

When His Eyes Opened Read Novel Chapter 3082

Novel Chapter 3082 -When the plane arrived in Thopiavelle, Hazel came out of the airport and first made a video call to report to her mother that she was safe.

Although there was a time difference between Aryadelle and Thopiavelle, Avery specifically asked Hazel to make a video call to her family after getting off the plane.

“Mom, I’m going to the hotel by car now.” It’s night in Aryadelle, and Hazel didn’t want to disturb her mother’s sleep.

“Send me the location and video when you arrive at the hotel.” Avery urged.

“OK.”

Hazel hung up the video call and went to the reserved hotel with the bodyguard.

The two arrived at the luxury suite, and after putting away their luggage, Aaron asked Hazel: “Miss, should you eat first, or rest first?”

Hazel: “I’m not sleepy, let’s go eat!”

Aaron: “Eat something, then what?”

Hazel: “I’ll show you around. This place is exactly the same as it was three years ago, nothing has changed.”

Hazel didn’t sleep much on the plane, and now that she’s at the hotel, she didn’t feel sleepy anymore.

Aaron smiled and said, “Miss, I haven’t seen you so happy before.”

Hazel touched her face: “No way? I’m also very happy when I’m with my parents!”

Aaron: “You are very excited now.”

Hazel: “After all, I haven’t been back for a long time. I have lived here for more than ten years. Even if there are no relatives here, this land makes me feel very close.”

Aaron didn’t understand, but respected.

After the two had dinner in the hotel restaurant, Hazel took Aaron to the street.

“Aaron, let’s rent a car later!” Hazel wanted to visit her mother-in-law’s grave.

Aaron: “Okay! Are you going to a place far away?”

Hazel: "It's a little farther away! I'm going to visit my mother-in-law's grave. The bus here will take a long time. It's more convenient to drive by yourself."

Aaron: "Sure! There should be car rentals in the hotel. How about we go to the hotel and ask?"

Hazel: "Okay! Go ask. I'll go to the supermarket to buy some snacks. I'll eat them on the way later."

Aaron went to the hotel to rent a car, and Hazel went to the supermarket.

A quarter of an hour later, Aaron drove the car to the entrance of the supermarket.

Hazel got into the car with a bag of snacks.

"Aaron, go to the flower shop first and buy some flowers." Hazel took out a bottle of water and put it next to Aaron.

Aaron: "Okay! Do you know where there is a flower shop? Or should I just use the car navigation?"

Hazel: "Just use the navigation to search!"

Hazel spent very little money while she was living in Thopiavelle, but now that she thought back on it, it seemed as though she were dreaming.

Twenty minutes later, Aaron stopped the car in front of a flower shop.

Hazel got off the car and went to the shop to buy flowers.

Hazel liked all kinds of flowers very much.

"This, this, this..." Hazel began to point to the flowers she asked for, "Boss, I want all these flowers placed at the door."

Florist owner: "!!!"

He was so happy that he was in a trance.

He had never met such a proud customer.

Aaron walked up to Hazel and reminded: "Hazel, are you going to visit the grave? Isn't it enough to buy some chrysanthemums and carnations to visit the grave? Why are you buying so many roses?"

Hazel: "Going to the grave is so highly regarded. I used to only send my mother-in-law wild flowers from the side of the road because I didn't have any money. I would definitely buy her a lot of lovely flowers if I had money. My mother-in-law is also a woman, and she must like roses."

Aaron nodded.

Let Hazel buy it since she liked it!

Anyway, the Fosters were very wealthy. Even if she wanted to buy the flower shop right now, it wouldn't be hard.
