

A Man Like None Other

Novel

Chapter 2107

Xiao Ru heard this, she suddenly said incredulously: "Sister Meier, is that true? Then you are so beautiful, no wonder your clothes are in a mess!"

"I almost didn't freeze . Die, Sister Yuqi almost died of heat, and Sister Meier was the best for you, and almost died..."

"Xiaoru, what are you talking about?" Wu Meier blushed and glared at Xiaoru !

"Hey, what about Brother David?"

At this time, Xiaoru realized that she couldn't see David!

After Xiaoru said this, Sonya and Wu Meier also hurriedly looked around, trying to find out where David was!

At this time, David was closely next to a statue in the middle, staring at the wordless scripture motionlessly!

David is also like a statue, so Sonya and the others did not find David for a while, which is normal!

After a while, the wordless celestial book completely disappeared, and in David's sea of consciousness, there was a book that shone with light!

Shaking his dizzy head, David let out a long breath, and then slumped on the ground!

This kind of high-intensity memory makes David feel more tired than fighting!

"David, are you alright?"

Sonya hurriedly asked after seeing David.

"Yuqi, Xiaoru, Meier? Are you all alright?"

David asked incredulously when he saw Sonya and the three of them returning to normal.

"Well, we're all fine, how are you?"

Sonya asked with concern.

"I'm fine, it's fine..."

David stood up and smiled slightly!

"Since everyone is fine, let's get out of here quickly, it's so weird..."

Xiaoru was a little scared facing the cave!

David nodded and took Sonya and the others out of the cave.

"David, look at the wordless scripture that Mr. Shi gave you, and see if there are any other hints?"

Since the cave is not an exit, nor is it a treasure, there must be an exit in this secret realm, so Sonya asked David to take a look That wordless book! "The Wordless

Book is gone..." David could only tell Sonya and the others about his experience in the cave! When he heard the words appearing on the wordless scripture and David wrote it all down, Xiaoru said excitedly:

"Brother David, what exactly is written on the wordless scripture?" David shook his head: "I do n't know?" Suddenly, Sonya and the others were stunned. Wu Meier asked inexplicably,

"David, didn't you say that you have memorized the scriptures without words? You remember them in your mind, how could you not know what was written? What?" "I really think I remembered it, but I can't remember it, wait until I think about it..."

David said, his consciousness entered the sea of consciousness, looking at the wordless scripture floating in the sea of consciousness, David wants to see the content above! But when his consciousness approached the wordless scripture, he was suddenly repelled by a huge force! "I really can't remember, what exactly is recorded above!"

David said with some frustration! When he saw it at the time, he seemed to remember it, but it seemed like he didn't remember anything! Now David seems to have lost his memory, and he can't remember what was written on the wordless book! "What can we do? Are we going to be stuck here for the rest of our lives?"

Xiaoru said with a sigh.

No one spoke, and David didn't know what to do now!

Gululu...

At this moment, Wu Mei'er's stomach began to growl again!

After this tossing, Wu Meier was hungry again!

"Wait here, let me find something to eat..."

David got up and went to find something to eat!

Although there are no living creatures here, there are many plants, and David also knows where there are wild fruits!

Soon, David found a few trees, which were full of wild fruits, the fruits were only the size of a fist, but they looked very attractive!

David had never seen this kind of tree, and he didn't even know if this wild fruit could be eaten!

So David picked a wild fruit, wiped it casually, and took a bite!

Chapter 2108

Because David is immune to all poisons, so even if the wild fruit is poisonous, he will be fine, but if Wu Meier eats it, it will be troublesome!

But just after David took a bite of the wild fruit, a name instantly appeared in David's mind!

Green Frost Fruit.

Next is the introduction of Qingshuangguo!

David looked at the Green Frost Fruit in his hand in surprise, and felt inexplicable for a while!

Because he never knew this kind of fruit, let alone what it was called!

And look at the introduction, this is a fruit tree that survived thousands of years ago, and survived by absorbing the spiritual energy of heaven and earth!

The fruit that grows is sweet and pleasant, and has the effect of beauty and beauty!

"What's going on?" David frowned slightly.

David, who had never figured it out, just picked some more fruits and went back!

Wu Mei'er saw the watery fruit, she couldn't help but ate it straight away!

When she took the first bite, Wu Meier was shocked by the sweet taste!

"Yuqi, Xiaoru, try it, this fruit is so sweet!"

Wu Meier said.

Sonya and Xiaoru were not hungry, but after hearing Wu Meier's words, they both started eating!

In the end, everyone was surprised by the sweet taste!

"David, what kind of fruit is this? It's so delicious!"

Sonya couldn't help asking.

"This is called Green Frost Fruit. It can only grow in the secret realm, relying on the spiritual energy of heaven and earth to grow, and this Green Frost Fruit has the effect of beauty and beauty!"

David said.

As soon as I heard that it has the effect of beauty and beauty, a few girls ate it even more!

"Brother David, how do you know this? You don't seem to have been in the secret realm before, do you?"

Xiaoru asked curiously.

David smiled awkwardly and said, "I don't know, how do I know what this fruit is called!"

"How could he know, if there is such a delicious fruit in the future, it can still be beautiful, even if he is trapped here, he is not afraid. !"

Wu Meier said excitedly!

Seeing the three girls eating happily, David felt a little relieved. Although they are trapped now, at least there is no danger for the time being, and the environment of this secret realm is also good, unlike the Fire Gate secret realm, which is all desert Gobi Desert!

David sat on the grass and quietly watched Sonya and the others chatting and laughing while eating and chatting!

If there is such a secret realm of one's own, it is actually a kind of fun to let the people around you come to live in the secret realm and live in peace with the world!

David thought, then lay down on the grass, wanting to rest quietly!

But just lying down, David's hand seemed to be stabbed by something, and a sting came, making David have to sit up!

When David saw a drop of blood coming out of his palm, he couldn't help being surprised!

To know that his current body is stronger than steel, what can pierce his skin so easily?

David hurriedly leaned down and searched carefully, wanting to see what was so hard on the grass!

Soon, a grass shaped like a steel needle was discovered by David, and there was a trace of David's blood on it. This grass was mixed in the grass and was difficult to find.

David stepped forward and pulled out the needle-like grass, and placed it in the sun. The grass turned out to be transparent, like it was made of glass!

Goldthorn.

Just when David was watching carefully, the name of this grass suddenly appeared in his mind!

And there is the introduction of this golden thorn.

This kind of grass is extremely hard and is the first choice as a hidden weapon, but because it is very rare, not many people have seen it!

And there is also the legend of the golden thorn grass, that is, a hedgehog fairy in the heavens, shaking his body, some thorns fell from his body, and after falling into the mortal world, it became the golden thorn grass!

David stared blankly at what appeared in his mind, and suddenly he seemed to understand something.
