

# A Man Like None Other Novel

## Chapter 2643

The whole world seemed to be torn apart, and with a roar, a figure slowly appeared in the black vortex.

I saw a few feet tall monsters with golden horns on top of its head, which looked like a horse but not a horse, slowly landed on the ring!

The appearance of this monster suddenly made the surrounding air stagnate and condense!

Immediately afterwards, the monster roared again. Along with the roar, ripples appeared in the air. Wherever the ripples passed, everyone clutched their hearts tightly, as if their bodies had been hit hard!

"Hahaha, this... this is the ultimate monster within eight thousand barren feet, it's too powerful..."

Kuang Biao looked at the unknown monster in front of him, and suddenly burst out laughing!

While the others watched excitedly and nervously, it was the first time they had seen this kind of monster!

On the stands, the Second Elder and the Third Elder looked at the monsters on the ring with incomparably dignified expressions!

Although the two are in opposition, neither of them wants the Jade Cauldron Sect to be destroyed, and the aura of this monster that appeared in front of them is too strong. If this monster gets out of control, they don't know if they can resist it!

The Second Elder looked at Kuang Biao who seemed to be in a frenzy, and couldn't help sighing!

At this time, David, holding the dragon-slaying sword in his hand, looked at the monster in front of him, and frowned slightly!

The aura emitted by this monster is too powerful, far stronger than the elders of the Jade Cauldron Sect...

Seeing the expression on David's face, Kuang Biao smiled, he knew that David was afraid .

"David, it is absolutely impossible for you to leave this ring today..."

After Kuang Biao finished speaking, he flipped his palm, and a formation astrolabe appeared in his hand, and Kuang Biao crushed the formation astrolabe without hesitation. up!

Boom...

A streak of black mist diffused from the pinched formation astrolabe, covering the arena in an instant!

Immediately afterwards, beams of light flashed around the arena, surrounding the entire arena!

Seeing this, the third elder suddenly got up from the high platform, frowned and said, "The killing array?" The

third elder originally wanted to rescue David when he was in danger, but he didn't expect that Kuang Biao would have such a The method is to set up a

killing array around the ring, and it will be difficult for David if the third elder wants to make a move!

Everyone around was also shocked, knowing that such an array astrolabe is invaluable, unexpectedly Kuang Biao was willing to use it!

At this time, around the arena, countless killing intents permeated the surroundings, and anyone who approached would attack immediately, and very few people forcibly broke through the killing array!

“Master, maybe Mr. Chen is in danger now? I didn’t expect Kuang Biao to have an array astrolabe in his hand, and I don’t know where he got it from.” Fang Shu said worriedly

!

The third elder turned his attention to the second elder, and only the second elder could find this kind of formation astrolabe, after all, the second elder controls the distribution of various resources of the Jade Cauldron Sect!

He can take advantage of his position and use the resources of the Jade Cauldron Sect to exchange for the array astrolabe!

“Junior brother, don’t look at me. I don’t know what’s going on with this formation astrolabe. Kuang Biao has been sent out for many years. How would I know what he’s doing outside!” The second elder saw that the third

elder meaning quickly explained!

“There is a slaughter formation outside, and there are ultimate monsters inside. This time, Mr. Chen may have a hard time...”

Nie Heng, who had been silent all this time, frowned tightly!

David still holds his soul in his hands. If David dies, then he will be finished too, so he can't let David die, but in this situation, he has no way to save David!

With his strength, he would probably be strangled if he got close to the killing formation!

## Chapter 2644

"There is a killing formation, don't think that someone can save you, you will accept the trial of death today..."

Kuang Biao's body slowly began to float, and he said with a grinning face!

With the slaughter formation outside and the ultimate monster inside, he didn't believe that David was still alive!

David glanced at the killing formation around him. This formation was simply vulnerable to him. What David was most worried about now was the monster in front of him!

In this small arena, David has no chance of winning if he fights with this kind of monster. David has to rely on his own flexibility to move around!

If in the end it was really not the opponent of the monster, David could just walk away, he wouldn't really die here!

"Is a small killing formation worth showing off?"

David snorted coldly, pinched his fingers continuously, and then shot out several white lights from his fingertips!

Several white lights hit the formation's eyes!

Bang bang bang...

Accompanied by a few slight sounds, the surrounding killing formations began to vibrate violently.

With a light wave of David's hand, a gust of wind blew by, and the formation disappeared without a trace in an instant!

This time, everyone was stunned!

That Kuang Biao was still full of complacency just now, but now his pupils constricted, his face full of disbelief!

Not only was he unbelievable, even the second and third elders in the stands were shocked enough!

David shocked them again and again!

In fact, this Jade Immortal Formation is not a particularly high-level formation, but because the members of the Jade Cauldron Sect are all pharmacists, they don't know anything about formations!

In their view, breaking the formation is all about brute force. If a real magic master needs to find the eye of the formation to break it, it will be much easier!

So when they saw that David easily broke the killing formation, they were all stunned!

They didn't know that David was not only powerful and skilled in medicine, but also a master of spells and all-around talents!

"Master, what... is there anything Mr. Chen can't do?"

Fang Shu's eyes widened, and he was once again impressed by David!

The third elder didn't speak, and he couldn't figure out how much David knew!

But at this time, Kuang Biao on the stage has no other means, all he can rely on now is the ultimate monster in front of him!

“Kill him, kill him immediately...”

Kuang Biao roared, commanding the monster to attack David!

I saw the monster let out a roar, and the golden horn on the top of its head burst into a golden light instantly!

The golden light shot out towards David like a shooting star!

Seeing this, David waved the Dragon Slaying Sword in front of him, a barrier appeared instantly, and the indestructible golden body on his body also burst into brilliant light!

David raised all the power to the extreme, and the power of the three clans was also exerted by David with all his strength!

Boom...

The golden light hit David's body fiercely, bursting out with a light that was more dazzling than the sun!

Everyone had to close their eyes, exuding the breath of their bodies, resisting the aftermath of the attack!

Slowly, the light disappeared, and the entire arena had already fallen apart!

Kuang Biao was suspended in mid-air, and lightly stepped on the monster that looked like a horse but not a horse!

And in front of him, David had already disappeared!

“Hahaha... Hahaha...”

"Fighting with me, you're still a little too young..."

Kuang Biao laughed wildly, the blow just now might have wiped out David long ago. up!

The others stared blankly. At this time, there was only Kuang Biao in the sky above the ring, and David's figure had already disappeared!

"It's broken, Mr. Chen is afraid that something unexpected happened?"

Fang Shu frowned, very worried!

The third elder also had an extremely ugly face, and he was still counting on David to heal Liu Ruyan. If David died, then Liu Ruyan might never wake up!

Moreover, David was his own savior, so he was beaten to death in front of him like this, the third elder blamed himself very much!

But in the situation just now, even if he made a move, he might not be able to get close, and he would be suppressed by that aura!

## Chapter 2645

"Junior brother, it's over, don't have any expectations anymore, I really didn't expect the power of Bagan Huangchi to be so huge, and the ultimate monster summoned can easily crush us!" The second elder said with a proud

face !

The third elder didn't move, he didn't believe that David would die so easily, but now he couldn't even see David's figure, what was it?

"Mr. Chen is not dead..."

Nie Heng spoke slowly at this time!

He knew that David was not dead because his soul was in David's hands. If David died, then he should be a corpse now, but now that he is fine, it proves that David is not dead!

"Not dead? Then where is he?"

The third elder hurriedly asked!

But at this moment, someone suddenly yelled, "Look, what is that?"

Everyone hurriedly looked, and saw a golden shooting star rushing towards this side as if from the horizon, the speed was extremely fast!

But when the golden light approached, everyone realized that it was a person.

"Mr. Chen, that's Mr. Chen..."

Fang Shu shouted excitedly!

I saw David in golden armor floating in the air, but his face was a little ugly, and there was blood on the corner of his mouth, obviously injured!

But under the terrifying blow just now, David was still alive, which shocked everyone!

In an instant, everyone was silent...

Countless people opened their mouths in shock. You must know that even the third elder and the second elder might not be able to resist the blow just now, but David, a cultivator of transformation, resisted it!

Kuang Biao looked at David in front of him, his original complacency disappeared in an instant, replaced by surprise on his face!

He couldn't believe it, David was not dead, not only did he not die, it seemed that his injuries were not serious!

"You...you didn't disappear?"

Kuang Biao asked in shock!

"A little monster wants me to be wiped out? It's a joke!"

David raised the corner of his mouth, showing great disdain!

"Hmph, you don't need to put on a show, you are injured now, I don't believe I'm giving you a blow, you can still bear it..."

Kuang Biao said, and he was about to let the ultimate monster give David a blow!

He believed that he would definitely not be able to resist this blow!

David put away the dragon-slaying sword, and even put away the indestructible golden body. Facing the attack of the ultimate monster, David knew that there was no way for these things to resist!

At this time, David slowly closed his eyes, and the dragon crystal on his chest began to flicker continuously!

"Kill him..."

Kuang Biao commanded the monster, and rushed towards David in an instant!

Seeing this, the third elder's face suddenly changed. He also knew that David was injured, and he definitely couldn't bear the blow again, so he got up suddenly, and was about to rush to the stage to save David!

The Second Elder seemed to be on guard for a long time, when the Third Elder moved, the Second Elder suddenly reached out and grabbed the Second Elder's wrist!

"Junior brother, what are you doing here? Why don't you watch a play here?"

The second elder asked the third elder!

"The winner has been decided, so I don't think it's necessary to kill them all? I hope we can stop!"

said the third elder!

"Stop?" The corner of the second elder's mouth raised, "How can it be possible to stop? You guys brought up the life-and-death competition, and now you want to go back on it, it's too late..." "Senior brother, do you need a life-and-death competition for those who belong to the same sect

? hope....."

"Stop fu\*\*ing nonsense, just sit down for me. If you dare to make a move, then don't blame me for being rude." The

second elder said coldly before the third elder finished speaking!

The third elder looked at the sky above the ring, David was motionless, and he didn't even defend himself. Knowing that David had completely given up resisting, he said anxiously, "Brother, if this is the case, then I won't be polite..." For David, the three

elders The elders can only make a move!

The third elder slapped the second elder with a palm, hoping to force the second elder to retreat.
