

A Man Like None Other Novel

Chapter 2658

Two days later!

Hu Yixiao returned to the Jade Cauldron Sect, but when he looked at the messy Jade Cauldron Sect residence, he almost died of anger!

“What’s going on? What’s going on? Who can explain it to me?”

Hu Yixiao stood at the door of the Jade Cauldron Sect’s inner gate and asked loudly!

Many disciples all lowered their heads, no one dared to speak, even Nie Heng looked nervous!

Now that Hu Yixiao is back, he doesn’t know how to explain what happened to David!

“Nie Heng, tell me, what’s going on?”

Hu Yixiao asked Nie Heng!

“Master, this... this is a fight between disciples from the third uncle’s line and the second uncle’s lineage, that’s why it happened.”

Nie Heng said truthfully!

"What?" When Hu Yixiao heard this, he said even more angrily, "It's really audacious. The rules of the Jade Cauldron Sect do not allow disciples of the sect to fight among themselves, let alone fighting in the inner sect. Now not only are they fighting, but they have also destroyed so many House, it seems that it is impossible not to teach them a lesson."

"You go and find your third uncle and second uncle immediately, if they don't have an answer to this matter, neither of them will feel better!"

Hu Yixiao Very angry, after all, he is the suzerain now, if no one abides by the rules of the Jade Cauldron Sect, it will be slapping him in the face, he will never allow such a thing to happen!

No matter who it is, as long as he dares to threaten his authority, Hu Yixiao will never show mercy. It is precisely this kind of iron and blood that makes Hu Yixiao have a high prestige in the Jade Cauldron Sect!

Nie Heng nodded, and then hurriedly ran towards the residence of the third elder. He wanted to tell David about Hu Yixiao's return, so that David was ready!

After all, David still had conflicts with Hu Yixiao, if Hu Yixiao insisted on taking action against David, he might be in trouble!

"Brother, why are you here?"

After seeing Nie Heng, Fang Shu hurriedly asked!

During this period of time, Nie Heng treated the disciples of the third elder's line very well, so Fang Shu and the others no longer resisted Nie Heng!

"Is Mr. Chen there? I have something urgent to ask him!"

Nie Heng asked!

"Here, Mr. Chen and Master are discussing medical skills in the room!"

Fang Shu said!

Nie Heng didn't say anything, but rushed into the room quickly!

"Mr. Chen, it's not good, my master is back..."

Nie Heng said nervously after seeing David!

"Nie Heng, what's wrong with senior brother coming back? Why are you so panicked?" "

Besides, what does it matter if your master comes back with Mr. Chen?"

The third elder didn't know the contradiction between David and Hu Yixiao, so he asked in puzzlement.

"Third Elder, I have some conflicts with that Hu Yixiao. Nie Heng is afraid that Hu Yixiao will attack me."

David briefly explained his conflicts with Hu Yixiao!

When the third elder heard this, he immediately smiled and said, "What is this called? Now you are already my disciple in name, and you can also be regarded as a disciple of the Jade Cauldron Sect. With this contradiction, it is impossible for senior brother to do anything to you!" "If he

dares If I do it, I won't agree, I believe in this face, he still gave it to me..."

David relaxed a little when he heard the third elder's words, and he didn't want to fall out with Hu Yixiao at this time, which would affect the medicine pool on!

Besides, they will deal with Hu Yixiao sooner or later, now that Ruyan Liu has woken up, sooner or later they will expose Hu Yixiao's crimes!

"Third Martial Uncle, Master told me to call you over..."

Nie Heng said to the Third Elder!

"Okay, I'll go now..."

The third elder nodded!

"Mr. Chen, be careful!"

Nie Heng reminded David, then turned and left!

"Third Elder, I'll go with you. What should be faced, it seems that sooner or later we will have to face it."

David decided to go with the Third Elder to meet Hu Yixiao.

Chapter 2659

Jade Cauldron Sect inner gate hall!

The Second Elder has arrived, facing Hu Yixiao's furious questioning, the Second Elder's face is full of grievances!

"Brother, you have to make the decision for me. During your absence, many things have happened to the Jade Cauldron School!" "The reason why the Jade Cauldron School has

become like this is because of the new disciples of the third junior brother!"

"My big apprentice, Kuang Biao, was also killed. Whether you come back or not, the whole Jade Cauldron Sect will be decided by the third junior brother." The second elder preemptively sued the third elder

!

"What?"

Hu Yixiao's eyes opened suddenly, "What kind of disciple did the third junior brother accept? How dare he have the guts to destroy the house in the inner sect and kill Kuang Biao? What audacity?" "Besides, Kuang Biao is

now His strength should have reached the peak of the transformation realm, with the ability of the third junior brother, how could his disciple kill Kuang Biao?" Hu Yixiao couldn't believe it, after all, Kuang Biao's strength was one of the best among many disciples

. I'm afraid that even Nie Heng can't kill Kuang Biao!

"Senior Brother, the disciple that the Third Junior Brother accepted is very evil. He obviously only has the realm of Transformation Realm, but his strength does not seem to be weaker than you and me at all!" "And this guy has a lot of magical weapons,

look He looks like a young master from some wealthy family, but he can't figure out why this guy came to the Jade Cauldron Sect, and why he worshiped the third junior brother as his teacher!" The

second elder said emphatically!

He knew that Hu Yixiao just liked treasures, so he said that David had a lot of magical weapons on him, which would arouse Hu Yixiao's greed!

"Don't you know the identity of this person? What's his name?"

Hu Yixiao was also interested in the third elder's new disciple at this time!

"This guy's name is David. It seems that Nie Heng knows him very well, so he should know his details!"

The second elder said!

“David?” Hu Yixiao stood up suddenly, his expression became full of surprise, and then he looked at Nie Heng and said, “Nie Heng, tell me, is this David...”
“Master, this David is exactly what you asked me to talk to

. That person that Junior Brother Wu went to arrest.” Nie Heng whispered!

At this time, Nie Heng’s heart was beating wildly, and he was so nervous!
When Hu Yixiao heard this

, killing intent burst out in his eyes, he looked at Nie Heng coldly and said,
“Please explain to me, what is going on?

“

“I brought this David to the Jade Cauldron Sect because he said he had something to dedicate to the master, and he wanted to worship you as his master!

“ Let the third uncle go first.”

Nie Heng could only explain half-truth, hoping to convince Hu Yixiao!

“Dedicate something to me? Dedicate to what?” Hu Yixiao asked!

“It seems to be some kind of Shennong cauldron. I heard that it is a divine cauldron for refining medicine. He seems to have used this Shennong cauldron in the third master’s residence!”

Nie Heng said!

“Shen Nong Cauldron?” When the second elder heard the name, his eyes widened in surprise!

But Hu Yixiao was not surprised, because he sent Nie Heng and Wu Feiyu to arrest David just for Shennong Ding!

"In this way, the colorful alchemy cloud over the third junior brother's residence some time ago must have been emitted by Shennongding alchemy."
"

I thought it was the third junior brother's alchemy skills that have improved again!"

The second elder thought of Davidchu at this moment. When it came, the pill cloud rising above the Third Elder's residence!

"It seems that the third junior brother must have seen the Shennong cauldron before accepting David as his apprentice."

Hu Yixiao narrowed his eyes slightly and said, "Why isn't your third senior uncle here yet?"

"I've already notified, Third Master said he'll be here soon!" Nie Heng said!

Hu Yixiao nodded, and then quietly waited for the arrival of the third elder. He had to find a way to get the Shennong Ding. If David took the initiative to donate the Shennong Ding, he could forgive David for what he had done!

Chapter 2660

"Third Elder is here..."

At this moment, a disciple outside the door shouted loudly.

I saw the third elder leading David into the hall with big strides!

When David and Hu Yixiao looked at each other, Hu Yixiao's expression was so ugly!

Whenever he saw David, he would think of the scene of kneeling down to David in the Demon Imperial City!

But at this time, Hu Yixiao couldn't just see the attack, after all, he couldn't tell the story of him kneeling down to David, so what would be the prestige of his suzerain!

"Brother..."

The third elder saluted Hu Yixiao!

"Third Junior Brother, I heard that you have recruited a new apprentice who is very powerful. Not only did you demolish many houses in the sect, you even killed Kuang Biao. It seems that the disciples of your lineage are promising. "

" While I was away, you made a big fuss about the Jade Cauldron Sect. You didn't take me as the suzerain seriously, but since I'm back, I can't ignore this matter." "Tell yourself, our Jade Cauldron

Sect According to the rules of the Dingzong, if the disciples below commit crimes, they will be punished if they make a scene in the sect?"

As soon as Hu Yixiao came up, he gave the third elder a blow!

However, the third elder didn't panic at all, and said calmly, "Brother, I don't know. It was Kuang Biao who demolished my mansion first and injured my disciple, so David couldn't see it and came to the door!" "As for killing that

man Kuang Biao, that was on the ring, and the two of them were fighting for life and death, so it would not be an

exaggeration to kill them, right?" The Dingzong was ruined, and the Supreme Elders were alarmed."

Just after the third elder finished speaking, Hu Yixiao shook his body, stood up suddenly, and asked in surprise, "What? The Supreme Elders were alarmed?" "

Yes, The elder Taishang also ordered you to go to the back mountain to kneel and think for three days after you come back."

The third elder nodded and said!

As soon as the third elder said, Hu Yixiao's face changed, and he almost staggered and fell to the ground!

"Second Junior Brother, is what Third Junior Brother said true?" Hu Yixiao looked at the Second Elder angrily and asked!

"This... this... the Supreme Elder did say it!"

the Second Elder stammered!

Hearing what the Second Elder said, Hu Yixiao almost died of anger, so he raised his hand and slapped the Second Elder!

"Are you fu**ing trying to kill me? Since the Supreme Elder was alarmed, why didn't you tell me?" "After

I think about it, I'm going to settle accounts with you..." After

Hu Yixiao finished speaking, he ran towards the back mountain without stopping .

At this moment, he doesn't have the mood to take care of David's affairs, saving his life is the most important thing!

Seeing the second elder being slapped, the third elder and David all showed a playful look!

At this moment, the second elder, don't mention how angry he is.

"Second Senior Brother, the slap that Senior Senior Brother gave just now was not light, hurry up and get some medicine, or else your face will be so swollen that the disciples will see the joke!" The

Third Elder jokingly said!

The second elder gritted his teeth, and said in a cold voice, "Don't be complacent, just wait for me, don't think that Hu Yixiao dares not touch you, nor do I..." After finishing speaking, the second elder turned around and left angrily

!

Back in his mansion, the Second Elder smashed everything that could be smashed in the room!

Originally, he thought that when Hu Yixiao came back, he would definitely punish the Third Elder. After all, Hu Yixiao had long been dissatisfied with the Third Elder!

This time, I happened to find an opportunity to deal with the three elders, but when the Supreme Elder was alarmed, Hu Yixiao was like a mouse seeing a cat, and immediately thought about it, and didn't bother at all.

"I will never let it go like this, absolutely not..."

The Second Elder roared loudly.

Slowly, the Second Elder calmed down and regained his sanity!
