

A Man Like None Other Novel

Chapter 571

Of course, Zou Zhaolong knew that the Bagua Pan was carved from a piece of rotten wood, and although Master He did not understand, the so-called activation of the magic circle just now was just that Master He used his own methods to make everyone mistakenly think that the magic circle of the Bagua Pan was activated. .

"This little friend, you don't even believe this old man's eyes?"

Yuan Baozhong, who had never spoken, spoke.

As the number one magician in Hong Kong and China, Yuan Baozhong's words are of course very important, and even Master He is very respectful to others!

"I only trust my eyes!"

David smiled coldly!

"Well, today I'll convince you and let you see if this gossip plate is rotten wood..."

Master Yuan said, picked up the gossip plate, and then moved the magic with one hand. At this time, a vision suddenly appeared on the gossip plate that everyone was looking at. I saw a gossip array on the gossip plate, and the gossip array was flashing. The golden light is constantly spinning!

"Duh..."

Master Yuan shouted, and saw that the gossip formation suddenly burst open, and then countless rays of light formed a spell!

The eyes of the person with the bright golden light could not be opened, and the whole room was like a fairyland!

But soon, the golden light disappeared, and the Bagua Pan returned to its original shape!

But at this time, all the people were short of breath, staring at the gossip plate, their eyes were about to pop out, and everyone was full of disbelief!

"Master Yuan is not a loss for being the number one magician in China and Hong Kong. I am ashamed, ashamed..."

Master He said with envy and reverence in his eyes.

"Such magic tools are really good things. If it weren't for Master Yuan, this kind of good thing would have been buried by us!"

"I have never seen such a powerful magic weapon!"

"I saw it today, even if I go bankrupt, I will buy it..."

For a while, everyone was talking about it, one by one preparing to take action, no matter how much it cost, they will get this gossip plate!

Bai Xiushan has already called his family to prepare more funds, because he knows that the competition for a while will be very fierce!

When everyone saw this, they also called to raise money. It seems that the competition for a while will be very cruel!

Zou Zhaolong followed Yuan Baozhong to look at each other and smiled, and his heart had already blossomed with joy!

“Do you still say that this gossip plate is just a piece of rotten wood?”

Yuan Baozhong looked at David with a mocking expression and asked!

When Yuan Baozhong asked, everyone looked at David with disdain on their faces!

“A hairy child, who knows sh!t, is blind, and takes it as a guest!”

“In front of so many masters, he dares to use an axe and provoke Master Yuan. It’s really a newborn calf who is not afraid of tigers!”

“If I were Master Yuan, I would have slapped him to death long ago!”

“I really don’t know where this guy came from. I’ve never heard of it, and he dares to come to Kyoto to show his ugliness!”

Everyone was mocking, and even the Bai family was implicated, which made Bai Xiushan’s face ugly!

On the other hand, David looked indifferent!

“Boy, what did Master Yuan ask you, why are you dumb? If you obediently admit defeat and hand over two billion, we won’t care about you...”

Qin Xiaotian looked at David and said with a sneer!

“Rotten wood is rotten wood. No matter how high the technique is, it is useless. It can’t change the fact that this is just a piece of rotten wood...”

David said lightly.

Seeing that David dared to say so, everyone was stunned, even that Bai Xiushan was shocked, and hurriedly whispered: "Mr. Chen, don't say it anymore..."

Although Bai Xiushan knew that David was a monk, he had never seen David's ability with his own eyes, but what is the difference between Master Yuan's ability and immortality? He didn't think David's ability was higher than that of Yuan. Grandmaster!

Chapter 572

Not to mention Yuan Baozhong, even if it is Master He, David may not be able to compare. After all, David is still young. You must know that whether it is a martial artist, a warlock, or a cultivator, it takes time to sharpen it!

"Boy, are you blind? I just started the formation in this gossip plate, didn't you see it? How dare you say it's just a piece of rotten wood?"

Yuan Baozhong stared coldly at David!

How could the dignified No. 1 magician in China and Hong Kong tolerate the repeated provocations of a little hairy child!

That Zou Zhaolong also looked at David with an unhappy face. If it weren't for this David, now his gossip plate has been robbed by everyone at a high price, and now this guy has been making trouble!

"Boy, you are really brave, even Master Yuan dares to question, do you know how capable Master Yuan is?"

Then Master He looked at David and said with a sneer.

This Master He is going to step on David to curry favor with Yuan Baozhong. The hand that Yuan Baozhong showed just now is enough for the other masters to pay homage!

"Hmph..." David smiled coldly: "Because I'm not blind, I won't be deceived by you. The so-called opening of the magic circle just now is just relying on some of your own techniques to blind everyone. Where is the array in the gossip plate, do you really think no one can see it?"

David's words hit the sore spot of Master He and Yuan Baozhong all at once. Both of them really used their own magic techniques and did not activate any magic circles, but Yuan Baozhong's magic skills were brilliant, and no one could see them. Just come out.

As for Master He, some people saw it, and they didn't say it explicitly. At least Yuan Baozhong knew that Master He was lying, but it was beneficial to him, so why should he expose Master He?

"Boy, what nonsense are you talking about? Could it be that the vision just now was not achieved by my own magic, do you mean that everyone is blind, and only you can see it?"

Yuan Baozhong roared angrily!

Yuan Baozhong's words are obviously a misfortune to make everyone dissatisfied with David!

Sure enough, as soon as Yuan Baozhong's voice fell, everyone began to curse directly at David!

"You are a fucking little brat, dare to say that we are all blind? Who didn't see the vision that the magic circle launched just now?"

"Bai Xiushan, where did you invite this kid, what is it?"

"This old man has been studying magic for decades, but he still became blind in the end?"

"I've never seen such a coercive person. It seems that they haven't been beaten by society!"

...

You must know that the people who can sit here are all the major wealthy families in Kyoto, and many of them are no worse than the Bai family, so Bai Xiushan listened to the scolding in the crowd, but he could only look ugly and dare not say anything!

He can't follow the entire capital circle as an enemy, can he? Their Bai family is not powerful enough to dominate the entire Kyoto!

Seeing everyone scolding David, Master Yuan's expression softened slightly, and Qin Xiaotian couldn't even smile.

"Boy, you said that Master Yuan did not activate the Bagua Pan formation, what evidence do you have? You can't just say nothing, right? You have to show some skills to convince everyone. If you don't have that ability, you can only lose. With the two billion lost, don't even think about leaving the capital today..."

Qin Xiaotian's eyes were full of killing intent!

"Do you want evidence?" David looked at Qin Xiaotian and asked playfully.

"Nonsense, there is no evidence to prove that this gossip plate is a piece of rotten wood, that means you lost, you are talking nonsense..."

Qin Xiaotian snorted coldly!

"Do you also want me to show evidence?" David looked at Yuan Baozhong and asked.

Yuan Baozhong was about to speak, but David continued: "You have thought about it, you know best what this gossip plate is!"

Chapter 573

David's words really made Yuan Baozhong hesitate for a while, and even Zou Zhaolong, who was on the side, couldn't help but feel tight!

If David really has the ability to come up with evidence that this gossip plate is nothing but rotten wood, will these Kyoto rich people let him leave easily?

Seeing Yuan Baozhong hesitate for a while, everyone was stunned, and all turned their attention to Yuan Baozhong!

"Stop talking nonsense, take it out if you can, of course I know what I have identified!"

Yuan Baozhong saw that everyone was looking at him, his face sank immediately, and he said to David!

"Boy, did you hear me? If you have any ability, just use it. If you can't prove it to us today, even if I don't embarrass you, do you think others will let you go?"

Qin Xiaotian sneered!

David ignored that Qin Xiaotian, but took out a coin from his pocket and put it on the table: "Everyone, I happen to have a magic weapon here, so that everyone can open their eyes!"

When everyone saw that David put an ordinary coin on the table, they immediately reprimanded: "What the hell is this, isn't it just a coin?"

"This is also a magic weapon? If this is a magic weapon, don't I have hundreds of magic tools at home?"

"Are you taking us for fools? A steel shovel is also a magic weapon?"

Everyone yelled at David!

However, David disagreed, but looked at Master Yuan: "Master Yuan, do you think this is a magic weapon that I took out?"

Yuan Baozhong didn't know what trick David was playing, but it was really just an ordinary coin, what kind of magic weapon was it!

"This is just an ordinary coin, how could it be a magic weapon!"

Yuan Baozhong said.

"It seems that you are not blind!" David sneered: "You can even tell that this is just an ordinary coin!"

"Boy, what the fuck are you talking about?"

"Dare to play with us, you can't even think of going out of Kyoto today!"

"Our group of people was tricked by a little boy. If this is spread out, how will our group in Kyoto get along?"

A group of people looked at David angrily, and some even wanted to do it, but fortunately Bai Xiushan stopped him!

"Although this is just an ordinary coin, I said it is a magic weapon, and he is a magic weapon..."

I saw David holding the coin, pinching his fingers and punching a small flame formation on the coin, I saw the coin burn directly!

The coin was surrounded by flames and kept burning, but there was no change in the coin!

"What is this? Magic?"

Qin Xiaotian looked at the burning coins and said with a look of disdain.

"A high-level magician can play better than you, isn't it just coin burning? You know a little bit of chemistry, so are you relying on this to fool these magic masters?"

"It's too paediatric, I thought I had any skills!"

"I laughed so hard, he actually said that this is a magic weapon, then my lighter is also a magic weapon, and it can burn!"

Everyone sneered at David!

Even those masters with palms and eyes looked down on David, only that Yuan Baozhong's complexion changed and changed, with surprise and shock in his eyes!

He could see that the coin in David's hand was an ordinary coin, but the burning at this time was not some kind of magic, nor was it a chemical reaction, but that David had just punched a small flame in the coin. !

Although this flame formation is not an advanced formation, it is almost impossible to quickly penetrate into the object. Even if he wants to refine the magic weapon himself, it will take several days or even dozens of times. It takes days to put the formation into the object, and it also consumes a lot of physical strength!

Chapter 574

However, David actually broke into the flame formation in a small coin in an instant, and it seemed very easy, just this, Yuan Baozhong thought he couldn't do it!

Zou Zhaolong seemed to have noticed something was wrong with Yuan Baozhong's expression, so he whispered in Yuan Baozhong's ear, "Master Yuan, what's the matter with you?"

"This kid is very skilled, we underestimate him..."

Yuan Baozhong's eyes were slightly condensed, and his face was very solemn!

"What?" Zou Zhaolong's pupils suddenly enlarged, looking at David in disbelief!

For such a young person to be able to be said by Yuan Baozhong, it can be seen that his strength is indeed extraordinary!

"Then what should we do?" Zou Zhaolong asked.

"You can't let him watch the gossip plate, find a way to get rid of things quickly, and then leave here..."

Yuan Baozhong said cautiously.

"Okay!" Zou Zhaolong nodded!

At this time, David ignored everyone's ridicule, but picked up the coin and gently rubbed it twice in his hand. After the flame went out, he put the coin in his pocket again!

"Master Yuan, bring the gossip plate, and I'll show you if it's a piece of rotten wood..."

David looked at Yuan Baozhong and smiled slightly.

But who knew that Yuan Baozhong picked up the gossip pan and said: "This is the end of today's matter. As for whether this gossip pan is a magic weapon or rotten wood, I don't want to argue, you all know that magic tools have a lifespan, and the array has not been activated once. I don't want to waste the energy in the gossip plate for some pointless arguments!"

"And if it is messed with by some people who don't understand, if it is damaged, or it is burned by fire, it will be a loss to everyone. After all, this kind of high-level magic weapon is not common, so what kind of bet is there? I don't want to ask, things are here, believe it or not, it's up to you to decide!"

Yuan Baozhong said, he even put the gossip plate back, and he didn't even let him take a look!

This time, everyone was a little surprised. Just now, Master Yuan was still aggressive. Why was he suddenly not allowed to see it?

Could it be true what David said, this gossip plate is just a piece of rotten wood?

"Master Yuan is right. The energy of this magic weapon is not inexhaustible. If it is damaged by some people who don't understand it, it will be troublesome. Anyway, this gossip plate will be decided by my Qin family..."

Qin Xiaotian said.

When Qin Xiaotian said this, everyone also responded, but the mood was not so high, and they were afraid of spending a lot of money to buy a fake.

"Everyone, this little friend just said something right, that is, anything, before it is injected into the magic circle, is an ordinary thing. If there is no gossip circle in this gossip plate, it is just a piece of rotten wood. Now this gossip plate is just a piece of rotten wood. There are gossip formations in it, and I will also inject some feng shui formations into it to ensure that those who have been bathed in this formation all year round will live longer, and it will also improve family luck..."

Yuan Baozhong saw that everyone's mood was not very high, so he said again!

This time, everyone's breathing suddenly became rapid, and their eyes were all red. Even if it was a piece of rotten wood, Yuan Baozhong said that he would inject a feng shui array into it. This is also a priceless treasure!

Seeing everyone's re-excited expressions, Zou Zhaolong and Yuan Baozhong looked at each other, feeling extremely proud in their hearts!

"Boss Zou, this thing is yours, hurry up and make a reserve price!"

Qin Xiaotian asked impatiently.

Seeing Qin Xiaotian's impatient look, David, who had wanted to argue with Yuan Baozhong for a few words, closed his mouth with a sneer on his face. Since all these people wanted to be deceived, why should he care about it!

"Okay, since everyone has seen the power of this gossip plate, and Master Yuan just said so, then I will say a reserve price, the minimum starting price is 100 million, and the minimum price is 10 million each time, and the higher price will be... "

Zou Zhaolong stretched out a finger and said.

Chapter 575

"I'll give two hundred million..."

As soon as Zou Zhaolong finished speaking, Qin Xiaotian couldn't wait to double the price!

As soon as Qin Xiaotian finished speaking, someone immediately followed suit!

"I'll give 210 million!"

"I'll pay 250 million!"

"I'll pay 280 million!"

"Three hundred million!"

In a short period of time, the price has climbed directly to 300 million, and it is still rising. You must know that all the rich people in Kyoto are sitting here, and a few hundred million is really nothing in their eyes!

Looking at these people's desperate bids, David's mouth slightly raised, and he leaned directly on the seat, closed his eyes slightly, and rested!

Bai Xiushan looked at David and was very anxious. This kind of magic weapon is rare, and Yuan Baozhong also swore that he could set up a feng shui array to make the family prosperous. This is too tempting!

It's just that David didn't speak, and Bai Xiushan really didn't dare to ask for a price privately. Now that David closed his eyes slightly, he was recharged, and Bai Xiushan was as anxious as an ant on a hot pot!

Now the price is still going up wildly, these people are blushing, desperately trying to raise the price, and even calling the family to raise money, it seems that they all want to fight!

Soon, the price climbed directly to 2 billion, which was 20 times more than the reserve price. This made Zou Zhaolong and Yuan Baozhong look at each other, and their hearts blossomed with joy. It seems that there are really many rich people in the inland.

"I gave 3 billion, and today my Qin family is determined to win..."

Qin Xiaotian suddenly raised the price by one billion yuan. He knew that a little increase would only make everyone crazy!

Sure enough, Qin Xiaotian's voice fell, and the scene was instantly quiet!

Although these people are not bad for money, but the price has increased by one billion yuan all of a sudden, this kind of courage still surprises everyone!

Seeing that everyone was quiet, Zou Zhaolong glanced at everyone:

"Everyone, is there any price increase, if not, then this gossip plate belongs to Boss Qin!"

Zou Zhaolong deliberately slowed down his speech, hoping that someone could not help but add a wave. Although 3 billion has already exceeded his expectations, who still thinks that there is too much money?

"Everyone, today my Qin family remembers everyone's favor. When my eldest brother leaves the customs, I will invite you all to gather together, and please give me this gossip plate to my Qin family..."

Qin Xiaotian was also afraid that someone would suddenly increase the price, so he cupped his hands and said!

Obviously, Qin Xiaotian moved his eldest brother out, which was a small threat to everyone!

After all, Brother Qin Xiaotian has been in seclusion for the past few years, no one knows how strong his strength is, so no one is willing to fight against the Qin family!

"Since Boss Qin said so, then I won't argue..."

"I don't want to fight anymore, it's just a magic weapon. I believe that Boss Zou can find more powerful magic tools later..."

"Boss Qin, we all sell you a face, you can't forget this favor..."

Everyone spoke up.

"Don't worry, I will definitely tell my eldest brother about today's matter, everyone will give me the Qin family's face, and one day if you have something, my Qin family will definitely help..."

Qin Xiaotian got up and bowed to everyone!

After all, the people sitting here are the big bosses of various families in Kyoto, and Qin Xiaotian doesn't dare to be too big!

Seeing this, Zou Zhaolong felt a little disappointed. He also thought that others were adding a wave of prices, so that he could earn more!

“Since everyone is not arguing with Boss Qin, then this gossip plate belongs to Boss Qin, but I can put the ugly word up front. I will not owe any credit here. The money must be credited to my account!”

Zou Zhaolong said to Qin Xiaotian!

Chapter 576

“Don’t worry, Boss Zou, I will arrange for someone to transfer the money right away...”

Qin Xiaotian said proudly!

“Wait a moment...”

Just when Qin Xiaotian was about to transfer money, Bai Xiushan suddenly stood up!

He couldn’t helplessly watch the Qin family buy this magic weapon. In that case, the gap between the Bai family and the Qin family might get bigger and bigger. Although there is a cultivator named David behind the Bai family, David is too young after all. , Who knows how long it will take for him to master the practice!

“Boss Bai, what’s the matter?”

When Zou Zhaolong saw Bai Xiushan stand up, his eyes lit up.

“I want this gossip plate, and I will pay 3.1 billion!”

Bai Xiushan said directly to Zou Zhaolong!

At this time, Bai Xiushan didn't dare to disagree with David, he had to get the gossip plate!

Zou Zhaolong smiled and looked at Qin Xiaotian: "Boss Qin, you see Boss Bai's bid, do you still want to add it?"

Qin Xiaotian's face was ugly, and he stared at Bai Xiushan!

"I will pay 3.2 billion!"

Qin Xiaotian gritted his teeth and shouted directly!

"Three.3 billion!"

Before Qin Xiaotian's voice could fall, Bai Xiushan directly raised the price!

Seeing Bai Xiushan following Qin Xiaotian on the bar, Zou Zhaolong's face burst into a smile, and he can earn some more money this time!

Everyone else looked at it like a joke, no matter how far the Bai family and the Qin family fought in the end, they were the ones who benefited anyway!

There are only so many resources in Kyoto, and there is more competition for one wealthy family. If these two big families can survive, it will be an opportunity for other wealthy families!

"Master Bai, are you trying to fight with my Qin family?"

Qin Xiaotian gritted his teeth and asked with red eyes.

"Qin Xiaotian, whoever has the highest price wins. How can I argue with your Qin family? If your Qin family can't afford the price, then give me the gossip plate..."

Bai Xiushan said with a faint smile!

"You can't even think about..."

Qin Xiaotian gritted his teeth: "I will pay four billion!"

"five billion..."

Bai Xiushan said unhurriedly, it seems that five billion is a piece of cake for the Bai family!

In fact, even if they are a wealthy family in Kyoto, it is not easy to come up with 5 billion at once. After all, they will not be allowed to owe credit. They have to collect 5 billion in a very short period of time. I believe that there is no family who can do it. several!

"It seems that the Bai family is really hidden, five billion is such an understatement!"

"I heard that the Bai family makes a lot of money in medicine!"

"Hey, it seems that we people have to work hard, or we will be left behind by the Bai family!"

...

All these rich people in the second round are talking about it, and it is really powerful to be able to give out 5 billion at once!

Qin Xiaotian's eyes twitched twice. He didn't expect Bai Xiushan to be so ruthless, and it suddenly increased to 5 billion!

Although the Qin family can collect 5 billion, but such a huge number, Qin Xiaotian is a little afraid to call the shots. After all, the current family leader is still his eldest brother, he is just an escrow!

"Boss Qin, if you don't add it, then I will give the gossip plate to Boss Bai!"

Seeing that Qin Xiaotian's face was ugly, Zou Zhaolong didn't speak, so he asked!

"I'll add it!" Qin Xiaotian's face flushed, and he gritted his teeth: "I'll pay 6 billion!"

When Qin Xiaotian's voice fell, Bai Xiushan's calm face instantly became ugly!

Five billion is actually the limit for him. The reason why he acted so lightly just now was to make Qin Xiaotian mistakenly think that the Bai family still has strength, so he did not dare to increase the price, but who would have thought that Qin Xiaotian would increase the price by another billion!

If Bai Xiushan was increasing the price, it would be difficult to collect so much money in a short period of time. You must know that Zou Zhaolong would not allow him to take credit!

Seeing Bai Xiushan's embarrassment, Qin Xiaotian laughed: "I thought your Bai family was very powerful, but it turned out to be a pretense. If you have the ability, you are adding!"

Chapter 577

Bai Xiushan looked at Qin Xiaotian, although his eyes were full of anger, but he didn't speak, because he really couldn't afford it!

Finally helpless, Bai Xiushan sat back and could only look at Qin Xiaotian with a smug look!

"Boss Qin, the six billion gossips are yours, but I can agree that you must transfer the money to my account first..."

At this time, Zou Zhaolong was already happy, selling a piece of rotten wood for 6 billion was like picking up money!

"Boss Zou, don't worry, I..."

"I'll pay 7 billion!" Before Qin Xiaotian could finish his words, David, who had been closing his eyes for a while, suddenly opened his eyes and said directly.

As soon as David opened his mouth, everyone turned their attention to him, and even Bai Xiushan, who was beside him, looked at David in shock!

Everyone didn't understand, why did David fight for this gossip plate?

Didn't he just say that this gossip plate is just a piece of rotten wood? Since it is rotten wood, why do you still pay so much money to buy it?

"Young man, I can't just call the price here. If you buy it at the price and you don't have the money to pay in the end, do you know what the consequences will be?"

When Zou Zhaolong saw that David was also bidding, he suddenly said coldly!

He thought that David was just following the trouble. After all, Yuan Baozhong said that David's technique is also very good. Since he can see the origin of this gossip plate, why should he still bid for it?

There is only one explanation, and that is to make trouble, in order to spoil this auction!

"Don't worry, since I made a bid, of course I have the money to pay!" David said, and threw the bank card he just used for betting to Zou Zhaolong: "There are 2 billion here, if I succeed and have no money to pay, This two billion is used as a deposit, and it can be non-refundable!"

Zou Zhaolong picked up the bank card and looked at David strangely. He didn't know what medicine was sold in David's gourd, but he nodded and said, "Okay, I believe you..."

"Mr. Chen..." Bai Xiushan looked at David with a puzzled face!

David waved his hand and motioned Bai Xiushan not to speak!

"Boss Qin, someone has bid again!" Zou Zhaolong said to Qin Xiaotian.

At this time, Qin Xiaotian's face has become very ferocious. He glared at David, and suddenly slapped the table and said: "Didn't you say that the gossip plate is just a piece of rotten wood? Why are you still fighting with me? You must have said that on purpose. , in order to make us give up the purchase, you are welcome to bid and find the leaks, right?"

Qin Xiaotian said this, and everyone looked at David angrily. Now there is no other possibility except this explanation. If it is really a piece of rotten wood, who would spend so much money to buy it?

Even Bai Xiushan looked at David in admiration. He didn't expect David to use this method to pick up leaks. Although it didn't work, it was indeed a feasible method!

"This gossip plate is a piece of rotten wood. It's a fact. I don't need to lie to people, but I'm happy to spend money to buy this piece of rotten wood. I buy it to make a fire. Do you care? I don't want your Qin family to buy it. !"

The corner of David's mouth was slightly raised, and he said with a playful look!

This made Qin Xiao's weather bad, and he almost vomited blood out of breath!

"Boy, you have the kind, I want you to know how powerful my Qin family is..."

Qin Xiaotian suddenly slapped the table and shouted, "I'll give you eight billion!"

"Nine billion!" David said without hesitation!

"10 billion, I will give 10 billion..."

Qin Xiaotian's eyes were red and he yelled like he was crazy!

When Qin Xiaotian shouted 10 billion, everyone looked at David, expecting David to continue shouting!

But who would have thought that David stopped shouting, with a successful smile on his face!

Chapter 578

"Little brother, you..."

"I don't want it anymore, you can sell him for 10 billion..."

David smiled lightly and waved at Zou Zhaolong, motioning Zou Zhaolong to return his bank card.

Zou Zhaolong threw the bank card to David with an inexplicable look on his face, but David jumped out and directly increased the price by 4 billion. What an attempt!

Seeing that David stopped bidding, Qin Xiaotian sneered: "Fight with my Qin family, you are still a little tender..."

"Boss Qin, the gossip plate is yours, you can transfer the money!"

Zou Zhaolong said.

Qin Xiaotian was stunned for a moment, and then said a little embarrassedly: "Boss Zou, I will pay you 5 billion first, wait a moment, I will go to raise money immediately, and transfer all the money to you before dark at the latest!"

Zou Zhaolong thought for a while, and finally nodded and said, "Boss Qin, that is, you, I don't agree to change it to another person, you can transfer the money first!"

Qin Xiaotian transferred 5 billion to Zou Zhaolong, and Zou Zhaolong directly gave Qin Xiaotian the gossip plate: "Boss Qin, I'll go to the bathroom with Master Yuan first, and then let Master Yuan put a feng shui array on you when I get back, but you have to hurry up. Raise money!"

"Definitely, definitely..." Qin Xiaotian took the gossip plate excitedly!

Zou Zhaolong and Yuan Baozhong went out, and there were only these big men in Kyoto left in the room.

Qin Xiaotian was holding the gossip plate, looking like he couldn't put it down, with a strong smug look on his face!

"Boss Qin, congratulations!"

"With this magic weapon, the Qin family has a higher level of strength!"

"Although the price is a bit expensive, it is indeed a good thing..."

Everyone congratulated Qin Xiaotian, which made Qin Xiaotian so proud that he didn't even know his surname!

"I bought a bunch of junk, what's there to be proud of..."

At this time, David snorted coldly!

"David, I think you just can't eat the grapes and say the grapes are sour. Didn't you bid for the auction just now? Now you say it's tattered? Even if it's tattered, my Qin family has it, do you have it?"

Qin Xiaotian sneered!

"I think it's just jealousy, this gossip plate must be a treasure!"

"He's a hairy kid, he knows sh!t, don't listen to him!"

"I think this kid is here to make trouble!"

Everyone also laughed at David!

"Mr. Chen, what should we do?" Bai Xiushan's face was solemn. Now the gossip plate has been bought by the Qin family. If it is true as Master Yuan said, the Qin family's luck will be prosperous, then the Bai family will be destroyed by the Qin family sooner or later. !

David smiled slightly at Bai Xiushan and said nothing, just waved his hand lightly. Suddenly, the voices of Zou Zhaolong and Yuan Baozhong were heard in the room, as if a loudspeaker was playing, and everyone was stunned. Now, listen quietly!

"Hahaha, I'm really happy today, these guys are stupid and rich, and a piece of rotten wood is sold for 10 billion!"

Zou Zhaolong said with a big smile!

"This time, it was really unexpected. These palm-eye masters are also worthy of being called masters, a group of blind things, but that David can actually see that this gossip plate is not a magic weapon. Fortunately, I was witty at the time. , did not let him identify..." Yuan Baozhong said!

"Thanks to Master Yuan this time, I will personally deliver the money to Master Yuan's mansion when I go back, but I will make a Fengshui formation for a while, and Master Yuan will have to pay more attention!" Zou Zhaolong said.

"The feng shui formation of the f.art, this formation can be arranged in a moment and a half, I will use a little magic for a while, and I will deceive these guys. They can't see it anyway, and when they find out, we will already gone..."

"Ha ha ha ha..."

The two laughed at the same time.

Chapter 579

This time, everyone in the room was dumbfounded. They looked around desperately and found that there was no loudspeaker in the room, but the voices were indeed Zou Zhaolong and Yuan Baozhong.

At this time, the one with the most ugly face is Qin Xiaotian. If this is true, then he has become a big head. All these instruments were bought by him!

Qin Xiaotian looked at Master He next to him in shock: "Master He, tell me the truth, is this gossip plate a magic weapon?"

At this time, Master He was already full of embarrassment, and his brows were slightly wrinkled: "Boss Qin, whether this gossip plate is a magic weapon, I really didn't see it..."

"Impossible, didn't you still activate the formation? How could you not see it?"

Qin Xiaotian asked in disbelief.

Master He's face was flushed, and it was now time, he could only say truthfully: "Actually, the so-called urging formation is just a little trick I performed, and I couldn't find out whether it was in the gossip disk at all. There is a magic circle, as for whether it is true that Master Yuan urged the magic circle, I can't see it, our strength is too disparate..."

Seeing what Master He said, Qin Xiaotian was dumbfounded.

"Mr. Chen, so you've already seen it?"

Bai Xiushan asked David in shock.

"Didn't I already say that the gossip plate is just a piece of rotten wood, but no one believes it..."

David smiled lightly!

When everyone heard David's words, they all blushed with shame. These people were mocking David just now. I didn't expect that they were the real masters!

"Boy, it turns out that you just smothered me..."

Qin Xiaotian also wanted to understand at this time, why David knew that this gossip plate was rotten wood, but he followed the price, in order to raise the price and let himself pay a high price!

"Qin Xiaotian, Mr. Chen has long said that it is a piece of rotten wood. You don't believe it. How come you are overcasting you. It is that Zou Zhaolong who is overcasting you. If you have the ability, you can find him!" Bai Xiushan said to Qin Xiaotian.

"Hmph, I'm definitely going to settle accounts with him..."

Qin Xiaotian snorted coldly, and his anger was soaring!

The room was quiet again, but the atmosphere became very depressing. The so-called palm-eye masters all walked away in despair, and even Master He didn't have the face to stay any longer and left!

Bai Xiushan looked at David, excited and excited in his heart. David's strength was far beyond his imagination. In the future, if the Bai family has such people behind their backs, it will be a blessing for the Bai family for a hundred years!

As for the other bigwigs, their expressions of looking at David also changed. Some people wanted to chat with David, but when they remembered the mockery they had just made to David, they all had no face to speak!

Qin Xiaotian's face was full of anger at this time. He gently pressed one hand on his waist. There is a switch here. After pressing it, a soft sword can be drawn from his waist.

Wait for Zou Zhaolong to come back, if he is convinced that everything is true, Qin Xiaotian will use this soft sword to directly cut him, and in front of many big bosses in Kyoto, he has been tricked, how will he be in the capital in the future?

At this time, Qin Xiaotian was trembling slightly, his anger was like a volcanic crater about to erupt, just waiting to find a vent!

Soon, the door of the room was pushed open, and Zou Zhaolong and Yuan Baozhong walked in happily, but as soon as they entered the room, they found that the atmosphere in the whole room was not right, and all the masters of palm and eye had left.

Zou Zhaolong was just stunned for a moment, and he didn't think much about it. After all, everything was sold, and he probably felt that it would be useless for those Palm Masters to stay, so they all said goodbye!

"Boss Qin, how is the money prepared? Bring the gossip plate and let Master Yuan help you set up a feng shui formation!"

Zou Zhaolong said cheerfully to Qin Xiaotian.

Chapter 580

Qin Xiaotian stood up with a gloomy face: "Are you putting a feng shui array on this piece of rotten wood?"

Qin Xiaotian threw the gossip plate directly in front of Zou Zhaolong!

Zou Zhaolong was stunned for a moment, then hurriedly said, "Boss Qin, what do you mean?"

"What do I mean, don't you know?" Qin Xiaotian said with murderous intent in his eyes.

Zou Zhaolong frowned slightly: "Boss Qin, you can't listen to other people's nonsense. This gossip plate is a high-class magic weapon. You all watched Master Yuan demonstrate it just now!"

Zou Zhaolong thought that Qin Xiaotian's attitude changed because he believed what David said!

"Hmph, I don't need to listen to anyone, I just listen to you!"

Qin Xiaotian said, took out his mobile phone and started playing the conversation between Zou Zhao and Yuan Baozhong just now!

Qin Xiaotian just recorded it with his mobile phone, in order to confront Zou Zhaolong, lest Zou Zhaolong not admit it!

Hearing the conversation on the phone, Zou Zhaolong was dumbfounded. He didn't understand what he and Yuan Baozhong said in the bathroom, how could Qin Xiaotian know!

And that Yuan Baozhong frowned slightly, his eyes swept over Zou Zhaolong's body, and suddenly he waved on Zou Zhaolong's body!

"Boy, you actually gave us a sound transmission array?"

Yuan Baozhong glared at David!

It turned out that just when Zou Zhaolong and Yuan Baozhong got up and left to go to the bathroom, David set up a sound transmission array on Zou Zhaolong, so their two voices could reach this room!

"If you didn't get carried away, what's the use of me setting up a sound transmission array?"

David smiled lightly!

David was right, if these two people weren't complacent and started to say everything in the bathroom, what use would this sound transmission array be!

"Boy, you are courting death..."

At this time, Yuan Baozhong was already burning with anger and looked at David!

Zou Zhaolong also glared at David, wishing he could eat David. After all the hard work, he planned to deceive him this time, and he would never come to Kyoto again, but he didn't expect it to be destroyed by David!

This is 10 billion, 10 billion, if you get it, it will be easier than making money in any business!

"I'm just stating a fact, I didn't demolish your platform, otherwise how could you get the five billion!"

David smiled faintly!

"But there are still 5 billion that have not been received, and it's all because of you..."

Yuan Baozhong gritted his teeth and shouted sternly, if it wasn't for David, the other five billion of the Qin family might have been credited soon!

"If you want to trouble me, I can accompany you, but you should follow the Qin family to solve it first..."

The corner of David's mouth raised slightly!

At this time, Zou Zhaolong and Yuan Baozhong remembered Qin Xiaotian, and at this time Qin Xiaotian was already glaring at them!

"Boss Qin, don't listen to that kid's nonsense, even if this gossip plate is rotten wood, with Master Yuan around, I can let him put a feng shui array on it!"

Zou Zhaolong said to Qin Xiaotian!

“Don’t talk nonsense, give me the money back...”

Qin Xiaotian pressed the hilt on his waist and said in a cold voice!

Zou Zhaolong frowned, the money has been received, there is no reason to return it!

“Boss Qin, you bought the things voluntarily, not me forcing you, and you have also found the master of palm eye, you are blind, what does it have to do with me? Once my things are sold, they will not be returned or exchanged. ...”

Zou Zhaolong said coldly, with Yuan Baozhong here, he is not afraid of Qin Xiaotian at all, even if this is the capital of the capital and Qin Xiaotian’s territory, he is still not afraid, which is why he brought Yuan Baozhong this time!

“If that’s the case, then I’ll keep you from leaving the capital...”

As Qin Xiaotian said, he pulled out the soft sword with a humming sound, and bursts of dazzling light radiated from the sword. At first glance, this soft sword was not ordinary!
