Novel Married at First Sight Chapter 1909 -Suppressing his anger, Hayden said coldly, "Thank you Mr. York for your kindness. I don't have anything I like. Even if I like something, I can buy it myself. I don't need Mr. York to give it to me."

Kevin: "Mr. Queen, You can buy it. but what I gave was my heart. Please accept the flowers I gave you, Mr. Queen. Don't waste my thoughts. This is the first time I've given a bouquet to someone else."

Hayden said, "Mr. York also let me be given flowers by a man for the first time."

Kevin: "What's wrong with a man giving flowers to a man? Men are human too, and they like flowers too."

"Mr. York, I'm very busy, please come back." Hayden issued the eviction order with a cold face.

"I'm here and won't affect your work. I'm very quiet. I promise not to make noise. When you get off work, I'll treat you to dinner."

Hayden: "...Mr. York, you If you don't leave, I will ask the security department to invite you out."

Kevin looked at Hayden with a smile, obviously not listening to her words.

Hayden was very angry at his r*scal behavior.

Fortunately, she had a good impression of him, and she felt that he was worthy of being a man from the York family, and he was excellent in all aspects.

Who knew he was a rogue.

Hayden did what she said, and immediately called the security department to ask the security to come upstairs and ask Kevin to go out.

"Mr. Queen, you don't need to bother them. I'll go out by myself. I'll wait for you to get off work at the gate of the company, and then we'll go out to eat together. Let's go to my Fortress Hotel to keep you satisfied." After Kevin finished speaking, he turned around and left. He really didn't need the security guard to ask him to go out.

In that case, it would be too embarrassing.

He wasn't from Jensburg, but the York family owned a number of hotels there. He frequently visited Jensburg and oversaw the catering industry . He was well-known to

many influential people in Jensburg. It would be embarrassing if Hayden ordered the security to carry him out.

“Mr. York.” Hayden stopped him.

Kevin stopped, turned to look at her. His black eyes flashed with a smile, “Mr. Queen, what else do you want?”

Hayden picked up the bouquet of flowers and walked over, stuffed the bouquet of flowers into his arms, said coldly: “Please take this bunch of flowers, Mr. York.”

Kevin hugged the bunch of flowers, looked at her with a smile, and said, “I think this bunch of flowers is very suitable for you. Mr. Queen, you’re so beautiful that both people and gods are angry. With this bouquet of flowers, You’re really more beautiful than flowers.”

“Mr. York!” Hayden said angrily, “I am a man! Don’t use beauty to describe me!”

Anyone who is more beautiful than flowers is used to describe women’s.

She was a man now!

It’s a man!

Kevin even teased her.

“Oh, I’m sorry, I’m sorry, I used improper words, please forgive me, Mr. Queen. I really think you’re more beautiful than women.”

Hayden: “...”

Kevin did it on purpose.

“Secretary.” Hayden called out to her secretary, and soon, the secretary came in.

She ordered the secretary, “send Mr. York out of the company.”
