

A Man Like None Other

Novel

Chapter 821

Zhao Chuang's face was also extremely ugly, and he was embarrassed in front of the beautiful woman. Zhao Chuang felt that he had lost all face, and walked over quickly.

Xuanyuan Kai didn't move, and Cheng Kun didn't move either.

At the same time, David also frowned slightly. Although the man in the suit just showed the strength of the great master, David knew that the man in the suit was not used in the group, but was still hiding his strength. Don't look at the age of this guy. Gently, it should already be Wuzong, and he may be stronger than Xiahou Dun, the master of Wumen that day.

It seems that this evil cultivation technique can really quickly improve a person's strength. Otherwise, at such an age, if you want to break through to the realm of Wuzong, I am afraid it will be as difficult as reaching the sky.

The man in the suit looked at the people in Wuying Mountain Villa surrounding him. Although he was not afraid, he would wrinkle every day. If he fought, he was afraid that his identity as an evil cultivator would be exposed.

"Paralyzed, I, Zhao Chuang, have never been angered by this. I beat this guy to death today and threw it directly into the sea..."

Zhao Chuang shouted angrily.

Several people from Shadowless Villa received Zhao Chuang's order, and immediately took a stance, and the aura on their bodies began to rise.

When the man in the suit saw this, he tried his best to suppress the evil spirit in his body, otherwise it would be easy for others to notice.

Seeing that a fight was about to take place, I saw a young man in a Chinese tunic suit coming, followed by many people in uniform.

There is a dragon embroidered on the left side of these people's clothes, and everyone knows that it is a member of the dragon family at a glance.

"Is it too disrespectful to my Long family to make trouble on this boat?"

Long Xingxu glanced at Zhao Chuang and the man in the suit, and an invisible pressure came over him!

After Zhao Chuang saw Long Xingxu, his arrogance instantly disappeared, and he waved his hand towards his hand, causing everyone to withdraw.

"Master Long, my man was injured by this guy, should there be an explanation?"

Zhao Chuang asked Long Xingxu.

"I saw it all..." Long Xingxu glanced at Zhao Chuang, then said to the man in the suit, "You can go..."

Seeing this, the man in the suit hurriedly walked away, facing Long Xingxu, the man in the suit was a little nervous, for fear that Long Xingxu would find out his identity.

When Zhao Chuang saw Long Xingxu let the man in the suit go, his brows were wrinkled, and his face was full of displeasure: "Master Long, I have never been so angry at Wuying Villa, and now so many people are watching, you Where should I put the face of Shadowless Villa?"

"It's you who provokes you first to pick up girls. Since you don't feel ashamed, then come and talk to my Long family..."

Long Xingxu's eyes narrowed slightly, and the chill on his body made Zhao Chuang shudder.

Seeing Long Xingxu like that, Zhao Chuang gritted his teeth, snorted coldly and led him back to the room, no longer in the mood to pick up girls.

Shadowless Villa has some strength, but it has not yet reached the point of following the Dragon family against it. The Dragon family is a real hidden giant with a profound background.

Zhao Chuang walked back, Long Xingxu looked at Sonya and the other three, and said to his subordinates, "Let our people make room for these three young ladies and bring the room card..."

"Got it..."

Soon, the Long family vacated a room and handed the room card to Sonya.

"Miss, if you have anything, you can come to me at any time. My name is Long Xingxu. I wonder if you have time to have a cup of tea together?"

Long Xingxu handed the room card to Sonya and asked.

"They don't have time..."

At this time, David stepped in front of Sonya and the others, took the room card in Sonya's hand, and after taking a look at Long Xingxu, took Sonya and the others away, without giving Long Xingxu any face.

Chapter 822

Long Xingxu was stunned for a moment, then stared at David's back, his brows furrowed.

"Who is this guy? Do I know him? How can I feel familiar when I see this guy?"

Long Xingxu was puzzled.

The first time he saw David, he felt a very familiar feeling, as if he had seen it before, but he couldn't remember it.

Although Long Xingxu is a side branch, David is connected by blood after all. David's mother is Long Xingxu's aunt, and the two are cousins.

However, at this time, the two cousins had no feelings at all, and they both wanted to kill each other's existence.

"Master Long..."

Cheng Kun and Xuanyuan Kai walked over, nodded slightly towards Long Xingxu, and said hello.

The two were very low-key in front of Long Xingxu.

After all, in front of the geniuses of the Long family, they can't keep a low profile!

Long Xingxu also nodded, and then waved his hand to let everyone disperse.

During these few hours on the boat, Long Xingxu didn't want anything to happen.

"I didn't expect you girls to be very popular..."

After David took Sonya and the others away, he said sourly.

Seeing David like that, Sonya giggled: "What? Are you jealous?"

"I'm not jealous..." David shook his head.

"On the whole boat, there are only three of us girls, and a few of them are still at the level of aunts, so of course the three of us are in demand..."

Gu Linger said with a smile.

There are more than 100 people on the whole boat. Except for the three young girls, there are really no other girls. It is no wonder that there are so many people who are courting.

"I think the main reason is that Sister Sonya and Sister Ling'er are too beautiful, so there are so many men who are courting them. If I were a man, I would also come over to chat up..."

Xiaoru said sweetly.

"Xiaoru is becoming more and more able to talk, which makes people like it..."

Gu Linger gently touched Xiaoru's head, but soon she seemed to think of something, and suddenly her face became a little ugly.

"Linger, what's wrong with you?" David asked strangely when he noticed that Gu Linger's expression was suddenly wrong.

"Oh, nothing!" Gu Ling'er shook her head.

She just thought that after landing on Suolong Island, maybe Xiaoru and Sonya would never come back, so she felt sad.

Just when David wanted to ask questions, suddenly a few people in front blocked their way.

David turned his head and found that Qin Xiaotian led someone to stop them, and his second brother Qin Xiaoxian was beside Qin Xiaotian.

“David, didn’t expect us to meet here?”

Qin Xiaotian looked at David with a sneer and said.

“What do you think?” David had already seen the Qin brothers at the hotel, so it was not surprising to meet them on the boat.

Seeing that David didn’t make any waves, Qin Xiaotian frowned and said, “You killed my eldest brother, aren’t you afraid to see me?”

“I think it’s you who should be afraid? If I can kill your elder brother, I can also kill you. If you want the Qin family to disappear from now on, you can try to provoke me...”

David said indifferently.

When Qin Xiaotian heard this, his face flushed with anger, and he pointed at David and said, “Boy, you are too arrogant, don’t think that we haven’t found you for a while, because our Qin family is afraid of you, I will break you today. The corpse is ten thousand pieces, and by the way, I played with these women around you...”

With his second brother Qin Xiaoxian there, Qin Xiaotian was not afraid of David at all, and his anger was burning constantly.

But just when Qin Xiaotian was about to attack David, Qin Xiaoxian, who was beside him, grabbed him.

Chapter 823

“Second brother, this guy killed the big brother, he is right in front of him, what are you doing to stop me?”

Qin Xiaotian didn’t understand, why did his second brother stop him to take revenge on such a good opportunity?

"Have you forgotten what the Long family said just now? If you do something on this boat, wouldn't that annoy the Long family, but as long as you get off the boat, the Long family will not be able to control it. Maybe we don't need to take action at that time, and the Long family will not Will he let him go? He came to a place like this, and even brought a few beautiful girls, he is courting death by himself..."

Qin Xiaoxian looked at David, the corner of his mouth raised.

David didn't even give Long Xingxu any face just now. With the arrogant temperament of the Long family, how could he let David go.

Hearing Qin Xiaoxian's words, Qin Xiaotian finally calmed down, and then looked at David with a sneering expression: "Let your kid live a little longer, and then wait on Suolong Island, I want to see how you kneel down and beg for mercy... .."

"A good dog doesn't stand in the way, if you don't dare to do it, get out of the way..."

David didn't care, he pushed Qin Xiaotian away, and took Sonya and the others back to the room!

Qin Xiaotian looked at David's back, and pouted fiercely: "Bah, let you be mad now, you will look good later..."

After he finished speaking, Qin Xiaotian looked at Qin Xiaoxian and asked, "Second brother, is this Dragon family very powerful? Why haven't I heard of it? There's the Shadowless Villa, the Thunder Gate, I've never heard of it... .."

Qin Xiaoxian glanced at Qin Xiaotian and said with a displeased expression: "You spend all day drinking and drinking, you know what a sh!t, if it wasn't for the big brother who took care of the Qin family in front, now the Qin family is over, and I will be in the Qin family in the future. If I can come back, the Qin family will count on you, you can give me snacks..."

After being scolded by Qin Xiaoxian, Qin Xiaotian shrank his neck and did not dare to speak.

The few hours of sailing is over soon, and the Dragon Island is in sight!

Before landing on the island, everyone could feel the gusts of cold wind coming, and they couldn't help but fight a cold war.

It's summer now, and I usually wear thin clothes, but at this time, I can see that this Suolong Island is actually a vast expanse of white, all covered with white snow, and the landscape is very strange.

"It seems that the legend of Suolong Island should be true..."

After seeing Suolong Island with his own eyes, David couldn't help but sigh.

Soon, the cruise ship docked, and the voice of Long Xingxu came from the broadcast speakers.

"Everyone, this is Binglong Mountain on the side of Suolong Island. If you want to land on the island from here, you can get off the boat directly. After that, we will go to the other side to land on the island. It's up to you to choose which side you want to land on. ..."

The spiral staircase of the cruise ship is put down, and those who have landed on the island can disembark.

But after a while, no one got off the boat, because in such a cold place, no one wants to go down from here, and looking around, it is all white, and there is no rare and exotic grass, these people are all They rushed to some medicinal herbs on the island, and the spirit beasts came. It was obvious that this cold place did not have what they were looking for.

Seeing that no one had disembarked, the cruise ship was about to raise the spiral staircase to continue sailing to the other side of the island, but at this

moment, David took Sonya and the others to the bow of the boat, and then walked down the spiral staircase.

This time, everyone on the boat was in a commotion and started talking.

"Is this guy crazy? Take three women to the island from here? Aren't you afraid of freezing to death?"

"I think these guys don't want to hunt for treasure, it's more like a game. Who comes to hunt for treasure with three women..."

"How can people be cold? When it's cold, it's not cold when a few people are crowded together, and they can still do strenuous exercise..."

"Damn, this kid is really lucky to bring three women at once!"

After watching David take Sonya and the others off the boat, everyone was envious.

Chapter 824

But right after David disembarked, Xuanyuankai led people to follow him. Seeing Xuanyuankai go down, Cheng Kun and Zhao Chuang also followed.

Seeing these three demons follow, no one on the boat dared to get off the boat, but many people were worried about David and Sonya. After all, the three guys got off the boat with a very clear purpose. women go.

"Second brother, what should we do?"

Seeing that David got off the boat from here, Qin Xiaotian asked Qin Xiaoxian.

After a moment of contemplation, Qin Xiaoxian gritted his teeth: "Let's go down too..."

The revenge for killing his brother must be avenged. Since David disembarked from here, they also have to follow him. Only when David is killed on Suolong Island, will no one pay attention.

David looked at the people who disembarked with them, and his face became extremely gloomy.

The reason why he chose to disembark here is because he didn't want to disembark here. David just avoided the crowd and took the map to find Long Jing alone.

If there are too many people, even if David has a map, it is not easy to act, and he does not dare to take out the map. If everyone knows that he has a map of Suolong Island on his body, he will know what the consequences will be if he thinks about it with his toes.

"Brother Kun, Brother Kai, I didn't expect you two to be so fanatical about women, but there are exactly three women, three of us one, I want the one with ponytails and the youngest, although the figure is not yet developed. , but it's relatively tender, none of you can rob me..."

Zhao Chuang looked at Xiao Ru, the youngest in front of him, his eyes narrowed, and the hala was about to flow out.

Cheng Kun and Xuanyuan Kai both gave Zhao Chuang a blank look, they really didn't understand whether this guy came to Suolong Island to pick up girls or to hunt for treasures.

However, the reason why Xuanyuan Kai followed to disembark was because he was refuted by Sonya and others in the hotel.

And that Cheng Kun was not for the sake of women, nor was it for face, it was simply because he saw Xuanyuankai disembarked, so he came down with him. This guy didn't look right to Xuanyuankai, so he always wanted to compare.

At this moment, Qin Xiaoxian also took the Qin family off the boat, and when Zhao Chuang saw that there were still people following him, he frowned, looked at Qin Xiaoxian and Qin Xiaotian and said, "I said that you are all uncles with unshaven beards. Come down and grab women from us? Shame?"

Qin Xiaoxian and Qin Xiaotian are both middle-aged people in their 40s and 50s. In Zhao Chuang's eyes, they are middle-aged uncles. How could they still compete for women with these young people.

After listening to Zhao Chuang's words, Qin Xiaotian wanted to get angry. A hairy boy with the strength of a master just now, but his hair was not fully grown, even dared to talk to them like this.

However, Qin Xiaoxian, who was on the side, secretly pulled Qin Xiaotian, and then smiled and said to Zhao Chuang: "Zhao Gongzi misunderstood, we have no interest in those women, but David is having some festivals with us, we want to stay on this island. Make a break..."

Zhao Chuang pointed to David in front of him: "Is that the man you're talking about?"

"Yes, it's him!" Qin Xiaoxian nodded.

"That's about the same, as long as you don't rob us of women, there are only three women, and the three of our brothers are divided..."

Zhao Chuang said carelessly.

Qin Xiaoxian smiled slightly and didn't say anything. Although the Qin family also had strong strength, he didn't want to provoke the three young people in front of him, not to mention that he was only a sideline of the Qin family. The three families, it is estimated that the Qin family will not protect him!

Just as Qin Xiaoxian and Qin Xiaotian were walking towards David with their subordinates, a man slowly walked down from the boat, and it was the man in suit who injured Zhao Chuang's subordinates on the boat.

Chapter 825

Seeing the man in the suit walking down, Zhao Chuang was instantly furious, but he didn't speak, because he found that the man in the suit didn't seem to be easy to mess with.

Although he said that Cheng Kun and Xuanyuan Kai had something to protect him, but if they were in danger, neither of these two guys would necessarily help, it was just superficial.

David, who was not far away, looked at the man in the suit who came down, his face became heavier and heavier, and his brows were tightly knit together.

These people who came down are all experts, and things are getting more and more difficult to handle.

However, after the man in the suit came down, he just glanced at everyone, and then walked away, without intending to go with David and the others.

"Three days later, the boat will pick up everyone here. If you can't get on the boat, just wait to die on the island..."

The sound of the ship's horn sounded, and warned the people who disembarked.

At this moment, Long Xingxu, who was standing at the highest point, looked at these people who got off the boat, and the corner of his mouth raised: "Interesting, these guys are really interesting!"

"Master, do you think there are those people here who we are looking for?" A servant next to Long Xingxu also looked down at the people who disembarked, and continued: "The two older ones must be No, there are also the Shadowless Villa, Pili Gate, and the three young masters of the Xuanyuan family. Could it be the guy in the suit? I think he always hides himself on purpose!"

"Don't guess, you'll know in three days..."

Long Xingxu squinted his eyes: "I really want to see, who is my cousin who I have never met!"

beep

A cruise whistle sounded, and the cruise slowly started to leave.

After the cruise left, Qin Xiaotian couldn't wait to lead people to surround David and the others.

This time, Qin Xiaoxian didn't stop either, David killed his elder brother, so damn...

Seeing that Qin Xiaotian led people to surround him, David was still very calm, but Sonya and the three girls became a little nervous and stood closely with David.

"David, aren't you crazy? Today in this place where birds don't sh!t, let me see who can save you. Today I will avenge my elder brother..."

While speaking, Qin Xiaotian had already waved his fist towards David.

Qin Xiaotian, who is a great master, this punch carried a monstrous momentum, and the fist wind lifted the snow on the ground flying!

David snorted coldly: "Looking for death..."

But just when David was about to throw a fist to meet him, Xiaoru had already jumped up from David's side.

"If you want to move Brother Chen, pass me first..."

Xiaoru's slender figure was in front of Qin Xiaotian in an instant.

Qin Xiaotian was a little surprised when he saw that Xiaoru dared to fight against him. Thinking of Zhao Chuang's explanation just now, Qin Xiaotian could only withdraw some strength.

I really want to kill this Xiaoru with one punch, maybe this Zhao Chuang will cause trouble with him!

Qin Xiaotian withdrew nearly half of his strength, and then a punch collided with Xiaoru.

boom...

After a loud bang, the huge shock wave made it impossible to see snow for several meters around the two of them, revealing the brown ground!

At the same time, Qin Xiaotian's body flew upside down like a kite with a broken string.

The internal organs were tumbling for a while, making Qin Xiaotian's throat sweet, and a mouthful of blood spurting out!

"Third brother..."

Seeing this, Qin Xiaoxian suddenly jumped up and caught Qin Xiaotian firmly in mid-air.

Seeing that Qin Xiaotian was actually punched out by an unremarkable little girl, everyone else stayed on the spot.

Especially that Zhao Chuang looked at Xiaoru with more fiery eyes, he was not frightened by Xiaoru's powerful strength.

Chapter 826

"Cough cough cough..."

Qin Xiaotian coughed violently, and then another mouthful of blood spurted out.

Qin Xiaoxian rushed into Qin Xiaotian's body with a burst of energy, which helped him control the injury.

"Damn, I just saw that you were a little girl, and you didn't use all your strength. You actually made a black hand, and I killed you..."

Qin Xiaotian was in a hurry. He was a middle-aged uncle who was injured by a child like Xiaoru, which was too embarrassing.

Just when Qin Xiaotian was about to attack Xiaoru again, Zhao Chuang hurriedly stood in front of Xiaoru.

"Let me clean up your stinky mouth. A big man was injured by a little girl. You still have the face to shout. Believe it or not, I tore your mouth to pieces..."

Zhao Chuang cursed at Qin Xiaotian with a gloomy face.

Qin Xiaotian was also angry, seeing Zhao Chuang insulting him like this, he immediately became furious: "What the h3ll are you, you're not just a little master, I can crush you to death with one finger, what the fcuk is nothing? Shadow Mountain Villa, I have never heard of it..."

Qin Xiaoxian, who was on the side, saw that Qin Xiaotian followed Zhao Chuang and scolded, and his brows suddenly wrinkled.

Seeing that Qin Xiaotian dared to scold him, Zhao Chuang's eyes were full of murderous intent. As soon as he waved his hand, several subordinates immediately surrounded him.

This time, the two groups of people were tit for tat, and the war was about to break out, and the atmosphere at the scene was very depressing.

"Zhao Gongzi, my brother is also impatient and open-mouthed. I apologize to Zhao Gongzi on his behalf, but I also hope that Zhao Gongzi will not stop us from taking revenge..."

Qin Xiaoxian saw that the two sides were about to fight, so he followed Zhao Chuang to apologize.

"sh!t, an apology is enough? Let him kneel down for me..."

Zhao Chuang did not accept Qin Xiaoxian's apology at all.

Zhao Chuang's words suddenly made Qin Xiaoxian's face extremely ugly.

"Zhao Gongzi, stay in the front line of being a person, and see you in the future. You Wuying Mountain Villa are powerful, but our Qin family is not vegetarian..."

A cold glow flashed in Qin Xiaoxian's eyes.

However, Qin Xiaoxian's threat, not only did not make Zhao Chuang afraid, but made him instantly violent!

"Your Qin family is a bird, are you a vegetarian? Let's see the real stamp on our fists and feet..." After Zhao Chuang finished speaking, he waved his hand to his subordinates: "You give it to me, and let these guys who don't know what to do will give it a try. Our Shadowless Villa is amazing..."

After Zhao Chuang finished speaking, he quickly backed away. With the strength of his little grandmaster, he was afraid that he would be crushed to the ground by the other party's breath before he could make a move.

Qin Xiaoxian saw that it was inevitable to do something, so he ordered: "Protect the third child..."

Immediately afterwards, the aura on Qin Xiaoxian's body suddenly soared, and the terrifying coercion instantly enveloped a radius of 100 meters, as if he had reached the realm of Wuzong...

Feeling the breath on Qin Xiaoxian's body, Zhao Chuang's face became extremely ugly.

He came out secretly this time, and he didn't bring many masters with him. Now Qin Xiaoxian is actually in the realm of Wuzong, and this time I'm afraid it will be troublesome.

If they really want to fight, they are not necessarily opponents of others, and then they will be embarrassed, especially in front of Xiaoru.

This guy, Zhao Chuang, saw Xiaoru's shot just now, and his heroic appearance was really moved, otherwise he wouldn't be so protective of Xiaoru.

At this time, Zhao Chuang looked at Cheng Kun and Xuanyuan Kai with a look of help. After all, the subordinates brought by these two people were all martial arts masters.

Seeing that, under the pressure of Qin Xiaoxian, the people brought by Zhao Chuang were struggling to support them, and their expressions changed.

Xuanyuan Kai looked at Zhao Chuang's look for help, and finally winked at an old man beside him.

I saw the old man nodded, and then the clothes on his body automatic without wind, and then a breath rose.

Chapter 827

The old man's breath and Qin Xiaoxian's breath collided, and then they all disappeared without a trace!

The people that Zhao Chuang brought also took a breath!

Qin Xiaoxian frowned and looked at Xuanyuan Kai and the old man.

"I don't know if you two can give me a thin face. This matter has just passed. The purpose of our coming to Suolong Island is not to get some rare treasures. If we are lucky enough to see it? The legendary real dragon is better. , why do you fight and kill as soon as you land on the island?"

Xuanyuan Kai took a step forward and said to Zhao Chuang and Qin Xiaoxian.

"Brother Kai, since you've spoken, of course I want to give you face, I won't bother with them, otherwise none of them will want to leave alive..."

When Zhao Chuang saw Xuanyuan Kai speak, he immediately got off the donkey and found himself a step down.

David looked at this guy Zhao Chuang, and almost didn't laugh out loud, this is a fcking treasure.

Qin Xiaoxian listened to Zhao Chuang's words, and almost died of anger, but now that Xuanyuankai has spoken, and he is obviously partial to Zhao Chuang, he can't say anything more, after all, with his current strength, he is not enough to fight against the two of them. .

"Since Young Master Xuanyuan has spoken, of course I have to give this face..."

After Qin Xiaoxian finished speaking, he turned around and left.

"Second brother..."

When Qin Xiaotian saw that Qin Xiaoxian was going to leave and did not seek revenge for David, he immediately shouted in doubt.

"Go!" Qin Xiaoxian glared at Qin Xiaotian.

Qin Xiaotian was helpless and could only be supported and followed by others.

But when he was leaving, Qin Xiaotian gave David a vicious look: "David, remember, you can't hide behind a woman forever."

After Qin Xiaotian led the people away, Zhao Chuang spat fiercely in the direction they were leaving: "Bah, something, if I hadn't sneaked out without a master, I would have killed you all long ago!"

After Zhao Chuang said this, Cheng Kun and Xuanyuan Kai understood that with Zhao Chuang's strength, how could his parents let him come to Suolong Island at ease, and only brought a few great masters here.

It turns out that this guy sneaked out, and it is estimated that the Shadowless Villa will be a mess at this moment.

After the ruthless Zhao Chuang, he turned his head and looked at Xiaoru with a concerned expression: "Sister, are you alright?"

Xiaoru glanced at Zhao Chuang and shook her head.

"Hello, my name is Zhao Chuang..."

Zhao Chuang smiled at Xiaoru and stretched out a hand!

However, Xiaoru didn't shake his hand, but said softly, "My name is Xiaoru," before turning around and returning to David.

"Let's go..."

David said and took Sonya and the others away. They only have three days, so the time is very urgent and cannot be delayed.

Looking at Xiaoru's back, Zhao Chuang giggled.

"Xiaoru, Xiaoru, what a nice name..."

Zhao Chuang muttered.

"Zhao Chuang, you don't really like that little girl, do you?"

Xuanyuan Kai was a little surprised when he saw Zhao Chuang like that.

Zhao Chuang nodded unabashedly: "Well, this time I have moved my true feelings!"

"Damn, Zhao Chuang, you have played with countless women, and I haven't seen you have any real feelings for you. Would you really have feelings for a little girl? I don't think that little girl is fully developed..."

Cheng Kun also said in surprise.

Zhao Chuang glanced at Cheng Kun fiercely: "Brother Kun, you are not allowed to talk about my woman like this, I like it like this..."

"Hahaha, don't be too affectionate. If you return your woman, maybe people won't like you..."

Cheng Kun looked at Zhao Chuang like that, and laughed.

Xuanyuan Kai also patted Zhao Chuang on the shoulder: "Okay, your kid is hot for three minutes, maybe after two days, you won't like it anymore!"

Chapter 828

"No, this time I must catch Xiaoru!" After Zhao Chuang finished speaking, he led the people to chase in the direction David and the others left.

Just after taking two steps, Zhao Chuang suddenly turned his head to Cheng Kun and Xuanyuan Kai and said, "Brother Kun, Brother Kai, you two are not

allowed to play Xiaoru's friends, you want to play with women, wait until you go back, I will give it to you. Send ten and eight over."

"Get out of here, I didn't talk about playing with women, it's all about you..."

Cheng Kun laughed and scolded Zhao Chuang.

Originally, Cheng Kun disembarked along with him, not rushing to a few women, he didn't have that thought!

On the other hand, Xuanyuankai always wanted to taste Sonya's water spirit when he saw that she was very handsome!

But seeing Zhao Chuang say this, Xuanyuan Kai smiled and said, "Okay, I will sacrifice for your happiness!"

"Brother Kun, Brother Kai, after I go back, I'll invite you two to drink..."

After Zhao Chuang finished speaking, he led someone to chase after him in a hurry.

Cheng Kun and Xuanyuan Kai looked at each other, but their eyes were full of gunpowder.

Then the two of them followed.

David took Sonya and the three of them and walked towards the depths with big strides. Seeing that no one was following, he took out the map and glanced at it. After determining the direction, he continued to walk forward.

Because there are few people here, and it is full of white snow, you can't see anything, but the spiritual energy on the island is very strong.

"The air on this island is amazing..."

Sonya took a deep breath, closed her eyes slightly, and said comfortably.

Seeing Sonya's appearance, David smiled slightly: "Try not to breathe through your nose, use your body to absorb the surrounding air..."

Sonya has eaten the Marrow Washing Pill, so she can feel the presence of spiritual energy, so she can feel the place where the spiritual energy is strong, and the air is extraordinarily fresh.

"You don't need to teach it, Uncle Long has taught us it long ago..."

Gu Linger laughed aside.

Sonya and Gu Linger both ate the Marrow Washing Pill, their bodies have been reborn, they can feel the existence of spiritual energy, and then they learn the mental method and convert the spiritual energy into spiritual power.

"That's even better, there is a lot of spiritual energy here, and we can just replenish our physical strength..."

After David finished speaking, the pores all over his body opened, and he began to absorb the surrounding spiritual energy hungrily.

David is now on the fourth floor of the inedia period, so even if he is facing the second-rank Wuzong, he should not have to talk about it anymore. In addition, David has the skills to reincarnate, and he can also fight with the third-rank Wuzong!

"I don't know when I will reach the Core Formation Stage. At that time, even if the Martial Sect is at its peak, what is there to be afraid of..."

David's heart is full of desire for power, he has never been so eager for power.

Because he knows that only if he has unrivaled strength, can he rescue his mother and make the Long family pay the price. When he thinks that his mother has been tortured for more than 20 years, David feels like a needle in his heart. of pain.

"Xiaoru, wait for me, wait for me..."

At this time, Zhao Chuang led someone to chase after him out of breath.

Although Zhao Chuang has also reached the strength of a grandmaster, he is used to being pampered, and the weather here is freezing cold, making this guy suffer a lot.

David frowned slightly when he saw that Zhao Chuang led someone to chase him. If someone followed him, it would be very inconvenient for him to do some things!

"Xiaoru, this guy won't really like you, will he?"

Seeing that Zhao Chuang actually brought someone to chase, Sonya said jokingly.

Xiaoru's face was ugly when she saw Zhao Chuang chasing after her. She knew what their purpose was this time, so no one could follow her. It would be very troublesome if someone followed.

"Xiaoru, you guys are walking so fast, I managed to catch up with you..."

After Zhao Chuang caught up with Xiaoru, he grinned.

Chapter 829

"Why are you chasing me?" Xiaoru asked displeased.

"I... I was afraid that the guys from the Qin family were bullying you, so I brought someone to chase after you. Besides, the island is full of dangers, so I can protect you..."

Zhao Chuang explained.

"I don't need your protection, just have Brother Chen and Sister Sonya, and besides your strength, you can't beat others..."

Xiaoru said unceremoniously.

This time, Zhao Chuang was embarrassed and could only say: "Actually, there are many experts in our family, but I didn't bring them out this time. Don't think that I am not strong, but for you, I am willing to give my life..."

This sentence made Xiao Ru speechless. After all, she was a little girl, and no man had ever said such a thing to her.

Seeing that Xiaoru didn't know what to say, Sonya was fooled by Zhao Chuang, so she walked over and pulled Xiaoru, pulled Xiaoru behind her, and said to Zhao Chuang, "Don't coax here. Xiaoru, a son like you will lie to others..."

Sonya took Xiaoru and turned around and left, while Gu Linger pointed at Zhao Chuang: "I warn you, don't follow us..."

The three followed David and continued to move forward, while Zhao Chuang led the people and followed him from a distance. This made Sonya and Gu Linger angry.

"Let him follow, don't mind him..."

David said aloud.

He had already seen that, although this Zhao Chuang looked like a playboy, he actually didn't have any bad intentions, and Zhao Chuang also brought a few people who were not very strong, so David didn't have to worry about it.

But just after walking for a while, a sudden roar came.

Roar...

This roar resounded through the sky, and even the ground trembled slightly, and the snow on some trees fell.

David was stunned for a moment, and hurriedly walked in the direction of the roar.

Sonya and the three followed closely behind.

After hearing the roar, Zhao Chuang was startled, but seeing David and the others looking for the roar, he took courage and led someone to follow.

Not far from walking out, David saw a huge snow wolf appearing in front of him. Snow wolf's body was covered with white hair, the size of a calf, and his eyes were like copper bells.

The snow wolf was exploding the hairs on his body at the moment, and the hairs were like steel thorns.

In front of Xuelang, the man in the suit was posing for an attack, staring at the Xuelang.

On the side, the two brothers of the Qin family were watching, and Cheng Kun and Xuanyuan Kai were also there, all watching the man in the suit and Xuelang.

This was the first beast they encountered after they landed on the island. Judging from the size of this beast, it must have been absorbing spiritual energy here all year round and possessing a certain mind.

The man in the suit turned his head slightly, looked at the group of people who were watching, and frowned involuntarily.

The man in the suit had already fought with Xuelang for two rounds. Although he didn't kill Xuelang, he had the upper hand. Soon he could kill Xuelang and take out the beast pill.

However, with so many people watching at the scene at this time, the man in the suit knew that it would be very difficult for him to easily take the beast pill away.

"I really can't imagine that such a ferocious snow wolf can appear in such an extremely cold place. It seems that there may be more terrifying creatures behind..."

David looked at the snow wolf, who was as big as a cow, and couldn't help but sigh.

He didn't know if he could find the legendary Ice Dragon and Flame Dragon, and he didn't even know his own strength, whether he could take out Longjing, an ordinary snow wolf, both so powerful. Isn't the strength of those two dragons even more powerful? Horrible, thinking of these David makes me a little apprehensive.

Chapter 830

"The reason why this snow wolf is as big as an ox must be under the influence of giant dragons. I heard that there are two dragons on this island, and their bodies are full of treasures, even if they live with the giant dragons. All these beasts have surpassed their limits and become extremely ferocious..."

Zhao Chuang came up, pretended to understand, and explained to David.

He just wanted to use this to pull in the relationship with David and the others. As long as he followed David and the others into the relationship, it might be a lot easier if he pursued Xiaoru.

David just glanced at Zhao Chuang and didn't speak, which made Zhao Chuang feel boring for a while!

"Roar..."

But at this moment, taking advantage of the distraction of the man in the suit, the snow wolf roared and rushed over.

The hair on Xuelang's body is like a sharp blade, as long as it touches a little bit, it will definitely open its skin and flesh!

Xuelang's body was in the air, and his sharp fangs were exposed, very terrifying!

The man in the suit frowned, and then his body tumbled quickly, dodging the snow wolf's blow very embarrassingly.

You must know that this man in a suit is the strength of Wu Zong, and now he is so embarrassed by a snow wolf, which shows how strong this snow wolf is.

What's more, this Snow Wolf already had a mind, knowing that when the man in the suit was distracted, he suddenly launched an attack, which caught the man in the suit by surprise.

The man in the suit got up from the ground in embarrassment, but before he could stand firm, the snow wolf rushed over.

The man in the suit was startled, and then the muscles all over his body tightened, and he suddenly punched out!

boom...

This punch hit the Xuelang's abdomen directly, and the huge Xuelang's body was directly knocked out by the punch from the man in the suit.

oooo...

The snow wolf howled, and then fell heavily in front of David.

"what..."

This time, Sonya and the other three girls were so frightened that they all screamed and backed away.

Although a few people have kung fu, but seeing such a big snow wolf, they are still afraid from the bottom of my heart.

"It's just a beast, see if I don't kill it..."

Seeing that Xiaoru was also frightened, Zhao Chuang immediately got up with pity for Xiangxiyu, pulled out the dagger from his waist, and was about to go forward to kill Xuelang.

However, before Zhao Chuang could move, he was stopped by his subordinates: "Eldest young master, don't get close to that beast, be careful it swallows you..."

Zhao Chuang is just a small master, if he really wants to pass, I am afraid he will be swallowed in one bite.

When Zhao Chuang heard this, the steps he had taken, he shrank back in fright.

At this moment, David looked at the snow wolf who fell under his feet. On the belly of the snow wolf, a piece of snow-white hair turned black, and the black color kept getting bigger.

David knew that this Xuelang's body was invaded by evil spirits, which caused such consequences. The man in the suit just punched and tried his best without any reservations, so Xuelang's body was invaded by evil spirits.

Cheng Kun and Xuanyuan Kai, who were not far away, stared at this, "Evil Xiu?"

And that Qin Xiaoxian also saw the changes in Xuelang's body, his expression instantly became alert, and then stared at the man in the suit.

The man in the suit originally wanted to go forward, but the snow wolf died, but at this time everyone looked at him and recognized his identity, which made the man in the suit dare not make any moves.

“Damn it, it turned out to be an evil cultivator, and I am the most ruthless cultivator...”

Cheng Kun’s fiery temper came up, and a fast paced attack attacked the man in a suit.

As soon as Cheng Kun moved, Xuanyuan Kai also moved, and the masters they brought together went towards the man in the suit.

It is the ancestral motto of every aristocratic family and sect, so Xie Xiu will be very careful to hide his identity when he is outside.
