

A Man Like None Other Novel

Chapter 2667

Soon, clusters of fireballs rose from the palms of these people, and then all the fireballs were thrown towards David!

Holding the dragon-slaying sword in his hand, David continuously swung out one after another of the sword lights, hitting the fireball!

It's just that when the sword light hit the fireball, it could only shatter the fireball, and the scattered flames still fell on David's body, although it was burning violently and making a hissing sound!

Seeing this, Zhe Yan raised the corner of his mouth slightly, he didn't care about David, but went straight to Liu Ruyan, he couldn't let Liu Ruyan escape!

Zhe Yan leaped vigorously, followed by bursts of roars in the sky, and a sea of flames spread out from the sky in an instant, turning the entire sky red!

The terrifying aura rushed towards Liu Ruyan, and the fleeing Liu Ruyan hurriedly turned his head to look at it. When he saw that he was catching up like this, he felt a burst of anxiety in his heart!

She is only at the peak of Transformation Realm, so it is impossible for her to be Zhe Yan's opponent!

"It's not that easy to run away?"

Zhe Yan roared, and the tumbling flames in the sky began to sweep towards Liu Ruyan!

Seeing this, Liu Ruyan could only stop, and suddenly swung out a wave of spiritual power with both fists to block the burning flame!

But the spiritual power that Liu Ruyan wielded was instantly defeated under the flames.

Liu Ruyan's face turned pale with shock, and she quickly backed away.

However, the palms were still stained with flames, and the intense burning sensation made Liu Ruyan's face grim, and blood flowed out from both hands continuously!

"It's so powerful..."

Liu Ruyan looked at her burned hands with a serious expression!

"Whether you are the eldest lady of the Jade Cauldron Sect or not, today I will blow you up to ashes..."

After Zhe Yan finished speaking, he once again commanded the huge wave-like flames to come towards Liu Ruyan!

There was panic in Liu Ruyan's eyes, but she was powerless to resist, the difference in strength was too great, resistance was futile!

"It seems that I won't be able to regain the Jade Cauldron Sect after all..."

Liu Ruyan accepted her fate, and closed her eyes slightly!

"Don't worry, you'll be fine with me here!"

At this moment, David's voice rang in Liu Ruyan's ear!

Liu Ruyan opened her eyes and found that David was standing in front of her. His golden body was like a barrier, protecting her!

Facing the huge wave-like flames, David erupted the power of the dragon in his body, and a golden golden dragon flew away in an instant!

Immediately afterwards, he circled his body and spat out flames from his mouth!

The two flames collided instantly, and the surrounding trees were instantly reduced to ashes under the flames!

The golden dragon let out a roar, and the flames in its mouth continued to spurt!

The roaring sound continued to sound, and a strange color appeared in the midair!

Under the illumination of these two flames, the entire mountain forest was as bright as daylight!

"It would be great if Yuqi was here..."

David frowned slightly, he felt that this burning flame was very tricky!

If Sonya is here, then there is no need to be afraid. Sonya is a fire spirit, born with the ability to control flames.

The scorching temperature is still rising, and the entire mountain range is burning with raging fire, but in the middle of the fire, a few figures are motionless!

"A mere cultivator, really impresses me again and again..."

His eyes narrowed slightly, and then the flames surged again, and he went desperately towards David, and soon the entire sky seemed to be covered by flames of ocher flames !

David could tell that Jinlong might not be able to withstand much time, so he said to Liu Ruyan, "Rewind..."

Liu Ruyan was stunned for a moment, but still obeyed David's words, and hurriedly backed away!

Just as Liu Ruyan stepped back, David's body was instantly enveloped in flames as the golden dragon turned into golden light and dissipated!

The raging flames that filled the sky completely engulfed David.

Chapter 2668

"David..."

Seeing this, Liu Ruyan shouted in shock!

But Liu Ruyan couldn't get close, these flames were not ordinary flames, but the flames of the Demon Race, whose power was many times stronger than ordinary flames!

Seeing that David was wrapped in flames, Zhe Yan raised the corner of his mouth and laughed, "If you dare to fight with me, today I will blow you to ashes..."

After speaking, Zhe Yan began to shrink into the flames. Time shrinks a little bit!

As Zhe Yan played out one after another, the flame was compressed smaller and smaller, and finally it was directly reported to David to wrap it tightly!

You must know that when the flame is compressed, both the temperature and the power will increase exponentially!

The compression of the flames made the surrounding air thinner. Everyone could only feel the heat wave hitting their faces, making it difficult to breathe!

Even if they were tens of meters away from the flame, they all felt this way. It can be seen that David in the center of the flame had already turned into coke by now?

Slowly, the flames compressed only a human figure, as if David's body was burning with flames!

David's body fell to the ground slowly, and despite the flames burning on his body, he remained motionless!

"Why hasn't it been burned to ashes yet?"

Zhe Yan was a little surprised, wondering why David hadn't been turned into ashes yet?

Know that under this compressed fire, everything will be reduced to ashes!

Zhe Yan took two steps forward, he wanted to see what was going on!

But when Zhe Yan took two steps forward, David, who had fallen to the ground, suddenly stood up!

The flames on his body were also extinguished in an instant, and then an incomparably bright brilliance shot out from David's Dragon Slaying Sword!

Zhe Yan turned pale with shock, he didn't expect that not only did David not die, but he could even resist!

He turned around suddenly, but Zhe Yan's shoulder was still cut by the sword light!

As for David's sword, what he used was not the power of the dragon, but the power of the three clans. In this way, the aura in his body was completely exposed!

You must know that the power of the three clans is far greater than the power of a certain ethnic group!

It's a pity that Zhe Yan was still too cautious, and he couldn't kill him with a single sword just now!

Looking at his injured arm, Zhe Yan frowned!

There is something incredible in the eyes!

"Who the hell are you? And who are you, the Yin Demon? Why do you have the power of Dao patterns in your body?"

Zhe Yan stared at David and asked!

David was slightly taken aback, but quickly realized that Zhe Yan must have felt the aura of the power of the Dao pattern in his body, so he asked this question. After all, the evil spirit of the Dao pattern is the unique skill of the Yin Demon!

But just now he used the Holy Light Fist, why didn't Zheyan see that it was Fengmo's unique skill?

Could it be that in this world of heaven and man, the strength and popularity of Yin Demon is really higher than that of Feng Demon?

David thought about it, but quickly said, "Yin Mo is my master, and he taught me the power of my Dao pattern."

David said this to make Zhe Yan feel jealous, after all, Yin Mo is in heaven and man. The status of the Demon Race should not be low!

Otherwise, Yin Demon wouldn't be suppressed!

"Your master?" Zhe Yan snorted coldly, but he didn't believe what David said!

"Yin Demon has been suppressed a long time ago. How could it be your master? You must have learned the power of the Dao Rune from some ancient book, right? Besides, the power of Dao Rune in your body is weak, and you dare to say it is the work of the Yin Demon!" Disciple!"

David's power of the Dao pattern has been fused into the power of the three clans, so just feeling the existence of the power of the Dao pattern must be much weaker!

That's why Zhe Yan misunderstood David. You must know that David's power of dao pattern has reached the peak, and even the bow of the god king can be easily drawn!

If David had the God King Bow in his hand now, he probably wouldn't have to talk nonsense with Zhe Yan!

Just shot him with one arrow!

Chapter 2669

"Believe it or not, if you kill me today, my master will not let you go."

David said!

"Hmph, let me tell you, even if you are the disciple of the Yin Demon, it is useless, I must kill you today." "

Besides, even if the Yin Demon has not been suppressed, he can't control me..."

Zhe Yan's whole body cultivation base Exploding, coming towards David again!

As a demon cultivator of the third rank of the Composite Realm, he was injured by David, a cultivator of the Transformation Realm, which made Zhe Yan very angry!

Seeing this, David also jumped up holding the Dragon Slaying Sword!

But this time, David pinched the spell in an instant, and a white mist began to rise from the surroundings. The mist was extremely cold!

David wanted to use these icy mist to reduce the power of the Zheyang Zhihuo!

"Hmph, I am the fire of the demon clan. Not to mention a thin layer of mist, even in the wind, snow and frost, it can still burn forever!

Zhe Yan snorted coldly.

But David didn't say anything. In the mist, David's dragon-slaying sword suddenly trembled, and the Nine Shadows swordsmanship was displayed!

Soon, three identical figures of David appeared!

However, due to the obstruction of the mist, Zhe Yan did not notice David at this time. There is no longer one!

"Miss Liu, run quickly..."

David yelled at Liu Ruyan!

"Don't let him run away..." Zhe Yan also shouted at the same time!

Several of Zhe Yan's subordinates, hurry up! He rushed towards Liu Ruyan!

But just after he rushed two steps, two identical David rushed out from the mist!

This scene instantly stunned several of Zhe Yan's subordinates!

Even the escaped Seeing this scene, Liu Ruyan was also slightly taken aback, but she didn't stop, but ran away quickly!

Several of Zhe Yan's subordinates came to their senses and chased after him, but they were stopped by David's shadow clone, and the two sides fought together in an instant!

They were even more shocked when they discovered that the two identical David also possessed strength!

Obviously, this is not an illusion, let alone a phantom!

After all, it is impossible for Phantom to have strength!

At this time, Zhe Yan didn't know the situation outside, and based on his feeling, he suddenly slapped forward with his palm!

Bang...

Zhe Yan slapped David on the head with his palm, causing David to fall to the ground in an instant!

Zhe Yan was taken aback, he didn't expect that he would kill David so easily?

This is a bit incredible!

But looking at David who fell on the ground, it was not fake at all!

But just when he was about to pick up David's body, David, who fell to the ground, slowly disappeared into a white light!

"This..."

Zhe Yan was shocked!

But just as Zhe Yan was stunned, a dangerous aura came from his back, and Zhe Yan suddenly turned around!

He found that David was holding the dragon-slaying sword, and the sky-high sword light was slashing towards him fiercely!

The hairs all over Zhe Yan's body stood on end, he swung two palms suddenly, and at the same time his body was constantly retreating!

David's sword was blocked again!

"Damn it, I lost another chance..."

David couldn't help cursing!

No way, he used the shadow clone, and at the same time distributed the spiritual power in his body, so the power of his sword was much weaker!

At this time, the surrounding fog also dissipated, and when Zhe Yan saw that his subordinates were fighting with two identical David, he was completely stunned!

But before he could react, the two David were also beheaded by his subordinates!

It's just that those two David, who were exactly the same, just like what happened to him just now, their bodies turned into a piece of white light and disappeared!

"What kind of sorcery did you kid use?"

Zhe Yan asked in surprise!

After all, he has never seen a shadow clone that can still fight. There are many people who know some phantom formations or illusions, but they are all deceiving people's eyes. The body is the same!

Other than the weaker body, there seems to be no difference...
