

# A Man Like None Other Novel

## Chapter 2427 - 2430

---

### Chapter 2427

Seeing that those monsters couldn't shake the magic circle at all, Jin Yuan started to tremble!

The disciples of Zhanyue Pavilion also had mocking expressions on their faces, and kept shooting at those monsters!

Huofeng looked at the monsters that had been shot, her brows were slightly frowned, and her expression was a little unsightly. If it wasn't for David's words, she would break the formation right now!

"David, look at your so-called younger brothers, what are they? Aren't they sent to our Zhanyue Pavilion disciples to practice?"

Jin Yuan taunted David!

With this magic circle, Jin Yuan is not afraid of David at all!

David looked at Jin Yuan coldly, and ignored him, but the dragon crystal in his body began to burst out with rays of light!

A golden dragon slowly appeared above David's head, and accompanied by bursts of dragon chant, the golden dragon soared into the sky!

Looking at the golden dragon that suddenly appeared in front of them, Jin Yuan and the disciples of Zhanyue Pavilion all became serious!

At this time, they no longer had the stern look just now, and many people even saw this golden dragon, and cold sweat broke out on their foreheads!

With a thought in David's mind, the golden dragon roared and attacked the tower!

And the tide-like monsters are still attacking with magic weapons that cover the sky and the sun!

Many disciples of Zhanyue Pavilion shouted loudly, and they all used various methods to attack the monsters!

The disciples of Zhanyue Pavilion on the high tower desperately pulled their bows and arrows, and shot arrow feathers like raindrops towards the golden dragon!

The arrow feathers shot at Jinlong's body, and they went straight through without causing any harm to Jinlong!

And the golden dragon opened its mouth full of blood, and a dragon's breath spewed out towards a high tower!

Rumbling... There

was a violent explosion, and a white light flickered above the tower, blocking the attack of the dragon's breath!

However, the dragon's breath kept coming out of Jinlong's mouth, and it never stopped!

And after the white light resisted for a while, there was a crisp sound, and then the whole tower began to shake!

Boom...

The white light disappeared, and the tower collapsed!

At the same time as the tower collapsed, a gap finally appeared in Zhanyue Pavilion's formation!

Countless monsters changed direction and launched a violent impact towards this gap!

"Quick, stop it for me..."

Jin Yuan panicked and screamed.

The disciples of the Zhanyue Pavilion desperately ran towards the gap in the formation. At this time, all the red-eyed monsters were rushing desperately, ignoring the attacks of the Zhanyue Pavilion disciples!

Many Zhanyue Pavilion disciples were all knocked into the air, and then died tragically under the trample of these monsters!

At the same time, the giant eagles in the sky were finally able to take revenge, spouting flames from their mouths, burning many Zhanyue Pavilion disciples to death!

With this small gap, all the monsters began to attack here, which made the brilliance of Zhanyue Pavilion's formation continue to flicker, and the entire formation began to crumble!

"Where's my dad? Hasn't he woken

up yet?" Jin Yuan panicked and asked loudly.

But at this moment, the entire Zhanyue Pavilion was in chaos, and no one heard Jin Yuan's questioning!

Seeing this, Jin Yuan had no choice but to climb up a high tower, looking at the scene in front of him with an ugly expression!

Then he commanded the disciples of Zhanyue Pavilion to rush towards the gap in the formation. Now they must fill the gap, otherwise they will be finished for Zhanyue Pavilion!

The gap in the formation began to get bigger and bigger, and all the monsters rushed towards the gap crazily!

At this time, the gap in the formation was already full of corpses, including corpses of monsters and Zhanyue Pavilion disciples!

Soon, the disciples of Zhanyue Pavilion were afraid. These monsters are not afraid of death, they are animals, but the disciples of Zhanyue Pavilion are all human beings. This kind of fighting has already made them fear!

"Run, I can't stand it anymore..."

With the shout of a Zhanyue Pavilion disciple, all the other Zhanyue Pavilion disciples turned their heads and ran away!

## Chapter 2428

As soon as these Zhanyue Pavilion disciples ran away, a large number of monsters rushed into Zhanyue Pavilion's camp, and the gap in the formation was widened again!

"Hold it up, don't run away..."

Jin Yuan roared angrily, no one would listen to him at this moment!

Seeing this, Jin Yuan could only jump down from the tower and run towards his father's room!

Boom...

No one stopped, and finally the formation of the entire Zhanyue Pavilion was destroyed, and more than a dozen high towers also collapsed in an instant!

The house of Zhanyue Pavilion was started to be destroyed by these monsters, and the disciples of Zhanyue Pavilion were chased and killed by monsters!

Looking at the scene in front of them, Ge Cangsheng and Jiang Wuya didn't know what to say!

At this time, in Jin Lifu's room, Jin Yuan slapped Jin Lifu desperately!

"Dad, wake up quickly, wake up quickly, you will die if you don't wake up..."

Jin Yuan called Jin Lifu, but Jin Lifu seemed to be unable to hear him!

Seeing this, Jin Yuan gritted his teeth for the last time, took off his pants, and pissed on Jin Lifu's face!

Jin Lifu woke up instantly and scolded angrily, "Who the hell peed on my face?"

Because Jin Lifu was bullied when he was very young, he often made people pee on his face, so he became Jin Lifu's son when he grew up. A knot!

No matter what situation Jin Lifu is in, as long as someone pees on his face, he will react immediately!

Jin Yuan knew about his father's problem, so he had to use this method as a last resort!

"Dad, it's me, we..."

Jin Yuan was about to explain to Jin Lifu, but Jin Lifu slapped him hard on the face!

"You fu\*\*ing dare to pee in my face?" Jin Lifu glared at Jin Yuan, "I think you're going to rebel, don't you?"

Jin Yuan covered his face, and said with grievances all over his face, "Dad, we are going to finish Zhanyue Pavilion, you should go out and have a look..."

When Jin Lifu heard this, he felt bad, and hurried out of the room. Seeing countless monsters wreaking havoc in Zhanyue Pavilion, many Zhanyue Pavilion disciples died tragically!

"This...what the hell is going on here?"

Jin Lifu was confused, he just fell asleep, how did he become like this?

"Father, it's David, those monsters that David recruited broke through our formation and started massacring them."

Jin Yuan followed Jin Lifu and explained.

"David?" Jin Lifu was taken aback, his brows slightly frowned!

But at this moment, a bull demon rushed towards Jin Lifu. The bull demon exuded a powerful aura, and its two nostrils were still spraying fire!

Seeing this, Jin Lifu casually slapped the bull monster to death!

"Dare to destroy my Zhanyue Pavilion, and when I see him in the future, I must kill him."

Jin Lifu roared angrily!

"Don't wait, I'm here now..."

David followed Ge Cangsheng and Jiang Wuya and walked slowly!

When Jin Lifu saw David and the others, anger burst out in his eyes!

“David, I don’t know what method you used to attract monsters to use for you, but no matter what method you use, you will die today...”

Jin Yuan felt confident in his heart in front of his father, full of confidence. With a ferocious face, he shouted, and a long sword appeared in his hand in an instant. The long sword wrapped in sword energy, made a whistling sound, and went straight to David!

David looked at Jin Yuan who was attacking him, with disdain in his eyes.

“Just because you dare to fight against me? If it’s your father, maybe it can make me interested.”

After David finished speaking, the Dragon Slaying Sword appeared in his hand instantly, and then he stepped forward, followed by a crisp sound!

The dragon-slaying sword directly cut the long sword in Jin Yuan’s hand in half. Jin Yuan was stunned when he saw this. He didn’t expect that there was such a disparity in strength between him and David.

Immediately afterwards, David’s Dragon Slaying Sword rested on Jin Yuan’s shoulder!

## Chapter 2429

The icy cold breath instantly chilled Jin Yuan’s neck, and the whole person was scared to death!

Now David only needs to move his arm lightly, and Jin Yuan’s head will move!

"Chen...David, don't mess around, don't mess around, if you kill me, my dad won't let you go."

Jin Yuan was trembling all over, threatening David!

Seeing that his son fell into David's hands, Jin Lifu also became very nervous, and shouted at David, "David, let my son go, or you will die ugly..."

"How dare you threaten me?"

David sneered, and then he swung the Dragon Slaying Sword towards Jin Yuan!

This time, Jin Yuan was terrified, and hurriedly yelled, "Don't kill me, don't kill me, I promise you anything..."

Jin Yuan urinated, urinating in fright!

Seeing Jin Yuan like that, David smiled, and didn't make a move, but said to Jin Yuan, "Call me grandpa, and I'll let you go..."

"Don't call..."

Jin Lifu hurriedly said to Jin Yuan Jin Yuan roared!

If Jin Yuan followed David and called him Grandpa, wouldn't he become David's son!

Facing this request from David, Jin Yuan looked embarrassed and didn't know what to do!

"If you don't shout, then go to hell..."

After David finished speaking, the dragon-slaying sword in his hand got closer to Jin Yuan's neck, and Jin Yuan could feel his neck go cold, and blood flowed out!

"Grandpa, grandpa, don't kill me, don't kill me..."

Jin Yuan faltered, and shouted at David, grandpa, which almost made Jin Lifu die of anger!

"Hahaha, good grandson..."

David laughed.

But Ge Cangsheng and Jiang Wuya looked at Jin Lifu playfully, which made Jin Lifu feel ashamed even more!

"I...I have already shouted, can you let me go?"

Jin Yuan looked at David pleadingly.

"Of course..."

David smiled slightly, and then slowly raised the Dragon Slaying Sword in his hand!

But when Jin Yuan breathed a sigh of relief, the Dragon Slaying Sword in David's hand suddenly slapped Jin Yuan on the shoulder!

Jin Yuan's body hit the ground heavily, followed by a mouthful of blood, and the breath in his body was instantly shaken away!

"You..."

Jin Yuan looked at David angrily!

"I won't kill you, because it's still useful to keep you!"

David sneered, he kept Jin Yuan because he wanted to absorb the strength in Jin Yuan's body into himself!

After David knew the strength gap between himself and that Da Neng, he started to have an incomparable desire for strength again!

"Dad, kill him, kill him..."

Seeing that David had tricked himself, Jin Yuan roared angrily!

But at this moment, Jin Lifu's face is extremely pale!

In his opinion, death is not terrible, what is terrible is being so fooled by others, it is too shameful!

"David, maybe there are some things you already know. I won't kill you before the spiritual recovery array is activated, but I will make your life

worse than death." On the body!

"You are just a dog of the Demon Heart Sect. I have already killed a dog like you."

David raised his mouth slightly!

"What? You killed a purple-robed emissary? It's impossible?" Jin Lifu couldn't believe it!

He didn't believe that with David's strength, he could kill the purple-robed envoy!

"Believe it or not, you'll know right away, it's impossible!"

David sneered!

"Then let me see, what ability do you have to kill a purple-robed envoy."

After Jin Lifu finished speaking, a shocking aura began to permeate from his body!

Sensing the aura permeating Jin Lifu's body, David's eyes were full of disdain, "To kill you, I don't need to use all my strength..."

Jin Lifu's strength is still a bit behind that of Lu Buwei!

## Chapter 2430

"You brazen thing, today I will let you know how powerful I am..."

Jin Lifu yelled, his body flew out suddenly, and then he grabbed the void, a long whip appeared in his hand, and then he slammed Draw towards David!

When David saw Jin Lifu attacking him, he didn't panic at all, he just stepped on the ground and dodged gently to one side!

The long whip in Jin Lifu's hand was like a poisonous snake, sticking to David's body and lashing fiercely on the ground, pulling the ground out of a deep pit in an instant, and the smoke and dust billowed out!

When Jin Lifu saw that the move was missed, he immediately swung the long whip in his hand again, and countless shadows of the whip enveloped David in an instant.

This time, David was surrounded by whip shadows, and there was no room to hide.

Seeing this, David activated the power of the dragon, and the power of the dragon in his body surged out, turning into a barrier, blocking the countless whip shadows!

The two streams of breath erupted and collided continuously. The Whip Shadow slapped the barrier fiercely, the barrier burst instantly, and then directly hit David's body!

David didn't activate the indestructible golden body, and Jin Lifu only left a mark on David's chest with this whip!

Seeing the direct hand, Jin Lifu instantly became proud!

"You are like an ant in front of me, and you still want to compete with me. You really have the guts of a bear."

Jin Lifu looked at David mockingly and said!

David sneered, he didn't feel the slightest fear because he was hit by Jin Lifu.

"It's not rude to come and go, since that's the case, then I'll let you taste my power..."

After David finished speaking, he swung the Dragon Slaying Sword in his hand instantly, and a piece of sword glow followed the trend, and the whole earth was constantly shaking. trembling!

Countless sword glows directly enveloped Jin Lifu, and the power of these sword glows was obviously much stronger than that of Jin Lifu's whip shadow!

"this....."

Jin Lifu was taken aback, his brows furrowed tightly!

Looking at the countless sword lights around him, Jin Lifu suddenly pulled out the long whip in his hand, and the shadows of the whip followed those sword lights to fight!

But after Jin Lifu's whip shadow touched the sword light, it dissipated instantly!

Jin Lifu could only desperately wave the long whip in his hand, not daring to stop in the slightest!

On the contrary, it was David who looked at Jin Lifu with a sneer, and then threw the Dragon Slaying Sword in his hand!

The Dragon Slaying Sword radiated sword glows, attacking Jin Lifu!

The sword spirit in the dragon-slaying sword has already opened up its spiritual wisdom. Although it has not yet formed, it already has the ability to attack independently!

Seeing this scene, Jin Lifu frowned even tighter!

After David let go of the Dragon Slaying Sword, he slowly floated into the air, and directly took out the God King Bow!

The power of Dao pattern in David's body exploded, and he slowly pulled the bowstring!

The moment the bowstring was drawn, auras from all directions frantically rushed towards the bow of the god king, forming a golden arrow feather in an instant!

"What is this?"

Feeling the terrifying aura of the God King Bow, Jin Lifu's expression changed drastically, and he could only wave the long whip in his hand so that it was airtight!

Whoosh...

David let out a loud shout, let go of the bowstring with his index finger, and shot that golden arrow feather out!

The golden arrow feathers were like a shooting star, rushing towards Jin Lifu!

Where the golden arrow feathers passed, the wind howled and the void distorted!

In the blink of an eye, the golden arrow feathers arrived in front of Jin Lifu!

Jin Lifu could only swing the long whip in his hand to the extreme to block this golden arrow feather!

boom.....

The sound of collision sounded, and the arrow feather was so powerful that it instantly defeated Jin Lifu's defense.

"What?" Jin Lifu turned pale with shock, he didn't expect David's bow and arrow to have such power!
