

# A Man Like None Other

## Chapter 2742

"Old man, you are too arrogant, I will attack your Demon Imperial City right now, and let you see for yourself..." After

Li Xing finished speaking, he waved the scimitar in his hand, "Come on..."

Li Xing After the Sky Opening Ax was destroyed by David, he switched to this scimitar!

"Come on..."

Tens of thousands of soldiers started shouting and rushed towards the Demon Imperial City!

Yihe Yaohuang looked at the soldiers below, and Li Xing with a smug face, his eyes flashed coldly and said, "Little bastard, it seems that if I don't give him some color, he really thinks he is great!

", Yihe Yaohuang will personally do it, and capture that Li Xing from the army!

But Yihe Yaohuang hadn't moved yet, a cold long sword was already on his neck!

"Yaohuang, you'd better stay still..."

Huben's voice came from behind the Yaohuang!

Listening to Hu Ben's voice, Yihe Yaohuang's eyes were full of surprise, followed by anger!

"Hu Ben, what are you doing?"

Princess Isa was startled when she saw this, and shouted at Hu Ben!

"Hu Ben, you dare to kill the lord, how brave you are..."

Elder Pei also shouted at Hu Ben with surprise on his face!

"Hahaha, Lord Killer? I have been loyal for so many years, what have I gained in the end? Is it not as good as a human being." "

Princess Isa would rather follow a human being than take a second look at me. In their eyes, I will always be just an insignificant subordinate!"

"This kind of life is meaningless, I don't want to be a shitty guard general, I want to be the Demon Emperor, I want to command the entire Demon Emperor City." "At that time, I want

to Whichever woman you want, any woman will follow me, including Yisha, by then she will no longer be a princess, she will only be one of my playthings!"

Huben laughed wildly, a gust of wind ruffled his hair, and Huben's eyes were full of madness!

At this moment, with Huben laughing loudly, the gate of the city opened, and Li Xing rushed in with his men!

"Hu Ben, you traitor, I'll kill you..."

Princess Yisha almost died of anger when she heard what Huben said, and she stepped forward to attack Huben!

But was stopped by Elder Pei, "Princess calm down, the Demon Emperor is still in his hands, you can't be impulsive!" "

Princess Isa, if you don't want your father to die in my hands, then be obedient!"

Huben said with a cold smile!

Princess Isa looked at Huben angrily, but she couldn't do anything!

At this time, Li Xing also came to the city wall, looked at the controlled Yihe Demon Emperor, and said with a disdainful smile, "Didn't you just say that I can't attack your Demon Emperor City at all? Standing in front of you!"

Yihe Yaohuang looked at Li Xing with a frightened face, without a trace of panic on his face, and said calmly, "You think a broken sword can control me? I want you two now My life, do you believe it?"

"I don't believe it, my life is here, you come and get it!"

Li Xing provoked Yihe Yaohuang.

"You're looking for death..."

Feeling Li Xing's provocation, Yihe Yaohuang finally became angry, and the aura on his body exploded instantly!

A gust of wind swept across in an instant, but just when Yihe Yaohuang was about to make a move, his face suddenly changed, and then he showed a very painful expression!

Princess Isa also covered her abdomen with her hands at the same time, and fell to the ground with a face of pain!

"Demon King, princess..."

Elder Pei panicked when he saw this!

Yihe Yaohuang only felt that his internal organs were twisted like knives, and the aura in his body was passing away rapidly. He couldn't gather his strength at all!

Seeing Yihe Demon Emperor's poisonous hair, Li Xing laughed and said, "Hahaha, do you think I dare to lead people to attack your Demon Emperor City without preparation?"

Huben also said with a sneer at this time, "Demon Emperor, Don't try to struggle anymore, I have already poisoned the food last night, this poison is colorless and tasteless, after eating it, it will make you lose power..."

## Chapter 2743

Listening to Huben's words, Yihe Yaohuang's face finally became a little flustered, because he really felt that his strength could no longer be used, and he was firmly suppressed by something!

"Hu Ben, thanks to my father's trust in you, you dare to murder us, you are too shameless..."

Yisha endured the severe pain, slowly got up, and cursed at Huben!

Hearing Princess Isa scolding himself, Huben suddenly got annoyed and said, "Hmph, it's all because of you that I've gotten to where I am today. I've liked you for so long, yet you actually like a human being, and you don't even like me." "I'm not

reconciled, I must get you, I want you to yell under me willingly..."

Listening to Huben's tiger-wolf words, Yisha's face flushed with anger!

"Damn, even if I die, it's impossible for me to be with you, you are not worthy at all!"

Yisha yelled at Hu Ben!

"Really? I'm not worthy?"

Huben smiled coldly, "If you don't agree to me, then our beloved Lord Demon Emperor will leave you!"

Huben said, exerting a little force on the long sword in his hand, A bloodstain instantly appeared on Yihe Yaohuang's neck!

"Don't..."

Seeing this scene, Princess Isa was shocked and hurriedly shouted!

"How is it? Now I ask you to come with me and serve me well, will you agree?"

Huben looked at Yisha jokingly, his face full of pride!

Princess Isa was not talking, she glared at Huben with her eyes. If eyes could kill, Huben would have died 10,000 times by now!

"Yisha, leave me alone, and don't promise him."

"Elder Pei, I order you to run away with the princess immediately, hurry..."

Yihe Yaohuang ordered to Elder Pei!

At this time, the Demon Emperor Yihe only hoped that Yisha could live and not be ruined by Hu Ben.

But Elder Pei didn't dare to move, after all, Yihe Yaohuang was still in Huben's hands, if he moved, Yihe Yaohuang's head would be chopped off in an instant!

"Damn it, shut up..."

Hu Ben punched Yihe Yaohuang in the face!

Yihe Yaohuang, who used to be aloof and commanded the entire Yaohuang City, is now reduced to a prisoner and beaten by his most trusted subordinates!

"Hu Ben, stop, stop for me..."

Seeing this, Princess Isa hurriedly yelled to stop!

"Princess, what do you think? If you promise me, I guarantee that the Demon Emperor will be fine. You will still live in the imperial city, so you don't have to worry about basic necessities." Huben asked Princess Isa

!

Looking at the bruised Yihe Demon King, Princess Yisha nodded with tears in her eyes, "Okay, I promise you..."

Princess Yisha can't hold on anymore, if she persists, maybe the Yihe Demon King is really Will be beaten to death by Huben.

"Hahaha, a man who knows the current affairs is a hero, you follow me, isn't it better than David?" "

At least you and I are of the same kind, I will let you experience the happiness of women!"

Seeing Princess Isa, Huben agreed , eyes instantly burst into obscenity, and after handing over Yihe Yaohuang to his subordinates, he walked towards Princess Isha step by step!

"Isa, don't promise him, I've hurt you, I've hurt you." "

I should have listened to you last night and didn't go to that dinner party."

The Demon Emperor Yihe regretted it, but said What's too late!

Yisha felt something was wrong last night, but Yihe Yaohuang believed in Huben, and felt that Huben would not do anything rebellious!

But now, what Huben is doing is simply slapping his face!

"Hu Ben, I hope you can keep your promise. I promise you that you will not hurt my father."

Princess Isa said looking at Huben!

"Princess, don't worry, you and I are together. The Demon Emperor is my father-in-law. How could I hurt my father-in-law!" After finishing speaking,

Huben picked up Princess Isa and walked slowly towards the city gate. !

## Chapter 2744

Princess Isa closed her eyes, tears could not help but fall down!

"David, if there is an afterlife, I'll be by your side!"

Princess Isa knew that after she was defiled by Huben, it would be impossible for her to follow David!

"Yisha, Yisha..."

Seeing Princess Yisha being taken away by the tiger, the Demon Emperor Yihe shouted, but it was useless!

Soon Princess Isa was hugged by Huben and disappeared!

Yihe Yaohuang was in tears, because of his own carelessness, now his daughter has become like this!

“Li Xing, kill me...”

Yihe Yaohuang didn't want to live anymore, so he looked at Li Xing and said!

“Don't worry, it's impossible for me to let you live. Betrayed by the person I trust the most, doesn't it feel bad?” “The

huge Demon Imperial City was taken down by me without a single soldier. Father will be so happy when he finds out.”

Li Xing's face was filled with pride!

But at this moment, a cold light flashed on Elder Pei's face, and a terrifying aura suddenly burst out!

A tornado rose from the city wall in an instant, and many people were blown left and right by the sudden breath!

Even Li Xing was unprepared and was blown to the ground in an instant!

“Yaohuang, let's go...”

Elder Pei grabbed the Yaohuang's wrist and jumped off the city wall!

Yihe Yaohuang and Princess Yisha were both there just now, but Elder Pei didn't do anything because he didn't know who to save, and besides, his own daughter was still in the imperial city!

Now that Princess Yisha was carried away by Huben, and the demon emperor Yihe was in danger, Elder Pei gritted his teeth and rescued the demon emperor Yihe!

He knew that after rescuing the demon emperor Yihe, his own daughter would be in danger, but he had no choice!

“Damn it, I still want to run...”

Seeing this, Li Xing also jumped down, “Catch me...”

In an instant, countless beast soldiers and generals chased after Yihe Yaohuang and Elder Pei!

“Yaohuang, you go first, I will stop them...”

Elder Pei said to Yihe Yaohuang!

The Demon Emperor Yihe looked at Elder Pei, and said solemnly, “Elder Pei, take care...”

The Demon Emperor Yihe knew that Elder Pei was planning to sacrifice himself to buy him time!

Elder Pei nodded, then turned to meet Li Xing and the others!

Yihe Demon Emperor’s strength has been greatly weakened, even if he runs, he can’t run fast!

But at this moment, there were sudden bursts of terrifying howling wolves!

Lang Feng led thousands of demon wolves to appear.

“Master Demon Emperor, ride on my back quickly...”

Lang Feng turned into a gigantic demon wolf, and said to Yihe Demon Emperor!

Seeing Lang Feng, Yihe Yaohuang was overjoyed, and hurriedly sat on it!

Accompanied by Lang Feng's wolf howl, thousands of demon wolves rushed towards Li Xing and the others!

Lang Feng is letting his clan buy time again!

How could the strength of these demon wolves be as powerful as those guards in Demon Emperor City!

Now there are tens of thousands of guards in Yaohuang City plus the people from Mingli King City brought by Li Xing!

On Yihe's side, there is only Elder Pei with thousands of demon wolves, obviously the strength is not equal!

But knowing that it was death, no matter whether it was Elder Pei or those thousands of demon wolves, none of them flinched!

Yihe Yaohuang was carried by Lang Feng, and ran towards the distance at high speed!

Seeing this, Li Xing roared, and wanted to chase after him, but was forced back by Elder Pei's palm!

Li Xing looked at Elder Pei with a look of anger on his face, and then said to the people around him, "Go and call Hu Ben, and kill the others..." For a

moment, the killing sounds shook the sky in the forest outside the Yaohuang City!

At this time, Huben couldn't wait to put Princess Isa on the bed!

Princess Isa closed her eyes tightly, she didn't dare to look at Hu Ben, she could only grit her teeth, waiting for the invasion to come!

She didn't dare to resist, after all her father was still in the hands of Huben, if she resisted and annoyed Huben, then Yihe Yaohuang would be in danger!

Looking at the motionless Princess Isa, Huben was extremely excited!
