

A Man Like None Other Novel

Chapter 2748

Liu Ruyan also found out, so she looked at David excitedly, hoping that David would wake up soon!

David's body slowly floated into the air, and then endless breath gushed out of his body!

These auras turned into three rays of light, constantly revolving around David!

One golden, one black, one blue, the three auras are like giant snakes wandering around, sometimes converging and sometimes scattered!

In the sky, a group of dark clouds slowly floated, and this group of dark clouds became lower and lower!

It seemed that something was wrong, the third elder and Liu Ruyan hurried out to check!

When they saw the dark clouds above their heads, they were all a little surprised now! m.pinshu.la

"This... this should be Lei Jieyun, Mr. Chen may be about to break through..."

The third elder suddenly shouted!

When they heard that David was about to make a breakthrough, everyone was amazed!

You know, David is just a newly promoted monk in the Body Fitting Realm, even if he breaks through, it is only at the level of the second-rank Body Fitting Realm!

A breakthrough in a small realm can even attract Lei Jieyun, isn't this too outrageous?

You must know that many monks may not be able to attract Lei Jieyun even if they break through the big realm!

Although the thunder calamity has certain dangers, if you can attract the thunder calamity cloud when you break through, if your body suffers from the thunder calamity!

After the breakthrough, the strength must be unparalleled in the same realm!

Rumbling...

Suddenly, there was a rumbling sound, and then lightning began to condense in the thunder cloud!

"Quick back, quick back..."

Seeing this, the third elder hurriedly shouted, making everyone stay away from the house where David was!

Just as the crowd moved away, a thunderbolt struck instantly!

The house was smashed into pieces, and David's body was exposed in the air!

Three breaths of different colors wrapped around David's body, and he was bombarded by the thunder calamity again and again!

I don't know how long it took, but under the shocked eyes of everyone, the thunder cloud dissipated!

And David also slowly opened his eyes!

The moment David opened his eyes, the three auras instantly condensed and entered David's body!

At this moment, from David's body, an extremely domineering and terrifying aura spread to the surroundings!

The endless coercion made everyone in the Jade Cauldron Sect look at David as if they were looking at a god?

Even the third elder couldn't help but bow down to the ground at this moment!

"David, you're finally awake..."

Seeing that David had woken up, Liu Ruyan was extremely excited, jumped up and rushed towards David!

When David saw Liu Ruyan, he quickly put away his breath, and caught Liu Ruyan!

And Liu Ruyan hugged David's neck tightly, tears in her eyes!

In the end, he even kissed David!

This time, David was a little at a loss. He didn't expect Liu Ruyan to dare to do such a bold thing in front of so many Jade Cauldron Sect disciples!

"Cough cough cough..."

"Everyone turn around and close your eyes..."

The third elder coughed twice in embarrassment, and hurriedly ordered all the disciples of the Jade Cauldron Sect to turn around and close their eyes so that they could not watch!

David fell from mid-air with Liu Ruyan in his arms, and hurriedly pushed Liu Ruyan away.

However, Liu Ruyan was not angry, but said happily, "David, you have been in a coma for several days, do you know how worried I am?"

"I have been in a coma for several days?"

David did not expect that a fierce battle would make him weak to the point of coma for several days!

David sank into his dantian, felt his own strength, and was surprised to find that he had actually broken through!

"I actually broke through?" David was shocked!

He himself knows that for him, every breakthrough in a small realm requires huge resources!

With the improvement of his realm, David will need more and more cultivation resources!

David didn't understand, how could he break through while he was in a coma?

Where do so many resources come from?

Chapter 2749

"Mr. Chen, while you were in a coma, the suzerain gave you all the high-grade pills from our Jade Cauldron Sect." "

In the end, even the three precious pills from the Tibetan Medicine Pavilion were given to you. I just woke up!"

The third elder hurriedly said to David!

Three pills? www.vodtw.com

David tried his best to recall, even though he was in a coma, he could still feel the changes in his body!

The three powers in my body are all growing rapidly, could it be related to those three pills?

"Third Elder, what are the three pills in the Tibetan Medicine Pavilion?"

David asked!

"I don't know either. These three elixirs have existed for a long time. It's just that our Jade Cauldron Sect has studied countless times over the years, but we have not been able to research the properties of these three elixirs." "

Now In our entire Jade Cauldron Sect, we can't produce any decent pills." "

I don't know how to participate in the Pharmacist Association after a while..."

The third elder said helplessly!

"Pharmacist Association?" David was taken aback, "What's going on?"

"Third Elder, it's good that David can wake up, don't say anything else."

Liu Ruyan hurriedly stopped the Third Elder, not letting him talk too much!

When the third elder heard this, he closed his mouth and stopped talking!

"Miss Liu, thank you for taking out all the resources of the Jade Cauldron Sect to save me. If you have anything to do, just tell me." "I'm also a member of the Jade Cauldron Sect now

. Hiding it from me?"

David looked at Liu Ruyan and said!

"I just don't want you to worry. As for the pharmacist's meeting, at worst, just don't attend it!"

Liu Ruyan smiled slightly and said!

When the third elder heard this, he opened his mouth and wanted to say something, but he didn't say it!

David also saw that the expression of the third elder was wrong, but in front of Liu Ruyan, the third elder would not dare to say anything!

"I've been in a coma for so long, I want to go out and get some air!"

David said!

"Mr. Chen, I'll accompany you!" The third elder said hastily!

"Third Elder, don't talk nonsense with David, do you understand?"

Liu Ruyan urged!

The third elder nodded, and then walked out with David!

As soon as he walked out of the door, David asked, "Third Elder, what happened to the pharmacist you mentioned just now?" The

Third Elder carefully looked at Liu Ruyan, and found that Liu Ruyan did not come out, so he whispered, "Unbeknownst to Mr. Chen, in Jialing County,

more than 2,000 kilometers away from our Jade Cauldron, a pharmacist meeting is held every year!" "You also know that in our continent, pharmacists are a

very respected profession with a very high status. Gao, although there is only my Jade Cauldron Sect around here, which mainly focuses on refining medicine, there are no fewer than dozens of sects refining medicine in the entire Southwest Continent!

" , gathered in Jialing County, and then competed with each other's alchemy techniques, and they would all show off their own high-quality elixirs!" "

One is to show off their home's alchemy techniques, and the other is to reach a cooperation during this period. Exchange pills for some resources!"

"And every year in the competition, if you can win the first place, the president of the alchemy association will also give you a lot of resources." "

Now the high-level pills of our Jade Cauldron Sect are exhausted. There are not many resources left, and I'm afraid I won't be able to participate in this alchemy meeting."

The third elder sighed softly!

After David heard this, he said, "Don't worry, the third elder. I can participate in this medicine refining meeting. I will never embarrass the Jade Cauldron Sect."

David comforted the third elder. It was eaten by David, David should take care of it!

Seeing what David said, the third elder laughed instantly. He knew David's ability to refine medicine, especially the Shennong cauldron on David, which was a magic weapon for refining medicine!

Chapter 2750

While David was chatting with the third elder, suddenly a disciple of the Jade Cauldron Sect hurried over!

"Stop, what are you doing in such a hurry?"

the third elder stopped the disciple and asked!

"Third Elder, someone outside is begging to see the Sovereign, I'll report it!"

said the www.vodtw.com disciple!

"Who is it? Make you so anxious."

The third elder asked displeased!

"He said that he is the Demon Emperor of Demon Imperial City, who came to find Mr. Chen..."

said the disciple!

"Yihe Demon Emperor?" David was taken aback for a moment!

He didn't understand, what did the demon emperor Yihe come to the Jade Cauldron to find him?

Could it be that something happened to Demon Imperial City?

"Where is the person?" David asked hastily!

"It's right at the door, and I don't know him, so I hurried to report to the suzerain!"

Because this disciple didn't know Yihe Yaohuang, so he came here in a hurry!

After all, Yihe Demon Emperor's reputation is also like a thunder in this area!

If it is true that Yihe Demon Emperor came to Jade Cauldron Sect, then they dare not be too negligent!

As soon as David heard that someone was at the door, he hurried towards the door, and the third elder followed closely after seeing this!

When David ran to the door, he saw Yihe Yaohuang walking back and forth at the door of the Jade Cauldron Sect from a distance, as if he was in a hurry!

And standing beside Yihe Yaohuang was Lang Feng!

One must know that Lang Feng is the one who leads the pack of demon wolves outside the Demon Imperial City. He usually does not summon him, and rarely enters the Demon Imperial City!

Now standing next to Yihe Yaohuang turned out to be Lang Feng, which gave David a bad premonition!

Seeing David's appearance, Yihe Yaohuang was immediately overjoyed, and ran directly towards David, but just as he was about to enter the door, he was stopped by the disciple guarding the door!

"Let him in..."

Seeing this, David hurriedly shouted!

Seeing that it was David who spoke, the disciples guarding the gate all retreated to the side. Although David did not have any position in the Jade Cauldron Sect, all the disciples of the Jade Cauldron Sect respected David and obeyed his words!

They knew that without David, they would have died long ago, and the Jade Cauldron Sect would have been destroyed long ago!

"Mr. Chen..."

After Yihe Yaohuang saw David, there were tears in his eyes!

"Yihe, is something wrong?"

David asked!

Yihe Yaohuang looked around, hesitant to speak!

"It's okay, just talk about it, the third elder is not an outsider!"

David said!

The Demon Emperor Yihe nodded, and then told Huben and Li Xing that he had colluded with Li Xing, poisoned him and Yisha, and occupied the Demon Emperor City!

When David heard this, a murderous aura immediately filled his body!

Especially when he heard that Yisha was still in Huben's hands, David was very worried!

"Two damned guys..."

David gritted his teeth, his eyes were full of coldness, and then said to Yihe Yaohuang, "Let me show you first, what kind of poison is in it, so powerful!"

"He Yaohuang nodded, and then followed David to the Jade Cauldron Sect!"

"Yaohuang, you have arrived at the place, so I will go back, and I will inquire about the princess by the way!"

Lang Feng said to Yihe Yaohuang!

"Okay, pay more attention to safety..."

The Demon Emperor Yihe exhorted!

Lang Feng nodded, and after saying goodbye to David, he turned and left!

And David took Yihe Yaohuang to his residence!

At this moment, Ruyan Liu also came out of the hall, seeing David with a stranger, Ruyan Liu was taken aback!

Yihe Yaohuang looked at Liu Ruyan, and he was also very strange!

"Miss Liu, this is Yihe Demon Emperor of Demon Imperial City."

"This is Liu Ruyan, the current patriarch of the Jade Cauldron Sect!"

David introduced each other!

"Yihe Yaohuang, welcome to our Jade Cauldron Sect!"

Seeing this, Liu Ruyan hurried forward to greet her!

Yihe Demon Emperor also greeted Liu Ruyan!
