

A Man Like None Other Novel

Chapter 2631

"You bastards, you still want to fight with me. Don't bother. When David comes back, tell him that I want to fight him in the arena of the Zongmen..."

"If David doesn't go

, Then I'll come and beat you once a day..."

After Kuang Biao spat at Fang Shu and the others, he turned and left!

At this time, David was still treating Liu Ruyan in the secret room of the cave. Although Liu Ruyan was naked in front of David, David had no distracting thoughts!

Liu Ruyan's skin is very white and slippery. If ordinary people see it, they will definitely not be able to control it, but David is no longer the hot-blooded young man he used to be. He has already seen countless girls, Ji Ruxue, Ge Yuhan and the others Who is not the beauty of the country and the city!

And one has a better figure and skin than the other, so when David sees Liu Ruyan naked in front of him, he has no other thoughts!

If it was in the past, David would definitely feel uneasy when facing such a naked beauty!

The smoke from burning herbs continuously wrapped around Liu Ruyan's body, penetrating into the body bit by bit through the skin!

The third elder waited anxiously outside the secret room. It has been three days now, during these three days, the third elder hardly closed his eyes!

The third elder hoped that David could wake up Liu Ruyan. Although the third elder knew that a young man like David might do something in the face of Liu Ruyan who was naked, but in order to wake up Liu Ruyan. Smoke, the third elder can only turn a blind eye!

If Liu Ruyan was really rescued, even if David did something to Liu Ruyan, it would be regarded as repaying David!

The third elder would never have thought that David had no evil thoughts towards Liu Ruyan at all, let alone that David would violate Liu Ruyan as he thought!

Slowly, the medicinal herbs in Shennong Ding burned out, and the smoke dissipated slowly, but at this moment, Liu Ruyan still closed her eyes slightly, showing no sign of waking up!

Seeing this, David frowned slightly, and in the end he had no choice but to hug Liu Ruyan to the bed, and gently covered her with a quilt.

Hearing movement in the secret room, the third elder rushed in full of expectations!

"Mr. Chen, how is Miss?"

The third elder asked David!

David shook his head, "Miss Liu still hasn't woken up, it seems that I need to know what kind of poison Hu Yixiao injected." The

third elder was disappointed when he heard that, but he knew that David had tried his best, so he said gratefully, "Mr. Chen, Thank you, this may be the fate of our young lady..."

"Third Elder, don't be too pessimistic. Let's go back first. I'm trying to figure out a way. Maybe after the medicine pool is opened, I can save Miss Liu."

David comforted the third elder.

After the medicine pool was opened, David knew that his realm would definitely improve, and he might be able to figure out a way to wake up Liu Ruyan at that time!

"Okay..." The third elder nodded, and after glancing at Liu Ruyan, he followed David out of the cave!

After the two came out, the stone wall was slowly closed, and it was impossible to tell from the outside that there was a cave here!

On the way back, the third elder kept looking at David secretly, feeling hesitant to speak!

"Third Elder, what's the matter with you? If you have something, just tell me."

David asked the Third Elder!

"Mr. Chen, it's actually fine. I just want to know if you gave her to the young lady while she was naked these few days." "But even if you do, it's fine, after

all You are young and full of vigor, now the eldest lady is in a coma and doesn't know anything, when she wakes up, if you don't tell me, I don't tell you, she won't know." The third elder followed

David and said!

When David heard it, he smiled wryly, "Third Elder, who do you think I am, David? I didn't touch your eldest lady, and I would not take advantage of others..." Hearing this, the

Third Elder knew that he was thinking too much , Repeatedly followed David to apologize!

Chapter 2632

When David came back with the third elder, he saw that the entire residence was in a mess, most of the houses had collapsed, and Fang Shu was leading people to clean it up. The two of them were dumbfounded!

"Mr. Chen, Master, you are back..."

Fang Shu immediately went up to greet David and the third elder when he saw them come back!

The third elder saw that Fang Shu's face was bruised, obviously he had been beaten, and asked sharply, "Fang Shu, what's going on? As a big disciple, you were asked to guard the house. It's only been a few days, and it has become like this." When Fang

Shu heard this, tears of grievance flowed out, "Master, it was Kuang Biao who did it. He came to Mr. Chen and said he wanted to save face. Seeing that Mr. Chen and you were not here, he took action to destroy us. They even beat us up!"

"That Kuang Biao is so strong that we can't deal with it at all. It's my fault. I didn't take good care of the family. I beg Master to punish us..."

Fang Shu said, knelt down In front of the three elders!

When the third elder heard this, his face turned red with anger, and his whole body trembled slightly!

"What a Kuang Biao, he's really deceiving people too much. He really doesn't take me as the third elder seriously. If I don't teach him a lesson, I won't have a place for me in the entire Jade Cauldron Sect..."

Three The elder was extremely angry, and said he was going to settle accounts with Kuang Biao!

David stopped the third elder and said, "This matter happened because of me, and I will deal with it."

After finishing speaking, David looked at Fang Shu and asked, "Did Kuang Biao say anything after

he left?" Come back, sir, go to the inner gate to find him, he wants to compete with you in the ring." "

He also said, he also said..."

"What else did he say?" David asked!

"He also said that if you dare not go, he will beat us once a day until you go..."

Fang Shu said!

Hearing Fang Shu's narration, David's eyes narrowed slightly, and invisible anger radiated from David's body. In order to make himself stand out, this Kuang Biao went so far as to treat his fellow disciples, it was simply too much. Beast!

Feeling the anger on David, the Third Elder and Fang Shu beside him felt a burst of shock!

"You guys clean up here, I'll meet that Kuang Biao..."

After David finished speaking, he turned around and went to find Kuang Biao!

"Mr. Chen, I will accompany you. If this matter is not ordered by the second senior brother, Kuang Biao will never dare to do this. I want to ask if they want to tear me apart!" The third elder wants to

accompany David go together!

But David stopped the third elder, "Third elder, this is a matter between us. As an elder, if you participate in it, it will inevitably cause greater conflict. Then Kuang Biao just wants to compete with me in the ring." , save face, then I will compare with him."

The reason why David didn't let the third elder go was because he was afraid that the third elder would make matters worse and affect the opening of the medicine pool, which would be troublesome!

The purpose of David coming to Jade Cauldron Sect is to wait for the medicine pool to be opened!

At this time, Nie Heng hurried over. He heard that Kuang Biao was making trouble for David, and even destroyed the house of the third elder's lineage, so he rushed here!

Ever since David joined the lineage of the three elders, Nie Heng has also followed the lineage of the three elders very close!

"Mr. Chen, what are you going to do?"

Nie Heng asked after seeing David!

"Mr. Chen is going to find Kuang Biao..." Fang Shu said!

"Mr. Chen, Kuang Biao has already broken through to the body-fit state, and he must have been instructed by the second uncle to do so. I think you should bear with it." "If things get serious, I'm afraid it will affect the

medicine The pool was opened."

Nie Heng wanted David to bear it, he knew that David came to the Jade Cauldron Sect just for the medicine pool.

“Don’t worry, I have a sense of proportion. Even if Kuang Biao breaks through to the Body Fit Realm, so what...”

David sneered. They are not afraid, but how can they be afraid of Kuang Biao, who has just been promoted to the Composite Realm!

Chapter 2633

The third elder looked at David’s confident look, and couldn’t help but be shocked in his heart. You must know that David is just a cultivator of transformation. Although alchemy is very strong, it does not mean that he is strong!

A cultivator in the Transformation Realm actually ignored the strong man in the Composite Realm. The third elder didn’t understand who David was, who could be so confident!

Nie Heng took a look at David and said nothing. He is the one who knows David’s strength best here!

Although Nie Heng didn’t know how strong David was in the end, but since David said so, he would definitely be able to deal with Kuang Biao!

“Mr. Chen, I’ll go with you. If there’s anything, I’d like to take care of you...”

Nie Heng decided to accompany David to find Kuang Biao!

David can’t have an accident, if an accident happens to David, then he won’t survive!

“Fang Shu, you also take people with you to go with Mr. Chen. This battle is not a battle between Mr. Chen and Kuang Biao, but a battle of our lineage in the Jade Cauldron Sect!” The third elder said

to Fang Shu said!

Now we all know that David worshiped under the sect of the third elder, and he is a member of the third elder's lineage, so David's fight with Kuang Biao is a competition between the third elder's lineage and the second elder's lineage!

If David wins, then their three elders will be able to feel proud, and their status in the Jade Cauldron Sect will be improved!

"Yes..." Fang Shu nodded!

Soon, a group of people went straight to the inner gate of Jade Cauldron Sect. Because Nie Heng was following them, no one stopped them when passing through the outer gate!

However, many people followed behind as if they were watching the excitement, and went to talk about it!

"I heard that the homes of the third elders were demolished by Kuang

Biao. It seems that the third elders are going to take revenge ." The name of the disciple probably belongs to Kuang Biao, and Nie Heng is about to retire."

"This time the Second Elder's lineage will definitely conflict with the Third Elder's lineage, but I heard it's all because of that new disciple named David. This is a good show." Many

disciples followed, wanting to go Follow along to see the excitement!

A group of people came to Kuang Biao's mansion, and Nie Heng whispered to David, "Mr. Chen, Kuang Biao should have broken through after taking the Hunyuan Pill. The kid probably ate it secretly."

"I'm looking for him now while you're at it, I'll go to the warehouse to check, if this kid really ate the Hunyuan pill secretly, our Jade Cauldron Sect's rules can punish him, you There is no need to fight with him anymore."

After following David, Nie Heng quietly walked towards the warehouse!

Fang Shu stepped forward, ready to knock on the door to call out Kuang Biao, but David said sharply, "Kick the door open..." Fang Shu was taken aback

, but after looking at David, Fang Shu nodded, He suddenly kicked towards the door in front of him!

With this kick, the door fell to the ground in response, making a loud noise!

Kuang Biao was currently drinking a small wine in the room happily. Originally, he planned to open the medicine pool to break through to the fit state, but he didn't want the medicine pool to be opened before, and there would be an unexpected harvest!

Now that he has broken through to the combined state, if the medicine pool is opened, if he soaks in it, his strength will increase a lot!

In this way, he will be the Suzerain of the Jade Cauldron Sect in the future!

But when Kuang Biao was looking forward to the future, he was awakened by a loud noise outside, and he hurriedly looked out!

At this time, two disciples from the second elder's line had hurried to the door to check!

But as soon as they arrived at the door, two disciples from the second elder's line were slapped by David and fell to the ground!

Kuang Biao could beat up the disciples of the third elder's lineage at will, but David would not be polite either!
