

# A Man Like None Other Novel

## Chapter 441

"What about people?"

Bai Zhantang suddenly found out that Yin Susu was gone, and said in surprise!

Qin Feng looked at it, and sure enough, he couldn't see Yin Susu's shadow, his face turned cold: "Is there anyone else who can't get there first?"

"Follow me quickly..."

Bai Zhantang jumped up and immediately chased after him!

Qin Feng also waved his hand and led people to chase after him!

At this time, Yin Susu was carried by David, and the wind whistled in her ears!

After reaching a hidden place, David stopped and put Yin Susu down!

Yin Susu took advantage of David's unpreparedness, and bit David fiercely, then grabbed the jade pendant in his hand tightly with both hands, and looked at David nervously!

David looked at the clear bite marks on his arm, frowned and said, "I saved you, why are you still biting me?"

"Bah, don't think I don't know, you came for the jade pendant in my hand. This is the ancestral property of my Yin family. Even if I destroy it, I won't let you get it!"

Yin Susu glared at David and said coldly.

David did follow because of the jade pendant in Yin Susu's hand, but he didn't mean to snatch it. Now that Yin Susu has misunderstood him, David is a little helpless!

"Unreasonable, you really regard the jade pendant in your hand as a treasure!"

David left a sentence, turned around and left, leaving Yin Susu alone!

Seeing this, Yin Susu was stunned for a while, looking at David's back, the whole person was a little confused!

After a while, seeing that David was about to go far, Yin Susu gritted her teeth and chased after him!

"What are you doing with me?"

David glanced at Yin Susu and asked angrily.

"I..." Yin Susu opened her mouth and finally said weakly, "I'm sorry, I... I blame you in the wrong!"

"You don't need to apologize, now you're safe, stop following me!"

David said while walking!

But Yin Susu lowered her head and still followed David, she would go wherever David went!

David was speechless for a while, stopped and said, "What do you want?"

Yin Susu looked at David: "Can you send me back? I'm afraid I'm running into those people!"

Yin Susu knew that David was definitely not an ordinary person. To be able to rescue her silently in front of Bai Zhantang and Qin Feng, David's strength must be very strong!

David wanted to refuse, but looking at Yin Susu's pitiful appearance, he sighed helplessly: "Where is your home?"

"Not far, in the village outside the town!"

Seeing David agree, Yin Susu said happily.

David followed Yin Susu to the outside of the town, and soon saw a village, but no one lives here for a long time, and the house is also dilapidated, with a big demolition written on it, it is obviously going to be demolished!

After finding a slightly better house, Yin Susu walked in, a candle was lit inside, and a middle-aged man with a weak body and pale face was lying inside!

Seeing the appearance of the middle-aged man, David frowned slightly. This man was seriously injured, and he was afraid that he would not live for a few days at all.

Hearing the voice, the middle-aged man opened his eyes diligently. When he saw Yin Susu, he opened his mouth to speak, but as soon as he opened his mouth, a mouthful of blood spurted out!

"dad..."

Seeing this, Yin Susu hurriedly rushed up, wiped the blood on the middle-aged man, and took out a few dark pills from her arms, intending to let the middle-aged man eat!

David reached out his hand and stopped it, then sniffed the pill, and said to Yin Susu, "Your father's internal organs are damaged, so you can't take such irritating pills, although it can temporarily suppress the physical injury, But it will aggravate internal damage.

"

Yin Susu looked at David in surprise: "You...you can heal?"

## Chapter 442

And the middle-aged man looked at David suspiciously, with a questioning look in his eyes.

"A little bit of medical skills..."

David nodded.

"That's great, you can take a look at my dad, if you can cure my dad, I can do anything, even if I..." Yin Susu suddenly blushed and said with a bit of shyness: "Even if Just let me sleep with you!"

"I'm sorry, I have a girlfriend again!" David was speechless for a while, does he look like that kind of person who plays with women?

Yin Susu's face became even redder, and she lowered her head in shame: "I have nothing but my body now!"

"Don't you still have a jade pendant?" David said to the jade pendant in Yin Susu's hand!

When Yin Susu heard this, she immediately looked at David nervously, and held Yu Pei tightly in her hand: "You...what do you want to do?"

"I just want to see your jade pendant, don't be so nervous, I'll control your father's condition first!"

David said, pressing a hand gently on the top of Yin Susu's father's head, a spiritual energy instantly entered Yin Susu's father's body, and then wrapped the injured internal organs, and began to slowly repair!

Yin Susu's father only felt a warm current passing through his body, and then the whole person suddenly relaxed a lot, and his face became rosy!

Yin Susu looked at her father's changes with surprise in her eyes: "Dad, how do you feel?"

"Cough..." Yin Susu's father coughed: "Breathing is much smoother, and the pain in the stomach is not so much!"

"Thank you, thank you so much..."

Seeing this, Yin Susu happily followed David to thank him!

"Can you show me the jade pendant now?" David asked Yin Susu.

Yin Susu held the jade pendant and looked at her father hesitantly!

Yin Susu's father nodded: "Susu, show your benefactor!"

Yin Susu gave David the jade pendant in his hand, and after David took the jade pendant, the familiar feeling became even stronger!

On the jade pendant are two dragons circling, and the two dragons are very vivid and vivid!

David held the jade pendant, and a spiritual power was slowly injected into it, but it was quickly rebounded back with great strength, and David almost didn't let the jade pendant out of his hand!

"There is indeed a confinement in the jade pendant!"

David thought to himself, then bit his middle finger and squeezed out a drop of blood towards the jade pendant!

Seeing this, Yin Susu hurriedly wanted to stop her, but was stopped by her father. She shook her head at Yin Susu and motioned Yin Susu not to disturb David!

When a drop of David's blood dripped on the jade pendant, the jade pendant suddenly glowed red, followed by the sound of a dragon's roar.

The two dragons on the jade pendant seemed to come alive and kept swimming, but soon as the drop of blood was quickly absorbed, the red light slowly subsided, and the jade pendant returned to its original shape!

This time, Yin Susu and her father were stunned, their eyes widened, and they looked at David in surprise!

"As expected!" David held the jade pendant with excitement on his face, then looked at Yin Susu's father and said, "Uncle, I don't know where this ancestral jade pendant of your family came from?"

"I don't know very well, it seems that I picked it up from an island, because this jade pendant was like this, and it suddenly became red and saved my father's life, so my father gave this jade pendant as a family heirloom. stand up!"

Yin Susu's father said truthfully.

"Picked it up on the island?" David frowned slightly, thinking of the nameless island, Suolong Island, etc. that Ervin said, it seems that David can only know something after landing on the island!

"Since it's your family's heirloom, I can't win people's love, but this jade pendant on you is a disaster after all..."

David said, and returned the jade pendant to Yin Susu!

## Chapter 443

"Hey!" Yin Susu's father sighed: "Because of this jade pendant, our Yin family has been destroyed, and only our father and daughter are left to depend on each other!"

David actually listened to the conversation between Bai Zhantang and Yin Susu, and already knew something. As the so-called wealth is not revealed, since the Yin family's jade pendant is exposed, it is only a matter of time before it will bring disaster to the family!

"Dad, don't worry, I will definitely avenge the Yin family for dozens of people!"

Yin Susu looked at her father like that, and said with anger in her eyes.

Unexpectedly, Yin Susu's father shook his head: "Forget it, I only have you now, and I don't want to lose you. In the future, our father and daughter will find a place where no one knows each other, and let's live together!"

Yin Susu's father said, took the jade pendant from Yin Susu's hand, and then handed it to David: "Benefactor, you saved my life, and this jade pendant can also exert its value in your hand, so it is better to give it to You, now this jade pendant is worthless to us!"

David did not refuse, and took Yupei directly: "Thank you very much, if you encounter difficulties, you can call me!"

David left his phone and some money, while Yin Susu and his daughter left overnight.

They originally came here to seek medical treatment from the Yaowang Mansion. Now that the disease has been cured, it is meaningless to stay here.

Moreover, Bai Zhantang and Qin Feng are looking for them everywhere, so it is very dangerous!

When David returned to the hotel, the sky was too bright, and he couldn't take a rest. David took the jade pendant and refined it into a protective spirit weapon. As long as Sonya wore this jade on his body, he would even be a master of internal strength. There is no way to hurt her in the slightest!

"David, get up for breakfast!"

David had just refined the jade pendant into a spiritual weapon, when Sonya knocked on the door!

David could only pretend to have just woken up, yawned and opened the door!

"It's so early, I want to sleep more!" David rubbed his eyes and said.

"Sleep and sleep, eat breakfast, go shopping with us, Linger said that the people here are all masters, especially fierce, the two of us dare not go, I want you to accompany!"

Sonya said to David.

"Go shopping?" David's head became big when he heard that he was going shopping with these two women!

"Why, aren't you happy?" Sonya stared at her!

"Happy, happy..." David could only helplessly smile!

But just when David was about to go downstairs to have breakfast with Sonya, Sonya suddenly saw the bite marks on David's arm. Yin Susu's bite was quite heavy, and it was clearly visible now!

“What is this? You won’t provoke a little girl at night and get bitten by someone?”

Sonya questioned David.

“With a beauty like you, I’m going to molest a little girl. I just bought you a jade pendant, and I was misunderstood!”

David said, and took out the pair of dragon jade pendants.

When Sonya saw the jade pendant, her eyes suddenly lit up, she couldn’t put it down in her hand, and did not ask David, in fact, Sonya believed in David, she knew that David would not do that kind of thing!

After breakfast, David accompanies Sonya and Gu Linger for a whole day. He originally thought that the Yaowang Mansion would continue to look for trouble, but this day was peaceful, which made David a little surprised!

The next day was the start of the martial arts gathering. The atmosphere of the entire Tianfeng Town changed instantly. A high arena had been built outside Tianfeng Town.

Around the arena, people from Yaowang’s Mansion are guarding around, and above the arena, some elderly people are sitting, acting as referees!

## **Chapter 444**

The position in the middle was empty and no one had done it yet. It was obviously the position of Sun Simiao, the head of the Yaowang Mansion.

The audience was already crowded with people, only the first few rows had seats, and the people in the back were crowded standing.

“Mr. Chen, please come ahead...”

Wu Xi walked up to David and said respectfully.

David and the others came here as tourists, so there were no seats in the front. Wu Xi invited them to the front and sat in the seats allocated to them in the Bajiquan gym!

David, Sonya and Gu Linger were sitting, while that Gao Baisheng was standing behind David and the others with his disciples!

The owner of the dignified Bajiquan gym actually gave his seat to a few young people and stood behind him respectfully, which made many people look sideways, guessing David's identity, but some came from Jiangbei provincial capital. The warrior, after seeing David, immediately recognized it and understood why Gao Baisheng gave up his seat!

"Gao Baisheng, have you changed masters of Bajiquan? Is this young man looking at him?"

A big bald man sitting on the side of Bajiquan asked Gao Baisheng with a sneer on his face.

"Baldhead, shut your stinky mouth, and come to the stage in a while, and let my disciple teach you a lesson!"

Gao Baisheng scolded the bald head angrily!

"Hahaha, you Bajiquan have become other people's lackeys, and you still have the face to talk big..."

The bald head laughed out loud, causing many people to laugh at it!

After all, with the identity of Gao Yusheng, now he has given up his seat to a young man, and he is still standing behind others, obviously Bajiquan is looking for the backing!

David turned his head and gave the bald head a cold look. Ling Lie's eyes instantly made the bald head tremble, and the smile on his face solidified directly on his face!

The bald head didn't dare to look directly into David's eyes, he wiped the cold sweat on his forehead and stopped talking. The look of David just now made the bald head seem to have walked through the abyss of hell!

"The Palace Master of Medicine King's Mansion is here!"

With a loud roar, Sun Simiao slowly walked to the stage!

The noisy voices of everyone suddenly became extremely quiet. Sun Simiao's strength may not be the strongest, but it can be seen that his reputation is the greatest!

After all, no matter whether it is a warrior from Jiangnan or Jiangbei, no one wants to offend Yaowangfu. After all, sometimes they ask for help from Yaowangfu. Who can guarantee that they will never be hurt?

When Sun Simiao took the seat, he glanced at the people below, and immediately saw David sitting in front of him.

"Everyone, today's martial arts gathering begins, I won't say much about the rules, but this time the reward is a hundred-year-old medicinal herb, which is a top-grade medicinal herb, worth millions!"

As soon as Sun Simiao's voice fell, the audience immediately began to discuss.

It is very tempting to have a hundred-year-old medicinal material worth several million. Not all martial arts families or martial artists are rich, many of them are just for practicing and barely living!

"Hahaha, I've decided on this century-old medicinal herb..."

The bald head laughed, got up and jumped abruptly, went directly to the high platform, and then looked down at the stage with provocative eyes: "Who dares to come on stage and have a test with me?"

"I come..."

A spotless young man in a white suit jumped onto the stage with a quick stride!

"Bald, please..."

Young man makes a gesture of please.

"Stop being pretentious, I just can't see your way..."

With a bald head, he punched the young man with a punch!

The punch of the bald head was extremely fast, and there was a sound of breaking through the air. With this punch, the young man's expression changed, and he hurried to parry!

## **Chapter 445**

Bang!

With a dull sound, the young man's body quickly retreated, a deep scratch appeared under his feet, and the young man's face became a little pale!

His hands trembled slightly, and there was panic in his eyes, and the bald head made the young man almost lose his ability to resist!

"The bald guy is really amazing, I..."

"Stop the fcuking bullshit..."

The bald head didn't wait for the young man to finish speaking, and he threw a punch again, and the sound of breaking the sky sounded again!

The young man's heart sank, and he screamed badly. He turned around and ran towards the bottom of the ring. He originally wanted to admit defeat, but looking at the bald head, it was a matter of life and death!

But just as the young man turned around, the bald fist had already arrived, and a punch hit the young man's back, and the young man was knocked out!

A mouthful of blood spurted out in the air, and his body fell heavily under the ring, without the slightest wheezing, the young man simply lost his breath.

"If you come to power, you will die. Who else dares to come?"

The bald head didn't even look at the person who was killed by him, his eyes glanced down the stage contemptuously, and shouted loudly!

The people in the audience were outraged, especially the relatives of the young man who was beaten to death. One by one, they were filled with righteous indignation and stood up in anger. However, the rules were such that some people over age, even if they were powerful, could not come to the stage to seek revenge for the bald head. I can only look at the bald head with angry eyes!

Several old men on the ring also frowned slightly, feeling that this bald shot was too ruthless, but they couldn't say anything. After all, fists and feet have no eyes, and the competition in the ring is inevitable!

"Is there anyone else on stage?" Sun Simiao asked with a blank expression.

Seeing this, Wu Xi jumped up and wanted to go to the stage, but was stopped by David: "Don't go first, the strength of this bald head is higher than you, and I want him to spend some time to talk about it!"

After Wu Xi heard it, he could only retreat, and at this moment someone jumped onto the stage!

The competition continued, but there was no surprise that the bald head was knocked out of the ring, either tragically killed or seriously injured, which shocked the young warriors who were just about to move.

Although the top-grade medicinal materials for the past century are good, but you have to enjoy your life. Judging from the strength of this bald head, I am afraid that he has already touched the realm of a master of internal energy!

"Are you Bajiquan scared, or do you want to be a tortoise?"

The bald head looked in the direction of David and the others, and said with a sneer!

"Baldhead, don't be complacent..."

Wu Xi's eyes were red, and his body was full of anger, and he rushed to the stage with one vigorous step!

"Hahaha, I still have a bit of backbone. Although I have fought many times in a row, it's no problem for you to make a few moves!"

The bald head sneered again and again, and said with a look of disdain.

"Stop talking nonsense, let's do it!" Wu Xi said, his body bounced off the ground like a spring, and then he punched the bald head!

Wu Xi's punch was very fast, and the angle was tricky. With the help of his whereabouts in mid-air, a fist shadow enveloped the bald head!

The bald head raised the corner of his mouth, and glanced at Wu Xi with contempt: "Gorgeous..."

Immediately afterwards, the bald head punched into the sky, and the air was turbulent, Wu Xi's fist shadow disappeared, and the two fists slammed together!

Bang!

With a thunderous explosion, Wu Xi's body quickly fell onto the ring, he stepped back three steps in a row, his entire arm was slightly numb, and he looked at the bald head in disbelief!

"Boy, you are still far away, and you still want to win the championship with this little skill?"

The bald man sneered, and then his fists went towards Wuxi like a storm.

Wu Xi suddenly fell into the point of being beaten, only to feel that the bald fist was extremely powerful, his arms were numb from the shock, and he stepped back again and again!

## Chapter 446

Seeing this, Gao Baisheng under the stage suddenly turned ugly, his fists clenched, and he seemed a little nervous.

"Mr. Chen..."

Gao Baisheng shouted softly to David from behind!

He wanted David to come forward to save Wu Xi at a critical moment. After all, David was of the right age, and he himself was not qualified to come to power.

David didn't speak, just nodded slightly, even if Gao Baisheng didn't speak, David wouldn't see Wuxi's accident!

Seeing David agree, Gao Baisheng was relieved. With David's strength, even two bald men are no match!

On the stage at this time, Wu Xi has retreated to the edge of the ring, his arms have been numb and no intuition, he can only instinctively parry the bald attack!

"Boy, get out of here..."

The bald head raised the corner of his mouth, and then he punched Wu Xi's chest!

If this punch is hit, Wuxi will definitely fall from the ring, and he will be seriously injured if he does not die.

When everyone in the audience saw this scene, their faces were solemn. This Wuxi is also considered to be the leader of the younger generation of warriors, and he has great hope of winning the championship. force!

Seeing that the bald head was about to hit Wu Xi's chest, Wu Xi had no choice but to avoid it. At this moment, a figure instantly arrived on the stage, and then grabbed the bald head's wrist!

The ferocious punch of the bald head was easily caught in this way!

The bald head was startled, and he looked intently, only to realize that the one who grabbed himself was the young man sitting in front of Bajiquan!

"What? Do you want to fight two-on-one with Bajiquan?"

The bald head roared angrily!

David let go of his bald head and said with a cold smile: "Wuxi lost, he admits defeat, I will fight you in this match!"

"Thank you, Mr. Chen for saving your life..."

Wu Xi's forehead was full of cold sweat at this time, and he walked around the edge of death, which made him feel terrified!

"Go down!" David said lightly!

Wu Xi nodded and jumped off the ring!

The bald head narrowed his eyes slightly, and looked at David vigilantly. He could easily grab his wrist, and the strength of someone who was effortless must not be underestimated!

"I've been fighting for many games, and my body is already exhausted. According to the rules, I can apply for a rest and let others play against you first!"

The bald head is not sure about David's strength, so he intends to let David fight with others first, so that he can observe from the side!

"You are not tired, are you afraid?" David raised his mouth: "I can use only one hand!"

David put one hand behind his back, only stretched out the other hand, and waved at the bald head!

This time, the bald head was furious in his heart. In front of so many people, he even hit him with one hand. If the bald head was flinching, it would become the laughing stock of everyone!

When everyone in the audience saw this, they all started talking. Even the old people on the stage were very interested in David, only that Sun Simiao looked at David with a gloomy face!

In a corner under the stage, Bai Zhantang led people into the mix. At this time, he was looking at David with stern eyes. On the other side, Qin Feng was also in the crowd. Seeing David on the stage, Qin Feng's eyes were also slightly squinted, with a bit of playfulness on his face!

"Boy, you are so arrogant, no matter which son you are, the death and injury in the arena will not be investigated. If I miss you and kill you, you can't seek revenge from me!"

The bald head looked at David coldly and said.

The bald head didn't know David's identity. He was afraid of David's background. If he really killed David by mistake, it would be a big disaster!

"Don't worry, if you have the ability to kill me, no one will seek revenge for you!"

David said lightly.

## Chapter 447

"That's good!" After the bald head finished speaking, the whole person suddenly burst out, and then the skin of the whole body began to turn blue and black, and the blue veins on the forehead also protruded one by one!

In the sound of the roar, the bald head attacked David, and the punch was so powerful that it went towards David like the top of Mount Tai!

Wu Xi, who was in the audience, changed his face slightly. If the bald head attacked with this punch at the beginning, Wu Xi might not be able to hold on for so long!

Looking at the bald head's punch, David had a contemptuous smile on his face. After the bald head approached, he punched lightly. In the eyes of everyone, David's punch was soft, and there was no way to follow the bald head. Compared to that punch!

However, when the two fists collided, the huge impact spread directly to the surroundings. Several old people on the stage hurriedly used their internal

energy to resist, while many tables and chairs under the stage were overturned one after another!

click

A crisp sound!

When everyone looked, they found that the bald-headed arm had been weirdly bent, and his whole person's feet were deep in the ring, his face became pale, and his eyes looked at David in horror!

"I...I admit..."

The bald head found that David's strength was no longer what he could imagine, so he hurriedly conceded defeat!

But before the words were finished, David slapped him over!

Snapped!

With a crisp sound, half of the bald head's face instantly became red and swollen, all the teeth in his mouth fell out, and the severe pain caused the bald head to open his mouth and make a babbling sound.

"I know you want to admit defeat, but I won't give you a chance to say it..."

After David finished speaking, he swung his fist towards the bald head!

The bald head roared loudly, desperately using the other hand to stop him, he wanted to escape, but his feet were already caught in the ring and could not move!

puff...

David punched the bald head's chest, the bald head's body that the fist penetrated directly, exposed from the other side, and blood fell from David's fist!

The bald head's eyes were wide open, and he lowered his head unwillingly, obviously dead!

This time, the audience was dead silent, everyone's eyes fell on David, and David swept the stage: "Is there anyone else on stage?"

All the people in the audience didn't dare to speak. The strength of the bald head was easily killed by David with one hand, and the others were also sent to death!

"A bunch of trash..."

With a cold snort, a figure floated up onto the ring.

"Jiang Zhengde?"

This time, many people in the audience could see the identity of the person who came. After all, it was a big news that Jiang Zhengde was kicked out of the Jiang family!

When Sun Simiao saw Jiang Zhengde on stage, his eyes narrowed slightly, but he didn't say anything, but the old man next to him spoke up.

"Jiang Zhengde, this is a martial arts gathering. There are rules in the ring. You can't take the stage when you are thirty-five years old. You are already over the age. Come on!"

But who knew that Jiang Zhengde sneered: "Old man, I didn't fart if I didn't see the surnamed Sun, do you have the right to speak?"

Said, Jiang Zhengde waved his hand, and a majestic momentum attacked the old man. The old man's face sank, and he hurriedly used his inner strength

to resist, but he was still directly shot and flew out, and the table and chairs in front of him also became smashed. !

Everyone was amazed when they saw this scene. Being able to sit on the stage and be the referee was naturally strong, but Jiang Zhengde was actually knocked out by Jiang Zhengde at any time.

Sun Simiao's face was ugly. After all, this martial arts party was organized by his Yaowangfu. Jiang Zhengde was here to make trouble and beat his Yaowangfu in the face, especially Jiang Zhengde's words just now made Sun Simiao feel that he had lost all face!

He didn't speak just now, because he wanted Jiang Zhengde to teach David a lesson, but Jiang Zhengde didn't even pay attention to him. How could Sun Simiao endure this in public, not to mention that Bai Zhantang was still watching from the audience. !

## Chapter 448

"Jiang Zhengde, rules are rules. I set these rules. Can you break them?"

Sun Simiao said, his body floated down to the opposite side of Jiang Zhengde!

Seeing this, David withdrew his body slightly to make room for the two of them. He knew that Jiang Zhengde was seeking revenge for himself, but now that the two are going to fight, David can also enjoy the benefits of a fisherman!

"Bullshit rules, don't think that with the backing of the Bai family behind the Yaowangfu, you can yell at me. Believe it or not, I can slap you to death?"

Jiang Zhengde said with a look of disdain.

Sun Simiao is indeed inferior to Jiang Zhengde in strength. He is only skilled in medicine and can make alchemy. His real strength is just that of a master of inner strength.

Sun Simiao's face turned red and white as he was told, and glared at Jiang Zhengde with gnashing teeth.

"Jiang Zhengde, can you bully the people of my Bai family?"

As the voice fell, Bai Zhantang jumped out of the crowd and landed steadily on the stage. Behind Bai Zhantang, there were several servants, each with a strong aura, all of which were at the level of a master of internal strength!

When Jiang Zhengde saw Bai Zhantang on stage, his face changed slightly, and then he opened his mouth and said: "Bai Gongzi, this David killed my father and brother, I must avenge this revenge today, I must kill him!"

As soon as Jiang Zhengde's voice fell, there was an uproar in the audience. Although many people knew that Jiang Zhengde was killed, no one knew who was killed except for those present that day.

Now when Jiang Zhengde said it, everyone knew that David, who had just killed the bald head with one punch, turned out to be the one who killed Jiang Zhengde. No wonder he had the courage to follow the bald head with one hand!

"I don't care if you take revenge, but this is the martial arts party held by my Yaowangfu. This is the arena of Yaowangfu, so if you want to take action, I have to control it!"

Bai Zhantang said coldly.

"Bai Zhantang, now Jiang Zhengde is my guest of the Qin family, don't you give me any face?"

As soon as the voice fell, Qin Feng also stepped into the ring from the crowd, and behind Qin Feng, also followed several servants of the strength of the master of internal strength!

Seeing these people who suddenly appeared, the younger generation of warriors in the audience were all ashamed, especially that Wu Xi, his fists clenched, his eyes were full of horror!

He always thought that his strength could be regarded as the best among the younger generation, but now Bai Zhantang and Qin Feng, both of which were stronger than him, even surpassed his father Wu Liuyi.

Now Wu Xi finally understands that he is a frog at the bottom of the well. It seems that the outside world is far more powerful than he imagined.

The appearance of Bai Zhantang and Qin Feng really hit the younger generation of warriors in Jiangnan and Jiangbei a lot. Originally there was one David, and everyone took it as an example, but now there are many young masters of inner strength in their twenties. Such a blow is too hard to accept!

On the ring, looking at Qin Feng who appeared, Bai Zhantang did not answer him directly, but turned to look at David: "You see today's situation, if you agree to my request, I can help you settle it, otherwise , you know the consequences..."

Bai Zhantang is threatening David, he wants the pill formula on David, now is a good opportunity!

David sneered disdainfully: "I haven't paid attention to these cats and dogs!"

David's words made Bai Zhantang stunned. You must know that Jiang Zhengde's strength is higher than that of Jiang Zhengzhong, not to mention that the other party still has Qin Feng, and there are several masters under his command. David is alone, so where does the courage come from? Say something like this?

"Okay, since that's the case, then I'll stand by!"

After Bai Zhantang finished speaking, he led people to the side of the ring, and Sun Simiao followed closely and asked in a low voice, "Second Young Master, do you really want that Jiang Zhengde to kill David? In this way, we can't take it. It's Danfang!"

## Chapter 449

"Don't worry, when the kid is beaten to death, I'm going to save him, I must first cure his arrogance!"

Bai Zhantang said lightly!

After Bai Zhantang led people away, Jiang Zhengde glared at David: "Boy, today I want to avenge my father and brother and restore my Jiang family's prestige!"

Jiang Zhengde said that he was about to attack David, but he was stopped by Qin Fengyi!

Qin Feng looked at David with a light smile: "We meet again, it's really fate!"

Qin Feng met David at Gu Ling'er's parents' house. He felt that David's aura was strong and his strength was definitely not ordinary. He just didn't expect that David was the one who killed Jiang Zhengzhong!

"It's very fateful!" David smiled coldly.

"Tell me, what does Bai Zhantang want from you? If you can tell me and promise to follow the Qin family, I can let Jiang Zhengde spare you, and you don't need to owe the Bai family!"

Qin Feng knew that Bai Zhantang must be trying to get something from David, otherwise he would not follow their Qin family as an enemy for a David, and this thing is very precious!

As soon as Qin Feng's voice fell, Jiang Zhengde glanced at Qin Feng, but didn't say anything. If Qin Feng really spoke, he would not be able to spare David. If you kill him, he will also kill Jiang Zhengzhong's brother.

He is now looking for David to seek revenge. It is nothing more than an excuse. After killing David, he will take charge of the Jiang family again. From now on, the Jiang family will be the Qin family's power in Jiangbei!

"Are you serious?" David asked Qin Feng.

"Of course, who doesn't know what Qin Feng said!"

Qin Feng patted his chest and said.

At this time, Bai Zhantang clenched his hands slightly and frowned. He did not expect Qin Feng to do such a thing. If David was bought by the Qin family, it would be a loss for them!

"Okay, I'll tell you!" David smiled playfully: "Then Bai Zhantang wanted to recognize me as a godfather, but I didn't want such a big godson, so I didn't agree, but he kept pushing me hard!"

"If you also want to recognize me as your godfather, I can consider it!"

After David finished speaking, the people in the audience suddenly burst into laughter, and Bai Zhantang's face instantly turned ashen.

And Qin Feng's face turned cold: "Are you kidding me?"

"What's wrong with you? Just a guy like you who only plays with women, I don't even look down on me as a godfather!"

David sneered disdainfully.

Obviously, what he said was referring to Qin Feng and Gu Linger's divorce.

"you wanna die..."

Qin Feng gritted his teeth and said to Jiang Zhengde, "Kill him for me, and tear him to pieces!"

Jiang Zhengde got Qin Feng's order, and his breath burst out instantly, directly shrouding David!

"Boy, today I will smash your corpse into ten thousand pieces!"

Jiang Zhengde is like a bloodthirsty beast, staring at David!

"Hmph, even a running dog dares to bark? Haven't you heard that a dog that bites doesn't bark?"

David snorted coldly, his body also exuding bursts of terror!

The two breaths collided together, creating a hurricane in an instant!

"Back off!" Seeing this, Qin Feng immediately jumped to the edge of the ring with his men!

David and Jiang Zhengde stood still, but with the two at the center, the wind was raging and sweeping!

Soon, Jiang Zhengde had sweat on his forehead, but David stood with a light expression on his face, as if he didn't exert any strength!

"Is that all you can do?" David saw Jiang Zhengde's face getting worse and worse, and sneered: "At your level, I am afraid that you are not qualified to be a dog!"

"Ahhh... boy, I must kill you!"

Jiang Zhengde was already furious. In front of everyone, David made unkind words again and again. He couldn't take it anymore!

## Chapter 450

After an angry shout, Jiang Zhengde raised his hand and walked towards David. The huge fist shadow enveloped David, like a mountain pressing down!

Under this punch, the ring began to tremble, and the hard slates on the ring began to crack. Even those on the edge of the ring felt the pressure!

"David..."

When Gu Linger and Sonya saw this, they all exclaimed and wanted to rush up!

"None of you move!"

David hurriedly stopped Gu Linger and Sonya, they both came to power, it was useless!

But just when Gu Linger and Sonya got up and were about to run towards the ring, Bai Zhantang and Qin Feng on the side of the ring looked at Gu Linger and Sonya together!

After all, both of these beauties wanted to take a second look, but with this look, the eyes of Bai Zhantang and Qin Feng burst out at the same time!

Because they found the jade pendant on Sonya's body, which is exactly what they were looking for this time!

Without the slightest hesitation, Bai Zhantang and Qin Feng jumped up and grabbed Sonya together!

"what..."

Sonya was so frightened that she instinctively screamed!

Gu Linger hurriedly took action to stop it, and Wu Xi also jumped up, ready to stop the two!

However, their strength is incomparable with Bai Zhantang and Qin Feng. Before they approached, they were blown aside by the powerful energy!

At this moment, when David on the ring saw Bai Zhantang and Qin Feng grabbing towards Sonya, his eyes suddenly burst into cold light, and his body jumped up from the ring!

"Boy, do you want to go?"

At this time, Jiang Zhengde's fierce punch had already fallen!

"Go away..."

At this time, David was in no mood to fight with Jiang Zhengde, shouted angrily, and suddenly waved his hand to take it!

Bang!

With a loud bang, Jiang Zhengde was directly shot to the ground by David, and his body fell into the ring, as if it was inlaid!

Seeing this scene, everyone's faces were shocked. They had seen Jiang Zhengde's strength with their own eyes. Now David took Jiang Zhengde into the ring with one palm. It seems that David's strength far exceeds their imagination. !

Especially that Gao Baisheng, whose face was red and white, with his strength, he still wanted to compete with David at that time. If David hadn't looked at Wu Xi's face at that time, he would have become a dead soul by now. !

David's body jumped down from the ring, but at this time, Bai Zhantang and Qin Feng had already arrived in front of Sonya, and they both grabbed Yupei at the same time!

But at this moment, a burst of red light suddenly appeared on the jade pendant. Bai Zhantang and Qin Feng were both shot and flew out at the same time. They stepped back ten steps in a row, and then stopped!

"It's really good stuff..."

The eyes of Bai Zhantang and Qin Feng are even brighter!

David had already arrived at Sonya's side. Although she had a jade pendant to protect her body, Sonya was still frightened, and there was no trace of blood on her face!

"Sonya, it's alright..."

David hugged Sonya tightly and comforted her!

"David..."

Sonya's body trembled in David's arms!

Feeling Sonya's trembling, the expression on David's face has become extremely gloomy, looking at Bai Zhantang and Qin Feng with cold eyes!

"The woman who dares to touch me, you will all die..."

As the word "dead" came out, a monstrous killing intent erupted from David's body, and everyone around felt the killing intent on David's body.

Bai Zhantang and Qin Feng also frowned and used their inner strength to resist this terrifying aura, but even with their full strength, their bodies couldn't stop shaking!

At this time, Jiang Zhengde had been detained from the ring by Qin Feng's subordinates. The whole person was already bleeding from seven orifices, his eyes were wide open, and he was completely dead!
