

A Man Like None Other

Novel

Chapter 2520

"We were captured by people from Daqing Village, but these people from Daqing Village wanted to hunt high-level monsters, so they used us as bait and drove us into the depths of this mountain range!

" Force led us out of control, and in order to get rid of the people in Daqing Village, we had no choice but to run all the way deep into the mountains."

"The people in Daqing Village are chasing after us, and we have to avoid Daqing Village along the way." The people in the village still have to fight with the demon wolves. Now Ali and the others must be very dangerous. The front is the territory of the demon wolf group. If you encounter a pack of wolves, then no one will survive!"

"Hurry up, save Ali They, leave me alone, I know I can't survive!"

Shuan Zi urged David and the others to save Ali and the others!

David glanced at Shuanzi, knowing that Shuanzi could not survive in this environment, but he still comforted him, "Hold on here, we will rescue Ali and the others, and we will take you back to the village for treatment... "

After David finished speaking, he got up and was about to chase forward with the pillar, but he was held back by the bolt!

"I know my own situation, I don't want to wait quietly to die like this, please give me a good time?"

Shuanzi looked at David with a begging look!

It's better to have a good time than to bleed dry like this and die in pain!

Looking at Shuanzi's begging gaze, David couldn't bear it in his heart, but now he can't do anything other than make Shuanzi suffer less pain!

Finally, David slowly put his hand on the top of Shuan Zi's head, and then a spiritual force passed through the top of Shuan Zi's head!

There was a smile on the corner of Shuanzi's mouth, and he slowly closed his eyes!

"Brother Shuanzi..."

Zhuzi cried loudly!

And David's eyes became moist, even though he and Shuan Zi didn't know each other, and they didn't have any feelings for each other!

But these days in Dashi Village, David also regards himself as a member of Dashi Village, and the villagers of Dashi Village are his relatives!

"Zhuzi, don't cry, let's go..."

David knew that this was not the time to be sad, so he quickly went deep into the mountains with Zhuzi!

At the same time, more than a dozen men with full breath and well-equipped weapons dared not step into the jungle in front of them!

These people are all from Daqing Village, and the lowest strength of these people is also the Nascent Soul monk, and there are many transformation monks among them. It seems that their strength is indeed much stronger than the people in Dashi Village!

"Brother, the front is the territory of the demon wolf group, should we chase after it?"

A man walked up to the head of the strong man and asked in a low voice.

"fu** you, we've entered the territory of the demon wolf clan. We alone are not enough for demon wolves."

"These guys from Dashi Village ran in. It's estimated that even the whole body is gone now. Let's go back!"

" After the man finished speaking, he turned around and took people to prepare to return!"

But as soon as he turned around, he ran into David and Zhuzi who hurried over! When Zhuzi saw these people, he trembled

in fright, and said with a pale face, "Brother David, he...they are from Daqing Village, it's Brother Ali and the others who were arrested by these people!"

With a strong killing intent, his eyes narrowed and he asked, "Are you from Daqing Village?" The

leading man looked at David and found that he didn't know him at all, but he did know the pillar next to him, so he nodded and said, "Yes, we are People from Daqing Village, are you from Dashi Village? Just the two of you dare to come?"

At this time, those people in Daqing Village regarded David and Zhuzi as prey, and there was a cold light in their eyes!

Feeling this kind of gaze, Zhu Zi could not stop trembling all over. After all, he was afraid of being bullied by the people of Daqing Village, so his body trembled like a conditioned reflex!
