

A Man Like None Other Novel

Chapter 2315

Seeing this scene, David frowned tightly!

While the others were full of surprise, this Feng Wuhen was cut off, but it still healed. This is obviously an evil art!

"It looks like I'm going to reveal my true strength to deal with you evil cultivator..."

David finished speaking, his body slowly rose, and then he closed his eyes slightly!

At this moment, on top of the ring, Feng Wuhen's body was changing rapidly. Everyone saw that the skin on Feng Wuhen's body was constantly falling off, his body was swelling up, and the whole face began to become distorted, and finally became Like a monster!

From Feng Wuhen's body, a terrifying and dangerous aura is constantly rising!

This aura is getting stronger and stronger, so strong that many people around have started to retreat, and even some girls were almost scared to cry by Feng Wuhen's appearance!

"This Feng Wuhen is completely demonized, we should join hands to eradicate him..."

Seeing this, Ge Cangsheng was afraid that David would not be Feng Wuhen's opponent, so he suggested!

"Yes, this Feng Wuhen is now a complete monster, we must not tolerate it."

Jiang Wuya also echoed!

But only two people shouted to kill Feng Wuhen, and none of the other people in the Eight Great Secret Realms opened their mouths, and the expressions on everyone's faces were very strange and complicated!

Ge Cangsheng looked at the crowd, and said with doubts on his face, "Why don't you speak? As orthodox monks, we should be inseparable from these monsters and monsters. Have you forgotten your ancestral teaching and mission?"

But even if Ge Cangsheng was like this After saying that, no one spoke, so Ge Cangsheng looked at Yu Qian and asked, "Yu Patriarch, do you need to exterminate this Feng Wuhen?"

"No matter what that Feng Wuhen is, he is still on the ring. That's the matter between him and David, and no one can interfere."

"Wait until the outcome is decided, and we'll talk about it after getting out of the ring..."

Yu Qian said expressionlessly!

Hearing Yu Qian's words, Ge Cangsheng was silent. He didn't expect Yu Qian to think this way.Law!

But since Yu Qian has said it, it is useless for Ge Cangsheng to be anxious. He can only hope that David can defeat Feng Wuhen on the ring!

"Roar....."

Above the ring, Feng Wuhen let out a dull low roar, like a beast!

Immediately after that, his body suddenly stood up, and a terrifying aura exploded in an instant, wafting toward the surroundings!

At this time, Feng Wuhen , the height has reached a terrifying several meters, and the people around him are at his feet, like dwarfs!

Scarlet eyes, scattered hair, black mist surrounds his body, and Feng Wuhen at this time is like just now. It's like a devil who escaped from hell!

"The power of this demon is really powerful..."

Feng Wuhen clenched his fists, feeling the power of his body, and his heart was shocked!

At this moment, he no longer cares about his appearance, he I only care about my strength, and I only care if I can kill David!

Feng Wuhen took a step forward, and the entire arena trembled for a while, and even the entire square was like an earthquake!

Looking up at Chen in the air Ping, Feng Wuhen smiled, "Hahaha, I succeeded, I succeeded, I want to see, who would dare to fight with me..."

With Feng Wuhen's wild laughter, the breath began to burst everywhere, and the space trembled. Incessantly, the frantic aura surged out towards the surroundings!

Many people around were blown away by this terrifying aura!

Seeing this, Yu Qian on the high platform waved his palms, a barrier visible to the naked eye instantly shrouded in The terrifying atmosphere was blocked around the arena!

With this barrier, everyone dared to approach the arena, and looking at Feng Wuhen's terrifying appearance, Ge Yuhan, Han Qinger and Hou Zhen were all nervous!

They don't know if David is Feng Wuhen's opponent!

"Don't be nervous, then David will die very quickly, without pain, this Feng Wuhen has been completely demonized, then David is definitely not an opponent!"

Lu Chang said cold words beside Han Qinger!

Chapter 2316

"Shut up for me..."

Han Qing'er gave Lu Chang a fierce look!

"Then what is David doing? Do you think you can avoid the wind without a trace by floating in the air like this?" On the

high platform, someone looked at David puzzled!

David was suspended in mid-air at the moment, his body was motionless, his eyes were slightly closed, and he didn't know what he was thinking!

But everyone didn't realize that the power of the dragon in David's body was constantly rising, then gathered on the clouds above his head, and then nine golden dragons appeared, and these nine golden dragons were surrounding the dragon-patterned clock, constantly swaying his body !

This dragon-patterned clock is an ancient divine weapon. David knew that Feng Wuhen, who had been demonized, had no chance of winning, so he decided to forcefully use this dragon-patterned clock!

But this kind of ancient magic weapon, once used carelessly, will be backlashed, but now at this time, David can't care about those!

Countless dragon powers continue to permeate from David's body, almost without reservation. At this moment, the flickering light of the dragon crystal in David's body is getting weaker and weaker!

A large amount of divine dragon power came out of his body, and David's body was shaking slightly, but even so, David still insisted on gritting his teeth, because he had not yet felt the dragon pattern clock being activated.

"What the hell is this guy doing?"

Yu Qian seemed to feel the change above the clouds, and the breath made him feel a little dangerous!

David is only a cultivator who is distracted by the three realms. How could he exude an aura that makes him feel dangerous?

Yu Qian couldn't understand what David was doing!

Feng Wuhen also had an ominous premonition, looked up at the calm sky, and frowned!

"I will never give you a chance..."

Suddenly, Feng Wuhen shot, the huge body like a rocket, slammed into David!

The sound of breaking the sky roared, the universe trembled, and the void collapsed...

David felt this terrifying aura, and was extremely anxious in his heart, because at this moment, the dragon pattern clock still has no response.

Seeing that Feng Wuhen was approaching, David was already sweating on his forehead!

Suddenly, David seemed to have thought of something. With a thought, the storage ring was opened, and the flaming tiger rushed out instantly!

The sudden appearance of the flaming tiger made Feng Wuhen stunned for a moment. He couldn't think of it at all, how could a monster suddenly appear on the arena?

It was because of his stunned expression that his huge body was instantly thrown to the ground by the flaming tiger!

Feng Wuhen punched the flaming tiger flying, and then stood up, and the flaming tiger also became larger, roared from his mouth, and looked at Feng Wuhen eagerly!

"Flaming Tiger? How could such a monster suddenly appear on this arena?"

"This Flaming Tiger appeared out of thin air. Could it be that there is a secret passage between the monster's secret realm and this secret realm?"

"I've never heard of it!"

When everyone saw the flaming tiger that appeared, they all talked a lot, and even panicked!

If the Monster Beast Secret Realm has a secret passage here, and those Monster Beasts come here through the passage, wouldn't it be troublesome?

But those people on the high platform could see clearly that this flaming tiger was released by David!

"This David, on the stage, released monsters to help, isn't it just a violation of the rules?"

Someone questioned at this time.

But as soon as the words were finished, Ge Cangsheng retorted, "The six remnant souls that Feng Wuhen summoned, why didn't you see you talking, did you say that you violated the rules?"

Ge Cangsheng's words instantly closed the doubters' mouth!

"It's really interesting, this David is getting more and more incomprehensible to me..."

Han Fusheng, who had not spoken for a long time, spoke at this moment, with some appreciation for David in his eyes!

"It's a bit incredible that a little monk who is distracted from the three realms can tame a flaming tiger..."

Yu Qian's eyes were also full of curiosity about David!

Chapter 2317

Feeling everyone's curiosity about David, Ge Cangsheng was a little scared in his heart, and he began to regret bringing David to this secret realm conference!

After all, David's current strength, if he shines at the Secret Realm Conference and is paid attention to by these people, then the future will be sad!

Because Ge Cangsheng knows, don't look at the Eight Great Secret Realms, these people boast all day long that they are orthodox cultivators, subduing demons and eradicating demons!

In fact, all of them are greedy people, they can do anything for the sake of profit and resources!

There are even some things that are more ruthless than some demons...

On the arena at this time, Feng Wuhen has already fought with the flame tiger!

The demonized Feng Wuhen is not afraid of the Flaming Tiger at all, and the Flaming Tiger is desperately blocking Feng Wuhen, not letting him take a step closer to David!

Even though the flame tiger at this time is already full of scars, his mouth is still roaring, his eyes are firm, and there is no sign of retreat!

"You are a beast, why are you trying so hard to protect that David? If that's the case, then I'll kill you first..."

Feng Wuhen was furious, his fist was covered with black mist, and he punched the flame tiger!

The flaming tiger roared angrily and rushed forward!

Boom.....

With a loud noise, the body of the flame tiger flew out, and then smashed heavily under the ring.

The flame tiger desperately wanted to stand up, but he couldn't get up at all!

In the end, he collapsed to the ground weakly, with blood spitting out of his mouth, and only his eyes were rolling, proving that he was not dead yet!

Many people around saw that the flame tiger suffered such a serious injury, and suddenly became greedy. You must know that the beast pill of the flame tiger is a good resource!

Someone started to approach the Flaming Tiger with a weapon, trying to get the Flaming Tiger's beast pill.

"If anyone of you touches this flaming tiger, I will fight you hard..."

Ge Yuhan pulled out his long sword and stood beside the Flaming Tiger!

Hou Zhen also stepped forward, guarding the flaming tiger, ready to take action against those with bad intentions!>

Seeing this, Han Qinger also stepped forward to guard the Flaming Tiger, after all, the Flaming Tiger was helping David!

Seeing this, everyone gave up their greed!

At this time, Feng Wuhen was no longer blocked by the flaming tiger. He raised his head and looked at David coldly, "It's over, everything is over..."

Feng Wuhen finished speaking, his huge fist clenched tightly, and countless black Fog condenses around the fist!

At this moment, David suddenly opened his tightly closed eyes!

"It's time to end..."

David finished speaking, his body began to fall slowly, and finally stood in front of Feng Wuhen!

In front of Feng Wuhen, David is so insignificant!

"I can kill you with a slap now..."

Feng Wuhen looked down at David with disdain in his eyes!

"You're right, it's a pity that you can't slap this slap!"

David had a faint smile on his face!

Feng Wuhen was stunned for a moment, and then he felt a terrifying aura coming from above his head, and then his whole mind trembled!

Feng Wuhen hurriedly looked up, and then the whole person was stunned!

“Dragon pattern clock, look, that’s the dragon pattern clock...”

Someone couldn’t help shouting loudly.

I saw a big bell, descending from the sky, heading directly towards the wind without a trace!

Looking at the dragon bell, Feng Wuhen was full of fear. He wanted to dodge, but it was too late. He only felt that his eyes were black, and he was directly enveloped by the dragon bell!

Feng Wuhen panicked, desperately hitting inside the dragon clock, his huge body lifted the dragon clock forcefully!

Looking from the outside, I saw that the dragon clock began to shake, and it was even lifted by Feng Wuhen and left the ground!

But at this moment, with the sound of a dragon roar, nine golden dragons descended from the sky, instantly submerging into the dragon pattern clock and turning into nine dragon patterns.

And the dragon pattern clock fell again, and there was no movement at all!

Chapter 2318

“Is it over like this?”

Everyone stared blankly at the silent dragon clock. They never thought that it would end so quickly!

“Dong, dong, dong...”

Suddenly, a sound came from the dragon clock again, and the dragon clock was knocked loudly!

"Let me out, let me out..."

Feng Wuhen was still alive, shouting in the dragon clock!

"I said, I'm going to punch you out, even if you become a devil, I'll punch you out..."

After David finished speaking, he grabbed his right hand in the air, and the hammer instantly appeared in his hand. !

Immediately after, a hammer knocked down!

Clang.....

A crisp sound, followed by countless terrifying breaths from the dragon-patterned bell, which began to spread around!

Seeing this, everyone dodged backwards, so they were not affected!

"Ah..." In the

dragon pattern clock, Feng Wuhen's painful scream came out!

Seeing this, David slammed the hammer down again!

Dang.....

Another hammer, the huge vibration of the dragon clock, instantly made the arena unbearable, and the enchantment around the arena was directly shattered!

Even the people who had been hiding far away were shocked at this moment!

As for David himself, his face was pale, a mouthful of blood spurted out, and he fell to the ground on one knee!

The huge anti-shock force of the dragon clock has seriously injured David!

David himself was already depleted of spiritual power, and he used the bell hammer to force his actions. If it wasn't for his physical strength, he would have been shocked to death long ago!

"go to hell....."

David gritted his teeth, even though he was already kneeling on one knee, he waved the bell hammer again, and struck the dragon bell heavily!

Dang.....

With the sound of a bell, the arena couldn't hold on any longer, it collapsed in an instant, and endless gunpowder smoke rose into the sky!

Everyone stared at the arena, when the smoke cleared, David was already bleeding from his seven orifices, and stood up with his last will!

The dragon pattern clock flew up slowly, then got smaller and smaller, and finally entered David's storage ring!

Looking at Feng Wuhen in the dragon-patterned clock, it had already turned into a pile of meat mud at this time, and the stench came from the nostrils.

Looking at this scene, everyone was stunned!

Feng Jingyan stood up suddenly, gritted his teeth, and his eyes flashed with hatred!

Yao Shenghui on the Dimen Arena, looking at Feng Wuhen at this moment, his eyes became dull!

There is an indescribable look on Yu Qian's face!

As for Lu Chang, Jin Yuan and the others, they were all speechless at this moment, staring blankly, unable to say a word!

David didn't even look at the dead Feng Wuhen, but walked slowly to the front of the flame tiger, slowly crouched down, and gently stroked the flame tiger with his hand!

If it weren't for the flame tiger desperately resisting, the person who is now lying on the ground and lingering on the ground is probably himself!

David really wants to save the flame tiger now, but unfortunately he doesn't have that ability now!

The flame tiger can also see what David means, stick out his tongue and lick David's hand, and then let out a low growl!

Immediately afterwards, from the mouth of the flaming tiger, a beast pill was spit out!

The beast pill rolled into David's hands, and then the flame tiger slowly closed his eyes!

Everyone looked at the Flaming Tiger Beast Pill in David's hand, with envy and greed in their eyes.

Feeling the eyes of everyone, David slowly got up, and then swept over everyone with determined eyes, everyone's faces had their own expressions!

Gradually, David's vision became more and more blurred, and finally, his body fell down!

"Mr. Chen..."

"David..."

At the same time, several figures rushed up, and then helped David up!

Ge Cangsheng and Jiang Wuya also jumped up from the high platform and landed next to David!

Two people, one left and one right, directly input spiritual power to David!

But their spiritual power was input into David's body, like a stone sinking into the sea!

When the two saw this, they could only carry David into the castle and settle David!
