Master Tuesday, don't worry, I know what to do, but the cohesive pill promised by Master Tuesday..."

“Palace Master Xiao, don’t worry, when will the things I promised Zhou Tiancheng not count? A mere 100 Gathering Pills are nothing to my Zhou family.”

Before Xiao Da could finish speaking, Zhou Tiancheng patted his chest and assured.

Xiao Da smiled with satisfaction, then Jing Jing waited for Ji Ruxue’s arrival.

Soon, Ji Ruxue rushed to the Holy Beast Palace with two disciples. Because she had formed an alliance with the Holy Beast Palace, and Ji Ruxue had been to the Holy Beast Palace more than once, Ji Ruxue did not bring many people this time.

Seeing that Ji Ruxue had arrived, Zhou Tiancheng took people to hide in the back of the hall, looking at Ji Ruxue through the gap.

“Palace Master Ji, I’m really sorry for letting you go in person...”

After seeing Ji Ruxue, Xiao Da said hurriedly and politely.

“Palace Master Xiao is very polite. Is there any important thing to send someone to call me in such a hurry?”

Ji Ruxue asked Xiao Da.

“Palace Ji, sit down first, let’s chat while drinking, I specially prepared good tea...”

Xiao Da sat in an inviting posture.

Ji Ruxue sat on the chair without any precautions, but did not drink tea, but asked again: “Palace Master Xiao, you should talk about what is important first!”

Ji Ruxue was in a hurry and wanted to know why Xiao Da was in such a hurry to find her.

“Palace Ji, do you know Zhou Tiancheng of the Zhou family in Wancheng?”

Xiao Da asked Ji Ruxue.

Ji Ruxue nodded: “I know, isn’t that the big pervert? There are more than a dozen wives who are very famous in this area, what’s wrong?”

“Zhou Tiancheng of the Zhou family found me and wanted me to introduce Palace Master Ji to him. It seems that he likes Palace Master Ji, but our two are allies, how can I do that, so I rejected him !”

“But you also know the current strength of the Zhou family. If the Zhou family wants to deal with my Holy Beast Palace, we will only be beaten, so I think...”

Before Xiao Da could finish speaking, Ji Ruxue said with a grateful expression, “Palace Master Xiao, don’t talk about it, since our two families are allied, we will live and die together. If the Zhou family dares to attack the Holy Beast Palace, then I will be red. The lotus palace will definitely be dispatched.”

“Even if the fish die and the net is broken, I will never let the Holy Beast Palace face the Zhou family alone!”

Ji Ruxue was very grateful and moved to Xiao Da at this moment. If Xiao Da could offend the Zhou family for her, then her Red Lotus Palace could not helplessly watch the Holy Beast Palace in trouble.

“Okay, with the words of Palace Master Ji, I can rest assured!”

Xiao Da looked happy, and then held up the tea cup: “Palace Ji, we two will use tea instead of wine to drink together to express our common determination!”

Ji Ruxue did not suspect him, picked up the teacup, and drank it with Xiao Da!

Zhou Tiancheng, who had been peeking from behind, saw Ji Ruxue drinking the tea, and a smug smile appeared on his face.

After Ji Ruxue drank the tea, she didn't feel anything different and was still talking with Xiao Da.

But when Zhou Tiancheng came out from behind, Ji Ruxue was instantly stunned.

"Hahaha, it is said that Palace Master Ji is as beautiful as a goddess. When I see you today, she is many times more beautiful than a goddess."

"If you can sleep with Palace Master Ji, it will be worth dying."

"It's romantic to die as a ghost under peony flowers..."

Zhou Tiancheng looked at Ji Ruxue slyly, and slowly approached Ji Ruxue!

Ji Ruxue frowned: "Palace Master Xiao, what's going on?"

"Ji Ruxue, you are still from Lord Tuesday, I have no choice..."

Xiao Da persuaded Ji Ruxue.

When Ji Ruxue heard this, she instantly understood, her face flushed red, her eyes glared at Xiao Da, wishing to eat him.

## Chapter 1344

"Xiao Da, you...you are too shameless..."

Ji Ruxue got up angrily and wanted to slap Xiao Da with her palm.

But as soon as I got up, I found that I had no strength all over my body, and I couldn't raise the energy in my body at all.

This time, Ji Ruxue's atmosphere was even more intense, and her whole body was trembling.

"Palace Ji, stop trying to resist, be obedient, and I will treat you well!"

Zhou Tiancheng grinned wickedly, and reached out to touch Ji Ruxue's face.

"Palace Master, hurry up..."

At this moment, the two disciples of the Red Lotus Palace who had been standing behind Ji Ruxue suddenly stabbed their swords towards Zhou Tiancheng.

The two attacked Zhou Tiancheng at the same time, one left and one right.

Seeing this, Zhou Tiancheng snorted coldly, and directly reached out to grab the swords in the hands of the two Red Lotus Palace disciples, and then twisted them hard!

jump...

Both swords were broken, and half of the swords remained in Zhou Tiancheng's hands.

Then Zhou Tiancheng waved his backhand, and a cold light flashed past.

A bloodstain instantly appeared on the necks of the two Red Lotus Palace disciples, and then the bloodstain expanded and blood spurted out 1

Ji Ruxue looked at the two disciples who died tragically, her eyes widened. Although she had lost her strength, Ji Ruxue slammed into Zhou Tiancheng fiercely.

Zhou Tiancheng reached out and grabbed it, grabbing Ji Ruxue's wrist directly, and controlling Ji Ruxue.

"Beast, let me go, you can kill me if you have the ability..."

Ji Ruxue cursed loudly.

But Zhou Tiancheng didn't care, the more Ji Ruxue scolded him, the happier he was.

"Palace Master Xiao, you've done a good job. When I go back, I'll order someone to bring the Gathering Pill to you..."

Zhou Tiancheng said to Xiao Da.

"Master Tuesday is polite, then I'll be more respectful than obeying my life. I will send someone to take Master Tuesday back?"

Xiao Da said flatteringly.

"No, we can go back by ourselves..."

After Zhou Tiancheng finished speaking, he picked up Ji Ruxue and walked out.

Ji Ruxue struggled desperately: "bastard, let me go..."

But no matter how hard Ji Ruxue struggled, she couldn't escape Zhou Tiancheng, and finally took a bite on Zhou Tiancheng's shoulder.

"what..."

Zhou Tiancheng cried out in pain, and then a hand knife hit Ji Ruxue on the back of the neck!

Ji Ruxue fell into a coma in an instant, while Zhou Tiancheng scolded: "This little girl is quite strong, I like it..."

...

Red Lotus Palace.

Xiaomin led people to guard the back mountain, and not far up was the cave, where Xiaomin did not let anyone enter the cave.

But just not far from them, a black shadow slowly appeared. After taking a look at Xiaomin and the others, he quickly jumped to the top of the back mountain and quickly got into the cave.

The shadow's movements were quick and light, and it didn't make any sound at all, so Xiaomin and the others didn't even know it.

Gradually it got dark, and Xiaomin looked at the time: "Why hasn't my sister come back? It won't be a problem, right?"

Xiaomin always felt restless, and her eyelids were always beating.

So she arrived at the palace gate and anxiously waited for Ji Ruxue to come back!

Seeing that the stars in the sky had already risen, and it was time for dinner, but Ji Ruxue had not heard from her at all, which made Xiaomin worried.

Because Ji Ruxue had never stayed out so late, and now she has been out for so long, and she didn't come back, there might be an accident.

After all, many sect families here have ideas about the Red Lotus Palace, and they are even more coveted for Ji Ruxue's beauty.

Seeing this, Xiaomin could only call in people and plan to go to the Holy Beast Palace to find Ji Ruxue. What happened?

But just when Xiaomin led someone out of the Red Lotus Palace, he saw someone slowly walking towards them.

Xiaomin frowned slightly and ordered her to prepare.

# Chapter 1345

But when the figure approached, Xiaomin was stunned for a moment, because in front of her was the dead David.

David was also curious when he saw Xiaomin's hurrying appearance in the evening.

"Xiao Min, what are you taking people to do at night?"

David asked Xiaomin.

But Xiaomin didn't answer, but widened her eyes and stared at David, making David look at him.

"Xiaomi, Xiaomin..."

David shouted twice again.

"Brother David..."

Suddenly, Xiaomin shouted, and then rushed into David's arms, crying loudly.

This sudden action of Xiaomin confused David.

David raised his hands and let Xiaomin cry bitterly. After a while, Xiaomin stopped crying.

"Xiaomin, what happened?"

Seeing that Xiaomin was no longer crying, David asked.

"Brother David, I knew you weren't dead, I knew you couldn't die..."

Xiaomin wiped away her tears and grinned.

"Who said I was dead?"

David looked surprised, because he had no idea that Zhu Zhishan had released the news of his death in the Martial Arts Alliance.

"The martial arts alliance in Kyoto, it was posted on the martial arts forum, saying that you were killed by the leader of the martial arts alliance."

Xiaomin explained.

David frowned slightly when he heard it. He didn't expect Zhu Zhishan, as the leader of the Kyoto Martial Arts Alliance, to bully the small, kill himself, and have the face to preach on the martial arts forum.

But this is fine. They all think that when he is dead, David can practice with peace of mind, and no one is bothering him.

"How could I be killed so easily, do you believe what they say?"

David smiled slightly and gently stroked Xiaomin's hair.

"Of course I don't believe it, and neither does my sister. She also told me to take a good look at Hushan Cave and said that you will definitely come back."

Xiaomin hurriedly shook his head.

"Then you are so late, where are you taking someone?"

David asked.

"I went to my sister. She went to the Holy Beast Palace and hasn't come back yet. I'm a little worried about her."

When Xiaomin talked about Ji Ruxue, her face was full of worry.

“Go to the Holy Beast Palace?” David frowned slightly, and then said: “Take someone back, I will go to the Holy Beast Palace to see if your sister is there!”

“Then I’ll go with you!”

Xiaomin said.

“No, if your sister comes back soon and you can’t see you, you will definitely be anxious. You will wait for your sister at home. I will go to the Holy Beast Palace to see...”

After David finished speaking, he turned and walked towards the Holy Beast Palace.

In the Holy Beast Palace at this time, Xiao Da sat in the seat of the Palace Master with satisfaction!

Now the strength of the Holy Beast Palace has been greatly reduced. If there are hundreds of cohesive pills from the Zhou family, it will be able to enhance the strength of the Holy Beast Palace.

As for Ji Ruxue, Xiao Da has no time to take care of it. Anyway, now that David is dead, it is meaningless to form an alliance with the Red Lotus Palace.

When the strength of the Holy Beast Palace became stronger, Xiao Da planned to go directly to annex the Red Lotus Palace.

Just when Xiao Da was thinking about something beautiful, a disciple of the Holy Beast Palace suddenly ran in.

“There is someone outside the palace lord asking to see you...”

The disciple of the Holy Beast Palace said.

“At night, who sees me?”

Xiao Da asked suspiciously.

“He said his name was David...”

said the disciple.

Hearing David’s words, Xiao Da’s body instantly fell from his seat, his eyes widened in fright: “What did you say? Can you see clearly?”

“He said his name was David, I...I haven’t seen it before!”

The disciple said helplessly, he had never seen David, and even if he saw it clearly, he didn’t know if it was true.

Xiao Da’s body was trembling slightly, and his heart was pounding.

Obviously, the Martial Arts Alliance issued an announcement that David had been killed by Zhu Zhishan, so why did he suddenly appear here?

## Chapter 1346

“Impossible, it must be fake, it’s fake...”

Xiao Da said, got up and walked out, but he did not dare to show up directly!

He had to see clearly whether it was David first, and if it was David, he would have to think of countermeasures.

When he came to the door, Xiao Da secretly looked outside the palace gate, while David was standing at the door, frowning slightly.

“This Xiao Da, knowing that he is here, why is there so much ink?”

David saw the announcement for a long time, and he did not let himself in, and his heart suddenly became furious.

A ray of consciousness spread out, and David found Xiao Da who was peeking.

This discovery made David's head full of confusion. He didn't understand that Xiao Da knew that he was here. Why did he secretly observe himself and not let himself in?

Did this kid do something bad?

And after Xiao Da confirmed that the door was David, his legs were weak and his forehead was full of cold sweat.

"Palace Master..."

Seeing Xiao Da like that, a disciple shouted softly.

"Go and invite Mr. Chen in, don't let him know that I already know he's here!"

Xiao Da explained to the disciple.

The disciple nodded and left, while Xiao Da quickly returned to the hall, then took a few deep breaths.

Feeling that the time was almost up, Xiao Da got up and walked out quickly, and at this time David also happened to enter the hall.

"Mr. Chen, I was going to meet you, but I didn't expect you to come in..."

Xiao Da followed David very politely and said, "Please take a seat."

Xiao Da poured tea for David himself, knowing that he had seen David's strength with his own eyes.

David looked at Xiao Da coldly, without blinking his eyes, he saw Xiao Da's heart was shivering, and the cold sweat on his forehead flowed out.

"Mr. Chen, is there something wrong with your sudden visit at night?"

Xiao Da asked David in a panic.

“Palace Master Xiao, did Miss Ji come to you today?”

David asked Xiao Da.

“Yes, I have something to discuss with Palace Master Ji, but before it got dark, Palace Master Ji had already left, what’s the matter? Didn’t she go back?”

Xiao Da pretended to be surprised and asked.

David nodded: “She really didn’t go back. I don’t know if you have any important things to discuss with Miss Ji?”

“Oh, it’s nothing, it’s the Tuesday of the Zhou family in Wancheng... Zhou Tiancheng came to me and wanted me to introduce him to Palace Master Ji, but I refused.”

“I’m afraid that the Zhou family will make trouble for me, so I invite Palace Master Ji to discuss it together. If the Zhou family is looking for trouble, how to deal with it!”

Xiao Da tried his best to calm himself down, and then followed David to explain.

“The Zhou family?” David frowned, he didn’t know what the Zhou family in Wancheng was.

However, in this area of the southwest, there are so many sect families, it is normal for David to not know.

“This Zhou family is considered the largest wealthy family in Wancheng. In the past, the Zhou family and our Holy Beast Palace did not violate the well water, but now the strength of the Holy Beast Palace has been greatly reduced, so...”

Xiao Da did not continue, but David also understood.

If your strength is not enough, you will naturally be bullied by others.

The martial arts world is so realistic, speak with strength!

“Could it be that Miss Ji was taken away by the Zhou family?”

David looked at Xiao Da and asked.

“This...I don’t know.”

Xiao Da shook his head.

David stared at Xiao Da for a while, seeing that Xiao Da was extremely nervous!

However, David quickly retracted his gaze and said to Xiao Da, “Palace Master Xiao, if you know the whereabouts of Miss Ji, please let me know.”

“Don’t worry, Mr. Chen. If I find out, I will definitely inform Mr. Chen.”

Xiao Da nodded.

## Chapter 1347

David left from the Holy Beast Palace, while Xiao Da was restless, finally gritted his teeth, got up and left the Holy Beast Palace, heading towards Wancheng at the foot of the mountain.

He is going to find Zhou Tiancheng. Since David is not dead, then this matter will be a big deal.

Their Holy Beast Palace is not able to deal with David now, he wants to see what Zhou Tiancheng will do.

Just as Xiao Da left the Holy Beast Palace and headed towards Wancheng, a figure came out of the darkness, and this figure was David.

In fact, David did not leave, but was waiting for Xiao Da.

Seeing Xiao Da's hurrying back, David's eyes narrowed slightly: "It was as good as I expected..."

David followed with a brisk step, but Xiao Da didn't notice it!

...

Wancheng Zhou Family!

Don't mention how excited Zhou Tiancheng is, Ji Ruxue was lying on the bed at this time, her whole body was covered with magic, and she couldn't move at all.

After taking a bath, Zhou Tiancheng said to his servants, "I'm going to rest, no one is allowed to disturb me, don't fcuking spoil me!"

The servant nodded again and again: "I see, Second Master!"

Zhou Tiancheng walked into the room and looked at Ji Ruxue lying on the bed, his eyes twinkling.

When Ji Ruxue saw Zhou Tiancheng come in, she scolded loudly, "Beast, you have to die, let me go..."

The more Ji Ruxue scolded like this, the more excited Zhou Tiancheng became, and the corner of his mouth raised, "Palace Ji, just scold you, it's useless if you break your throat now."

With that said, Zhou Tiancheng threw his head towards Ji Ruxue.

And Ji Ruxue's two lines of clear tears slowly flowed out, and the picture of her and David kept flashing in her mind!

But just as Zhou Tiancheng was about to start, someone knocked on the door.

Zhou Tiancheng was instantly furious.

"Who the fuck is that? Didn't I tell you not to disturb me? Do you want to die?"

Zhou Tiancheng cursed angrily.

"Second Master, Palace Master Xiao of the Holy Beast Palace is here, saying that there is an urgent matter..."

The servant outside the door said with a trembling voice.

Zhou Tiancheng frowned: "Damn, it's so late, what is this guy doing?"

"Second Master, Palace Master Xiao didn't say anything, but it looks like he's in a hurry!"

The next man replied.

"Okay, I got it!"

Zhou Tiancheng said impatiently.

Then he looked at Ji Ruxue lying on the bed with a reluctant expression:

"Palace Master Ji, wait for me, I'll be right back!"

Zhou Tiancheng walked out of the room, then came to the hall, and saw Xiao Da sitting in the hall, so he said with an ugly face: "Palace Master Xiao, you came here at night to disturb my rest, what's the matter?"

Zhou Tiancheng was very angry about Xiao Da disturbing him.

"Master Tuesday, then...that David is not dead, he is not dead..."

Xiao Da said to Zhou Tiancheng in a panic.

"If you don't die, you won't die. What's my business? You came here at night to tell me this? Are you sick?"

Zhou Tiancheng glared at Xiao Da and said.

"Master Tuesday, that David has a good relationship with the Red Lotus Palace. I'm afraid... I'm afraid..."

"Are you afraid that David will come to trouble me, right?" Before Xiao Da finished speaking, Zhou Tiancheng answered directly.

"Yes, yes, I was afraid that David knew that Ji Ruxue was with you, and he came to trouble you..."

Xiao Da nodded quickly.

"Humph!" Zhou Tiancheng snorted coldly: "Then David came to Zhou's house to ask for trouble, and I won't let him go. What's so great, do you really think my Zhou family can come casually?"

"Go back quickly, don't delay my business here, it's really a disappointment..."

Zhou Tiancheng was dissatisfied and wanted to drive Xiao Da away, but he hurriedly turned around to go back to the room.

Seeing this, Xiao Da could only sigh helplessly, but just when Xiao Da turned around and was about to leave, he suddenly froze.

## Chapter 1348

"Chen... David..."

Xiao Da didn't know when, David was already behind him.

And when Zhou Tiancheng heard the words of David, he hurriedly turned around and found that David was standing at the entrance of the hall, his face as cold as ice.

"Xiao Da, you are really talented..."

David's eyes were slightly condensed, and he looked at Xiao Da coldly, every word contained endless killing intent.

Xiao Da looked at David like that, trembling all over in fright, and backed away again and again.

"Chen...Mr. Chen, listen to my explanation..."

Xiao Da trembled and wanted to explain to David.

"Why don't you explain, is Miss Ji here? Leave her to me..."

David said coldly.

Xiao Da stepped back again and again, and finally looked at Zhou Tiancheng.

Xiao Da could not be the master again, so he could only let Zhou Tiancheng be the master.

"Boy, are you the David who was hunted down by the Kyoto Martial Arts Alliance?" Zhou Tiancheng looked at David, then continued: "Then Ji Ruxue is on my bed, now she is my person, you I want to take it away, but there is no way..."

When David heard that Ji Ruxue was succeeded by Zhou Tiancheng, his aura instantly soared, and the temperature in the entire hall suddenly dropped a lot.

Endless terrifying killing intent began to spread wantonly.

"If you really move Miss Ji, I will let your entire Zhou family be buried with you..."

David gritted his teeth, and his deep eyes were filled with chills!

"Let us be buried with the entire Zhou family? What a joke..."

The corner of Zhou Tiancheng's mouth twitched, and then two men in strong suits rushed out from the back hall.

After Zhou Tiancheng saw these two people, his momentum skyrocketed.

"Zhou Feng, Zhou Yu, you two follow me to kill this ignorant kid..."

Zhou Tiancheng said to the two people who rushed over.

"Yes!" The two nodded.

The three of them stepped forward to face David, their breath soaring.

David faced the three people in front of him with disdain in his eyes. Even with such strength, he dared to challenge himself.

Seeing the disdain in David's eyes, Zhou Tiancheng felt that he had been humiliated and rushed towards David.

"Princess Boxing..."

Long Tiancheng slammed a punch in an instant, and the endless energy was like a cannonball, bombarding David.

"Ice Palm..."

At this time, Zhou Feng also shot, and a thick layer of frost condensed on the palm of his hand, and the cold air was pressing, and the cold air also shrouded David!

At the same time as Zhou Feng shot, Zhou Yu also raised it with one foot, and a ray of light appeared on the tip of his toe, like a sword, tearing the air under his feet.

The three cooperated tacitly and attacked David from different directions at the same time, and they arrived in front of David almost at the same time.

Seeing this, Xiao Da's expression changed involuntarily.

Seeing the attacks of these three people, he knew that the strength of the Zhou family should not be underestimated!

But at this time, David looked at the three with a sneer, as if he was not ready to dodge and fight back.

Just when Xiao Da wondered why David didn't fight back, he saw the golden light on David's body suddenly!

The undamaged golden body was activated, and layers of golden scales covered David's body.

At this moment, David was like a golden-armored warrior, fearlessly watching the attack of the three Zhou family.

bang bang bang ...

With three sounds from a distance, the three people's accurate bombardment hit David, and the huge fluctuation of energy turned all the objects in the hall into powder.

But David didn't react in the slightest under the attack of these three people, his expression was normal, and he didn't suffer any damage!

"This...how is this possible?"

Long Tiancheng looked at David, his eyes full of horror.

And that Zhou Feng, Zhou Yu also looked at each other, the fear in their eyes is self-evident!

## Chapter 1349

It is a pity that the attack of the three of Zhou Tiancheng was blocked by the barrier in front of David. Apart from the loud bang, they did not cause any damage to David and Ji Ruxue!

This time, the three of them stared wide-eyed, a little overwhelmed.

"Since you are so fond of playing magic, then I will use weapons. Isn't it bullying you, and I will also use magic to meet you..."

After David finished speaking, he suddenly probed into the air, chanting words in his mouth, and a white light spread from David's hand toward the surroundings!

Soon, where the white light shone, the gravel and rubble on the ground began to roll violently, and then slowly gathered together.

In the end, these bricks and rubble turned into a khaki giant sword in front of David!

Ningshi is a sword, and the sword energy is like a rainbow, and the surrounding sword energy enveloped the entire Zhou family!

"Cut me down..."

David's thoughts moved, and then the giant sword of more than ten meters in front of him issued a sword cry, as if he had come to life, and roared towards the three of them in Zhou Tiancheng.

The monstrous sword energy swept out, with an unmatched potential.

When the three of Zhou Tiancheng saw this, they hurriedly activated the magic technique, and walls of earth rose up in front of them, trying to block David's attack.

bang bang bang...

Accompanied by loud noises, the earth wall condensed by the three people could not stop the attack of David's giant sword at all. Under David's vertical and horizontal sword energy, it collapsed instantly!

The sword edge is unabated, as if to cut off the world!

The faces of the three of Zhou Tiancheng have become extremely ugly, cold sweat drips from their foreheads, and magic tricks are continuously issued from the three mouths.

But no matter what method they used, they couldn't stop David's giant sword!

"Rewind, rewind..."

Seeing this, Zhou Tiancheng hurriedly greeted the other two and quickly retreated.

They did not expect that David's technique was so powerful, and the condensed giant sword would have such a powerful energy.

boom!

The giant sword slashed through a deep ravine on the ground. Although Zhou Tiancheng and the others quickly retreated, the huge impact force caused the three of them to fall out heavily, and they were embarrassed!

The surrounding dust is filled with dust, and all the bricks and rubble condensed into things scattered back at this moment.

The smoke slowly dissipated, David hugged Ji Ruxue and looked at the three of Zhou Tiancheng coldly.

At this moment, the dust of the three of them, and the blood from the corners of their mouths overflowed, and they looked so embarrassed and embarrassed.

Even Xiao Da, who was not far away, was affected, and his body became dirty.

"I'm not interested in playing with you anymore, go to hell..."

After David finished speaking, he stretched out his hand and grabbed it, and the Dragon Slaying Sword instantly appeared in his hand.

The Dragon Slaying Sword appeared, and the hot air wave instantly made everyone gasp.

Without the slightest hesitation, David held Ji Ruxue in one hand and the Dragon Slaying Sword in the other.

The hair on Zhou Tiancheng's body exploded in an instant. The moment the Dragon Slaying Sword appeared, Zhou Tiancheng began to regret it, and regretted provoking David.

But the matter has come to this point, regret is useless, so I can only quickly condense the energy of the whole body and quickly retreat.

Zhou Tiancheng's speed was very fast, but he found that no matter how fast he was, he still couldn't escape the sharp sword aura of David's sword.

Zhou Tiancheng's eyes were splitting, and his eyes were full of horror.

"No, don't kill me..."

Zhou Tiancheng was frightened, and his legs began to tremble!

But David doesn't care about this, since Zhou Tiancheng said that Ji Ruxue had become his woman, this ending was already doomed.

puff!

As the sword qi swept across, Zhou Tiancheng's entire body was cut off by the sword qi.

A smear of bright red blood spilled into the sky, and the whole air was filled with a bloody aura.

## Chapter 1350

this moment.

The whole world was full of dead silence, and everyone was stunned!

Shocked, too shocking, the three of them joined forces, and they were all killed by David so easily.

Especially Xiao Da, at this moment his legs are starting to weaken, and he instinctively wants to escape, but his legs are no longer obeying orders.

Zhou Feng and Zhou Yu were even more shocked. Seeing the severed body of Zhou Tiancheng, the second master of the Zhou family, an icy chill emerged from the bottom of their hearts.

The two of them couldn't help but shudder in an instant, and then looked at David in horror.

Ji Ruxue was in David's arms at the moment, and she could really feel the beating of David's heart.

Seeing that Zhou Tiancheng was cut off by David's sword, Ji Ruxue was also full of shock.

After all, the Zhou family is also a wealthy family in Wancheng, but David killed Zhou Tiancheng directly for himself, without fear of offending the Zhou family.

At this moment, Ji Ruxue's heart was very warm, and she leaned even more in David's arms.

"I said that if I dare to touch Miss Ji, I will pay with the lives of all of you Zhou family members. Now it's your two..."

David looked at the two coldly.

Feeling David's icy gaze, the hearts of the two were extremely heavy, and their bodies were shaking.

The two of them were afraid. After David cut off Zhou Tiancheng's body with one sword, they were afraid. It seemed that David was not afraid of their Zhou family's fame at all.

At this moment, the faces of the two people are getting more and more ugly, and their hearts are full of remorse. If they did not stand up, they would not have fallen to such a point.

"Chen...Mr. Chen, it is Zhou Tiancheng who touches Palace Master Ji. Although he is the second master of my Zhou family, he is messing around everywhere. Now that the master is away, we can't control him. Now Zhou Tiancheng is dead. I also hope that Mr. Chen can spare the Zhou family..."

At this time, Zhou Feng began to beg David for mercy.

Zhou Tiancheng is dead, but there is still more to die for. If it wasn't for his sake, how could the Zhou family be in such a catastrophe!

"Yes, yes, it was all done by Zhou Tiancheng, and it has nothing to do with us. Now that he is dead, I hope you can let us go..."

Zhou Yu also hurriedly followed David to beg for mercy.

Xiao Da listened to the words of the two with disbelief.

However, it was also reflected from the side that the Zhou family did not seem to like Zhou Tiancheng very much.

"As I said, if you dare to touch Miss Ji, then let everyone in your Zhou family pay with their lives."

"You two commit suicide now, and you can still avoid the pain of flesh and blood..."

David's indifferent voice had no trace of emotion.

Zhou Tiancheng dared to defile Ji Ruxue, David could not let the Zhou family go.

"you..."

Zhou Feng and Zhou Yu immediately blushed!

They all begged David so lowly, and Zhou Tiancheng was also killed, must the Zhou family be exterminated?

David held the sword in one hand and looked at the two coldly: "Are you ready to die?"

"David, don't think we are really afraid of you, just don't want to lose both sides. If that's the case, then don't blame us for trying so hard..."

Zhou Feng roared, his face was hideous, full of madness, and then he took out a red medicine bottle from his body, opened the bottle cap directly, and poured the medicine inside into his mouth.

Seeing the medicine bottle in Zhou Feng's hand, David frowned slightly, because the moment he opened the bottle cap, he smelled a manic smell, and it also had the smell of corpse.

How could a normal martial arts family refine this medicine?

Could it be that the Zhou family has also become an evil cultivator?

Just as David was thinking, Zhou Feng's body instantly swelled a lot, and his clothes shattered, revealing two-horned dragon-like arms, his chest bulging high, and the aura on his body began to wreak havoc!
