

A Man Like None Other Novel

Chapter 2724

“David, this is a magic weapon specially aimed at you humans. Now I activate the magic weapon. If you are in this formation, you humans will not get any spiritual energy from the world!” “

Without the supplement of spiritual energy, I see you How can you fight us...”

Huben said to David with a proud face!

David felt the aura in the formation, and found that after the formation was activated, he really couldn't feel the existence of aura!

David frowned slightly, he didn't expect that Huben had such a magic weapon in his hand.

Although David has the power of the three clans and the power of the dragon in his body, these are all supported by spiritual energy. Without spiritual energy, the power in David's body will eventually be consumed!

“Brother Huben, don't talk nonsense with him, just kill him directly...”

Li Xing's eyes were full of murderous intent, his Sky Opening Ax was destroyed, so he wanted to kill David, and took David's Dragon Slaying Sword by the way. Take it for yourself!

“Okay...”

Huben nodded, and instantly revealed two huge bear paws, attacking David!

Huben and Li Xing, one left and one right, started to attack David, but David could only parry with the power of a dragon!

In an instant, David fought with Hu Ben and Li Xing for hundreds of moves!

"This guy, with a mere first-grade fitness level cultivation base, the explosive strength is indeed too strong. In this formation, he can still fight with the two of us for such a long time. What a ghost!" Huben panted

. Said!

"Brother Huben, this guy is at the end of his strength. We are working harder, and we will definitely be able to kill him!"

Li Xing was also sweating profusely at this time, but he knew that David must not be feeling well now!

At this time, David held the Dragon Slaying Sword with a very dignified expression, and the strength in his body could not last long!

This formation is obviously aimed at humans, and Hu Ben and Li Xing are completely unaffected and can continuously replenish their spiritual power!

"Let's do it, let's go all out this time..."

Hu Ben shouted angrily, and then he and Li Xing attacked David again!

"Hu Ben, you are so courageous..."

Just as Hu Ben and Li Xing attacked David again, there was a sudden shout, and Princess Isa appeared!

I saw Princess Yisha waving her palms, and her domineering aura was heading towards Huben and Li Xing!

Seeing that it was Princess Isa, the two of them hurriedly restrained their breath, for fear of hurting Princess Isa!

Although they left the Demon Imperial City, this is the territory of the Demon Imperial City after all. If Princess Isa is really injured, I'm afraid none of them will be able to live!

"David, are you okay?"

Princess Isa looked at David with concern and asked.

David shook his head, "It's all right..."

Seeing that David was all right, Princess Isa was relieved, then glared at Huben and said, "Hu Ben, my father just punished you, and you dare to do something to David, it's really audacious... .."

"Li Xing, and you, I don't like you at all. Whoever I like is my freedom. If you dare to be disrespectful to David, don't blame me for being rude to you!

" , I will let the two of you pay with your life..."

After Princess Isa finished speaking, she pulled David and left, but Huben and Li Xing didn't dare to chase after seeing it!

Under the formation, the two of them barely dealt with David. If Princess Isa was added, the two of them would be rivals!

"It's over, it's over...Princess Isa must go back and tell the Demon Emperor!"

"I'm going to be unlucky, I'm going to be unlucky..."

Huben was a little scared at this moment.

"Brother Huben, we have already done the matter, and it is useless for you to be afraid, we must find a way to deal with it."

Li Xing persuaded.

"How to deal with it? Maybe the Demon Emperor will depose me this time, and my life will not be guaranteed."

Huben said anxiously.

Chapter 2725

"You can..."

Li Xing whispered something in Hu Ben's ear!

Huben's face turned from red to white, and finally he said in shock, "This, how can this be, if I really do this, then I will be a traitor and I will be executed by Ling Chi." Huben shook his head desperately

!

"Brother Huben, even if you don't do it, do you think your demon emperor will let you go?" "

Now you are no longer valued by your demon emperor. He treats a human being better than you, a general!"

"And you did as I said. At that time, you will not only become the new demon emperor, but you can also get Yisha. When the time comes, you will embrace the beauty, and you will be a winner in life!" "You just need to be a demon king!

" Emperor, when our royal city cooperates with your imperial city, who will dare to bully us in the entire orc clan?"

Li Xing kept persuading Huben!

Hearing what Li Xing said, Huben's heart was a little moved. Huben didn't have a high pursuit of power, and he never thought about being a demon emperor, but he never forgot about Isa.

As long as he can get Yisha, he has slept with Yisha more than once in his dream, and Huben feels that he will not be able to live without Yisha!

"Brother, is what you said reliable? What if the Demon Emperor finds out? What if I go back this time and the Demon Emperor directly locks me up?"
Huben asked Li Xing

!

"Brother Huben, don't worry, my medicine is colorless and tasteless, so you won't notice it, and if you take my medicine, you won't die, it's just that the internal organs are like a knife, and you can't exert your strength!"

" At that time, you just pretend to admit your mistake, and sincerely invite Yaohuang and Yisha to eat, and just put poison in the food." "I'm going back to Mingli King

City to call people, and when the time comes, you and I will cooperate internally and externally, and we will definitely be able to control the whole world." From the imperial city."

"Besides, you are still the guarding general of the imperial city. Most of the guards in the imperial city follow your orders!"

Li Xing followed Huben and explained in detail what to do step by step!

Huben gritted his teeth, hesitated for a moment, then nodded and said, "Okay, give it a try, but you can't lie to me, and you must not let anything happen to Yisha!" "

If something happens to Yisha, I will never forgive you... ..."

Huben just wanted to get Yisha, if something happened to Yisha and she was poisoned to death, what's the point of Huben's rebellion!

"Brother Huben, don't worry, there will be absolutely no problem."

Li Xing assured him very seriously!

"Okay, give me the medicine, you have to hurry up, I will fight for these few days, so that the demon emperor doesn't suspect me!"

Huben asked Li Xing to take out the prepared poison!

After Li Xing gave the poison to Huben, he immediately went straight to Mingli King City. He wanted to mobilize troops from Mingli King City as soon as possible!

After Huben took a deep breath, he walked towards the Demon Imperial City!

But at this time, in the palace of the imperial city, Yihe Yao's royal face was livid, and he kept slapping the table! "This tiger ben is so courageous that he

doesn't even listen to my words, and dares to join forces with that Li Xing to attack Mr. Chen!"

Take care of him!"

The Demon King Yihe roared angrily!

There will be guards immediately, and they are in a hurry to find Huben!

And Yisha said from the side, "Father, I don't think this tiger can be reused. Let's withdraw his general. He actually hooked up with that Li Xing!" "Although we have nothing to do with Mingli King

City It's the holidays, but after so many years, haven't our two families fought less openly and secretly?"

"This Huben clearly knows that our Yaohuangcheng and Mingli Wangcheng are just at odds, but he still follows Li Xing so close!" "

If I hadn't gone early, David might have suffered from both of them a long time ago." What a murderer!"

Yisha looked angry, she hoped that her father could get rid of Huben!
