"Since you're here, don't even think about leaving..."

Chen Ping's eyes flashed with murderous intent, and then he raised his hand, and a huge wave ten meters high rose from the sea. , and then thousands of arrow feathers emerged from the huge waves and sent everyone away towards those flying stars who escaped!

Above these arrow feathers, all condensed Chen Ping's spiritual power, spreading all over the sky, like a violent storm!

Those warriors of the Feixing faction, whether they are Martial Saints or Martial Gods, have no way to resist these arrow feathers, all of them are penetrated by the body in an instant, and the dead can no longer die!

In an instant, the surface of the sea turned blood red. Seeing the people he brought with him, one by one dying in front of his eyes, Qishajun's eyes were full of horror, and he could only burst out all the auras in his body. form a shield.

He no longer has the ability to manage other people, and he has to run away desperately. He wants to leave this terrifying purgatory-like place!

He regretted it, regretted agreeing to the head to chase and kill this Chen Ping!

He never thought that a martial artist from outside the world would have the strength of Emperor Wu, which was beyond his understanding!

In the end, Qisha Jun was seriously injured and escaped, and all the people from the Flying Star Sect he brought died on the sea!

Chen Ping did not chase the Qishajun, but walked on the water, walking towards Wang Defa step by step.

Wang Defa looked at Chen Ping who was approaching, felt Chen Ping's gaze, his face showed extreme horror!

He just watched with his own eyes, Qishajun took the people of the Feixing faction and fled like a lost dog, but Chen Ping waved his hand and killed them above the sea!

To know that the Qishajun is stronger than him, he dared to follow Chen Ping!

At this time, Wang Defa finally understood why the Qishajun didn't do anything, but observed it secretly!

"Chen Ping, don't... don't kill me..."

Wang Defa was frightened and prayed with Chen Ping!

"I don't want to kill you, but you want to kill me, so why do I keep you?" Chen Ping asked coldly.

"I came to hunt you down just to avenge my son. You said that Tong Youcai was killed by the Fentian Sect's great protector. I believe you now. After I go back, I will let the Tianlei Sect hunt down and kill the Fentian Sect. I will never embarrass you!"

Wang Defa said hurriedly.

"Tong Youcai is your son?" Chen Ping asked Wang Defa.

Wang Defa nodded, but did not speak!

A smile appeared on Chen Ping's face, and then he said: "I can spare you not to die, but the death penalty can be avoided, and the living crime cannot escape!"

" !

Wang Defa endured the excruciating pain without saying a word, cold sweat pouring down his forehead!

A broken arm is nothing to Wang Defa, as long as he goes back and starts genetic modification, the broken arm will be restored, and now the main thing is to save his life!

"You can get out, but let me tell you, that Tong Youcai was indeed killed by the great protector of the Burning Heaven Sect, and it has nothing to do with me..."

After Chen Ping finished speaking, he jumped and jumped to a monster beast body, and then gallop away!

Wang Defa endured the severe pain and walked towards the shore!

At this moment, on the mountain range by the sea, Qishajun was covered in wounds, gasping for breath!

Being able to escape, Lord Qisha felt very lucky, so he wanted to return to the Feixing faction as soon as possible and tell Leng Wudao that Chen Ping's strength was no longer what they knew!

But just when Qishajun took a few breaths and was about to continue on his way, he was suddenly stopped by a group of people!

Qishajun looked up, and his face instantly became extremely ugly!

“Yao...Yao Qing?”

Qishajun’s eyes showed a bit of panic!

This Yao Qing is the leader of the Fen Tian Cult, and the Fen Tian Cult has a grudge against the three sects and six factions of the Hidden Realm. Now that someone from the Fen Tian Cult suddenly appeared and blocked his way, Lord Qisha knew that he was in trouble!

“As the killer of the Feixing faction, but being beaten like this by five juniors outside the world, it’s really shameful!”

Yao Qing looked at Qisha with a faint smile. sir!

“How did you know?” Qishajun was very puzzled, how did Yao Qing know.

They all fought at sea, and few people knew about the pursuit of Chen Ping!

“Of course I know, and I also know that you are trying to avenge your young master, but even if you kill Chen Ping, it is impossible for you to avenge your young master.”

Yao Qing said with a sneer.

“Why?” Yao Qing frowned, but he quickly remembered what Chen Ping said.

It was said that Tong Youcai and Leng Yun were killed by the Great Elder of the Burning Heaven Sect. Now that Yao Qing said this, it seems that what Chen Ping said was true!

"It turns out that our eldest young master was really killed by your Burning Heaven Sect..."

Qishajun narrowed his eyes, and there was an indescribable chill in his eyes!

"Yes, that Tong Youcai and Leng Yun were both absorbed by our Great Elder and died, but it's too late for you to know now..."

Yao Qing said, and slapped the Lord Qisha with a palm. Filmed!

Qishajun wanted to dodge, but he couldn't dodge at all, and was shot to death by Yao Qing!

Looking at the corpse of Lord Qisha, Yao Qing smiled coldly: "Throw the corpse into the sea, the Feixing faction will definitely be immortal after following Chen Ping!"

Yao Qing exuded a coldness, then turned and left!

.....

On the Diaoyu Islands, Chen Ping has returned!

"Chen Ping, are you alright?"

Seeing this, Hu Mazi hurriedly stepped forward and asked.

"What's the matter? I took dozens of monsters of the Martial God level and directly beat them to the ground!"

Chen Ping said very proudly.

Thinking of the way he brought those monsters to show off his power just now, Chen Ping felt a burst of relief in his heart! "It's really exciting to hear you say that, or you can pass me the method of controlling monsters, and I'll try it too!"

Hu Mazi was very excited and wanted to try to control monsters!

"Forget it, we're going back too!"

The secret realm conference was about to be held, so Chen Ping had to rush back, but he didn't have time to play with Hu Mazi here!

Seeing what Chen Ping said, Hu Mazi could only put away his curiosity.

After a short farewell, Chen Ping asked Liu Xing and Liu Rui to go back, and they also bid farewell to Qu Yunchang, ready to return to Kyoto!

But just when Chen Ping left the Diaoyu Islands, he suddenly found that there was a slight light flickering on the sea surface!

"Master Hu, what do you see there?"

Chen Ping pointed at not far away.

"What is there?"

Hu Mazi watched for a long time, but found nothing at all!

"Is there a light shining there, can't you see it?" Chen Ping was very surprised, why can't Hu Mazi see the light!

"There's light there?" Hu Mazi was puzzled, and then asked Xiang Long Xingxu, "Xingxu, have you seen any light?"

"No!" Long Xingxu shook his head!

"If you see it, there is no place to shine at all, you are dazzled!"

Hu Mazi said.

But Chen Ping was sure that he didn't see the dazzling eyes at all. Although the light was very weak, Chen Ping could see clearly!

So Chen Ping walked towards the place where the light was emitted, even if they were close at hand, Hu Mazi and the others still did not find the light!

This made Chen Ping feel very strange. Could it be that only he could see the light?

"Master Hu, you two are waiting for me here, I'll go down and have a look..."

Chen Ping planned to go to the sea to see what was glowing.

"I'll go with you, I'll see if there's anything, but I didn't find anything at all!"

Hu Mazi will go down to the sea with Chen Ping to see if there's anything glowing!

Soon, Chen Ping plunged into the water with Hu Mazi!
