

A Man Like None Other

Novel

Chapter 96

Gritting his teeth, Cui Zhiyuan could only nod his head: "I've met Tiger Master..."

Cui Zhiyuan's words were ambiguous. After all, he had seen Lin Tianhu, but he did not necessarily know Lin Tianhu...

"Originally, you only need to kneel down and apologize, but you don't want you to be swindling outside with the name of Tiger Lord. Since that's the case, then none of you want to leave today..."

Bin Zi's words were tinged with chills, which made these guys who didn't know the heights of the sky felt a chill!

"Hahaha, you bastards, do you know who this is in front of you? He is the number one thug of Brother Hou, under the command of Lord Tiger, and you are bragging in front of him, saying that you know Lord Tiger, look. Come on, you've come to the end of your life..."

The money boss burst out laughing.

These people are just ordinary guys who can't be ordinary. How could they know Lin Tianhu? Boss Qian knew that they must be pretentious!

Sure enough, after hearing what Boss Qian said, Cui Zhiyuan's forehead was instantly covered with cold sweat. He didn't expect that he was pretending to be forced and bumped into the muzzle of the gun!

It's just that other people under Cui Zhiyuan didn't think so. They thought that Cui Zhiyuan really knew Lin Tianhu!

That Sun Xiaomeng has always believed that Cui Zhiyuan must know Lin Tianhu. Even if Cui Zhiyuan doesn't know him, his friends must know him. Otherwise, why would Lin Tianhu come up with the debts of his family?

"Boss Qian, our brother also drank a little wine just now. Now my brother is not with you. I hope Boss Qian..."

Cui Zhiyuan was discouraged and started to apologize to Boss Qian!

It's just that the words were not finished, but Binzi interrupted directly: "Dare to borrow the name of Tiger Lord, this is not as simple as an apology, can you survive, you see fortune..."

After Binzi finished speaking, he waved his hand directly to his subordinates and said, "Take everyone away, and let Brother Hou go and deal with it..."

Soon, more than a dozen vicious thugs directly surrounded them, making Cui Zhiyuan and Sun Xiaomeng's faces change with fright!

Zhang Tongjian in the corner was trembling even more at this time, his pants were wet, and his hands were tightly grasping David's sleeves!

He is just a college student who has just graduated and not long ago. I have never seen such a scene before, and now I am scared to death!

Seeing Zhang Tongjian like that, David patted him on the shoulder and said, "Relax, it'll be alright..."

Soon, Cui Zhiyuan and the others were taken to Hou Chunlei's office!

At this time, Hou Chunlei was closing his eyes slightly, enjoying the secretary's massage, when he suddenly saw Binzi brought back a group of people, and all of them were little hairy children, the more he frowned and said, "Binzi, bring a group of little hairy children. What is the child doing?"

"Brother Hou, this is the group of people under the money boss..."

Binzi said.

"Didn't I let you deal with it? What are you doing with my office?" Hou Chunlei looked a little unhappy!

"Brother Hou, this guy said he knew Lord Tiger, and he was very familiar with him, so I brought it here to let Brother Hou go down..."

Binzi hurriedly explained!

"What?" When Hou Chunlei heard this, he sat up straight, then looked at Cui Zhiyuan coldly: "Do you know Tiger Master?"

"I...I..." Cui Zhiyuan stammered: "My friend knows..."

"What's your friend's name? I've been with Lord Tiger for many years, and I know the names of all his friends..."

Hou Chunlei continued to ask.

This time, Cui Zhiyuan was stopped. He didn't know Lin Tianhu's friends at all. With his level, how could he have a relationship with Lin Tianhu!

Snapped...

Suddenly, Hou Chunlei slammed the table and stood up: "You guys are so bold, you dare to use the name of Lord Tiger..."

Chapter 97

At this moment, everyone's expressions changed suddenly, and Cui Zhiyuan was even more sobered up by a cold air that went straight to the top of his head!

He never imagined that he was vain and pretended to know Lin Tianhu, but he didn't want to cause trouble!

Seeing Cui Zhiyuan's reaction, Boss Qian sneered, stepped forward and gave Cui Zhiyuan a slap in the face: "Aren't you very good? People who dare to beat me, dare to use the name of Tiger Lord, I see that you are impatient to live..."

Boss Qian slapped that Cui Zhiyuan into reality, and hurriedly begged for mercy: "Boss Qian, I was wrong, I don't dare anymore, I don't dare anymore..."

Cui Zhiyuan's begging for mercy also brought those under him and Sun Xiaomeng back to reality in an instant. They knew that Cui Zhiyuan didn't know any Lin Tianhu at all, he was just bragging!

At this moment, everyone began to tremble. If Cui Zhiyuan didn't know Lin Tianhu, what else would they have to rely on?

"Wrong?" Boss Qian sneered: "It's useless to admit my mistake now, just wait to die!"

Hearing this, Cui Zhiyuan couldn't hold it any longer, and knelt to the ground with a thud: "Brother Hou, I don't dare to use the name Tiger Lord anymore, please, please forgive me..."

Cui Zhiyuan was already crying bitterly at this time, and he regretted it to death!

Cui Zhiyuan is already like this, and the other people are even more ashen, and Sun Xiaomeng looks at Cui Zhiyuan in surprise, not knowing what he is thinking!

Looking at Cui Zhiyuan who was on his knees begging for mercy, and at a group of panicked young people, Hou Chunlei looked at Boss Qian and said, "Boss Qian, this matter started because of you, how do you deal with it?"

This is Hou Chunlei's face to sell the money boss. After all, the money boss is a major KTV customer!

"You help Leng Touqing, it doesn't matter even if it's abolished, let them all get out..."

Boss Qian waved his hand!

When Cui Zhiyuan heard this, he kept kowtowing and thanking him, but when everyone was relieved, Boss Qian glanced at Wang Hanhan and Sun Xiaomeng with silver eyes and said, "Men can go, but the three women must stay with me..."

Upon hearing this, Wang Hanhan and Sun Xiaomeng's expressions suddenly changed, and Cui Zhiyuan's expression became very embarrassed!

After all, Sun Xiaomeng is his girlfriend, he can ignore Wang Hanhan and Wang Lanlan, but he can't ignore Sun Xiaomeng, after all, Sun Fuhai just recognized him!

"Boss Qian, this is my girlfriend, can I take her away, and she will stay with you. My girlfriend and I have been living together for more than a year, so I think Boss Qian doesn't like it..."

Cui Zhiyuan pointed to Sun Xiaomeng, and then said with a smile!

In fact, he never touched Sun Xiaomeng at all, but he just wanted to use this to get Sun Xiaomeng out of danger!

Sun Xiaomeng glanced at Cui Zhiyuan, but didn't say anything. After all, at this time, it was most important to get out first!

Sure enough, when Cui Zhiyuan said this, a bit of disgust flashed in the eyes of Boss Qian, and then he waved his hand and said, "Go away, leave those two women behind..."

Seeing this, Cui Zhiyuan desperately followed Boss Qian to thank him, then turned around and left!

"Manager Cui, don't leave me, don't leave me..."

Wang Lanlan panicked and hurriedly pulled Cui Zhiyuan's arm!

And Wang Hanhan also looked panicked and looked at David helplessly. At this time, she could only ask David for help. After all, she was not familiar with these people, and no one would offend these people in front of her for her.

"Lanlan, just drink two glasses of wine with Boss Qian. I'll be fine. I'll come back to pick you up later..."

Cui Zhiyuan pushed Wang Lanlan away!

Wang Lanlan suddenly became desperate, and Wang Hanhan, with tears in her eyes, lightly grabbed David's clothes, she wanted David to go, but she didn't want to stay by herself, she was very contradictory!

Chapter 98

"Don't worry, I won't leave..."

David smiled at Wang Hanhan!

"Brother Chen, let's go?" Zhang Tongjian rushed out of the room first, then turned back and shouted at David!

That Sun Xiaomeng also looked back and found that David was motionless, so he also shouted: "David..."

Boss Qian also saw that David had no intention of leaving, so he said with a cold face: "Why, I can't bear my little girlfriend, don't you want to leave?"

As Boss Qian said, he reached out to Wang Hanhan and touched Wang Hanhan's face!

At this moment, Wang Hanhan was so frightened that his face was pale, and he didn't even dare to dodge!

But just when Boss Qian's hand was about to touch Wang Hanhan, David suddenly grabbed the Boss Qian's wrist: "I didn't even think about leaving..."

David said, exerting a little force, only to hear the sound of a bone crack, and David's wrist was suddenly broken by David!

The severe pain caused Boss Qian to howl instantly. The heart-piercing howl sounded very intimidating!

"Paralyzed, my hand is broken, let go, or I will kill you, and even play with your girlfriend..."

Boss Qian roared loudly with a grim expression on his face!

bang...

David kicked it out, kicked Boss Qian's lower body directly, and kicked Boss Qian out directly.

And that Boss Qian lay hunched on the ground, his face turned purple, David's kick directly made Boss Qian lose his ability to be a man!

When Hou Chunlei saw this, his anger immediately rose, and he dared to beat his guests in front of him, which made Hou Chunlei feel shameless!

"Kid, you dare to do something in front of me, you are really kind!" Hou Chunlei's face was terrifyingly cold, and he waved his big hand: "Close the door, no one is allowed to leave..."

Cui Zhiyuan and the others, who were about to leave, were all driven back and locked in the office again!

This time, everyone was waiting for David angrily. If David hadn't pretended to force him, they would have left now!

"David, what the hell are you pretending to be? We can't leave now..."

Cui Zhiyuan roared at David!

Now that David has beaten the Qian boss like this, this matter must not be let go. You said that everyone has let go, but this guy David is pretending to be a woman, and now even they are implicated!

"David, if you want to die, please pull us up..."

"That's right, what are you pretending to be? If you can fight, go to the street and fight..."

"It's over, I'm going to be killed now..."

Everyone is accusing David!

Even Wang Lanlan was no exception. Although she was the one who was left behind, she would have a glass of wine with her, and if she couldn't, she would sleep with her, and it might have passed, but now, she beat people like this. , I'm afraid it can't be solved by sleeping!

Only Wang Hanhan looked at David worriedly, with tears in his eyes: "Brother David, I'm sorry, I'm sorry..."

Wang Hanhan knew that if it wasn't for himself, David would not have done it, and now David might have to go to jail, or even lose his life!

"It'll be fine, don't worry..." David smiled lightly!

Seeing that David seemed to be nothing, the others were even more angry this time, and the accusations and insults against David were even more difficult to sound!

And that Hou Chunlei's face became more and more gloomy: "Binzi, let this kid be abolished..."

Binzi nodded, and he rushed towards David with a vigorous step, and his fist as big as a sandbag swung towards David's head!

If this punch hit David's head, it would definitely burst his brain on the spot!

Seeing this, everyone was so frightened that they dodged, for fear that they would be splashed with blood, only Wang Hanhan's eyes were firm, and he stood in front of David with clenched teeth!

Chapter 99

Since David is for herself, Wang Hanhan also intends to risk her life, she can't watch David be beaten to death in front of her!

A huge strong wind was blowing towards Wang Hanhan, so scared that Wang Hanhan closed his eyes and pulled David with one hand, leaving David behind him!

"Hanhan..."

Sun Xiaomeng couldn't help shouting!

Although I just met with Wang Hanhan, Sun Xiaomeng felt that Wang Hanhan was a good person, knowledgeable and reasonable.

Seeing Binzi's fist in front of Wang Hanhan, Wang Hanhan even felt the breath of death, but after a gust of wind blew, there was no more movement. When she slowly opened her eyes, she found that Binzi's fist was there. A few centimeters away in front of his eyes, and David's hand directly grabbed that Binzi's fist, preventing him from moving forward!

This time, everyone's eyes widened, feeling incredible, and that Binzi's expression also changed, with a deep shock in his eyes, because he could feel that from David's body, there was a steady stream of power. In the burst, no matter how hard he tried, it was of no avail!

"If you weren't Lin Tianhu's subordinates, you'd all be corpses now..."

David gave it away slightly, and that Binzi's body suddenly stepped back, and finally sat on the ground!

Seeing Binzi like this, Hou Chunlei suddenly became popular!

"Damn, trash, can't even handle a little kid?"

Hou Chunlei kicked that Binzi fiercely!

Binzi got up in a hurry and lowered his head in embarrassment. Although he fell, Binzi was not injured. David was merciful. After all, these people are his own!

"Let us go, today's business is over, or you will regret it..."

David said to Hou Chunlei!

"Regret?" Hou Chunlei sneered: "I never knew what regret was..."

After Hou Chunlei finished speaking, the door was opened, and dozens of people rushed in with machetes, directly surrounding David and the others!

There were just a dozen people around, and they were only bare-handed. Although they were all fierce, but Cui Zhiyuan and the others were all able to control their own bodies!

But at the moment, surrounded by dozens of people holding bright machetes, and feeling the chill on the machete, Cui Zhiyuan and the others were all frightened. Several people fainted from fright on the spot, and many people urinated directly. Even Cui Zhiyuan was not spared, the pants got wet!

"Boy, today I can chop you into minced meat, do you believe it?"

Hou Chunlei said grimly.

"I seem to have heard that Lin Tianhu doesn't let you fight and kill, and let you do business seriously, but you are making such a big deal today, why don't you ask Lin Tianhu for instructions?"

David asked calmly.

Hou Chunlei was stunned for a moment, after glancing at David, he hesitated for a moment, and then said to his subordinate: "Take care of them, one is not allowed to let go, I went to Tiger Lord to call.

"

After Hou Chunlei finished speaking, he took out his phone and walked out!

Seeing Hou Chunlei go to ask Lin Tianhu for instructions, Cui Zhiyuan and the others rolled their eyes in horror. You must know that Lin Tianhu's reputation in Horendel is very bad. He is a murderous and ruthless master!

If Lin Tianhu was really disturbed, none of them would be able to survive, not only would they not survive, but they would be tortured to death!

“David, you are paralyzed, we are all going to die now, don’t even think about living, you have to recruit Tiger Lord, we are all finished...”

Cui Zhiyuan saw that Hou Chunlei went to call Lin Tianhu, so he stared at David and cursed!

Chapter 100

David frowned, and a cold glow appeared in his eyes as he looked at Cui Zhiyuan, Cui Zhiyuan suddenly felt as if he had fallen into an ice cave, and was so frightened that he quickly closed his mouth!

“I don’t want to die, I don’t want to die, Dad... Dad...”

Sun Xiaomeng cried with fright, mumbling like she was crazy!

For a while, many people began to cry, and the whole room was screaming.

On the other side, Hou Chunlei called Lin Tianhu. He wanted to ask Lin Tianhu how to deal with these troublesome little boys!

If it was normal, Hou Chunlei would call the shots himself, and David and the others would do it, just a few ordinary young people, even if they disappeared, it would not cause any sensation!

But now it can’t be done. Lin Tianhu has clearly ordered them not to fight and kill them, and they will kill people indiscriminately. Hou Chunlei can only ask Lin Tianhu what to do!

At this time, Lin Tianhu was already asleep. After receiving the call from Hou Chunlei, he yawned and said, “Monkey, it’s so late, did something happen to KTV?”

"Master Hu, there are a few little hairy children making trouble at KTV and hurting Binzi. It's too arrogant. I want to ask Master Hu, if you can get rid of these guys..."

Hou Chunlei asked cautiously.

"Little boy?" Lin Tianhu frowned: "Who are they? Are they from the Chilong Gang?"

With Lin Tianhu's reputation in Horendel, no one dared to make trouble in his territory, unless it was a member of the Chilong Gang. After all, Feng Sihai was just injured by David some time ago!

Now, it is not impossible for the Chilong Gang to find trouble with their Juyitang!

"No, it's just a bunch of stupefied youths who say they work in some company of the Su family. There's a guy named David who injured Binzi..."

Hou Chunlei said!

Hearing David's words, Lin Tianhu jumped off the bed!

"Monkey, I'll rush over now, you're not allowed to do it for me, just wait for me..."

After Lin Tianhu finished speaking, he hung up the phone and ran out!

Hou Chunlei heard Lin Tianhu's anxious voice, his face was full of doubts, but Lin Tianhu had spoken, he had to listen!

When I returned to the office, the office was already stinking!

"Depend on..."

Hou Chunlei pinched his nose: "Open the window, what a bunch of stuff..."

Soon the window was opened, and fresh air blew in, which blew out the stench in the room a lot!

Lin Tianhu said that he should wait honestly, but Hou Chunlei could only wave his hand and let the men with the knife withdraw to avoid being seen by Lin Tianhu!

"I've already informed the Tiger Lord, and the Tiger Lord will be here in a while. If you have any last words, you can leave first..."

Hou Chunlei looked at David and the others coldly, with a sneer at the corner of his mouth!

When they heard that Lin Tianhu was coming, this time Cui Zhiyuan and the others were stimulated again!

The scene that was a little quiet just now turned into howling and howling in an instant!

Who is Lin Tianhu?

The entire Horendel, even a three-year-old child knows, that is the devil who kills without blinking an eye!

"Brother Hou, it's all David's hands, it has nothing to do with us, let us go..."

Cui Zhiyuan knelt down to Hou Chunlei again!

Everyone else also knelt down and begged for mercy, one by one kept kowtow!

On the other hand, David held Sun Xiaomeng with one hand and Wang Hanhan with the other, and did not let them both kneel!

No matter how much Sun Xiaomeng thinks about herself, after all, Sun Fuhai is a good person and takes good care of David's family. David can't ignore Sun Xiaomeng!

Seeing David not kneeling, Hou Chunlei wanted to scold him angrily, but when he remembered Lin Tianhu's advice, Hou Chunlei swallowed the words!

"Hmph, when Lord Tiger comes, you'll look good, and then I'll see if you're still majestic..."

Hou Chunlei thought to himself!
