Read Novel Chapter 1740

Novel Chapter 1740 -...I am very happy to cooperate with your company, and I am also a trustworthy person. I will not regret the cooperation, and I hope Mr. Dawson, you will not regret it.”

“What Analia did, I will deal with it seriously after I go back, I promise, during the period of cooperation between our two companies, we will not let Analia appear in front of you again, and we will keep an eye on her, and try our best not to let her disturb and pester you.”

Although he couldn't guarantee that he would be able to completely stop his daughter, as long as he knew, he would do so.

Mr. Dawson raised his daughter with a lot of love and care, and she was also well-bred. Analia was a child that Mr. and Mrs. Dawson were pleased with, but Mr. Dawson didn't want her daughter's love of a married man to ruin the rest of her life.

Zachary said in a deep voice: “I believe in Mr. Dawson. I will hand over the project to other people to follow up. I hope Mr. Dawson can do what he says and don't let Ms. Dawson bother me and pester me. Ms. Dawson is a very good girl, she can find a better man.”

The cooperation with Dawson's was only one project.

In the future, it was estimated that they would not cooperate again.

Zachary was also persuaded by Serenity, so he reluctantly retained the cooperative relationship.

However, for this project, he would no longer follow it personally, and would leave it to others to follow up. In the future, he would greatly reduce the chances of meeting Mr. Dawson.

“I will, I will.” Mr. Dawson said repeatedly.

After something like this happened, Mr. Dawson couldn't sit still. He said to Zachary apologetically: “Mr. York, I'm really sorry for troubling you. I'm sorry to bother you and your wife. Mr. York, I have something to do, so I'm leaving first.”

Mr. Dawson got up to say goodbye, not forgetting to pick up the bouquet of flowers and those bags.

Kevin was a little dumbfounded.

He thought it was brother and sister-in-law showing affection, but it turned out that they had eaten a melon.

Mr. Dawson's daughter started to act after seeing his elder brother.

This mobility was fine!

Faster than Elisa back then, she was a solid mover. However, her character was not as good as Elisa's.

When Elisa liked his elder brother, his elder brother was still single. Even after having a sister-in-law, it is understandable that Elisa didn't know about his elder brother's secret marriage at that time. Severing love with a sword?

The crispness and neatness made them all look at Elisa a few times.

It had been several years since Elisa admired his elder brother.

This Ms. Dawson knew that his elder brother was married, but after meeting his elder brother, she began to pursue him, sending flowers and clothes... The sister-in-law did not misunderstand, did she?

Kevin carefully aimed at Serenity.

Serenity noticed that Kevin was looking at her, and she said with a smile: "Kevin, I didn't misunderstand your elder brother, don't worry."

Kevin heaved a sigh of relief, "Sister-in-law is wise, it is impossible for my elder brother to betray you, don't fall for it. They have ruined other people's plans."

The relationship between his elder brother and sister-in-law was good, and their life was also easy.

If brothers and sisters-in-law have conflicts, quarrels, and cold wars, their lives would not be easy.

Of course, Kevin still cared about his elder brother and sister-in-law very much, and it was definitely not just for his own life.

"I also trust your elder brother." Serenity looked at the man beside him with a smile, and Zachary held her hand.

Zachary: "Honey, I didn't suspend the cooperation with Mr. Dawson, so don't be under psychological pressure."

Kevin slandered in his heart: it turned out that the sister-in-law persuaded the elder brother.

Otherwise, given the elder brother's personality, it would be impossible to work with Mr. Dawson once more, even if the project had the potential to bring York Corporation significant financial gain.

The only person who could eat and live with his elder brother was his elder sister-in-law.
