

# A Man Like None Other Novel

## Chapter 2281 – 2282

### Chapter 2281

David took a deep breath to calm himself down, and then asked Huofeng, "Did you instruct these monsters to lead me here?"

Huofeng nodded without hesitation, "Yes. , I asked the flaming tiger to lead you here."

"What are you leading me to do?"

David became nervous again!

Not to mention the strength of this phoenix, David can't deal with those few monsters. If you add the phoenix, David has no room for resistance at all!

"Of course I killed you!" After Huofeng finished speaking, he was suddenly dissatisfied with murderous aura, and a phoenix burning with flaming flames appeared behind him!

A terrifying breath enveloped David, which made David a little overwhelmed!

Since this fire phoenix wants to kill himself, why should he lead himself to this place?

Even if these monsters are shot, David has no chance of life at all, so how can he use Huofeng to shoot?

However, knowing that he is not defeated, David will not be captured.

Seeing that the fire phoenix in front of him was about to kill himself, David could only hold the Dragon Slaying Sword tightly.

The golden dragon versus the fire phoenix, the entire Monster Beast Mountain Range is shrouded in a terrifying aura at this moment!

Huofeng looked at the golden dragon behind David, without the slightest fear in his eyes, he actually showed excitement!

Immediately afterwards, Huofeng put away his murderous aura and ran towards David with excitement on his face!

David was full of surprise, staring blankly at Huofeng!

"It turned out to be true, you turned out to be the real son of a dragon, I'm so happy to meet you..."

Huofeng actually ran over regardless of being a daughter and hugged David tightly!

This time, David was a little overwhelmed!

Putting away the breath on his body, David stood blankly, letting Huofeng hug him!

Feel the warmth of the fire phoenix, and the bursts of the girl's body fragrance, David's heart began to throb, the most primitive and impulsive man's instinct is constantly impacting David's brain!

David's breathing became heavy, and he really wanted to hold the fire phoenix in front of him directly into the room. He needed to vent the impulse in his heart!

But David knew that he couldn't do it.

David recited the Qingxin Mantra, and a clear breath flashed across David's mind instantly, making David's impulsive state of mind calm down!

"Girl, you have to be more self-respecting, men and women can't be kissed..."

David pushed Huofeng away and said calmly!

Huofeng glanced at his body, and then his face turned red and said, "I'm really sorry, because I'm too excited..."

After Huofeng finished speaking, he turned to look at the monsters, and waved his hand, "You all go down.!"

After listening to those monsters, they turned their heads and left!

This David was taken aback for a while, he never thought that these monsters could understand human words!

"Let's go to the room to talk!" Huofeng said to David very politely!

David nodded, then walked into the room!

After entering the room, David couldn't help but ask, "Who the hell are you? Even if Phoenix cultivates and transforms into an adult, he should have an identity, right?"

Huofeng did not speak, but poured tea and water for David, and then Then he sat down and said, "My body is indeed a phoenix, but I don't belong here..." " I do

n't belong here?"

One of the fire phoenix of my ancestor, just because he stole a holy fruit, was torn apart by the ancestor and threw it here..."

Huo Feng said with a sad expression.

But when David heard the three words Heaven and Human Realm, his expression became extremely excited. He wanted to know about Heaven and Human Realm, but he didn't want to encounter Huofeng from Heaven and Human Realm here!

In this way, he will be able to know some things about Heaven and Human Realm from Huo Feng's mouth.

## Chapter 2282

"You are from the Heaven and Human Realm, so can you tell me about the Heaven and Human Realm?"

David asked excitedly.

But who knows, Huofeng shook his head and said, "I can't say it, because everything in the heaven and human world is a secret. If I leak it to you, I'm afraid I will be punished by heaven."

Seeing that Huofeng couldn't say anything, David suddenly felt like a leak. Like a puffed ball, the excitement on his face disappeared instantly!

"Then what exactly did you want to bring me here?"

David asked.

"Although I have eaten the holy fruit now, I can transform into a human form, but I only have three hours a day to transform into a human form, and at other times I will still take the form of a phoenix!"

"The ancestor who threw me here said, As long as I can drink a drop of dragon blood, I will be able to mate with a dragon and a phoenix, and I will become a human forever!"

Huofeng explained!

Huo Feng's words made David instantly understand why she was attracting her!

"You want to suck my blood?" David frowned, "But I'm not a dragon either. My golden dragon was just transformed by the power of a dragon, because I have a dragon crystal in my body!"

David followed the fire . Feng explained that he guessed that Huofeng had misunderstood and thought he was a real dragon!

"No, you are the son of the dragon, you are the real dragon, and you..."

Huofeng seemed to want to say something, but before he could finish speaking, suddenly there was a thunderbolt from the sky, Huofeng trembled, and his face changed instantly. Very pale!

"What am I? Go ahead? Do you know my background?"

David has heard many people say that he is the son of a dragon and what kind of golden dragon he is!

So David was very curious at this time, who is his father!

"I don't know anything, I don't know anything..."

Huofeng seemed to be greatly frightened, the whole person waved his hands, and his eyes were full of panic!

When David saw this, he was very strange. Why did these people become so frightened when they talked about their own consciousness?

The blood demon was the same So, when it comes to your own father, immediately shut up!

David saw Huofeng like this, so he stopped asking, bit his finger, and a drop of blood floated in the air!

"If my blood is useful to you, then you can take it!"

David said to Huofeng!

Seeing this, Huofeng showed gratitude, opened his mouth and swallowed the drop of David's blood!

When David's blood entered Huofeng's body, it instantly made Huofeng's body crystal clear!

At this time, the fire phoenix seemed to be immersed in the hot spring, with slightly closed eyes, a look of enjoyment!

But she didn't notice that Feng Yu, who had originally covered her private parts, began to slowly disappear!

At this time, the phoenix has become a real woman!

When David saw Huofeng's snow-white skin, naked and exposed in front of him, his nose bleed instantly!

David hurriedly turned around and tried his best to recite the Heart Clearing Mantra!

But even so, David's heart was still turbulent, and he couldn't calm down for a long time!

He felt that at this moment, the whole person was caught in the gentle village!

David didn't know that a drop of his blood entered Huofeng's body, which was equivalent to two people having s3x with each other!

What he is feeling now is the real feeling!

I don't know how long it took, along with Huofeng humming, he slowly opened his eyes!

When he saw that he was naked, Huofeng blushed and hurried into the room!

When Huofeng came out, he had already put on his clothes!

"I'm sorry, I didn't see anything just now..."

David hurriedly explained when Huofeng came out!

Huo Feng smiled slightly and said softly, "I'm already yours, don't tell me you've seen it, you can do whatever you want to me..."

David was stunned when he heard this, and quickly waved his hand and said, "Miss Huofeng, don't get me wrong, I really didn't do anything, I just glanced at it accidentally, but I turned around immediately!"
