

A Man Like None Other Novel

Chapter 2637

"Nie Heng, what is the need to investigate? If you are partial to this David and don't arrest him, then I will do it myself. When the senior brother comes back, I will tell him personally..." The second elder

said , the aura on his body rises again!

Seeing this, Nie Heng frowned slightly, and hurriedly said, "Second Martial Uncle, I just checked the warehouse and found that one Hunyuan Pill was missing. It must have been eaten by your apprentice?"

" It is your people who are guarding, and now such an important high-level pill is missing, does this count as self-stealing?"

Nie Heng wanted to change the topic and direct the blame to the matter of the second elder taking the pill privately!

"That's right, I took the Hunyuan Pill, so there's no need to make a fuss about it. When your master comes back, I will explain it to him." "What we're going to talk about now is that David beat up his fellow

disciples and destroyed the mansion. You Don't talk to me about other things."

"Now you order him to be arrested immediately, or I will do it myself!"

The second elder admitted generously, which was beyond Nie Heng's expectations!

"Second Martial Uncle, it was your eldest apprentice who beat Third Martial Uncle's disciples first and destroyed their house. If you say you broke the rules, if you want to arrest him, your eldest apprentice won't be able to escape, right?" Nie Heng asked

!

"No problem, arrest him first!" After the second elder finished speaking, he saw Kuang Biao and said, "Kuang Biao, do you know that you are wrong?" "

Master, I know, I am willing to be punished by the family rules!" nodded!

"Can we catch David now?" The second elder looked at Nie Heng and asked!

This time, Nie Heng was dumbfounded. He didn't know what to do, so he could only look at David helplessly!

Everyone of them knew that Kuang Biao was put into a water prison, and he believed that he would be released by the second elder soon, but if David was imprisoned, no one would let him go. David!

And it was impossible for David himself to let them arrest him. If he was really arrested, then after Hu Yixiao came back, he would not take revenge on himself like crazy!

"Second senior brother, it's just children fighting, why are you so angry? This makes other people see it, doesn't it mean that second senior brother has a small belly?" At this time, after the third elder was notified, he also rushed over

!

I happened to see that the second elder was going to arrest David, so I said it aloud!

"Junior brother, your disciple is a bit too crazy. You beat my man and destroyed my mansion. Shouldn't you teach him a lesson?" The

second elder said with a cold face!

"Second senior brother, then your first disciple went to my mansion first, beat my people, and destroyed my mansion. Do I want to teach him a lesson?" "I think these are all

your first disciple's own actions. " , couldn't it be assigned by the second senior brother?"

The third elder looked at the second elder calmly and asked!

The second elder opened his mouth, but he didn't know what to say for a while, after all, they were wrong, they were the first to strike!

Seeing this, Kuang Biao said, "Master, since the matter has come to this point, why don't I go to the ring with David to fight, whoever loses will kneel down and apologize and kowtow, and the matter is over. "

I think it's okay..." The second elder nodded, then looked at the third elder and asked, "Junior brother, what do you think?" The

third elder looked at David. The strength of the Fusion Realm is much higher than that of David Realm!

David said with a cold smile, "It's okay to go to the arena, but it's a life-and-death fight. The loser doesn't have to kowtow to apologize, and just save his life. Wouldn't it be better..." As soon as David said the words, there was an

instant The audience was extremely shocked, and everyone looked at David in surprise!

Chapter 2638

Even the third elder looked on in surprise, his face full of disbelief!

You must know that David's current state is not as good as that of Kuang Biao. He is the weaker side, but he never thought that David would take the initiative to propose a life-and-death challenge!

The second elder and Kuang Biao didn't expect David to make such a request, and they didn't know what to do for a while!

Seeing that Kuang Biao was silent, David continued to say, "Why, don't you dare? Are you afraid that you will die a miserable death?"

David was deliberately provoking Kuang Biao!

Many people also looked at Kuang Biao. After all, David's realm was much lower than that of Kuang Biao. If Kuang Biao dared not compare, it would be a shame!

"Junior brother, we are all disciples of the Jade Cauldron Sect. If someone dies, it's not good, right? If the senior brother comes back, I'm afraid we will be punished. I think it's better to go to the end. Whoever loses will apologize..."
The second elder said

to Said the third elder!

After all, David, a cultivator of the eighth rank of Transformation Realm, dared to take the initiative to compete with the Compatible Body Realm cultivator for life and death, which made the Second Elder and Kuang Biao wonder what kind of medicine David sold in the gourd for a while!

He was afraid that David would have some backhand. If David took the lead and killed his disciple in the arena, the Second Elder would feel distressed to death!

"I'm going to compete with life and death. If I dare not agree, I won't force it. Kneel down and apologize to me, and you can save your own life!" Before the third elder could speak, David refused directly. He insisted on competing with life and death. beat!

The Second Elder was pushed back by David, his face was livid with anger, but now they were forced to this point by David, it's no good to agree, and it's no good not to agree!

Seeing that the Second Elder and Kuang Biao still didn't dare to say yes to David, many disciples of the Jade Cauldron Sect had already pointed their fingers. After all, in their eyes, Kuang Biao's strength was much higher than that of David, but David proposed to fight to the death. Kuang Biao hesitated!

David saw that Kuang Biao was still afraid to agree, so he took two steps forward, spread his legs apart and said, "Kneel down, crawl over, I won't talk about life and death again!"

"Since you don't have the courage, then use the most cowardly method to solve it!"

Looking at David's face full of sneer, Kuang Biao's anger was completely aroused!

"Okay, I promise you, life-and-death competition, if you lose, you will just leave your life on the stage..." "

I don't believe that you, a trash of the eighth stage of transformation, can still beat me..."

Kuang Biao said with his eyes narrowed. !

"Then let's go on stage, don't waste time, if I can't beat you in ten minutes, I will admit defeat myself!"

David said with a proud face!

Hearing what David said, everyone exclaimed again. If David dared to compete with Kuang Biao in a life-and-death competition, it would be crazy enough, but now he dared to say that he defeated Kuang Biao in ten minutes. up!

No one believed that David could beat Kwong Biao in ten minutes. Whether David could beat Kwong Biao was still unknown, and now he was still brazenly uttering words for ten minutes!

"Hahaha, boy, you are so crazy, let's fight, and I want to see how you beat me in ten minutes..."

Kuang Biao was extremely happy when he saw that David had uttered such a big word!

Even if David had any other means, it would be impossible to defeat him within ten minutes!

At this time, even the second elder relaxed, and said with a raised corner of his mouth, "Boy, this is what you said, and I will take your words as a rule. If you can't defeat Kuang Biao in ten minutes, then you will kill yourself." Let's go..."

"Mr. Chen, you..."

Fang Shu and Nie Heng all looked at David worriedly!

Although Nie Heng knows David's true strength, it is somewhat impossible to defeat Kuang Biao in ten minutes!

David waved his hand and said, "Don't worry, it will take less than ten minutes to deal with this kind of garbage..."

Chapter 2639

Everyone started heading towards the ring, and soon the story of David and Nie Hengbi's life-and-death fight spread throughout the Jade Cauldron Sect, and those outer disciples also came to watch!

Because the arena was built at the junction of the inner sect and the outer sect, it was also to better allow the outer sect disciples to learn more from the competition!

When they came to the arena, the third elder and the second elder all sat on the high platform on one side of the arena, so that they could see the situation on the arena more clearly!

Neither the third elder nor the second elder spoke, but everyone was thinking about Xiao Jiujiu!

The third elder has already made up his mind, if David really loses, he can't let David die tragically at the hands of Kuang Biao, he will take action to save David!

After all, Ruyan Liu hasn't woken up yet, and David needs to heal Liu Ruyan later!

Even without Liu Ruyan, the third elder would not refuse to save him, his life was saved by David!

The second elder is also thinking in his heart at this moment, if Kuang Biao loses accidentally, he will not let David really kill Kuang Biao.

"Master, do you think that Mr. Chen will be Kuang Biao's opponent? I always feel that it's too mysterious..."

Fang Shu asked with some worry!

"I don't know..." The third elder shook his head, he didn't know much about David's strength either!

"I think it's okay!"

At this moment, Nie Heng spoke. Here, only he has seen David's strength with his own eyes!

Seeing David's confident appearance now, Nie Heng felt that David should have full confidence!

Seeing that Nie Heng actually believed that David could win, the second elder couldn't help but glanced at Nie Heng, and said eccentrically, "Nie Heng, when did you become a dog in front of your third uncle?"

"The elder is his uncle, even if the words are harsh, he dare not refute!"

At this moment, David and Kuang Biao are standing opposite each other on the ring!

Around the arena, there are disciples from Jade Cauldron Sect, everyone is very excited, especially those outer disciples, they haven't seen such a high-level competition for a long time! "I heard that senior

brother Kuang Biao has broken through the Transformation Realm and reached the Composite Realm. Who is this guy who is fighting with him? Looks like a freshman!"

Just came to Jade Cauldron Sect, and dare to compete with

Senior Brother Kuang Biao." "This guy is not weak, he beat the disciples of the Second Elder's lineage, and even destroyed the mansion, so crazy..."

Everyone whispered!

No one thinks that David can defeat Kuang Biao, after all, the strength gap between the two is too great!

A big difference in realm cannot be made up by relying on skills and weapons!

"You are really courageous. I'm going to take a look today. You are only an eighth-level Transformation Realm. How can you have the guts to compete with me at the Fusion Realm!" Kuang Biao said, looking at

David coldly!

"What do I rely on, you will know in a while, stop talking nonsense, let's make a move..."

David sneered and said!

"Shall I make the first move? In front of so many people, I'll make the first move. Doesn't it mean that I bullied you and I asked you to make the first move!" Kuang Biao made the first move

at this time, fearing that he would be ridiculed !

"If I make a move, you won't have a chance. I'm giving you a chance..."

David was calm, and he couldn't tell that this was a life-and-death fight!

Kuang Biao didn't speak, but took out his Baganhuang ruler, which was filled with countless black mist!

"Ten minutes, you only have ten minutes, let's see how you can defeat me in ten minutes..."

Kuang Biao said, the eight thousand barren ruler in his hand kept shaking, and countless afterimages flew all over the sky, and went straight to David!

As soon as David stretched out his hand, the Dragon Slaying Sword appeared in his hand. With a slight flick of his wrist, sword lights shot up into the sky, and the two breaths collided instantly!
