

A Man Like None Other Novel

Chapter 2544

Chapter 2544

Zhuji was saved, and he ran behind David!

At this time, Wu Feiyu, Ning Can and others who had been watching were all stunned, and looked at David with puzzled faces!

They didn't understand, David took San Gong Pills, how could he still explode with such incredible strength now?

Ali, Yun'er, and Hu Zhuang all showed their weapons and guarded the pillar with vigilance!

Everyone exuded an aura, and the villagers who were hunted down by the bloodthirsty beasts all ran towards David and the others, hoping to get protection from David and the others!

"Wu Feiyu, isn't your Sangong Pill expired again? Why isn't it effective at all?"

Ning Zhi looked at Wu Feiyu and asked!

Wu Feiyu was also full of astonishment at this time, he didn't understand how David and the others could still exude aura and strength after taking Sangong pills!

At this moment, the bloodthirsty beast whose tentacles had been cut off roared, and the ground began to tremble violently!

Feeling this violent tremor, everyone was terrified, and some people were so frightened that they fell to the ground. Now these people's strength has all dissipated, and they are just like ordinary people!

Ali and Zhuzi also had tense faces, and their bodies were trembling slightly. They all knew that this bloodthirsty beast was angry and was about to rush out from the ground!

"Ali, stand back and protect Yun'er and Zhuzi..."

Seeing this, David hurriedly shouted!

With David's current strength, he still has no way to deal with the bloodthirsty beast. He can't protect Ali and the others, let alone the other villagers!

Ali and Hu Zhuang quickly retreated with Yun'er and Zhuzi, creating a certain distance, but the other villagers wanted to follow and escape, but the trembling ground made it difficult for them to move!

Accompanied by a rumbling sound, a huge phantom rushed out from the ground. After the phantom leaned on it, everyone screamed out in fright, even Wu Feiyu and Ning Can's faces were extremely pale!

This bloodthirsty beast is more than ten meters tall, its whole body is covered with scales, and on the upper part of its body, there are more than a dozen tentacles waving constantly!

However, this bloodthirsty beast doesn't seem to have a head, and its eyes and mouth cannot be seen. These tentacles seem to be the eyes and mouth of the bloodthirsty beast!

It uses these tentacles to sense the enemy's position, and uses the tentacles to suck blood to nourish itself!

"The appearance of this bloodthirsty beast is so terrifying..."

Seeing the terrifying appearance of the bloodthirsty beast, Zhu Zi trembled and said!

At this time, more than ten tentacles of the bloodthirsty beast shot toward David like sharp swords. The ten tentacles interweaved into a big net, which seemed to envelop David!

Seeing this, David kept moving his body backward to avoid the attack of the bloodthirsty beast!

The bloodthirsty beast's tentacles didn't grab David, but grabbed the villagers who had already collapsed on the ground, and then these tentacles began to suck the blood of these villagers!

Screams came out from the mouths of these villagers, but David didn't dare to show any mercy, he couldn't save himself, there was no way to save these people!

But in this way, these villagers bought David some time to escape!

"Run, run quickly..."

David shouted loudly at Ali and the others!

Facing such a powerful bloodthirsty beast, David knew that he had no chance of winning at all. If he continued to fight, he would sooner or later become the food of that bloodthirsty beast.

When Ali and the others heard this, they ran desperately towards the depths of the scorched earth, and David also ran desperately, without even looking back!

"It's broken, these guys ran in, wouldn't the Agrimonium become theirs!"

Wu Feiyu thought of something, and his face suddenly turned ugly!

“Brother, let’s stop them quickly, we can’t let them pick the Agrimony!”

Zhang Biao said anxiously!

Chapter 2545

Wu Feiyu and Zhang Biao jumped up instantly and chased after David and the others. Now that the bloodthirsty beasts had food, they couldn’t spare time to deal with other people!

Seeing this, Ning Can led others to chase after him. He and Wu Feiyu are now considered partners. If the two of them don’t work together, they may become the prey of bloodthirsty beasts!

David, who was running desperately, felt several breaths approaching behind him, so he looked back and found that it was Wu Feiyu and the others chasing him!

David knew that these people must be afraid that he would pick the Agrimony, so they chased him regardless of the danger!

David is confident to get rid of Wu Feiyu and others, but Ali and Zhuzi can’t do it, their speed will be caught up sooner or later!

“Ali, run quickly, don’t turn your head back, and don’t stop...”

David followed Ali, slowed down, and finally stopped. He wanted to stay behind to block Wu Feiyu and others. People, buy time for Ali and Yun’er!

Seeing that David didn’t run away, but stopped voluntarily, both Wu Feiyu and Zhang Biao felt very strange!

“Why don’t you run away?”

Zhang Biao looked at David and asked curiously.

“Facing bloodthirsty beasts, I ran away, but facing you, why did I run?”

“With your strength, I don’t even count as ants in my eyes!”

David raised the corner of his mouth and said contemptuously .

If David could recover to his peak strength, people like Zhang Biao and Wu Feiyu wouldn’t even be considered ants, and David wouldn’t even look at them!

Even if David didn’t recover, if the sword spirit Zhongli recovered, people like Zhang Biao would be nothing but ants in David’s eyes!

Hearing what David said, Zhang Biao and Wu Feiyu were slightly taken aback. They never thought that David would dare to say such a thing!

One must know that David is just a mountain villager, how could he look down on them?

“Hahaha, Wu Feiyu, where did you find this wonderful flower? This kind of mountain and wild people look down on your Jade Cauldron Sect, it seems that your Jade Cauldron Sect is really lonely!”

Ning Can also arrive at this time, Hearing David’s words, he suddenly burst out laughing!

Hearing Ning Can’s ridicule, Wu Feiyu, and Zhang Biao were about to die of rage. Originally, their Jade Cauldron Sect had some festivals with the Ning family, but now that David humiliated them in front of Ning Can, how could they not angry?

“Boy, I’m going to make your life worse than death today...”

After Zhang Biao finished speaking, he suddenly moved forward and grabbed David's head.

Seeing Zhang Biao's attack, David felt a lot more relaxed. Although Zhang Biao's strength was good, it was not so easy to defeat David!

As long as Wu Feiyu doesn't make a move, David is confident to kill this sign!

The moment Zhang Biao made a move, David swung the long knife holding the pillar, and a dazzling blade light went towards Zhang Biao!

"Junior brother, retreat quickly..."

Wu Feiyu discovered the strength of David's sword at the moment of David's attack. Zhang Biao is unarmed, so he must suffer!

Despite Wu Feiyu's reminder, Zhang Biao was still a little slow to react. When he stepped back and retracted his hand, the knife glow had already passed along his arm.

A bloodstain appeared on Zhang Biao's arm. The blood-soaked through his clothes and flowed out. Seeing that he was injured by David, Zhang Biao couldn't believe it!

Wu Feiyu took some powder from his body and sprinkled it on Zhang Biao's wound, and the blood soon stopped!

"Boy, you have to die today..."

Zhang Biao gritted his teeth, his chest heaving with anger!

Chapter 2546

You must know that from the beginning to the end, Zhang Biao regarded David as an inferior mountain villager, and never looked at him directly, but

now he was injured by David, and there were people watching from the sidelines. Zhang Biao couldn't bear it!

Zhang Biao wanted to attack David, but was stopped by Wu Feiyu!

"Boy, can you tell me why you still retain your strength after taking my elixir?"

Wu Feiyu saw that David's situation was not simple, so he asked David!

"Are you talking about the Sangong Pill?" David sneered, "It's just that kind of pill, it doesn't work for me..."

This is not David's bragging. If David recovers his strength now, then the Sangong The pills really have no effect on David!

Hearing David's words, Wu Feiyu frowned slightly, "You are also a pharmacist?"

"I only know a little bit, but even with this little bit, I'm a hundred times better than you..."

David sneered!

This time, Wu Feiyu couldn't bear it anymore, David humiliated himself in front of Ning Can again and again, which really made him lose face!

"Then let me see how you are a hundred times stronger than me..."

After Wu Feiyu finished speaking, a silver light flew out from his hand. This silver light was like a shooting star, and its speed was extremely fast!

At this time, not far away, Lang Feng followed a girl and was watching the fight of several people!

Seeing Wu Feiyu attacking David, Lang Feng's expression tightened, and he was about to rescue him!

After all, in his opinion, David's strength was not as good as that of Wu Feiyu's!

But who knew that Lang Feng was about to make a move, but was stopped by a girl beside him.

"Don't move, this guy's strength will never be like this, his strength seems to be suppressed, or his injury has not recovered..." The

girl's eyes were fixed on David, and she could see every move of David!

Facing Wu Feiyu's attack, David's body flashed quickly, dodging Wu Feiyu's attack this time, and then his body quickly retreated!

David stopped just to delay time, now that Ali and the others had already run away, there was no need for David to fight!

Besides, in a fight, David was not sure that he would be able to defeat Wu Feiyu!

Wu Feiyu saw that David wanted to escape, so he jumped up and wanted to stop David!

But at the moment Wu Feiyu jumped, a tentacle directly entangled Wu Feiyu's body, causing Wu Feiyu to fall from mid-air!

After the bloodthirsty beast had sucked the blood of those villagers, it had rushed over, and then launched an attack!

Wu Feiyu turned pale with fright, a light flashed in his hand, and then he cut off the tentacles with a knife!

But David took advantage of this effort and had already run away without a trace!

When Wu Feiyu wanted to chase after him again, he was already entangled by the bloodthirsty beast!

“Let’s work together to kill this bloodthirsty beast...”

Wu Feiyu gave up chasing David, but dealt with the bloodthirsty beast with all his strength!

Zhang Biao, Ning Can and others also showed their weapons and attacked the bloodthirsty beast!

Because the bloodthirsty beast had sucked the blood of the villagers who had eaten the Sangong pills, the medicinal power of the Sangong pills also began to take effect in the bloodthirsty beast, which allowed Wu Feiyu and others to fight with the bloodthirsty beast !

If the Bloodthirsty Beast didn’t have Sangong Pills in its body, Wu Feiyu and the others might not be opponents of the Bloodthirsty Beast at all!

David ignored Wu Feiyu and the others who were fighting with the bloodthirsty beast, but ran away without looking back!

Soon, David caught up with Ali and the others. At this time, Ali and the others were resting on a big rock!

They said it was a rest, but they were actually worried about David, so they were waiting for David!

Seeing David chasing after him safely, everyone had smiles on their faces!

“Brother David, are you okay?”

Zhuzi and Yun’er stepped forward together and asked with concern.
