Kingston: "She will always sink into your body shape. Remember to maintain your body shape, this is the secret to your success."

If the man get fat or thin, he won't be like Zachary.

"Okay, I see."

In order to get rich, the man would definitely keep in shape.

When delivering food to Ms. Dawson just now, Ms. Dawson looked at him in a daze, and he knew that his figure really resembled someone, and that person was Ms. Dawson's favorite person.

Shortly after the call ended, he received \$50,000, which was paid by the other party.

Just delivering food to Ms. Dawson once and showing her face could get a reward of \$50,000, which made this man feel that it was too easy to earn rich people's money.

...

Wiltspoon Airport.

Elisa called Remy while dragging her suitcase, and said to him, "I'm coming out soon, have you arrived yet?"

She came back from a business trip today, and Remy said he would come to pick her up.

Remy smiled: "I'm waiting for you, you can see me when you come out."

Elisa smiled, "Okay, I'll talk later."

Remy: "Okay."

After Elisa finished the call, Remy put the mobile phone back into the trouser pocket, holding flowers in one hand and a bag in the other. There were two boxes of freshly baked snacks and several bottles of fresh milk in the bag. He was worried that Elisa would be hungry after taking the plane for two hours, and she said that she didn't like to eat plane meals.

So he prepared snacks and milk for her, let her eat to fill her stomach first, and then go back to the city to have dinner together.

After a while, Remy saw Elisa walking out with the crowd.

He smiled and waved to Elisa.

Elisa also saw him, she dragged the suitcase and hurried out.

“Ms. Stone.”

An unfamiliar voice sounded, and the suitcase in Elisa’s hand was pulled away by a thick hand. Her hands were empty.

Elisa thought it belonged to Remy, but Remy was still not far away. Seeing what happened to her, Remy immediately came over with a bouquet and bag.

She quickly looked at the man who took her suitcase away.

Suddenly, he saw a face that looked a bit like Julian Bucham’s, the young master of the Bucham family!

“Ms. Stone, I’ll pick you up.”

Julian smiled gently at Elisa. He was actually a handsome man, but because of his status, many people were afraid of him.

The main reason was that there were no secrets in front of him.

People in Wiltspoon say that if you can’t be friends with Julian, don’t offend him. If you offend him, he will reveal all your history, even the eighteenth generation of your ancestors will be upside down.

Who would be willing to have the eighteen generations of their ancestors turned upside down, naturally they would not dare to offend Mr. Bucham.

But it was not easy to make friends with Mr. Bucham, and it was more difficult to see Julian than to meet Zachary.

This man was always on the loose; even the Bucham family seldom saw him. Just call him if there was anything wrong.

Elisa’s first impression of this man was at Josh and Jasmine’s wedding.
