

A Man Like None Other

Novel

Chapter 2406

David followed Ge Yuhan back to the Leimen Secret Realm. After knowing the function of the Nine Thousand Miles of Mountains and Rivers Map, David was very excited!

Now he doesn't have to worry about finding teleportation entrances to other secret realms, nor does he have to abide by the teleportation rules of the eight great secret realms!

Otherwise, after David and the others teleported from the Fire Gate Secret Realm to this Thunder Gate Secret Realm, they would have to wait for three days before they could teleport again!

Whether the three days are long or short, I don't know what will happen!

"Let's go, find the location of Zixiao Mansion as soon as possible..."

David put away the map of mountains and rivers of 90,000 miles, and led a few girls to continue looking for the location of Zixiao Mansion!

But not long after he left, David detected someone's breath with his divine sense!

Because he didn't know who it was, David could only hide with Ji Ruxue and the others!

Soon, two figures slowly appeared in front of David and the others!

"Sister Qiu Ju, I'm not leaving. I want to go back and save my dad. If I leave like this, my dad will definitely be in danger."

Han Qing'er struggled desperately, but Qiu Ju held onto Han Qing'er tightly and kept on Move forward!

"Miss, we finally escaped. If you are running back, it will be even more troublesome for the Palace Master. If Lu Buwei uses you to threaten the Palace Master, what will the Palace Master do?"

Qiu Ju persuaded Han Qing'er!

"Then I can't just leave like this. If I'm not around then, Lu Buwei will definitely take his anger out on my parents. At worst, I'll marry you, Lu Chang, as long as they let my parents go."

Han Qing'er Still unwilling to leave.

"Miss, don't be stupid. Even if you marry Luchang, they won't let the mansion master and his wife go. The Crescent Moon Fort has been hidden for so many years. Now that they have attacked our Zixiao Mansion, they will never let it go." I will stop."

Qiu Ju said while pulling Han Qing'er forward!

"Why, why did it become like this?"

Han Qing'er cried, she didn't understand that the whole secret realm had changed so suddenly!

At this moment, David stood up!

Seeing someone, Qiu Ju's expression changed drastically, and she hurriedly stood in front of Han Qing'er.

However, when she saw that it was David, Han Qing'er was stunned for a moment, and then rushed towards David with excitement on her face!

Han Qing'er threw herself into David's arms and burst into tears!

"David, you...how did you come here? Did you hear about what happened to our family and came here to save me?"

Han Qing'er asked in David's arms.

Seeing this scene, Ji Ruxue and the others at the side looked at each other and smiled!

They knew that they were going to have another sister!

"What's going on, please explain clearly..."

David comforted Han Qing'er softly.

Han Qing'er wiped away her tears, and then told David what happened to Zixiao Mansion!

It turned out that Han Fusheng didn't care about the Canning Moon Castle's continuous encroachment on other small sect families in the Leimen Secret Realm, and didn't think there was anything wrong with it!

But just today, Canyuebao suddenly led people to surround Zixiao Mansion, intending to annex Zixiao Mansion and let Han Qing'er marry Lu Chang.

After Han Fusheng saw the faces of Lu Buwei and his son clearly, he took the opportunity to let Qiu Ju escape with Han Qing'er, while Han Fusheng faced Lu Buwei and his son alone!

After David heard this, he immediately thought of the scene of the Fire Gate Secret Realm, and then asked, "Then why did Wanyue Fort besiege your Zixiao Mansion? Is Lu Buwei the purple-robed messenger?"

“What purple-robed messenger?” Han Qing’er looked blankly at David, she doesn’t know what a purple robe messenger is!

David looked at Qiu Ju, who also shook her head, she didn’t know either!

Seeing that the two of them didn’t know each other, David said, “Take me to Zixiao Mansion, hurry up...”

Since Lu Buwei besieged Zixiao Mansion, his mother might be in danger!

Chapter 2407

Zixiao Mansion!

Lu Buwei and his son were sitting in the hall with Han Fusheng and his wife!

Outside, hundreds of disciples of Wanyue Castle surrounded the entire Zixiao Mansion!

At this time, Lu Buwei was wearing a purple robe, and the aura on his body kept rising, which obviously overwhelmed that Han Fusheng.

“Han Fusheng, why isn’t your daughter coming out? As long as your daughter marries my son, we will be a family. When the time comes, you will follow me, and we will wait for the spiritual energy to recover, and then ascend to the world of heaven and earth. How wonderful...”

Lu Buwei Said to Han Fusheng!

Han Fusheng’s face was gloomy and cold, and he said slightly sarcastically, “Lu Buwei, you are also a castle master, how could you be willing to become a dog of the Demon Heart Sect? Why?”

“Hahaha...” Lu Buwei laughed loudly, a little He was not angry because Han Fusheng said he was a dog!

“Let me tell you, I have been a member of the Demon Heart Sect decades ago, because I know that if we don’t join the Demon Heart Sect, we will be trapped in this secret realm and never ascend to the world of heaven and man.”
Possibly.”

“We cultivate all our lives, isn’t it just to become gods and immortals? But if the aura doesn’t recover, and only rely on this small secret realm, when will we become immortals?”

“But it’s different now, the aura is about to recover Now, when the time comes, the whole world will be ours, so what’s the difficulty if we want to become gods and immortals?”

Lu Buwei persuaded Han Fusheng!

Han Fusheng gripped the seat tightly with both hands. Hearing Lu Buwei’s words, he was going to die of anger. It turned out that this guy joined the Demon Heart Sect decades ago, and he even called Lu Buwei his brother!

Han Fusheng gritted his teeth and was about to attack Lu Buwei. Now that Han Qing’er has already fled away, he has no scruples!

But An Lingrong on the side gently pulled Han Fusheng, and then said to Lu Buwei with a smile on his face, “Brother Lu, can you see if this is okay? Tomorrow we will dress up Qing’er beautifully and send it to you in Wanyue Castle.” !”

“As for our Zixiao Mansion’s joining you, I’m trying to persuade Fusheng today. You also know that he is a dead-headed guy. You allow us a day.”

Lu Buwei looked at An Lingrong’s noble posture, his eyes There are streaks of obscenity bursting out of it!

“Since my sister-in-law has spoken, I will give you one day!”

“But don’t try to escape, because this Leimen secret realm is mine.”

"If you are still obsessed with it tomorrow, then I can only open it wide open ."
Killing ring, but sister-in-law don't worry, I won't kill you, you have such a charming figure, I have long wanted to taste it..."

Lu Buwei didn't care about Han Fusheng's presence, and openly teased An Lingrong!

An Lingrong could only laugh along with her, she knew that she couldn't make Lu Buwei angry at this time!

And Han Fusheng's face turned red with anger, wishing he could swallow that Lu Buwei!

Lu Buwei took people away, but Han Fusheng shouted loudly, "What are you begging him for? What's the difference between working hard today and tomorrow? Do you really want to follow Lu Buwei?"

Crack!

An Lingrong slapped Han Fusheng on the face in an instant, and Han Fusheng didn't dare to speak in an instant. This guy is a strict wife, and he was out of breath just now, so he dared to talk like An Lingrong!

"Now Qing'er and the others definitely didn't run far. If they fall out with Lu Buwei now, do you think Qing'er can escape from the secret realm?"

An Lingrong asked Han Fusheng angrily.

Han Fusheng lowered his head and didn't dare to speak. He knew that his wife was delaying time to let Han Qing'er escape from the secret realm!

The hall fell into silence, and the entire Zixiao Mansion fell into a kind of panic!

But at this moment, Han Qing'er and Qiu Ju brought David and the others to Zixiao Mansion...

Chapter 2408

Dad, Mom..."

Seeing that her parents were fine, Han Qing'er rushed forward happily!

When Han Fusheng saw that Han Qing'er had come back, he said angrily, "Qiu Ju took you away, why did you come back?"

"Run quickly..."

An Lingrong also said to Han Qing'er.

"Dad, Mom, I brought David..."

After Han Qing'er finished speaking, David walked in with Ji Ruxue and others!

When Han Fusheng saw David, he was taken aback for a moment, wondering why David came to Leimen Secret Realm?

"David, what are you doing in our Leimen Secret Realm?"

Han Fusheng asked in confusion.

"I'm here to find my mother..."

David said directly!

David's words directly stunned Han Qing'er, Han Qing'er thought that David was here to find her.

Even Han Fusheng was stupefied, he didn't understand how David would go to the Leimen Secret Realm to find his mother!

"Looking for your mother? Who is your mother?"

Han Fusheng asked.

"My mother's name is Long Ruotong, she should be in Zixiao Mansion, right?"

David said.

Boom...

Hearing David's words, Han Fusheng was instantly like a thunderbolt, and stood there dumbfounded. He never thought that Long Ruotong would be David's mother!

Han Qing'er was puzzled and said, "There doesn't seem to be someone named Long Ruotong in Zixiao Mansion, right?"

Han Qing'er didn't know, but An Lingrong did. She knew that Han Fusheng wanted to marry a woman before, and she was from the Long family. Missy, her name is Long Ruotong!

An Lingrong stared at Han Fusheng intently, at this moment Han Fusheng's mind was completely blank!

After a long time, Han Fusheng came back to his senses, and said in disbelief, "I didn't expect that you would be Long Ruotong's son. I really didn't expect..."

"Where is my mother locked up by you?"

David's expression changed. Not very good, he asked Han Fusheng coldly!

David didn't know how his mother was doing in Zixiao Mansion, so he was always hostile to Han Fusheng!

Han Fusheng glanced at his wife, and when he saw his wife's cold eyes, Han Fusheng trembled with fright!

But the matter has come to this point, David has come here, and the Zixiao Mansion is also facing extinction, he has no ability to protect Long Ruotong anymore, so he gritted his teeth and said, "Come with me..."

After finishing speaking, Han Fusheng turned to Long Ruotong. David went out, but at this time David was very excited, because he would see his biological mother soon!

Ever since he knew his mother's identity, David had dreamed of his mother more than once, and imagined the scene when he saw his mother!

But now, he will be able to see his mother soon!

David's body trembled slightly because of his excitement!

Ji Ruxue stepped forward, gently held David's hand, and did not speak, she just wanted to use this to appease David's excited mood!

An Lingrong and Han Qing'er also followed!

Han Fusheng led everyone out of Zixiao Mansion, and then headed towards the southwest!

As the group of people got farther and farther away from Zixiao Mansion, a snow mountain slowly appeared!

Soon, everyone came to a cave, and this cave was obviously dug by hand!

A place was artificially cleared in front of the entrance of the cave, and there was a small hot spring in one place, which was steaming hot!

Han Fusheng stopped, looked at David and said, "Your mother is inside..."

After finishing speaking, Han Fusheng knelt down in front of An Lingrong, "Daughter-in-law, I didn't do anything. Long Ruotong was also sent by the

Long family back then." I came here, and then I settled here, I have never been here before..."

Han Fusheng knelt down to his wife in public, which shows how much this guy is afraid of his wife!

But David was not in the mood to look at these things, but trembling slightly, he walked towards the cave step by step!

Chapter 2409

Standing at the entrance of the cave, David didn't dare to open the door to go in for a long time. He thought about his mother all the time, but when it came time to see his mother, David didn't know how to face it!

Just when David was standing in front of the door and wanted to push it open, the door of the cave was opened from the inside.

A woman in white came out!

David followed the woman and looked at each other!

Although the two had never met before, at this moment, the feeling of blood connection between mother and child rose in the hearts of the two of them in an instant!

"Child?"

Long Ruotong looked at David and called out softly!

"Mom..."

David yelled, tears streaming down his face, and knelt down in front of Long Ruotong with a plop!

Long Ruotong also burst into tears instantly, and hugged David tightly, the mother and son burst into tears!

Seeing this scene, Ji Ruxue and the others also burst into tears!

An Lingrong's expression was also moving. She knew that as a mother, she missed her child!

Looking at Han Fusheng in front of him, An Lingrong kicked him hard.

"It's all a good thing you did..."

In An Lingrong's opinion, if Han Fusheng hadn't locked Long Ruotong in this Leimen secret realm, maybe David would have met his mother long ago!

Han Qing'er also glared at her father angrily, she didn't expect her father to be such a person!

Han Fusheng wanted to explain, but now he couldn't explain it!

After David followed Long Ruotong and cried for a while, Long Ruotong hurriedly called everyone into the cave!

The inside of the cave is as warm as spring, and the decoration is very luxurious. It seems that Long Ruotong is having a good time here!

However, David didn't intend to let Han Fusheng go. After all, his mother had been imprisoned here for such a long time. If it wasn't for Han Fusheng, he would have met his mother a long time ago!

"Mom, you have suffered. I have killed Long Jingguo and his son. I will not let anyone bully you..."

David said, looking at Han Fusheng with cold eyes!

"David, don't get me wrong. I didn't do anything to your mother. The reason why I left your mother here is also for her safety..."

Han Fusheng felt the coldness in David's eyes, and quickly explained road!

"It's killing me, Palace Master Han really didn't do anything to me, and I'm doing pretty well here during this period of time."

Long Ruotong also followed David and said!

After hearing Long Ruotong's words, the coldness in David's eyes gradually disappeared!

"Mom, I'm here to take you out of here, back to Kyoto, back to Kyoto, so that you can enjoy yourself..."

David said.

"Okay, mom will go with you!" Long Ruotong nodded, then looked at Ji Ruxue and the others, and asked David, "Who are these girls ?

"

Know how to introduce Ji Ruxue and the others.

"Auntie, we are David's girlfriends. When you return to the capital, you can enjoy your life with peace of mind, and we will take care of you."

Ji Ruxue stepped forward slowly, and said to Long Ruotong generously!

"All of you?" Long Ruotong was a little shocked!

But soon, Long Ruotong's shock turned into joy, and he said with a smile, "Okay...that's great, with so many girlfriends, do I have many grandchildren now?"

Davidlow I don't know how to answer my mother. If I say that I don't have a grandson, will my mother be disappointed?

At this time, Ji Ruxue hurriedly rescued David and said, "Auntie, David has been thinking about you all this time. He said that if you are not rescued, he will not have s3x with us, so we are still perfect. body..."

Long Ruotong glanced at David and said, "This silly boy, don't you know what is more important? If you can't save me in ten years, don't you want to have children in ten years?"

"Let's go, wait until we get back ." When you arrive in Kyoto, you should hurry up and share the same room, there are so many people, I guess there will be many grandchildren."

Chapter 2410

When Ji Ruxue and the others heard this, their faces blushed, and Long Ruotong couldn't wait to leave here and return to the capital!

Just when David was about to leave with Long Ruotong, Han Fusheng stopped David!

Originally, Han Fusheng thought that David was good and wanted to hand over Han Qing'er to David, but now David has so many women around him.

But if Han Qing'er doesn't follow David, then when Lu Buwei and his son come tomorrow, none of their family will be able to escape!

In the end, Han Fusheng could only say to David, "David, I hope you can take Qinger away with you. If she stays, she will definitely die."

Han Fusheng knew his daughter's temperament, and Han Qinger would definitely not agree to marry her. Lu Chang, when the time comes, Lu Buwei and his son will kill them!

"Dad, I'm not leaving, I want to stay with you..."

Han Qing'er shook her head!

She liked David, but she didn't expect that there would be so many women around David. Han Qing'er couldn't accept it for a while!

After all, she is also the eldest lady of Zixiao Mansion, Han Qing'er is a little bit conflicted when she shares a man with so many women!

But Han Qing'er didn't know which of these women around David was not a daughter before!

"Qing'er, let David take you away, it's meaningless for you to stay..."

An Lingrong also persuaded Han Qing'er!

Han Qing'er cried bitterly, hugging her mother tightly!

"David, what's going on?" Long Ruotong asked upon seeing this.

David told Long Ruotong about the Leimen secret realm, but Long Ruotong frowned slightly!

"David, if you have a way, you can help Palace Master Han?" Long Ruotong said to David!

David didn't intend to save Zixiao Mansion originally, after all, in David's knowledge, his mother was imprisoned by Han Fusheng!

But now, seeing that his mother was living a good life and offered to help Han Fusheng, David nodded!

"David, you better go, take my daughter with you, and treat her well, I am already very grateful."

"That Lu Buwei is stronger than me, and he annexed the entire Leimen Secret Realm, and he has thousands of disciples, even if you stay and help me, my Zixiao Mansion is no match for the Fort of the Moon at all."

Han Fusheng refused to let David stay and help, because he knew David's strength, and David and the others were just these few people. Even if you stay and help, it's still a drop in the bucket!

"Master Han, I naturally have a way to deal with that Lu Buwei. As for the thousands of disciples of the Crescent Moon Castle, I'm trying to figure out a way!"

David had the God King Bow in his hand, so he was naturally not afraid of Lu Buwei. Ping is trying to find another way!

"What else can we do? Lu Buwei and his son are coming tomorrow, and there is no time."

Han Fusheng shook his head resignedly. He no longer has any fighting spirit, and he just hopes that his daughter can live!

"There must be a way." David looked firm, and then said to Ji Ruxue, "Ruxue, Yuhan, you are here to take care of my mother, I will find a way."

Ji Ruxue and the others nodded, and On the other hand, Long Ruotong said, "David, if you have no choice, don't try to be brave, safety first..."

"Mom, don't worry, my son will do it even if he breaks the sky if you say it."

Chen After Ping finished speaking, he walked out directly!

David now has to figure out how to move so many rescuers!

Although David has many people in the secular world, their strength is too low. If he comes to this secret realm to fight, it will be cannon fodder and meaningless!

As for Yue Buqun and Qu Yunchang from the Hidden Realm, although they are not weak, their numbers are too small, even if they come, it is useless!

“Fire Phoenix? I can go to the Monster Beast Secret Realm to find Fire Phoenix, and then lead the army of monster beasts to help.”

David suddenly thought of Huofeng!

Ever since he was injured and fell into a coma last time, and followed Huofeng in his sleep to have sex with Huofeng, David was also worried about Huofeng!

I don't know what Huofeng is doing now in order to save herself.

Chapter 2411

David found the teleportation array and was directly teleported to the Monster Beast Realm!

After feeling that someone was coming, the monsters in the monster secret realm started to move!

The breath of monsters kept approaching David!

But when these monsters approached David, they were all stunned, and then roared loudly, and separated to welcome David!

Accompanied by the long howls of these monsters, huge flying birds soared from the monster mountain range, and then landed in front of David!

The flying bird flapped its wings, meaning let David sit on it!

David jumped onto Asuka's body, and then Asuka soared into the sky, flying directly to the top of the Monster Beast Mountain Range!

Looking at the familiar little house, David jumped off the bird and rushed in!

"Master..."

The figure of Huofeng was still in the small house, completely naked, looking at David with a smile!

Seeing that Huofeng was safe and sound, David breathed a sigh of relief!

"Huofeng, when I was injured and unconscious, did you save me?"

David asked Huofeng.

After all, David was in a coma at the time and didn't know anything, and later it was just a guess!

Huofeng nodded, "At that time, the master was injured. I had no choice but to force out my own soul, and then intercourse with the master, forming the power of dragon and phoenix, and then healed the master."

"I hope the master will not blame me, I can't help it!"

David heard that he was in a coma and followed Huofeng to do that kind of thing, but he couldn't blame Huofeng, after all, Huofeng was also trying to save himself!

"I don't blame you, after all you are here to save me." David said.

Seeing that David didn't blame herself, Huofeng laughed, and then asked, "I don't know if the master came to this monster secret realm, what's the matter?"

David hurriedly explained the purpose of his visit, but after hearing this, Huofeng's expression became a little ugly!

"What's wrong?" David asked, looking at Huofeng's expression.

"Master, Huofeng is willing to go through fire and water for you, but now I have no way to leave this monster mountain range."

Huofeng said.

"Why?" David asked puzzled.

"At that time, in order to save the master, I surrendered my soul and became the imprint of the master's body, so now I am a person with an incomplete soul, and there is no way to leave here!"

Huofeng said.

David frowned slightly after hearing this, "Then what should I do? I will give you your soul, and I have a stronger power now."

"The master can return the soul to me, but... it's just the two of us. This must be done again..."

Huo Feng blushed, she didn't know what to say!

However, David understood in seconds. He knew what Huofeng meant. If he wanted to return his soul, he had to follow Huofeng again!

"I understand..."

After David finished speaking, he threw Huofeng onto the bed without the slightest hesitation!

Anyway, it wasn't the first time for the two of them, David also completely let go, his mother was rescued, so none of the women around him would even try to run away!

In an instant...

the entire small house was enveloped in golden light, a dragon and a phoenix soared into the sky, and then circled above the small house!

Countless monsters in the Monster Beast Mountain Range swarmed from all directions, watching a dragon and a phoenix flying in the sky, and worshiped together!

A joyful Fengming sound came from the room!

A dragon and a phoenix hovered in the air for a long time, until there was no sound in the room, the golden light gradually disappeared, and the dragon and phoenix also slowly dissipated!

In the room, Huofeng snuggled into David's arms with a contented face, just like a docile kitten!

"You wait for my news, and when the time comes, take your monster beasts and rush to the Leimen Secret Realm together."

David said to Huofeng!

"Master, don't worry, everything is up to you..." Huofeng nodded!

David got up and got dressed, and then returned to the secret realm of Leimen!
