Chapter 2283

David felt that he didn't do anything, so he was cheated on like this, that's not good...

"I just sucked your blood, and I have become your person, and you will be my master from now on, don't you feel that just now? Are you there?"

Huofeng asked David.

"I..."

David said for a while, but he felt very comfortable just now, as if he was in Wenwen Township!

But this is too outrageous, just suck a drop of your own blood and become your own person, and also...

"Miss Huofeng, I really have a hard time accepting it, I have to go back quickly, otherwise I will be worried. I'm here!"

David was going to leave quickly, otherwise he really couldn't explain it!

"Master, if you want to leave, I will not stop you, but before you leave, I will give the master a gift!"

After Huofeng finished speaking, he directly waved his arm.

The entire Monster Beast Mountain Range suddenly began to vibrate, and countless Monster Beasts let out bursts of roars!

Just listening to these roars, I can feel the excitement of these monsters!

It seems that everyone is cheering for the fire phoenix!

And the few monsters that had just forced David here, all arrived at this moment.

In the face of the fire phoenix, those monsters are as docile as domestic dogs!

“From today, this is your master, and at any time, you must obey him...”

Huofeng said to those monsters!

Those monsters glanced at David, and then all responded with low roars, and kept nodding their heads!

“Master, these monsters already have intelligence. Although they can’t speak human words or take human form, their intelligence quotient is not weak!”

“You choose one and use it as your mount, and in times of danger, it can also help you. withstand!”

Huo Feng said to David.

When David saw this, he couldn’t help but get excited. If there was such a mount, it would be deadly majestic!

David looks at There are several monsters in front of me, and I don’t know which one to choose for a while!

Just when David was having a hard time choosing, the flaming tiger who started the beast tide at the beginning let out a low roar, then walked to David’s feet and kept rubbing against David, as if he was volunteering himself!

Seeing this, David directly touched the head of the flaming tiger with his hand, and then said to the phoenix, "Then I will choose this flaming tiger..."

"Good master, if you encounter any difficulties, you can come here at any time. Find me!"

Huofeng said.

"Okay!"

David nodded.

Although David at this time doesn't feel that he needs Huofeng's help, but in the near future, David will attack the eight secret realms, but Huofeng and her Monster Beast Mountains have made great contributions.

David jumped to sit on the flaming tiger!

The flame tiger let out a roar, and then ran down the mountain!

On both sides of the mountain road, countless monsters were lining up to send off David. At this time, David was like a general, reviewing his soldiers!

At this time, Ge Yuhan, who was waiting for David at the foot of the mountain, listened to the roars from the Monster Beast Mountains, and his face became very ugly!

"Ms. Ge, I think Mr. Chen is more fortunate than good. I think we should go back..."

Hou Zhen said to Ge Yuhan!

No one has been able to enter the Monster Beast Mountain Range for such a long time, and no one has been able to go deep into the deepest part of the Monster Beast Mountain Range!

"Still waiting..."

Ge Yuhan was a little sad. For David, her feelings were special, because without David, Ge Yuhan would not be able to recover!

"Miss, Miss, it's not good, it's not good..."

At this moment, a member of the Ge family hurried over!

"What's wrong?" Ge Yuhan asked.

"Flaming Tiger, Flame Tiger is running towards us, and there are still a lot of monsters, I'm afraid it will form a beast tide again."

The Ge family member said with a terrified face!

Chapter 2284

Hearing that the Flaming Tiger had come, along with a large number of monsters, Ge Yuhan's heart sank instantly!

Since the flame tiger is fine, it proves that something has happened to David.

Now the flaming tiger is supposed to take revenge, launching the beast tide again, Ge Yuhan knows that relying on them, he will be drowned under the beast tide in an instant!

"Miss Ge, let's run away. If we don't run away, it will be too late..."

Hou Zhen urged Ge Yuhan!

"Let's go, I want to kill this flaming tiger and avenge Mr. Chen..."

Ge Yuhan planned to let Hou Zhen and others leave, she wanted to avenge David!

When Hou Zhen heard this, he thought Ge Yuhan was crazy.

“Miss Ge, how could you possibly be the opponent of that Flaming Tiger, and there are many other monsters, don’t make unnecessary sacrifices!”

Hou Zhen persuaded Ge Yuhan!

But Ge Yuhan was unmoved, his eyes were full of firm killing intent!

The earth began to tremble, and the roar of the monster was getting closer and closer!

Although the faces of many members of the Ge family were ugly, they did not leave. Instead, they grabbed their weapons and stood behind Ge Yuhan!

Seeing this, Hou Zhen could only grit his teeth and take out his weapon!

Soon, the figure of the flame tiger appeared, and it was getting closer!

Holding a long sword, Ge Yuhan’s breath burst out, looking at the flaming tiger in front of him, he is about to cut out with one sword!

“Miss Ge, wait...”

Hou Zhen hurriedly stopped Ge Yuhan, and then said, “Look, is there a person on the back of that flaming tiger?”

“ one person!

When the flame tiger came to the front, everyone realized that the person above was actually David!

“Mr. Chen...”

Seeing David, Ge Yuhan shouted in surprise!

David saw that Ge Yuhan and the others were still here, so he jumped down and said, "Why are you still here? Did not leave? "

"What about the others?" David found that

Lu Chang and Jin Yuan were gone. Could it be that they were all eaten by monsters?

Hou Zhen quickly explained, "Everyone else was rescued, we are waiting for Mr. Chen here!" "

After Hou Zhen chased David away from the flaming tiger, Ge Cangsheng, Jiang Wuya and the others brought people to the rescue!

When he heard that Ge Yuhan and the others were staying and waiting, and worried about his own safety, David was very heartbroken. It's touching!

"Mr. Chen, this... this flaming tiger..."

Ge Yuhan looked at the flaming tiger and asked at a loss.

"Oh, now this flaming tiger is my mount, I have tamed him. ..."

David gently patted the flame tiger's head and said!

As for the matter of the fire phoenix, David did not intend to say it, or else the major secret realms would be mad and rushed into the mysterious realm of monsters after knowing it. The!

"Tame? Hou Zhen's eyes widened, his face full of disbelief. "Mr. Chen was able to tame this flaming tiger?" "

"I've never heard of it, and there are monsters tamed. It's incredible!" "

Hou Zhen looked at the flaming tiger lying on the ground, with a well-behaved appearance, and was very shocked!

Ge Yuhan was also shocked and said, "Mr. Chen, this... is this true?" Did you really tame this flaming tiger? "

Of course, I don't believe it, you can come over and touch it, even riding a lap is fine, it's very obedient..."

David smiled at Ge Yuhan!

When Ge Yuhan heard this, he couldn't help but step forward, slowly He stretched out his hand, and then lightly stroked the flame tiger's head!

Not only did the flame tiger not get angry, he even stuck out his tongue and licked it on Ge Yuhan's hand, which made Ge Yuhan very excited!

"Okay, let's go back first, or the Ge family will be worried!"

David rode on the flaming tiger and invited Ge Yuhan to the back of the tiger, and then used the teleportation array to return to the secret realm of Fire Gate!
