Chapter 1391

And David's current strength is unfathomable. If Long Xiao really does not underestimate David, it will be dangerous.

"Of course I understand this, the land of trials, life and death depend on fate..."

Mr. Shi said coldly.

Seeing that Mr. Shi had said so, Long Jingguo could only nod his head and said, "Since Mr. Shi said so, then David can participate, but if there is any accident, I hope Mr. Shi will not blame the Long family..."

"Don't worry!" After Mr. Shi finished speaking, he threw the documents back: "The application has passed..."

Mr. Shi waved his hand, and Long Jingguo withdrew from the Dharma Protector Pavilion!

Long Jingguo's face was very ugly after he left the commander of the Dharma Protector Pavilion. He had to go back and plan this trial again. He couldn't have any accidents because of David's participation!

.....

South China Sea, Penglai Island...

After two days of sailing, Zhu Zhishan arrived on this fascinating island!

There are only tens of thousands of people on Penglai Island, but everyone here is a master of high strength, and there are no ordinary people. The weakest heard that they have reached the level of a grandmaster!

Penglai Island is located in the far sea, surrounded by vast oceans, so the spiritual energy here is obviously much more abundant than other places!

Slowly, some cultivators all gathered on this Penglai Island.

Later, according to word of mouth, Penglai Island became a fairy island!

However, only those who really know understand that this Penglai Island is not as beautiful as people imagined, and the people here are not immortals flying into the sky, and most of them still live the lives of ordinary people!

The entire Penglai Island is controlled by a guy named Duda. He is the emperor of this Penglai Island, and everything depends on him alone.

But this Duda had a relationship with Zhu Zhishan. After Zhu Zhishan discovered David's identity as a cultivator, he immediately thought of this Duda.

Because Zhu Zhishan knows that in this society with depleted spiritual energy, immortal cultivators have long been unable to adapt to the development of the times, and many immortal cultivators are very weak.

However, David's strength has grown by leaps and bounds in just a few months. There must be some reason for this, and Zhu Zhishan wants to use this to make Duda shoot David!

"who are you?"

Outside a palace, two guards stopped Zhu Zhishan!

At this moment, Zhu Zhishan lost an arm, and after two days of sailing, he was already exhausted and haggard, like a beggar!

"I'm here to find Duda, please let me know..."

Zhu Zhishan said very politely.

A guard looked at Zhu Zhishan up and down, and then said with a cold face: "Bold, you are a beggar, you dare to call our King Du by the name of the taboo?"

"This brother, you misunderstood. I'm not a beggar, I'm a friend of your King Du, and I came here from the inland to find him."

Zhu Zhishan hurriedly explained in a low voice.

The leader of the dignified Martial Arts Alliance is so humble now.

The guard looked at Zhu Zhishan again, and then said coldly, "Come with me..."

Zhu Zhishan followed the guard through a palace, and then came to a stone wall. After pressing the switch, the stone wall opened a door!

Here, the birds are singing and the flowers are fragrant, and the environment is very beautiful!

Looking at the scenery here, Zhu Zhishan couldn't help but admire it for a while. It would be very comfortable to be a local emperor in such a place.

Soon, the guard took Zhu Zhishan to a place filled with immortal energy, and then said: "King Du, an old friend of yours is visiting..."

"It's Brother Zhu, let him in..."

A loud voice came over!

After Zhu Zhishan heard this, he immediately walked in quickly: "Brother Du, you are truly a fairyland on earth..."

"I wish you praised my brother, how can I be as handsome as you, the leader of the martial arts alliance, in Kyoto, which sect family does not flatter you?"

Duda said with a faint smile!

And when Du Da saw the appearance of Zhu Zhishan, his brows suddenly wrinkled: "Brother Zhu, what's wrong with you?"

Chapter 1392

He never thought that Zhu Zhishan would find a cultivator of Nascent Soul Realm to kill him.

Facing someone with the same strength as himself, David did not have the slightest fear, but his heart was full of excitement.

He knew what this cultivator of Nascent Soul represented to him.

If he can kill the other party and take out the Nascent Soul, David's strength may be further improved.

"How do you know that I can kill him? What if my strength is not as good as the opponent's?"

David looked at the information and asked Mr. Shi.

Listening to Mr. Shi's words, it is obvious that David can kill the opponent.

"If you're not the enemy, it proves that you are destined to die, and it also proves that I am wrong..."

After Mr. Shi finished speaking, he walked out slowly.

David held the documents and watched Mr. Shi's back slowly disappear, his eyes twinkling with light, and he couldn't tell what he was thinking.

"David, don't disappoint Mr. Shi, you can do it..."

After Xing Jun finished speaking, he hurriedly chased after Mr. Shi.

After Mr. Shi and the others left, David flipped through the documents and muttered to himself, "Penglai Island, Penglai Island..."

"This Penglai Island must be a place full of spiritual energy. Maybe there are other treasures. When you have time, you must go and see..."

David's eyes were full of fire, and he was even more looking forward to meeting Duda soon.

...

Martial Arts Alliance!

Zhu Zhishan walked in with Duda.

Everyone in the Martial Arts Alliance was surprised when they saw that Zhu Zhishan had lost an arm, but no one dared to ask.

Zhu Zhishan took Duda all the way to the hall. As soon as he entered the hall, he saw a person sitting in his place, which made Zhu Zhishan instantly angry!

Although he failed to kill David, the senior officials of the Martial Arts Alliance may replace him, but he has not been officially notified, so he is still the leader of the Martial Arts Alliance, how could he let others sit in this position.

"You ba5tard, who put you in my place?"

Zhu Zhishan shouted angrily!

At this time, Ning Zhi, who was sitting in the seat, raised his head and saw that it was Zhu Zhishan. He hurriedly got up and said with a smile: "It turns out that the leader of the alliance is back, and the journey is tired, so sit down..."

"Ning Zhi?" Zhu Zhishan looked at Ning Zhi with a puzzled face, not understanding why Ning Zhi appeared in the hall of the Martial Arts Alliance.

And just sitting in his own position, no one stopped him?

"Why are you here? Who let you in?"

Zhu Zhishan questioned Ning Zhi.

"I wish the alliance leader, I am here to assist you, I am the deputy leader of the alliance..."

Ning Zhi said, and took out the jade that represented his identity.

Seeing the jade, Zhu Zhishan didn't say anything, but he was very puzzled.

However, the above made Ning Zhi the deputy leader, which means that he is the leader of the alliance for the time being. Although David was not killed, it seems that the high-level officials do not intend to hold him accountable.

"Ning Zhi, since you are helping me, then do it well, then David destroyed your Ning family. I have already found a master. After killing that David, I will help you rebuild the Ning family..."

Zhu Zhishan patted Ning Zhi on the shoulder and said in the gesture of an elder.

"Thank you allies..."

Ning Zhi smiled slightly, but deep in his eyes, there was disdain.

He looks down on Zhu Zhishan now, not to mention now that Zhu Zhishan has lost an arm, and his strength is not as good as before.

"This should be King Du, right?"

Ning Zhi looked at Du Da and slowly extended his hand!

Du Da looked at Ning Zhi coldly, his brows were slightly wrinkled, his eyes were a little cautious, he seemed to see something.

Chapter 1393

But Du Da didn't say anything, just after a little stunned, he shook hands with Ning Zhi.

"Ning Zhi, do you know if David has returned to the capital?"

Zhu Zhishan asked Ning Zhi about David's whereabouts!

"David is in Kyoto, but I haven't found David's trace in the past few days. I don't know if he is hiding!"

Ning Zhi replied.

"Hmph, even if he hides in the ends of the earth, I can find him..."

Zhu Zhishan looked at his broken arm, and then said with a grim expression.

After speaking, Zhu Zhishan waved his hand: "I'll chat with Brother Du for a while, you go out, I'm calling you for something..."

"Okay..." Ning Zhi nodded and walked out of the hall!

Ning Zhi walked back, Zhu Zhishan sat on the main seat, and said to Du Da: "Brother Du, when you kill David and play in the capital for a few days, I must treat you well..."

Du Da smiled slightly: "Brother Zhu, you think you should have a sense of crisis. Now you, I am afraid you will become an abandoned child."

Zhu Zhishan was slightly taken aback: "Brother Du, what do you mean by this? Could it be that you see something?"

"I didn't see anything, just reminded you!" Du Da shook his head: "I want to rest first, you can send someone to inquire about David's whereabouts..."

Seeing that Du Da did not say anything, Zhu Zhishan could only arrange a room for Du Da first, and then ordered someone to inquire about David.

...

The next morning!

Zhu Zhishan was still asleep, but was awakened by a loud drink!

"Older Zhu Zhishan, I know you are back in the capital, so hurry up and die..."

David stood at the door of the Martial Arts Alliance and shouted loudly.

This loud shout instantly made Zhu Zhishan jump up, and Duda also got up in a hurry!

"This David is so deceiving, he dares to come to the door..."

Zhu Zhishan said through gritted teeth.

"I wish my brother don't be angry, just wait until I go out and kill him..."

Duda said with a relaxed expression.

Soon, Duda walked out quickly, and Zhu Zhishan followed closely behind!

David saw two people walking out of the Martial Arts Alliance. Among them, the one with only one arm left was Zhu Zhishan, and the burly man beside Zhu Zhishan must be Du Da!

A streak of divine consciousness emanated from David and shrouded directly towards Duda.

A cold light flashed in Du Da's eyes: "Hmph, the little trick of carving insects..."

With a cold snort, a golden light flashed in Du Da's eyes, instantly cutting off David's consciousness!

David's eyes narrowed slightly: "It's really a cultivator..."

David looked at Du Da, full of greed and desire, he could not wait to open Du Da immediately and take out his Nascent Soul!

"Are you that David?"

Du Da looked at David in front of him and asked coldly.

"Yes, I am your grandfather David, what are you?"

Although David knew Duda, he pretended not to know and deliberately angered Duda and asked.

Sure enough, Duda was instantly enraged by David's words.

"Okay, you ignorant yellow-mouthed child, today I will take your Longjing and dig your Nascent Soul..."

Duda's body instantly burst into a tyrannical breath.

This breath is obviously more tyrannical than Zhu Zhishan, and it has strong spiritual power fluctuations!

David looked at Duda coldly, but he didn't expect that when Duda came to kill him, he came to the Nascent Soul in his body.

It seems that both of them have a common goal now, that is to take the other's Nascent Soul!

Just when Duda was about to start, he was stopped by Zhu Zhishan.

"Brother Du, don't do it here again, otherwise it will disturb the official."

After Zhu Zhishan stopped Du Da, he then looked at David and said, "David, do you have the courage to fight in the suburbs?"

Chapter 1394

"Why don't you dare, I'm afraid that your grandson is your grandson. I will wait for you in advance, and you will just wait to die..."

David sneered, then jumped up and walked towards the suburbs.

Zhu Zhishan was pale with anger, panting heavily: "Brother Du, you must peel this David for cramps..."

"I wish my brother, don't worry, this kid can't live anymore..."

Du Da's eyes are full of light, and David is now in his eyes, which is a good resource.

Du Da's figure was vertical, and he also walked towards the suburbs in an instant. Seeing this, Zhu Zhishan hurriedly followed.

...

Inside the Protectorate.

Mr. Shi was drinking tea leisurely, while Zao Wou-Ki stood respectfully beside him.

“Mr. Shi, this morning, Mr. Chen went to the door of the Martial Arts Alliance to scold, as if he was going to fight with the Mountain of Wishes...”

Zao Wou-ki reported in a low voice.

Upon hearing this, Mr. Shi smiled lightly: “This guy is quite positive, I hope he won’t be beaten to death...”

Zao Wou-Ki was a little confused. Mr. Shi clearly defended David everywhere, but why did Mr. Shi seem to not want to help David this time?

However, Zhao Wuji didn’t dare to ask. Now, as the pavilion master of the Dharma Protector, he is just running errands and maintaining law and order. There are some things that he can’t participate in at all.

At this moment, Xing Jun walked in, and after seeing Mr. Shi, he nodded and said, “Mr. Shi, you expected it well, this time Zhu Zhishan didn’t notify anyone, and it seemed that he wanted to kill David secretly. But I’ve already notified...”

“Well, you can go with me to have a look, but don’t let this kid David hang up...”

Mr. Shi put down the teacup and slowly got up and said.

“Mr. Shi, if you go in person, will it arouse suspicion? You said that you won’t be in charge of David...”

Xing Jun reminded Mr. Shi.

“Did I say I want to control him? I’m just watching the fun!”

Mr. Shi smiled slightly and then walked out.

At this time in the suburbs, many people from the sect family have gathered together.

The purpose of Mr. Shi is to reduce David's potential enemies. When these people see David's strength, they will not choose to go against David!

And Zhu Zhishan looked at the people gathered in the suburbs, his face was extremely ugly, he didn't want people to know this time, because this was also what Duda meant.

Penglai Island is a small overseas island and is considered a hidden place. Not many people know it, and Duda doesn't want too many people to know the existence of Penglai Island.

"I wish brother, what does this mean?"

Du Da looked at the many people gathered at the scene, frowned, and asked with a very displeased face.

"Brother Du, I don't know either. I didn't tell anyone when you came to Kyoto this time, and I won't inform so many people." Zhu Zhishan explained anxiously: "Could it be David who notified me? Yes? Otherwise, I will give an order to let the people from the Martial Arts Alliance drive these guys away."

"Okay, since this is the case, we can only make a quick decision..."

Du Da waved his hand, and then jumped in front of David.

boom!

Du Da's huge figure directly smashed a big pit on the ground, and the rocks flew in all directions, and the earth trembled!

Seeing that Duda had such a big battle as soon as he appeared, many people couldn't help but be a little surprised!

"Who is this guy? Is he from the Martial Arts Alliance? Look at him?"

"I don't know, but this guy's aura is so strong, and I don't know where the leader of the alliance came from."

"This is King Du. The seniors from the past few decades should all know him. This guy used to be very powerful, but he disappeared after that. I don't know where he went."

"This Duda went to Penglai Island, and I heard that he took up the mountain there as the king, became the emperor of the earth, and lived a very casual life."

"Where is Penglai Island?"

Chapter 1395

.....

Many people began to quote, and Duda, who came from Penglai Island, was gradually known by people.

But at this time, Du Da doesn't care anymore. His main purpose now is to kill David as soon as possible and take away Long Jing and Yuan Ying!

It is uncertain whether it will come to Daxia in the future.

"Boy, it's useless no matter what conspiracy you play, you are dead today..."

Du Da thought that David must have made some conspiracy to inform so many people to come.

"Hmph, old man, do you still use conspiracy to deal with you?" David smiled coldly: "But Penglai Island is really a good place, it can even allow you to practice Nascent Soul Realm, I think there must be some relics on Penglai Island. Otherwise, how could there be such a strong spiritual energy."

Du Da's eyes narrowed slightly: "Boy, you don't need to worry about whether there are any ruins on Penglai Island, but you have practiced Nascent Soul Realm at a young age, and you are still in the inland where spiritual energy is scarce. It seems that you have a lot of hidden secrets. ."

"Although your skills are invincible in the martial arts world, you are a little more tender than me, but seeing that your cultivation is not easy, I will take away your Dragon Crystal and Nascent Soul, and I will not destroy your three souls and seven. Po, so that you can be reincarnated as a human..."

After speaking, Duda's aura suddenly exploded, and the surrounding trees were broken one after another. Even the people who were hundreds of meters apart felt this powerful aura and retreated into the distance.

The strength of Duda's third-rank Marquis instantly appeared, but unlike other warriors, Duda's breath was more pure and had a great deterrent power.

Feeling the breath on Du Da's body, David's face was a little disdainful, but the golden light on his body flickered, and then the undamaged golden body instantly covered the whole body.

"David, Nascent Soul's physical body is no longer important. What's the use of protecting your own body? You should protect your Nascent Soul..."

After Du Da finished speaking, a burst of spiritual power instantly struck David's chest.

David's right foot suddenly burst out, and a burst of spiritual power burst out, and then the two collided violently.

A simple trial and collision instantly caused the earth to tremble, and the world changed color!

David followed Du Da and took three steps back at the same time!

This time, the temptation, the two people are even indistinguishable.

At this time, several cars stopped at a distance of a kilometer.

Long Jingguo got out of the car. He came to observe David and see what level David's strength has reached!

On the other hand, it was Mr. Shi who got out of the other car.

"Mr. Shi..."

After seeing Mr. Shi, Long Jingguo's body trembled slightly, but he still stepped forward to say hello!

Mr. Shi just nodded slightly, and did not speak. Instead, he straightened his body and went directly to the top of the mountain to watch David and Duda's battle.

Long Jingguo looked at Mr. Shi, and his face became very ugly. He didn't understand what the purpose of Mr. Shi was here. Did he come to help David?

If Mr. Shi is here to help David, or even take action when David is in trouble, then their strategy for dealing with David will change. After all, Mr. Shi is so blatantly partial to David, who would dare to touch the history of these people in the martial arts circle of Kyoto? Mister scumbag?

Mr. Shi followed Xing Jun on the other side of the mountain, quietly watching everything in front of him. Although they were separated by thousands of meters, it was as if they were in front of them.

"Captain Xing, tell me, David and this Duda, who will win in the end?"

Mr. Shi asked Xing Jun beside him.

Xing Jun looked at David and Du Da, and then said: "Mr. Shi, the auras of these two people are very pure and similar, but David's aura is very fierce, and it is full of bloody murderous aura..."

"Although this Duda's breath is also very tyrannical, but this tyrannical breath is somewhat calm and restrained, and it can be seen that this Duda is not using his full strength."

"This time it seems that David has encountered an opponent, and I am afraid that his life will be in danger..."

Chapter 1396

After Xing Jun finished his analysis, Mr. Shi smiled with satisfaction: "Your analysis is good, everyone's breath will be related to everyone's character and experience, David's strength has exploded, and he has encountered a lot of things recently, so His aura is fierce and full of murderous aura."

"And that Duda has been cultivating on Penglai Island for many years and has lived a life of indifference to the world, so his breath is much more restrained, and in terms of attainments and experience, this Duda is stronger than David!"

"But the real victory and defeat are not all compared to these, but also the will and determination. The reason why Duda did not use all his strength is because he still has the ability to escape, and he will not really compete with David. Desperately, both lose..."

"But David is breaking the boat. Didn't you find David's determination to exchange his life for his life?"

Xing Jun was silent, quietly watching both sides of the fight!

boom!

Duda shot David.

The pressure of his body rolled toward David, and the terrifying aura covered the sky, turning the day into night in an instant!

Immediately after the spiritual power condensed, it instantly turned into a sharp sword!

“David, I heard that your indestructible golden body is indestructible, then try my sword...”

Du Da held a sword that was transformed into spiritual power. The sword soared to several feet long, and with endless sword energy, he instantly slashed at David!

When this sword goes down, the whole earth seems to be split open, and the sand and the rocks and the trees are flying!

Even Mr. Shi, who is thousands of meters away, can feel the power of this sword energy.

“What a strong sword qi, Mr. Shi, can David stop it?”

Xing Jun asked incredulously.

“I don’t know!” Mr. Shi replied lightly.

Xing Jun was stunned for a moment, and looked at Mr. Shi with some puzzlement. He didn’t understand, how could Mr. Shi not know?

If David can’t stop it, then shouldn’t Mr. Shi make a move?

After all, Mr. Shi is here to protect David.

But Mr. Shi did not intend to take action.

Long Jingguo squinted his eyes slightly at the moment: "This David's undamaged golden body is really powerful, but I don't know if it can stop this sword. If David can't take a single move, then it's not a cause for concern..."

Everyone is watching David, wanting to see if David can stop this sword!

The scales on David's body shone with dazzling golden light. At this time, David not only did not dodge, but directly greeted Du Da's sword energy.

"Holy Light Fist..."

David shouted angrily, and then he punched the sword in Duda's hand fiercely!

boom!

A dazzling white light flashed, and everyone instinctively closed their eyes. Then, they saw that the sword in Duda's hand began to shatter, and finally turned into a little spiritual power and disappeared instantly!

And the scales on David's body also began to fall off and disappear, and finally revealed extremely tight muscles!

"This David's strength seems to be a lot stronger..."

Xing Jun said in surprise.

Mr. Shi smiled slightly, and his face also showed satisfaction.

Long Jingguo frowned, the expression on his face was indescribably ugly, and he didn't know what he was thinking!

And also a little unexpected, there is also Zhu Zhishan. At this moment, Zhu Zhishan, who has only one arm, is watching the scene of David being tortured and killed with hope.

But in this opening, the strength shown by David surprised Zhu Zhishan!

“Brother Du, this... what’s going on?”

In Zhu Zhishan’s view, as soon as Duda makes a move, David will surely die!

Du Da ignored Zhu Zhishan, but narrowed his eyes and looked at David: “Boy, your strength is really good, I have been cultivating for decades, and apart from killing some beasts, I have never fought with people happily. One, today I will fight you hard, and I will also use the techniques that I am about to be unfamiliar with!”

“Unfortunately, unfortunately...”

David looked at Du Da and suddenly sighed a few times.

Chapter 1397

Duda frowned: “What do you regret?”

“It’s a pity that you have practiced for decades and have never fought against anyone. Today is the first time you fight, but you’re going to die...”

David said lightly.

“Hahaha, ignorant child, you should just say wild words. I have seen a lot of people like you who like to say wild words. The more skilled you are, the less capable you are. , it seems that I have high regard for you...”

Duda laughed loudly.

“If you think highly of me, then you’ll know after you’ve played a trick!”

After David finished speaking, he stretched out his right hand, and the Dragon Slaying Sword instantly appeared in David’s hand!

The Dragon Slaying Sword emits a gray light, the light is not dazzling, but it gives people a feeling of fear!

Du Da's eyes lit up instantly after seeing the Dragon Slaying Sword in David's hand!

"Spirit sword?" Du Da breathed rapidly: "I didn't expect you to have a spirit sword in your hand, no wonder you can cultivate to this level at a young age in a place where your spiritual energy is depleted. It seems that you have There are many treasures."

"Your spirit sword has created a sword spirit, such a treasure is a pity in your hands..."

Du Da shook his head involuntarily, and then continued: "Boy, if you are willing to hand over the spirit sword in your hand, and then give me the dragon crystal in your body, I can spare you from dying and don't want your Nascent Soul."

"Really?" David asked.

"Of course, my dignified Yuan Ying cultivator, how could I lie to you as a hairy boy..."

Seeing that David was shaken, Du Da immediately patted his chest and said.

"Brother Du...how can you do this?"

After hearing this, Zhu Zhishan, who was not far away, was a little anxious. He asked Du Da to kill David, but he did not want Du Da to make a deal with David.

"Shut up, I'm not your servant, and I never promised you anything!"

Du Da glared at Zhu Zhishan, making Zhu Zhishan so embarrassed that he didn't dare to speak.

"Boy, as long as you promise me, not only will I not kill you, but I can also take you to Penglai Island and accept you as a disciple. No one will dare to kill you at that time. With your talent, it will definitely become popular in the future!"

Duda continued to promise David!

But who knew David chuckled: "Although you don't want my Yuanying anymore, but I want your Yuanying, you still want to accept me as a disciple? You have been practicing for decades, but you are a great Yuanying cultivator. I have only practiced for less than a year, we are both great cultivators of Nascent Soul, are you worthy of being my master?"

"I think you're an old man with delusional disorder, don't you? If you kneel down and kowtow to my teacher, maybe I can teach you a few tricks to make you practice faster!"

"You're courting death!" Du Da was instantly furious at David's words!

Immediately afterwards, Duda's body began to act as endless power, and the rolling spiritual power came out of the body and began to run around the body!

A handful of condensed white daggers formed around Duda!

All the daggers pointed at David, and they carried endless coercion!

Duda's body suddenly waved forward for a while!

Countless condensed daggers shrouded David like a rain of swords.

David looked at the overwhelming sword rain, and the Dragon Slaying Sword in his hand suddenly waved!

"Nine Shadow Swordsmanship..."

Soon, David's body began to slowly become transparent, as if it had turned into a phantom!

Immediately afterwards, the phantom became clear again, and not far away, another David appeared holding the Dragon Sword.

The sword rain fell fiercely on David, but David didn't react at all, but another David held the Dragon Slaying Sword and swung it fiercely towards Du Da!

Feeling the power of the sword qi, Du Da frowned and quickly retreated, avoiding David's blow!

Chapter 1398

When Mr. Shi saw this scene, his eyes suddenly lit up, and the expression on his face was a bit shocked!

"This David actually got the essence of the Nine Shadows Sword Art. I don't know what adventures this guy has encountered..."

Mr. Shi muttered to himself.

"Mr. Shi, David learned this nine-shadow swordsmanship from Ichiro Watanabe. It seems that those island country guys are really capable..."

Xing Jun thought that Mr. Shi didn't know where David's Nine Shadows Sword Technique came from, so he said.

But who knew that Mr. Shi smiled: "Then Ichiro Watanabe's Nine Shadows swordsmanship is just the end of Qiong's branches, and it doesn't even have one-tenth of the power of the real Nine Shadows swordsmanship."

"It should be a descendant of the Nine Shadows Swordsmanship, who spread this swordsmanship to the island country, but the real essence of the Nine

Shadows Swordsmanship was created by my first swordsman Ouyang Feng, how could it become an island nation? thing!"

Mr. Shi explained to Xing Jun, and Xing Jun realized that the Nine Shadows swordsmanship that Ichiro Watanabe learned was something passed down by Daxia.

"Okay, let's go..."

Mr. Shi slowly walked down the mountain.

"Mr. Shi, aren't you looking at David? In case..."

Xing Jun didn't understand why Mr. Shi left, and what if David was killed?

"There is no case, this kid is stronger than I thought!"

Mr. Shi smiled lightly, and then asked Xing Jun, "What happened to the Watanabe family?"

"The Watanabe family secretly sent several batches of killers, but they were all wiped out on the border. Now they are more honest."

Xing Jun replied.

It turns out that during this period of time, the Watanabe family never bothered David. It was not that the Watanabe family gave up, but that Mr. Shi sent someone to stop him.

"Well, you have to take more precautions to prevent the Watanabe family from jumping over the wall and using dark gold killers."

Mr. Shi reminded Xing Jun.

"I will order it!"

Xing Jun nodded.

Mr. Shi and Xing Jun left, while Du Da looked at David angrily. He didn't expect David to have such a superb swordsmanship!

I saw Duda volleyed a finger, a ray of light instantly pierced the void, and then a lightsaber appeared in Duda's hand!

"God Slash..."

Du Da shouted angrily, and Pi Lian's sword glow instantly swung out of Du Da's hand. The sword glow flashed with dazzling light, reaching a length of tens of meters.

David was not in a hurry, the Dragon Slaying Sword in his hand made a humming sound, and the bloodthirsty breath emanated from the body of the Dragon Slaying Sword.

The power of the dragon was continuously injected into the sword by David.

"Nine Shadow Swordsmanship, the first sword..."

The Dragon Slaying Sword in David's hand slanted upward, and the gust of wind blew out for a while, and the terrifying sword energy burst out of the sky!

bang bang bang ...

A series of explosions sounded, and the sky was dark and the sun and the moon were dark!

Du Da's tens of meters of sword brilliance was smashed by David's sword energy and disappeared into pieces.

Duda only felt that his palm was shaken up, and the lightsaber in his hand was only a few inches left!

Du Da was furious, and the lightsaber in his hand skyrocketed again, and then the sword light swung towards David overwhelmingly.

This time Duda didn't hold back, and all his spiritual power burst out.

David held the Dragon Slaying Sword and directly confronted Du Da. Both of them were fighting for the spiritual power in their bodies. Such a competition would consume a huge amount of spiritual power.

People not far away were stunned when they saw it. They didn't expect David's strength to increase a lot.

In just a short moment, the two of them had passed no less than a hundred moves. The huge consumption of spiritual power made Duda panting and his face became very ugly. He didn't expect to deal with David and make himself so embarrassed. .

Chapter 1399

David was punched by Du Da, and David's punch also hit Du Da hard.

The two of them started to fight for their lives!

But who knows, David punched Duda, but it didn't cause any damage, but a huge anti-shock force instantly emanated from Duda, and David flew out in an instant.

David's body was like a cannonball, and it smashed to the ground, smashing a deep hole into the ground!

"Brother Du, good job, kill him..."

Seeing this, Zhu Zhishan immediately shouted excitedly.

The others also shook their heads one after another, knowing that David was doomed this time.

Long Jingguo narrowed his eyes: "David, David, you are still too tender..."

In the eyes of everyone, David must die today!

The blow just now, the strength of the two people is high!

Duda was unscathed, but David was knocked out, and the outcome was already decided.

"David, I admit that you are a genius, but unfortunately in this world, geniuses never live long..."

Duda stepped forward, looked down at David in the deep pit, and said coldly.

David got up, gritted his teeth and looked at Duda, his figure burst out again, and went straight to Duda.

The golden fist, with the trend of destroying the dry and pulling the rot, instantly enveloped Duda.

This time, Duda even had a smile on his face, never dodging or dodging!

boom!

There was another loud noise. David smashed Duda with the punch, but he was shocked by the huge anti-shock force and vomited blood and fell back with a bang.

Du Da looked at David's miserable condition, and suddenly laughed out loud: "Haha, David, let's see how much strength you have, go ahead..."

Duda's laughter was full of sarcasm, and Zhu Zhishan was also grinning.

When everyone saw this scene, some of them began to disperse. This was a battle without suspense.

“At first, I thought that David would be able to follow Du Wang’s gestures, but I didn’t expect that Du Wang deliberately let that David!”

“Duda was already extremely powerful decades ago, and now he has been in seclusion for decades, so how could David be his opponent?”

“It’s a pity, it’s a pity, if this David could be smoother, he wouldn’t be reduced to this level!”

Everyone was talking, and some people had already left early.

David frowned and looked at Du Da, and took out the Dragon Slaying Sword with one hand.

Facing David’s Dragon Slaying Sword, Duda was not at all nervous at the moment, and still had a mocking smile on his face.

David was silent, and with a light step on his feet, his body instantly rose into the sky, and the Dragon Slaying Sword in his hand also slashed down.

Rolling sword energy, overwhelming the sky, as if the entire void was collapsed.

The sword qi shot into the sky, and the galaxy vibrated...

Du Da faced the billowing sword energy, the smile on his face finally disappeared, but he still did not dodge!

clang!

David’s sword slashed on Duda’s body, making a crisp sound.

But Duda was unscathed, but David, whose body instantly seemed to be slashed by a sharp weapon, a deep bloodstain appeared on his chest, and the whole person flew out instantly.

The scar on David's chest can be seen deep in the bones, and the blood is constantly flowing out, which can be described as shocking!

"Hahaha, I didn't expect you to dare to use a sharp weapon, so you will die faster..."

Duda sneered.

David looked at the wound on his chest and put away the Dragon Slaying Sword, he seemed to understand something.

Every time he attacked, he would be shocked back by Duda. This time the sword injury was obviously caused by the sword he just swung.

The current David is equal to hitting himself, the harder he exerts, the greater the anti-shock force will be.

David didn't expect this Duda to have such a weird technique, so David felt a little tricky!

Chapter 1400

"Haha, David, I think you can still escape today?"

"I'm going to cut off your head today and hang it at the door of the Martial Arts Alliance, and tell the world to let them see what happens when they go against the Martial Arts Alliance..."

Seeing that David was seriously injured, Zhu Zhishan laughed proudly.

David ignored Zhu Zhishan, but stared at Du Da and grinned suddenly.

Du Da was stunned: "You are about to die, yet you are still laughing?"

"Death? Who said I was going to die? You can't even kill me with this little skill. I saw your technique, and naturally I have a way to break your door..."

David said lightly.

"Hmph, David, even if you can see the way of my magic, what can you do? Can you really break my magic?"

Du Da did not believe that David had such ability.

"If you don't believe me, then you can try..."

David said, a golden light suddenly flashed in his eyes, followed by a path of consciousness, attacking Du Da.

Since any force would be countered by Duda's technique, David planned to attack with his divine sense and directly cut off Duda's mental power.

"Hmph, you dare to attack me with your spiritual power. How can you shake me with your little spiritual power!"

Duda didn't care. In terms of magic skills, Duda didn't think anyone could surpass him.

With a high level of skill in magic, that mental power must be strong, that's for sure.

Therefore, Du Da was not afraid of David's mental attack at all, and he even wanted to directly turn David into dementia!

David's consciousness enveloped Duda, and then flashed into Duda's mind!

Just as David's consciousness entered, a golden light flashed in Du Da's mind, instantly cutting off David's consciousness.

Du Da smiled coldly on his face, "This mental power is too weak..."

But before Duda's words were finished, a smile suddenly froze on his face.

Because he felt that the overwhelming mental power was constantly rushing towards his mind, like a tsunami, rushing!

This powerful and surging mental power made Duda's mind instantly sluggish. He was desperately resisting, but his mental power seemed insignificant in front of this vast ocean.

David looked at Duda who was sluggish, and a sneer appeared on the corner of his mouth. If Duda didn't despise him from the beginning, it would have been a little hard for him to invade Duda's brain later.

David seized the opportunity, jumped up in front of Du Da in an instant, and smashed it with a punch.

But at this time, Du Da was sluggish, and the whole person seemed to have not seen David!

That is to say, in the breath, David's punch has reached Duda.

Seeing that David still dared to attack, while Duda remained motionless, Zhu Zhishan sneered.

"Hmph, David, even if you try to suckle, you will never hurt Brother Du in the slightest!"

Zhu Zhishan didn't know at this time that Duda didn't dodge, but fell into a brief sluggishness.

boom!

David's golden fist came to Du Da's eyes. At this moment, Du Da turned his eyes and woke up. When he felt the power of David's punch, Du Da broke out in a cold sweat!

He instinctively wanted to hide, but it was too late. David smashed Duda's chest with a ruthless punch. This punch directly punched a bloody hole in Duda's chest!

Duda's body flew out and fell heavily to the ground, with a look of pain on his face!

Zhu Zhishan was dumbfounded and looked at Du Da in disbelief. He thought that this punch, like just now, would knock David out, but it was Du Da who didn't want to fly out.

And the blood hole in Duda's chest looked very terrifying!
