

A Man Like None Other Novel

Chapter 2709

Demon Imperial City!

The Demon Emperor Yihe returned with Li Xing!

In order to express his sincerity, Li Xing brought a lot of dowry gifts, and there were more than a dozen entourages accompanying him!

When everyone arrived at the gate, Huben, the general who guarded the imperial city, personally led someone to greet them at the gate!

However, when he saw Li Xing, his expression obviously changed!

After all, he knew that Li Xing also liked Princess Isa, and the Demon Emperor Yihe also wanted to marry Princess Isa to Li Xing.

Now that Li Xing came with his entourage and brought so many things, Huben knew that he must have come to marry Princess Isa!

It's just that Hu Ben is a general guard, so to speak, he is a guard of the imperial city, so he can't compare with Prince Li Xing!

After welcoming Yihe Yaohuang into the city with Li Xing, Huben left with a displeased face, because he didn't want to see the scene of Li Xing and Princess Yisha getting married!

"Father, you are back? What the hell did you do? You didn't take me with you..."

Seeing that Yihe Yaohuang had returned, Princess Yisha hurried out and said!

"Isa..."

Li Xing shouted happily after seeing Princess Isha!

At this time, Princess Isa saw Li Xing. When she saw Li Xing, the smile on her face disappeared instantly, replaced by a cold face and asked, "Li Xing, come to our Demon Imperial City!" What are you doing?"

"Yisha, why are you talking to Li Xing, this time I went to Mingli King City to propose a marriage, and this time Li Xing came with me to marry you back." Yihe Yaohuang said

!

When Princess Isa heard this, she frowned immediately, and said with an unhappy face, "Father, who told you to betroth me to that Li Xing? I don't like him at all. Have you ever asked my opinion?"

"Anyway, I don't want to marry. If you want to marry, you can marry yourself. I have a sweetheart..."

After finishing speaking, Princess Isa turned around angrily and ran away!

"This child is too outrageous..."

Yihe blushed with pride!

Li Xing listened to Princess Isa's words, his face was also very ugly, but it was only fleeting, and hurriedly said to Yihe Yaohuang, "Father-in-law, don't worry too much, I will make Isha fall in love with me... "

"Li Xing, this girl Yisha is spoiled by me, you stay here for a while, and when you develop feelings, it will be fine..."

Yihe Yaohuang said!

"I understand, I will work hard!"

Li Xing nodded!

Yihe Yaohuang sent people to arrange accommodation for Li Xing and the followers he brought, while Li Xing kept looking for Isha to chat and talk, but all he got was Isha's eyes, and Isha ignored him at all.

But Li Xing is not angry or discouraged, and keeps chatting with Isa!

One day later, Yihe Yaohuang was closing his eyes and resting his mind. Now he is looking forward to Yisha's change of attitude. After they get married with Li Xing, they will be able to unite with Mingli Wangcheng in Yaohuang City!

As long as the two of them are united, the Beast Race in the Celestial Realm will not have to worry about him in the Demon Imperial City. What's more, after the two families unite, they can join forces to plunder the territories of other demon kings. After all, no one I despise my own territory.

"Yaohuang, Mr. Chen, please see..."

Just as Yihe Yaohuang closed his eyes and meditated, Elder Pei suddenly came to report!

When Yihe Yaohuang heard that David was coming, he stood up from his chair and ran out in a hurry!

David is the master of the hall. Although others don't know it, Yihe Yaohuang knows it, and he dare not neglect it!

Elder Pei looked at the flustered look of Yihe Yaohuang, but his face was full of doubts. He didn't understand why Yihe Yaohuang was so respectful to David and went to greet him in person!

Chapter 2710

"Mr. Chen..."

After seeing David, the Demon King Yihe hurried forward and bowed slightly!

Elder Pei lowered his head in the back, his face was full of shock, and he didn't say a word!

David followed Yihe Yaohuang into the imperial city, but did not let Elder Pei follow, because David needed to ask Yihe Yaohuang about some things!

After entering the room, David asked bluntly, "Yihe, how much do you know about Mingli King City?"

When Yihe Yaohuang heard David's question about Mingli King City, he was slightly taken aback, and hurriedly said, "Master, I have a good understanding of Mingli King City." Li Wangcheng knows quite a lot, after all, Li Wang and I are neighbors, and our two families have a lot of contacts!" "

And I just returned from Mingli Wangcheng, and I plan to betroth my little girl to Li Wang's son, so that we two Families can get married, and when we are in the lineage of the beast clan, we will have more power to speak!" "

I don't know what the palace master asked about Mingli Wangcheng?"

Listening to Yihe Yaohuang's words, David thought for a while, "Then you What do you think of this King Li?"

"He is very ambitious, extremely greedy, and an unscrupulous guy!"

Yihe said the characteristics of King Li without hesitation!

David was taken aback, and said in disbelief, "Since this guy is so bad, you still married your daughter into their family?"

Yihe Yaohuang smiled wryly and said, "Master, you don't know something, if I don't follow Mingli Wangcheng will marry and reach a cooperation, or other people will find Mingli Wangcheng to cooperate!" "

At that time, my Demon Imperial City will only end up being divided, and there is no room for resistance at all, so I can only sacrifice my little girl. "

Besides, after uniting with Mingli King City, we will be able to attack the Bloodthirsty Thunder Eagle's Eagle King Cave together. There is a Ten Thousand Years Thunder Tree in this Eagle King Cave. It was struck by a thunderbolt, and it still survived."

"The thunder fruit on this tree is a good resource for cultivation..."

When mentioning the Thunder Tree, Yihe Yaohuang's eyes were clearly greedy!

"Bloodthirsty Thunder Eagle?"

"Tianlei Tree?"

David frowned slightly, puzzled and said, "Is this Bloodthirsty Thunder Eagle also one of the Three Emperors and Four Kings?"

Yihe Yaohuang shook his head, "No , the entire orc clan is outside of our three emperors and four kings, and there are many other orc clans that form their own lineage and are not under our control." "

This bloodthirsty Thunder Eagle is one of them, he does not belong to my Demon Imperial City Or under the jurisdiction of King Li's royal city, this guy

doesn't listen to anyone because there is a sky thunder tree in his cave!" "It's been so many years, although some people have

tried the idea of the sky thunder tree, but they all failed. No one is planning to attack the Bloodthirsty Thunder Eagle alone, and if the strength is damaged, it is likely to be eaten by others." "Both

King Li and I have thought about leading the crowd to attack the Eagle King Cave, but who? I didn't dare to do anything, after all, I still have to guard against the other party!" "

Now after my Yaohuang City cooperates with Mingli Wangcheng, we can attack the Eagle King Cave together and carve up the Tianlei tree!"

After Yihe Yaohuang's explanation, David understood that monsters like the Bloodthirsty Thunder Eagle should be regarded as casual cultivators among monks, and they would not submit to any force!

"How much sincerity do you think King Li has in marrying and cooperating with you?"

David asked.

"This...this subordinate doesn't know."

Yihe Yaohuang shook his head.

The Demon Emperor Yihe didn't even know that in Li Wang's eyes, the marriage was just a cover, and what he really wanted was the entire Demon Emperor City!

"Don't cooperate with King Li for the time being, I have something stolen by King Mingli City, I have to get it back first!"

David said to the Demon King Yihe!

Chapter 2711

"Hall Master, what did Mingli Wangcheng steal from you? I'll just come forward and get it back for you."

Yihe Yaohuang asked!

"According to the character of King Li you mentioned, he will not return what he stole." "What

he stole was my God King Bow..."

David said flatly!

"God King Bow?" Yihe suddenly exclaimed with a surprised expression!

This God King Bow is an ancient magic weapon, so many people dream of it, but he never expected that the God King Bow is actually in David's hands!

"Do you think that King Li stole my Divine King Bow, and you might want to come back?"

David asked!

Yihe Yaohuang hurriedly shook his head, "Let's not talk about the God King's Bow. Even if it's an ordinary magic weapon, King Li probably won't return it.

" Stolen?"

David smiled lightly, "My God King Bow was stolen by mole monsters, and in this area, apart from your Demon Imperial City, only Mingli King City has mole monsters. I asked Yi Sha, she said that mole monsters are not allowed to steal in your Demon Imperial City, so I am sure that the mole monsters in Mingli Wangcheng did it." "

Yes, I have issued an order that mole monsters are not allowed to steal, so I said Come on, the God King Bow is probably in the hands of King Li." "

But I have brought King Li's son Li Xing to the imperial city, and I have brought a dowry, how can I cancel this marriage?"

" If I let Li Xing go back directly, it will definitely cause dissatisfaction with Li Wang..."

Yihe Yaohuang said a little embarrassed!

"Father, you don't need to tell me, I will go to Li Xing and tell him that I don't like him at all, but you just marry me to him." At this moment,

Princess Isa pushed the door open and said with a dissatisfied face !

"Isa, I... I am also thinking about the imperial city!"

The Demon Emperor Yihe sighed!

In fact, he also knew that King Li was like a man, and like a father, like a son, Li Xing's temperament was also extremely cruel, but for the development of the entire imperial city, Yihe Yaohuang had to sacrifice his daughter!

"Hmph, you know all day long that it's for the Demon Imperial City, when did you ever think about it for me?"

Yisha roared dissatisfied!

"Isha, you are a monster, you can't combine with humans, you have to recognize the reality."

Yihe Demon King knows that Isha only likes humans, but this is not realistic at all!

"I just like human beings, why is it unrealistic? I like David, and he is also a human being. If we are together, nothing will happen." As

Isa said, she stepped forward and hugged David's arm!

David was taken aback for a moment, and looked a little embarrassed for a while!

On the other hand, Yihe Yaohuang saw this, and a smile flashed across his face, because he knew David's identity, so there would be no problem for Yisha to stay with David!

"The girl can't help it, dad, you can do whatever you want, I don't care..."

After finishing speaking, the Demon King Yihe turned around and left!

He is leaving space for Yisha and David!

Looking at the Yihe Demon Emperor who left, David felt a little helpless, and he could see through the Yihe Demon Emperor's mind!

"Princess Isa, men and women can't get close, not to mention your fiancé is still here, it's not good to be seen by him!"

David wanted to break free, but was hugged tightly by Isa!

"Don't talk nonsense, I don't have a fiancé, I like you, whether you agree or not, anyway, I like you." "

If you don't want me, then I can only die, anyway, I won't marry that Li Xing."

Yisha's face was willful.

But David knew that Princess Isa said she would definitely do it!

"Isa, who is this guy?"

At this moment, Li Xing's cold voice came over!

I saw Li Xing's complexion turned extremely ugly, and a strong killing intent rose from his body, and David was enveloped in a terrifying aura instantly!
