## Novel

### Chapter 2203

However, the Dragon Slaying Sword in David's hands was unabated and went straight to Lao Liu's chest!

"Hahaha, the little Wusheng wants to kill me too..."

Lao Liu laughed, his body disappeared out of thin air!

David's sword directly stabbed a cloud of black mist, and countless poisonous insects in the black mist covered David's body.

And that Lao Liu didn't know when he had reached the side!

Seeing that David was wrapped in densely packed poisonous insects, Lao Liu laughed again.

"Boy, let you taste this old man's poisonous heart..."

Lao Liu said with a smile!

Liu Rui watched nervously by the side!

But David held the Dragon Slaying Sword and was surrounded by countless poisonous insects, but he didn't panic at all!

I saw a faint blue rising from David's Dragon Slaying Sword. The flame, followed by David's whole body!

The blue flames began to burn, and the poisonous insects wrapped around David's body instantly vanished under the flames!

"Spirit fire?"

Lao Liu frowned when he saw that there was a spirit fire burning on David's body!

"Just this means, it's not enough..."

David waved the Dragon Slaying Sword in his hand again, and a dazzling sword beam went straight to Lao Liu!

But the sword light passed through Lao Liu's body in an instant, and Lao Liu gradually faded into a cloud of black mist again!

And this time, the black mist turned into a beast, raising its head and letting out a roar!

But Lao Liu himself did not know when, and appeared on David's side again!

"Boy, you can't hit me..."

Lao Liu said confidently.

"Your illusion is really good, it can be so realistic!"

At this time, David also discovered that every time he attacked, it was not the body of the old Liu, but the illusion!

However, David couldn't detect at the first time whether the old Liu in front of him was transformed into an illusion!

This caused David to hit the phantom body every time he shot, and he couldn't hurt Lao Liu at all!

"Haha, now that you know it, then just grab it and save me wasting my time!"

Lao Liu laughed, and the black mist on his body continued to rise!

"Hmph, although your illusion skills are good, I'm not a muddy..."

David snorted coldly, the Dragon Slaying Sword in his hand flickered with light, and the sound of dragon chants sounded!

"Roar..." The

beast roared and charged towards David.

On the other hand, David threw the Dragon Slaying Sword in his hand, and the Dragon Slaying Sword turned into a golden dragon, directly fighting with the beasts!

David turned to look at Lao Liu, his fists clenched tightly, and the golden light flickered on his fists!

"Holy Light Fist..."

David smashed Lao Liu with a punch!

When Lao Liu saw this, there was a flash of panic in his eyes. He didn't expect that the Dragon Slaying Sword in David's hand would have consciousness and could fight on his own!

Just when David's punch hit Lao Liu, Lao Liu's body suddenly disappeared again, followed by a cloud of black mist rising, and then Lao Liu's body appeared on one side!

"Boy, I said, you can't hit me, don't waste your effort!"

Lao Liu said to David.

But where would David listen, I saw David grabbed his hands towards the void suddenly, and the spiritual power like shackles gathered around him!

Soon, David blocked the space in front of him. No matter how brilliant Lao Liu's illusion was, he couldn't leave this space.

Lao Liu also seemed to feel the changes in the surrounding space, his face changed slightly, and his figure quickly retreated!

Lao Liu's strength is not strong, he relies on his own magic, but if he is locked in a closed space, then his magic will be useless, and illusion will be useless!

Dang...

There was a sudden loud noise, and I saw Lao Liu's body as if it had hit a transparent glass, and then I only felt dizzy!

"You can't escape, this space has been blocked by me, where can you escape?"

David said coldly.

## Chapter 2204

"Hmph, in front of me, you are also equipped to use magic."

After speaking, Lao Liu took out the token in his hand, and then slammed the token into the ground, chanting words in his mouth!

As the space began to fluctuate, David could feel that his forbidden formation was being violently impacted!

When David saw this, he immediately attacked the old willow, and he couldn't let him break through this taboo formation!

Old Liu's attainment in magic really made David a little impressed!

When Lao Liu saw David attacking, he had no choice but to push his hands suddenly, and the token on the ground suddenly flew up and went straight to David!

Boom.....

David smashed the token with a punch, instantly smashing the token!

Immediately after David came to the old Liu, he stretched out his hand and stuck the old Liu's neck.

"Don't, don't kill me, I can help you find the ruins."

Seeing this, Lao Liu hurriedly followed David to beg for mercy.

The strength David has shown has exceeded his imagination. Whether it is strength or magic, he is not David's opponent!

"Can you help me find the ruins?"

David looked at Lao Liu and asked in disbelief.

"Yes, as long as you don't kill me, I can help you!"

Lao Liu nodded.

"How can I trust you?" David knew that Lao Liu's techniques were indeed brilliant, but after all, this Lao Liu was from the Burning Heaven Sect, so David couldn't believe it!

"You can put a taboo in my body, or let me swallow the poison pill, as long as you don't kill me, I will really listen to you."

Lao Liu desperately followed David to beg for mercy, in the face of life and death, no one was willing to go dead!

"Mr. Chen, you can't believe the words of Fen Tianjiao's evil cultivators..."

Liu Rui said loudly to David.

She was afraid that David believed what Lao Liu said and was finally deceived!

"I'm not an evil cultivator of the Burning Heaven Cult, I was just forced to join them. I was originally a Kunlun Mountain Warlock, but they occupied my territory and forced me to join them!"

"What I said is true, There is no lie, please spare my life!"

Lao Liu followed David to beg for mercy!

David looked at the old willow, then nodded and said, "I can spare you, but you must eat this heart-devouring pill. If you dare to lie to me, then you will be eaten by ten thousand ants and die..."

David With that said, he took out a black pill and handed it to Lao Liu.

"Okay, I'll eat, I definitely didn't lie to you..."

Lao Liu swallowed the Heart Devouring Pill without hesitation!

Seeing this, David also released Lao Liu, and then with a wave of his hand, the space taboo was broken!

"Okay, take us to find the ruins!"

David said to Lao Liu.

Lao Liu nodded, and then took David and the others to continue on their way!

At this moment, outside the ruins hall, Tong Youcai originally planned to bring people into the ruins hall, but he set off the formation mechanism, and the group was trapped in a poisonous miasma. Several disciples of Tianlei School Directly poisoned!

Fortunately, Tong Youcai also brought a few masters of magic this time, and they joined forces to clear the poisonous miasma and crack the formation!

"What's the matter?" Tong Youcai frowned slightly and asked coldly.

Although he knew that the ruins of Narcissus Palace must be very dangerous and the formations were everywhere, he didn't expect to be trapped before entering the ruins.

If there is no way to break the formation mechanism at the beginning, how can we go back?

"Second Young Master, we are already working hard, it will be fine soon..."

An old man wiped the sweat from his forehead and said to Tong Youcai.

"What a waste, it's been over an hour, and it hasn't broken yet!"

Tong Youcai was very dissatisfied!

"Second Young Master, this formation is very strange. It is an ancient formation. We need a certain amount of time to crack it." The

old man said very embarrassedly.
