

A Man Like None Other

Novel

Chapter 281

Being with Wei Tao these few days, Delia also feels that her worth has risen a lot, and she can no longer look down on Jordan!

Jordan was stunned, looking at Delia like that, and scolding inwardly, but still gave her Sonya's phone number!

With Sonya's phone number, Delia dialed directly!

At this time, Sonya was sitting bored in the yard at home, with an unhappy expression on her face: "It's been so many days since David died, and he hasn't come once. Do you blame me for talking about him last time?"

Sonya was entangled in her heart. She wanted to find David, but she also hoped that David would take the initiative to find herself. This kind of contradictory psychology made Sonya upset!

At this moment, the phone rang, Sonya thought it was David calling, she picked up the phone with a look of joy, and found out that it was an unfamiliar number!

"Hello?" Sonya answered the phone!

"Sonya, I'm Delia. I'm at No. 17 Fenghuang Road. I want to meet you and talk about David!"

As soon as the call was connected, Delia said directly, in a domineering tone, without taking Sonya in the slightest!

If Delia was given a hundred courage, she would not dare to talk to Sonya like this!

Now that she has followed Wei Tao, Delia has grown a lot more courageous.

"You let me go, I'll go, what are you!"

Sonya was irritated by Delia's tone of voice.

"Sonya, if you are afraid, then don't come!"

After Delia finished speaking, she hung up the phone without waiting for Sonya to reply!

Sonya listened to the busy tone on the phone, and her face flushed red!

"What are you pulling, I want to see what kind of cattle you have!"

Sonya got up and drove to Fenghuang Road!

When Sonya arrived at Fenghuang Road, she saw that Delia was waiting for her!

"Tell me, what do you want to tell me about David?"

Sonya got out of the car and asked Delia coldly.

"I want to tell you that David is going to die soon!"

Delia suddenly smiled grimly!

Sonya looked at Delia like that, her heart was shocked, she glared at Delia and said, "What nonsense are you talking about, how could David die!"

“He didn’t talk nonsense, David is really dying, because I will kill him soon!”

At this time, Jordan walked out with the two bodyguards of the Wei family!

“What are you going to do?”

Seeing this, Sonya stepped back in fright, she felt something was wrong!

“What are we going to do, you will know in a while!” Jordan raised the corner of his mouth: “Arrest her!”

The two bodyguards stepped forward to grab Sonya and knocked Sonya unconscious with a knife!

Then he put on a sack, threw Sonya into the trunk, and walked away!

Delia sneered as she looked at the car that drove away, and the laughter sounded very intimidating!

...

In the villa on the top of Pine Mountain, David has devoted himself to practicing and refining Xiaohuan Dan these days!

Just then, David’s cell phone rang suddenly!

After picking up the phone, Ruben’s anxious voice came: “David, is Sonya with you?”

“Not here, what’s the matter?” David frowned!

“It’s broken. Sonya is gone. I called her, but no one answered, and the car was not at home. She would never be like this!”

Ruben said anxiously!

“Uncle, don’t worry, I’ll go over there right away!”

When David heard this, he immediately got up and hurried towards the Su family!

On the way, David called Sonya several times, but no one answered!

At this time, David had a bad feeling in his heart, and immediately called Lin Tianhu!

“Lin Tianhu, you can immediately activate the manpower you can, and find Sonya all over the city for me, and pay attention to her car!”

David’s voice was bone-chilling!

Chapter 282

Lin Tianhu didn’t dare to ask any more questions, and immediately activated the entire Juyi Hall and the members of the Chilong Gang that had just been incorporated. A total of thousands of people were scattered throughout Horendel and began to look for Sonya!

David quickly arrived at the Su family villa. Ruben was anxiously walking in the courtyard. When he saw David coming, he immediately greeted him!

“Uncle, don’t worry, I have asked Lin Tianhu to spread everyone out, and there should be news soon!”

David comforted Ruben: “Maybe she went out to play and forgot her phone in the car!”

Ruben could only comfort himself like this, but the bad premonition in his heart became stronger and stronger!

Soon, Lin Tianhu called and told David that the car was found. It was on Fenghuang Road, but there was no one, and there was no surveillance around. Lin Tianhu asked around and said that he saw someone taking Sonya away!

boom...

Hearing what Lin Tianhu said, David's head instantly exploded, and the bloodthirsty murderous aura on his body rushed out instantly. At this time, David was like a killing god, his eyes became extremely scarlet!

"Chen... David, did something happen to Sonya?"

Seeing David like that, Ruben's heart skipped a beat!

"Uncle, did anyone in the family see Sonya when she went out?"

David asked Ruben.

"Yes, one of the servants said that after Sonya answered the phone, she left angrily!"

Ruben replied!

"Uncle, rest at home, I will find Sonya!"

After David finished speaking, he turned and walked out of the Su family villa!

At this time, Lin Tianhu also happened to arrive. David got into Lin Tianhu's car and went straight to the business hall. David wanted to find out who made the last phone call from Sonya. This call must have something to do with Sonya's disappearance!

Relying on Lin Tianhu's reputation, he quickly found out the last phone number to call Sonya. Looking at the familiar number, David's eyes were full of killing intent!

"Palace Master, whose number is this?"

Lin Tianhu asked.

"Go to Delia's house!" After David finished speaking, relying on the co-pilot Wei closed his eyes!

Lin Tianhu also understood now, and scolded angrily: "This b!tch, still dare not change!"

With a kick of the accelerator, the car drove towards Delia's house at a high speed!

Delia humiliated David again and again, but David didn't kill her, but he didn't want this guy to gain an inch!

Soon, at Delia's house, Lin Tianhu followed David out of the car and rang the doorbell!

"Who is it!"

Delia's mother Ethel came out wearing a cheongsam!

When she opened the door and found that it was David and Lin Tianhu, Ethel was stunned: "David, you... what are you doing here at my house?"

"Where is Delia, let her come out!"

David asked with a gloomy face.

"She...she's not at home? What do you want to do?" Jia Meimei's eyes were dodging, obviously she was lying!

"Damn, let that stinky b!tch come out for me!"

Lin Tianhu stepped forward and grabbed Ethel by the collar, and directly lifted Ethel!

This time, Ethel was terrified!

“Stop, let go of my mother!”

At this moment, Delia rushed out of the room: “David, don’t think it’s amazing that you know Lin Tianhu yourself, I’m from Young Master Wei now, do you dare to offend the Wei family in the provincial capital?”

Delia looked arrogant and asked David.

Snapped!

Without the slightest hesitation, David stepped forward and slapped Delia in the face, causing Delia to lose her head and lose several teeth!

“David, if you dare to hit my daughter, I will fight with you!”

Ethel shouted desperately when she saw Delia being beaten!

Lin Tianhu smashed Ethel’s face with a punch, making Ethel’s mouth bloody, unable to say a word!

Chapter 283

David stepped forward and grabbed Delia’s hair, and said with a murderous look, “Where is Sonya?”

Delia glared at David, her eyes full of anger: “David, if you dare to hit me, Young Master Wei will not let you go!”

Snapped!

Snapped!

Snapped!

David slapped several times in a row, Delia's face instantly turned into a pig's head, and there were only a few teeth left in his mouth!

"I'll ask again, where is Sonya?"

At this moment, Delia looked at David's murderous gaze, and finally got a little cowardly: "I...I don't know, how would I know where Sonya is?"

David frowned, he didn't expect this Delia to be so stubborn!

"Lin Tianhu, call me!"

David let go of Delia and ordered Lin Tianhu directly!

Lin Tianhu nodded, stepped forward and kicked Delia to the ground, followed by a burst of punches and kicks, causing Delia's face to deform!

"I said, I said..."

Delia was beaten to the death, her body was injured, her arms and legs were broken!

David squatted down slowly and looked at Delia, who was covered in scars, without a trace of pity in his eyes!

"I only know that Sonya was taken away by Jordan. I called Sonya and led him out. The person behind it was Wei Tao, but I really don't know where they took Sonya!"

Delia said feebly, her eyes were full of fear!

Because she found that if she didn't say anything, David would really kill her!

David's brows were tightly wrinkled together, Sonya was taken away by Jordan and that Wei Tao, the fate of the scene can be imagined, David did not dare to think about it!

"Jordan, I spare your life, but you are seeking your own death!"

David was full of murderous aura, and even Delia could feel the murderous aura in David's body, and shivered!

"Mr. Chen, what should we do next?"

Lin Tianhu asked.

"Send people to surround the Xiao family, and the Xiao family is not allowed to let go!"

David said coldly, the cold murderous aura on his body was constantly rising!

"Understood!" Lin Tianhu nodded, and immediately called and sent someone to surround the Xiao family!

"Sonya is fine, otherwise I'll let you all be buried with you!"

After David slammed down a sentence, he got in the car and left, and went straight to Xiao's house!

...

In an abandoned factory on the outskirts of Horendel!

Wei Tao sat on a chair, smoking a cigarette, admiring the sleeping Sonya!

"Beautiful, so beautiful..."

Wei Tao has a smug look!

"Master Wei, should we notify David to come over?"

Jordan couldn't wait any longer. He hoped to kill David as soon as possible, so as not to have too many dreams at night!

"Get out, I'll tell you when to notify that David!"

Wei Tao gave Jordan a cold look, Jordan was so frightened that he hurriedly backed out!

Soon, Sonya woke up. When she saw that she was tied up with five flowers, her face was full of panic and panic!

"Sonya, don't be afraid, I won't hurt you, I'm just here to chat with you!"

Seeing Sonya awake, Wei Tao hurriedly said.

"Wei Tao?" Sonya's face was full of surprise: "You...what did you arrest me for?"

"No, you misunderstood, that Jordan caught you, and I came to save you.

"

As Wei Tao said, he stepped forward and untied Sonya's rope!

Seeing Wei Tao untied the rope for herself, Sonya's dangling heart relaxed a lot, and her face became more beautiful!

"What the hell is going on here?" Sonya asked, moving her wrist.

"Then Jordan is still ruthless about David, so he arrested you and wanted to lead that David over and kill David!"

Wei Tao explained.

When Sonya heard it, she panicked: "Wei Tao, call me quickly, I want to call David, don't let him be fooled!"

Wei Tao looked at Sonya's nervous look, and a trace of jealousy flashed in his eyes: "It's just a labor prisoner, do you care that much?"

Chapter 284

Sonya was stunned for a moment, looking at Wei Tao's expression, a bad premonition flashed in her heart: "Wei Tao, what do you mean?"

"What do you mean by me?" Wei Tao's face became a little grim: "I pursued you for so many years, and you didn't give me a chance, but now I like a labor prisoner. How can I be inferior to that David?"

Wei Tao growled and grabbed Sonya's arm tightly!

"Wei Tao, who told you all this?"

Sonya finally understood that Wei Tao was far away in the provincial capital and even knew what happened recently in Horendel. Someone must have told him.

"You don't need to worry about it. Tell me, why am I inferior to that David?"

The strength in Wei Tao's hand increased by a few points, which made Sonya feel pain and frowned!

"Let go of me, you hurt me, you are no better than him!"

Sonya looked at Wei Tao with disgust!

"b!tch!" Wei Tao said, slapped Sonya's face, and Sonya's face instantly turned red.

"I tell you, today I will let you watch your David die in my hands. No one can take away my Wei Tao's woman!"

Wei Tao stared, gritted his teeth!

"Wei Tao, if you dare to touch David, I can't spare you!"

Sonya yelled angrily!

"The more you are like this, the more I will torture this guy!"

After Wei Tao finished speaking, he walked out of the room and slammed the door shut!

"Wei Tao, let me out, let me out, if you dare to touch David, I will never forgive you!"

Sonya slammed the door desperately, but to no avail.

In the end, Sonya was tired, leaned on the wall, and silently prayed for David:
"David, please don't come!"

...

On the other hand, Xiao Yan, as the head of the Xiao family, was holding a meeting at home for everyone and sent two real estate companies to David. Although the Xiao family was saved, it also hurt the Xiao family!

The two real estate companies, which are nearly half of the Xiao family's property, just handed it over to others.

"In the future, whenever my Xiao family is outside, keep a low profile for me. Now our Xiao family is different from the past. In addition, the staff arrangement needs to be adjusted!"

Xiao Yan sat on the main seat and followed the Xiao family with a solemn expression.

"Master, it's not good, it's not good, someone surrounded the Xiao family!"

At this time, a servant hurried in and reported anxiously!

"Who is it?" Xiao Yan suddenly became angry: "Although my Xiao family is different from the past, it is not bullied by anyone, so let me go out and see!"

Xiao Yan said a word, and everyone in the Xiao family got up and walked out.

But as soon as he walked out of the door, Xiao Yan was stunned for a moment, and then an angry smile appeared on his face: "It turns out that Mr. Chen and Lord Tiger are here, please come in quickly!"

After Xiao Yan finished speaking, he gave the servant a stern look. He didn't know how to go into detail about this fcking report. If he knew that David and Lin Tianhu were here, he didn't dare to come out aggressively if he had the guts. !

The servant also had an innocent look on his face. Before he could finish speaking, Xiao Yan rushed out angrily!

David's face was indifferent and his face was very ugly, while Lin Tianhu's eyes flashed with murderous intent, and said to Xiao Yan: "Where's your son Jordan? Let him get out!"

When Xiao Yan heard this, his heart sank, he knew that his son must be causing trouble again!

"Master Hu, my son is not at home, I asked someone to contact him just now, but I couldn't get in touch at all.

"

Xiao Yan trembled all over!

He did contact Jordan just now. After all, there was a family meeting, and Jordan was not present, but he couldn't contact him at all, and Xiao Yan didn't wait for him!

"Who the fcuk are you kidding?"

Lin Tianhu stepped forward and picked Xiao Yan up.

Chapter 285

"Master Tiger, I really didn't lie, I really can't contact my son, I swear..." Xiao Yan's face turned pale with fright, and his body trembled even more!

"Lin Tianhu, let him go!"

David saw that Xiao Yan did not lie!

Lin Tianhu let go of Xiao Yan, which made Xiao Yan heave a sigh of relief, and then asked cautiously, "Mr. Chen, Lord Hu, I don't know what my son-in-law has done to offend the two of you?"

"Hmph, then Jordan not only offended us, he even offended the Su family, he kidnapped Miss Su..."

Lin Tianhu snorted coldly!

boom...

When Xiao Yan heard this, he almost didn't fall down!

"This... This villain is so bold, dare to kidnap Miss Su?"

Xiao Yan's eyes were full of horror, who didn't know what the relationship between Sonya and David was? In addition, the Su family is the richest man in Horendel. Don't look at the conflicts between the two families, and no one is serious, but if this kidnaps Ruben's daughter, then the Su family will not give everything and beat the Xiao family directly. ?

"Someone has already confessed, and it was Jordan who did it. There's nothing wrong with this..."

Lin Tianhu said with a gloomy expression.

"Nizi, Nizi..." Xiao Yan beat his feet and stomped his chest, shouting at the Xiao family: "You all go to me to contact this Nizi, let him get back, I will definitely break his legs!"

Everyone in the Xiao family went to contact Jordan, and at this time David's cell phone did ring.

After the connection, Jordan's proud and arrogant voice came: "David, now Sonya is in my hands, if you want her to be fine, just obediently come to this abandoned factory in the western suburbs of Horendel, remember, you only Allow one person to come, otherwise I can't guarantee Sonya's safety!"

"Okay, if you dare to touch Sonya's hair, I will let everyone in your Xiao family be buried with you!"

David's face was gloomy, and the piercing murderous aura on his body instantly filled the entire Xiao family!

Feeling the murderous aura on David, Xiao Yan shuddered and yelled at Jordan: "Beast, you quickly let Miss Su go and come back to apologize!"

Jordan was stunned for a moment, but said viciously: "Dad, don't worry about this, David doesn't dare to do anything to the Xiao family, we have a backer behind us now!"

After hearing this, David showed a sneer: "Isn't the backer you're talking about the Wei family in the provincial capital? Today, the king of heaven is here, and no one can save you!"

"David, don't talk sh!t. I tell you, if you dare to be disrespectful to my family, I will play Sonya first, and then send out all the photos. I think you are crazy!"

Jordan didn't care about David's threat at all. Now he can only gamble and hold the Wei family's thigh tightly.

"You dare!" David gritted his teeth, two words popped out of his mouth, and blood red color began to fill his eyes!

"Hahaha, see if I dare. Now that Sonya is in my hands, I can do whatever I want. You beg me. If you beg me now, I can wait for you to rescue her!"

Jordan laughed loudly, his tone extremely arrogant.

David gritted his teeth, and after a while he said, "Please, please don't touch Sonya!"

"Hahaha, that's right, hurry up, I don't have much patience!"

After speaking, Jordan hung up the phone.

David's murderous aura rose to the extreme, and he said to Lin Tianhu, "Okay, don't leave alone!"

"Mr. Chen, shall I go with you?"

Lin Tianhu said worriedly!

Although he knew that David was very strong, the other party was obviously prepared and was waiting for David in advance, so this trip was definitely dangerous!

“Don’t worry, it’s just these jumping clowns, I haven’t paid attention to them yet!”

After David finished speaking, he turned around and left!

Xiao Yan looked at David’s back, and sat on the ground with a thud, he knew that his son was definitely dead.

“master...”

The servant hurried forward to help Xiao Yan!

Xiao Yan waved his hand: “Go, go and prepare the funeral for the young master!”

Chapter 286

The gate of the abandoned factory in the western suburbs of Horendel!

A white off-road vehicle was parked there, and David walked down full of murderous intent!

“coming!”

Seeing that David came alone, Jordan was both excited and nervous, and then said to Wei Tao: “Master Wei, this David is really strong, you can be sure that these two bodyguards can beat this David. Is it even?”

When the two Wei family bodyguards heard this, their faces suddenly turned cold, and one of the bodyguards smashed at a huge cement block!

Whoa, whoa...

The cement block shattered into countless pieces, and the steel bars inside were exposed!

Jordan was stunned when he saw this!

Seeing Jordan's shocked look, Wei Tao's face was full of disdain: "These two are both masters at the peak of internal strength, it's easy to kill a cow with one punch, do you think it's possible to kill a person? "

"Yes, yes..." Jordan nodded desperately!

"Even if the two of them can't deal with David, isn't it still me!"

As Wei Tao said, he took out a dark pistol from his pocket.

click

Wei Tao loaded the bullet in front of Jordan and said with a faint smile, "Even if David is so powerful, can he still escape the bullet?"

"Hahaha, then David is dead today, no one can save him!"

Jordan felt relieved when he saw the gun in Wei Tao's hand. As the saying goes, no matter how skilled he is, he is afraid of a kitchen knife, not to mention the gun in Wei Tao's hand!

Sonya heard the conversation between the two people inside. After knowing that Wei Tao had a gun in his hand, she was very anxious. She couldn't let David take risks for herself, and she couldn't watch David die, but she was locked in the house now. There is no way to tell David at all!

At this time, looking at the abandoned factory building in front of him, David stepped in, a trace of spiritual energy emanated from David's body, and he could instantly sense objects within ten meters!

When David walked into the factory building, he saw two bodyguards with cold faces standing on the left and right. The two were strong and strong, and it was obvious at a glance that they were trainees!

On the other hand, Jordan sat on a chair with Erlang's legs crossed, and looked at David with a sneering expression, his eyes were full of disdain and playfulness!

At this time, looking at David was like looking at a dead man!

"David, I didn't expect you to dare to come by yourself. I admire you for being a man!"

Jordan got up and said.

"Stop talking nonsense, where's Sonya?"

David said indifferently!

"David, I'm here, you hurry up, hurry up, they have guns in their hands..."

Sonya heard David's voice and desperately slammed the door in the room!

"Sonya..."

David frowned and ran towards the room!

As soon as David moved, the two bodyguards stopped David at once, posing for a shot!

At this moment, the door of the room was opened, Wei Tao held a gun in his hand and pushed Sonya out!

Sonya's hair is fluffy, and there are still patches of smudges on her face, looking very embarrassed.

After seeing David, Sonya shouted desperately: "David, leave me alone, they don't dare to kill me, go away, go away..."

"Shut up!" Wei Tao was furious and slapped Sonya fiercely!

boom...

David saw it in his eyes, and the raging murderous aura instantly swept away towards Wei Tao!

Feeling the murderous aura on David, Wei Tao shivered all over and put the muzzle of his gun on Sonya's head!

"If you dare to move, I will shoot her to death..."

Wei Tao looked at David with horror in his eyes!

"David, you're here today, don't even think about leaving, this is your grave, do you think it's great to know Lin Tianhu and Gu Wentian? You still dare to show prestige in front of me, now none of them can save you. !"

Jordan remembered that when he was lowly in front of David, his heart was full of anger, he walked to David in two steps, and slapped David!

Chapter 287

David stretched out his hand and grabbed Jordan's wrist: "I can show prestige in front of you, but it is not for others, but myself!"

click

Jordan's other arm was also pinched off by David!

"what..."

The severe pain made Jordan scream, and the sound echoed in the abandoned factory building!

bang...

Immediately afterwards, David kicked Jordan's lower abdomen fiercely!

puff...

Jordan spewed out a mouthful of blood, and his body flew upside down, and then curled up like shrimp!

"you..."

Jordan stared at David angrily!

"I gave you a chance, but you don't know how to take it..."

David walked towards Jordan with a gloomy face!

"Kill him, kill him..."

Jordan looked at David like that, and his heart began to be afraid.

The two bodyguards looked at Wei Tao, and now they only listen to Wei Tao's words.

Wei Tao nodded: "Kill him..."

The two bodyguards glanced at each other and charged directly towards David!

David's footsteps did not stop, just when the two bodyguards rushed in front of him, David suddenly shot and directly stuck the throats of the two bodyguards!

The two sturdy bodyguards were actually picked up by David with their necks stuck.

"Uh..."

The two bodyguards blushed, and the suffocation made them struggling desperately!

click, click

The sound of two bone cracks sounded, and the bodyguard who had been struggling desperately tilted his head, and all of them lost their anger!

Bang!

As soon as David let go, the bodies of the two bodyguards fell heavily to the ground, causing bursts of dust!

This time, Jordan and Wei Tao were both dumbfounded!

The two bodyguards at the peak of their internal strength didn't even make a move under David's hands?

Wei Tao's hands began to tremble, his heart was full of fear, even with a gun in his hand, it couldn't give him the slightest sense of security!

That Jordan endured the severe pain, climbed to Wei Tao's feet, and said with a trembling voice: "Master Wei, shoot, shoot him quickly..."

Only then did Wei Tao react, and he raised his hand and was about to shoot at David!

"David be careful!"

Sonya yelled, opened her mouth and took a bite on Wei Tao's arm!

"what..."

Wei Tao yelled in pain and pushed Sonya away!

"David..."

Sonya ran towards David!

Wei Tao's face was hideous, he raised the pistol in his hand and shot directly at Sonya!

boom...

The gunshot rang, David's eyes narrowed, and his body flashed in front of Sonya instantly, protecting Sonya behind him!

swoosh...

The bullet flew past David's head, and Sonya behind him could hear the screeching sound of the bullet passing by!

Seeing that one shot was missed, Wei Tao gritted his teeth and fired two more shots in a row!

bang bang ...

After two shots were fired, Wei Tao was surprised to find that David was still looking at him coldly, approaching them step by step, and there was no sign of being shot at all!

"Paralyzed, what a broken gun..."

Wei Tao cursed angrily, grabbed the pistol with both hands, stabilized himself, and aimed another shot at David!

The bullet missed again, but it still failed to hit David.

This time, Wei Tao panicked, the bullet seemed to have eyes, and it didn't shoot at David at all!

When Wei Tao pulled the trigger again, the pistol made a clicking sound, and there were no more bullets!

Wei Tao looked at David who walked in in horror, threw the gun in his hand directly at David, and then turned around to run!

“Master Wei, save me, save me...”

Jordan fell to the ground at this time, the severe pain made him unable to get up at all, he hugged Wei Tao’s leg tightly, hoping that Wei Tao would take him away.

Wei Tao didn’t care about Jordan, he kicked Jordan furiously: “numb, let me go, let go...”

Chapter 288

Jordan didn’t let go at all, he knew that Wei Tao had run away, and he would definitely die!

At this time, David had already walked up to him and grabbed Wei Tao’s collar!

“You...what are you going to do? I’m from the Wei family. If you dare to touch me, my dad won’t let you go...”

Wei Tao was shaking all over, threatening David!

Snapped!

David slapped Wei Tao in the face with a slap in the face, causing Wei Tao to turn around several times, and the teeth in his mouth fell out!

“This slap was returned to you for Sonya!”

After David finished speaking, he punched Wei Tao in the stomach, causing Wei Tao to make a scream like killing a pig, and fell to the ground with his body hunched over!

At this time, Wei Tao and Jordan were like prawns, all hunched over their bodies, showing expressions of pain!

Looking at the two people on the ground, David stepped on Jordan's head with one foot.

"David... I was wrong, please forgive me, forgive me..." Jordan's trousers were urinated from fright: "I promise I will never trouble you again, I can give you all the Xiao family property. , as long as you take my life around me!"

Jordan pleaded with David!

"I gave you a chance, but you didn't cherish it..."

David looked at Jordan coldly, his feet suddenly exerted force!

puff...

Jordan's head was like a well-ripened watermelon, it burst directly under David's feet, and the blood splashed mixed with the brain, and directly sprayed Wei Tao who was not far away!

"what..."

Wei Tao was stunned. He had never seen such a bloody scene before. A living person was trampled on his head in front of him!

At this time, Sonya, who was behind David, was also very frightened. She covered her mouth with her hands, and tried her best not to make a sound. It was the first time she saw David kill people, and killing people so cruelly, but Sonya knew that what David did Everything I do is for her, and the more murderous David is now, the more weight he has in David's heart.

David raised his blood-stained feet and stepped on Wei Tao's head, feeling the disgusting smell of blood. Wei Tao panicked, his pants got wet

unconsciously, and desperately followed David to beg for mercy: "Don't kill me, don't kill me, I can give you anything you want, anything..."

"I want your life!" David's voice sounded like it was coming from the abyss of hell, frightening Wei Tao's feces and urine!

"David..."

Sonya stepped forward and pulled David away: "You can't kill him, don't be impulsive..."

Sonya knew that Jordan would kill him if he killed him. With the strength of the Su family and Gu Wentian, they could settle it, but Wei Tao was different. He belonged to the Wei family in the provincial capital. If you kill Wei Tao, don't do it. Speaking of these people, even if Ling Zhenchuan came forward, I am afraid that the Wei family would not give up.

"Sonya, I'm sorry for making you suffer..."

David looked at the five clear fingerprints on Sonya's red face, and slowly stroked it!

"I'm fine, let's go back, don't let Dad worry too much.

"

Feeling the temperature on David's hand, Sonya felt warm inside.

David nodded and looked back at Wei Tao, who was so frightened that Wei Tao did not dare to look directly into David's eyes!

"The death penalty can be avoided, but the living crime cannot escape..."

After David finished speaking, he stepped on Wei Tao's leg and directly crushed Wei Tao's calf bone. It was impossible to connect!

"what..."

Wei Tao's face was full of pain, and he roared sternly!

"Let's go!" David took Sonya's hand and said softly.

Just two steps away, Sonya looked back at Wei Tao and asked, "Who the hell told you this and brought you to Horendel?"

Sonya is very strange, who recruited Wei Tao from the provincial capital, as Jordan, he has no ability to contact Wei Tao at all.

Chapter 289

"It's Ling Feng, he asked me to come, everything he told me..."

Wei Tao endured the pain and followed Sonya.

At this time, Wei Tao still has his own little abacus. Ling Feng is the son of the city's top leader. Now tell him, he wants to see if David will go to Ling Feng. If David does something to Ling Feng, then he can Watching the fire from the other side!

Hearing that it was Ling Feng, killing intent flashed in David's eyes. Sonya looked at David like that, and immediately regretted it. If she had known her, she would not have asked Wei Tao.

"David, it's all right, don't look for anyone!"

Sonya is afraid that David will trouble Ling Feng!

"Yeah!" David nodded, then hugged Sonya!

Sonya buried her head in David's chest and felt the temperature of David's chest. Sonya enjoyed the indescribable sense of security!

"From now on, I won't let anyone hurt you again, never..."

David looked at Sonya in his arms and said with a guilty face.

"I believe in you!" Sonya stretched out her hands, hooked David's neck, and kissed David directly on the face!

This is the first time that two people have had such close contact. Although the two of them are tacitly aware of their love and affection for each other, it is the first time that they have had such an intimate contact!

David got into the car with Sonya in his arms, and then hurried all the way to the Su family villa.

In the abandoned factory building, Wei Tao desperately wanted to stand up, but no matter how hard he tried, he couldn't stand up at all!

Looking at his bloody legs, Wei Tao roared furiously: "David, I will never let you go..."

...

In the Su family villa, Ruben was already sweating profusely, and he has been with Sonya for many years. Sonya is more important than his life.

Soon, David drove to a stop at the door. When Sonya got out of the car, she saw Ruben at the door and jumped up!

"dad..."

Holding Ruben, Sonya's tears flowed out!

"Daughter, are you alright?" Ruben also burst into tears, with killing intent in his eyes: "Who is it? Even if I try my best, I will tear him to pieces!"

"Uncle, it's all right, just leave the rest to me!"

David said to Ruben.

Ruben looked at David and nodded: "David, I will hand over all the family business of my Su family to you. Even if it is all exhausted, I will make the other party pay the price..."

Sonya is Ruben's life, he can endure anything, but Ruben will never endure it!

"I understand!" David nodded.

David was about to leave when he got in the car, but Sonya grabbed him: "David, Jordan is dead, so Wei Tao has also learned a lesson, don't go to anyone else.

"

Sonya was afraid that David would have trouble finding Ling Feng, and it would not end well then!

"Don't worry!" David smiled lightly and stroked Sonya's head!

After getting in the car and leaving, David called Lin Tianhu.

"Lin Tianhu, let Xiao Yan collect the body of his son, and let the Xiao family get out of Horendel within three days. After three days, I don't want to see the Xiao family alone in Horendel. If that Xiao Yan wants to seek revenge on me, let him He comes to me anytime..."

There is no doubt in David's tone!

"Understood, leave it to me..."

Lin Tianhu nodded!

To deal with a decaying Xiao family, Lin Tianhu alone is enough, and he will not give Xiao Yan a chance to seek revenge from David!

And David's car went straight to Ling Zhenchuan's house, and Ling Feng was the culprit, so David couldn't just bypass him like this, even if his father was the city leader!

Chapter 290

In Ling Zhenchuan's house, Ling Feng is staying at home. Ling Zhenchuan has been watching very closely these days and is not allowed to go out!

Ling Feng counted the time, frowning slightly: "This Wei Tao, how many days have passed, and there is no movement at all?"

Ling Feng was a little anxious. It had been several days, and Wei Tao had never contacted him at all, which proved that he had not succeeded. thing.

Wang Hui was cooking in the kitchen, and Ling Zhenchuan hurried in from outside.

Seeing Ling Zhenchuan coming back, Wang Hui stuck her head out of the kitchen and said, "Lao Ling, why do you have time to come back for lunch today?"

"What to eat, something happened, I'll come back with something!"

Ling Zhenchuan's face was a little anxious!

"What happened?" Wang Hui came out of the kitchen.

"The Jordan from the Xiao family was killed, but that's not the main thing. The main thing is that Wei Tao, the kid from the Wei family in the provincial capital, also had his leg broken and is still in the hospital. It is estimated that this time the Wei family I won't let it go!"

Ling Zhenchuan frowned tightly. The strength of the Wei family in the provincial capital is no trivial matter, and it can be enjoyed in both political

and business circles. This time his son has an accident in Horendel, he will definitely not let it go!

"The kid of the Wei family, what is he doing in Horendel? Who is so bold that even the kid of the Wei family dares to move?"

Wang Hui couldn't help but exclaimed!

And when Ling Feng on the side heard it, his whole body shuddered with fright, and his face became extremely pale!

"Don't ask, I can't tell you!"

Ling Zhenchuan waved his hand, he knew that David did it, but David had a life-saving grace for him, Ling Zhenchuan didn't want to reveal David, he saw if he could find a way to help David settle it!

"Okay, I won't ask, you have to be careful yourself, don't do everything in person, the Wei family dares to move, this person is afraid to do anything!"

Wang Hui reminded Ling Zhenchuan that those who can do something to the Wei family must be outlaws who are not afraid of heaven and earth.

wow...

Just as Wang Hui finished speaking, there was a sudden cracking sound.

Ling Feng fell to the ground with the water glass in his hand, trembling all over!

"Xiaofeng, what's wrong with you?"

Seeing Ling Feng's appearance, Wang Hui hurried forward and touched Ling Feng's forehead: "Why is his face so ugly, is he ill?"

"Mom, I... I'm fine, I'm going upstairs!"

Ling Feng shivered and stood up, ready to go upstairs!

Ling Zhenchuan frowned slightly, looking at Ling Feng, he seemed to be thinking about something!

At this moment, the door was pushed open, and David stepped in.

David's body had a murderous aura and a strong smell of blood. As soon as he entered the door and saw Ling Feng, his eyes were fascinated together!

"Mr. Chen..."

When Ling Zhenchuan saw that David was here, and there was still blood on his body, he shouted with confusion on his face!

And when Ling Feng saw David appear, he slumped on the ground and almost peed his pants!

Seeing his son being frightened like this, Ling Zhenchuan was shocked, he seemed to understand something!

"I ask you, did you bring Wei Tao and kidnap Sonya?"

David ignored Ling Zhenchuan and went directly to Ling Feng to ask.

"What? Wei Tao, Wei Tao kidnapped Sonya?"

Ling Feng's eyes widened, he didn't expect Wei Tao to dare to do this, Ling Feng hurriedly shook his head: "No, I didn't let him kidnap Sonya, I really didn't!"

Seeing that her son was frightened, Wang Hui felt a little distressed and said to David, "Mr. Chen, is this a misunderstanding?"

"Shut up!" Ling Zhenchuan shouted at Wang Hui, and then glared at Ling Feng fiercely: "I ask you, why did Wei Tao come to Horendel? Did you call him?"
