

A Man Like None Other

Novel

Chapter 2791

At this time, there are several guards in the inner city wearing silver armor and strong aura, who are checking everyone who enters!

Moreover, these guards are all in the third rank of the Body Fit Realm, which is at the same level as the Third Elder!

This had to make David very shocked. It was just a few guards, but they could be the third-rank strength of the Body Fit Realm. This is too abnormal!

You must know the strength of the third-rank of the Composite Realm. In some sects, they are all elders and captains. If you take the third-rank monks of the Composite Realm to see the gate, you will probably be laughed to death!

David couldn't help feeling that the strength of this Jialing County was really extraordinary. At this moment, David really wanted to know who this Jialing County Lord was!

When David and the others passed through the inner city, they were stopped by several guards!

"Stop, what do you do?"

A guard stopped David and they asked!

"We belong to the Jade Cauldron Sect, and we are here to attend the Pharmacist Association." The

third elder stepped forward, took out an item similar to a jade token, and handed it over!

The guard stroked his palm gently, then nodded, handed the jade card back to the third elder and said, "Go in..." The

third elder put away the jade card, and then led David and the others into the inner city!

But when David was about to pass the city gate, a white light flashed suddenly, and then a barrier blocked David!

David was taken aback for a moment, he didn't expect that there was a formation in front of the city gate!

But why is it okay for other people to enter, but he activated the formation as soon as he passed?

When the guards saw that the formation was activated and David was stopped by the formation, they immediately picked up their weapons and surrounded David as if they were facing an enemy!

"Well, you demon cultivator, you dare to break into my Jialing County, you are so brave..."

Several guards stopped David and wanted to do it!

"Several, misunderstood, misunderstood, this is my Jade Cauldron Sect, how could it be a demon cultivator!"

Seeing this, the third elder hurried forward and explained!

At this time, David also understood why this formation will only be activated when he passes it!

Because David ate the old lady's magic bead, he had devil energy in his body, and not long ago, he sucked the devil energy from Suo Xingyue's body, which made David's body heavier!

David didn't expect that there would be a formation to detect the demon cultivators here, so he didn't hide the demonic aura in his body!

"We can't make a mistake, this formation was set up by the princess himself, how could it be wrong!" "

Hurry up and catch you demon cultivator, don't let us do it!"

a guard roared nervously!

"You guys are really mistaken, I'm really not a demon cultivator!"

David hid the demonic aura in his body, because the demonic aura in David's body was not heavy, and the power of the demonic clan had been refined by David long ago Turning into the power of the three clans, the aura of the demon clan will be even less, so David can perfectly hide the aura.

Then David lightly touched the formation in front of him with his palm!

Under David's touch, the formation disappeared instantly!

And David walked into the inner city intact!

"See, I'm coming in, I'm not a magician at all!"

David said to the guard after entering the inner city!

Seeing this, several guards were also confused, unable to understand what was going on!

"You are trying..."

The guard asked David to try it!

David went in and out of the gate of the inner city several times, but he didn't activate the formation!

"This is really strange, is there really something wrong with this formation?"

The guard scratched his head, a little at a loss!

"It should be a problem with the formation. We are members of the Jade Cauldron Sect. Many people know us. How could it be a demon cultivator?"
The

third elder said to the guard!

"Go in!"

The guard saw that the formation was not activated, so he waved his hand and let David and the others go in!

Chapter 2792

The inner city is very lively, there are stalls everywhere, like a market, and there is a ring in each of the four directions of the inner city, southeast, northwest, for people to compete!

David and the others walked for a long time before being taken to a remote small courtyard by the third elder!

The small courtyard looks small, but it is very tidy.

"This is the resting place of our Jade Cauldron Sect in Jialing County. We bought this small courtyard." The

third elder said!

"Third Elder, for such a big sect, it's too picky to buy such a small courtyard as a resting place..."

David couldn't help laughing! "Mr. Chen doesn't know

that the houses here are too expensive. With our Jade Cauldron Sect's financial resources, it's hard to afford."

Only after Hu Yixiao became suzerain did the Jade Cauldron Sect have the money to buy this small courtyard here." "

Just this remote and unremarkable courtyard cost millions of spirit coins! "

The third elder said with some embarrassment!

After David heard this, he could only smile helplessly. After all, the former Jade Cauldron Sect was willing to do good deeds, healed diseases and saved lives, and did not ask for anything in return. Of course, the entire sect was poor!

Ever since Hu Yixiao became the suzerain, he used the pharmacists of the Jade Cauldron Sect to amass a lot of money. Only then was he able to rebuild the sect and even bought a yard here!

"Third Elder, who lives in the luxurious mansions not far away?"

Yihe Yaohuang asked, pointing to a luxurious mansion area not far from the small courtyard!

"That's a mansion. It's bought by big sects or rich monks. I heard that it's very beautiful inside. There are spirit gathering arrays in every mansion, and there are beautiful maids serving them!" "It's just too much

. It's expensive, I haven't been in it, and our Jade Cauldron Sect can't afford it..."

The third elder looked at the area and said with envy in his eyes!

“Isn’t it just a mansion, how expensive can it be? When I get it back to the Demon Imperial City, I’ll buy it and give it to you Jade Cauldron Sect. I won’t live in this small courtyard anymore.” Yihe said lightly

!

After hearing Yihe’s words, the third elder did not make a sound. After all, as the Demon Emperor of Demon Imperial City, it is very easy to buy a luxury house here!

It’s just that the Demon King Yihe has been kicked out of the Demon Imperial City. As the saying goes, a down-and-out phoenix is not as good as a chicken, and now Yihe doesn’t have many spiritual coins!

“Okay, let’s talk about the future, let’s go in and have a rest first!”

David said to several people!

David wanted to take a good look at Lei Guo that day, but because he was too hasty, David didn’t check it carefully!

Several people entered the small courtyard, but there were only two rooms where they could really rest!

Three men and one woman, two rooms are not easy to allocate. If David and his three men live in one room, it will be a bit crowded!

“Yihe Demon Emperor, I think the two of us will make it together in the same room!” the

third elder said, and pulled Yihe into a room without any explanation!

Now only David and Liu Ruyan were left, they could only share one room, David couldn’t be allowed to sleep in the yard!

"Let's go in too..."

Liu Ruyan blushed, then took David's hand and walked to another room!

Seeing that Liu Ruyan was so proactive, David didn't refuse.

After entering the room, Liu Ruyan tidied up briefly, while David took out a Sky Thunder Fruit from the storage ring!

The Sky Thunder Fruit exudes a faint luster, and things like lightning are flashing inside!

"Is this the Sky Thunder Fruit? It's so beautiful..."

Seeing this, Liu Ruyan excitedly reached out to wipe it off.

"Ah..."

But as soon as Liu Ruyan touched it, it immediately bounced off, as if being pricked by a needle!

Chapter 2793

"This day Lei Guo still has the power of lightning?"

Liu Ruyan said in surprise!

"Of course, the special feature of this day's thunder fruit is the power of lightning. I don't know if my strength will increase after eating this day's thunder fruit!" David looked at the sky thunder fruit in his hand, his eyes full

of It's looking forward to!

"You'll know if you try one!"

Liu Ruyan said!

But David shook his head, "To eat the Thunder Fruit today, you need to refine it. It seems that refining the Thunder Fruit should not be easy. If you miss the pharmacist's meeting, you will be in trouble. Eat it later!"

David put away the Sky Thunder Fruit again. If he misses the pharmacist meeting because of refining the Sky Thunder Fruit, the loss outweighs the gain!

After all, the Sky Thunder Fruit is already in his hands, and he can eat it anytime, but the Pharmacist Association is only held once a year!

"Let's sleep..."

Liu Ruyan looked at David, blushing slightly and said!

David nodded, and then lay down on the bed. Seeing this, Ruyan Liu lay on David's body!

This time, David did not refuse!

This night, the room was full of spring, and Liu Ruyan's happy voice kept coming out!

Early the next morning, the third elder and Yihe walked out of the room with dark circles under their eyes!

They didn't sleep well that night, and they didn't sleep well at all!

When Liu Ruyan walked out of the room with a happy face, seeing the third elder and Yihe, she immediately blushed with embarrassment, and hurried to the side!

"Mr. Chen, did you sleep well last night?"

The third elder looked at David who came out, and asked with a little playfulness!

"Fortunately..."

David smiled lightly. After all, they are all from the past, so there is nothing to be shy about!

"There are still two days left before the Pharmacists Association, I will take Mr. Chen around Jialing County..." "

Mr. Chen, please take a look. If there is anything you need in Jialing County, there will be all kinds of rare herbs here." Yes."

The third elder wanted to take David to see which herbs could cure the poison on Yihe's body!

It's just that David doesn't know what kind of poison is in Yihe at all, and he can't detect it, so he can't use medicine!

But David is more interested in several arenas in Jialing County!

"Third Elder, don't look at the medicinal herbs. All kinds of medicinal herbs and elixirs will appear during the alchemy meeting." "

Let's go to the arena and see what's interesting..."

David said!

The third elder nodded, and then led David and the others out of the courtyard! "Mr. Chen, which arena are we going to? There are

four arenas in the southeast, northwest, and each arena represents a different realm!"

Sixth rank."

“The ring in the west is for the seventh to eighth rank of the Body Fit Boundary, and the northernmost arena is the peak of the Ninth Grade of the Fit Body Boundary.” “The rings in the inner city can only be participated by monks of the Fit Body Boundary

. In the arena in the outer city, those cultivators who have transformed themselves will participate.” “

As for the monks in the tribulation period, they are not allowed to fight. After all, in the tribulation period, their strength will increase geometrically and the destructive power will be too great.” “

If you are in a hurry During the tribulation period, monks are fighting here in Jialing County, maybe the whole Jialing County will be in ruins!”

The third elder carefully explained each arena to David.

“Could it be that only the two sides of the arena can compete?”

David asked!

“That’s not necessarily the case. Generally, competitions are for betting on each other and to win resources. If you can only enter the arena if you have a grudge, then so many arenas would have been abandoned long ago.” The third elder said

!

When David heard this, he immediately understood that these arenas are just a small gambling field, but only in this way can more people be attracted!

“Let’s go, let’s go to the east ring first.”

David said!

Chapter 2794

After all, with their current state, they can only go to the east ring!

The third elder nodded, and then led David and the others towards the ring in the east!

Along the way, I met many monks from the first to third ranks of the Composite Body Realm, and they all hurried towards the ring!

Everyone has a look in their eyes, and there is a lot of discussion!

"Yesterday, the ancient body-refining strongman was really powerful. He won nine games in one breath. I heard that he won tens of millions of spirit coins alone!

" The opponent of the fourth rank of the Composite Realm, it is estimated that this time, he will dominate the ring." "

I heard that the bet today has reached 50 million spirit coins, and there are countless kinds of spirit stones and herbs, just look at it." Let's see if anyone dares to challenge."

"I heard that this ancient body-training strongman came from the extreme north and traveled tens of thousands of miles. I don't know if all the people there are like this!" These monks discussed as they walked

. One after another, while David on the side was beaming when he heard it!

"Third Elder, maybe our Jade Cauldron Sect can change our foothold in Jialing County today!"

David said with a chuckle!

With a bet of 50 million spirit coins, plus countless spirit stones and herbs, it is absolutely no problem to buy a luxury mansion here!

And it's just a third-rank monk of the Body Composite Realm. Although David is a second-rank monk of the Composite Body Realm, if he wants to beat a third-rank monk of the Fit Body Realm, it doesn't make any difference if he beats a child!

No matter what kind of ancient body-training strongman he is, he can't stand David's slap!

"Mr. Chen is out, I guess no one will dare to go up in today's ring."

The third elder said with a smile!

Soon, several people arrived at the arena, but the surrounding area was blocked, leaving only one entrance and exit.

David was slightly taken aback, but at this time the third elder had already taken out the spirit coin and handed it to a guard who came to the entrance!

Seeing the Lingbi, the guard waved his hand and let David and the others in!

"Mr. Chen, if you want to come in, you have to pay the fee first."

The third elder said!

David looked at the huge crowds of people around the arena. The entry fee paid by so many people alone is probably quite a lot!

At this time, David admired the business acumen of the princess of Jialing County even more!

David and the others squeezed to the edge of the ring, and then looked at the ring!

At this time, on the side of the ring, countless spirit stones and herbs were placed, and there were 50 million spirit coins. These are the bets for today's ring!

Immediately afterwards, from the side of the arena, a strong man of the third rank of the Composite Realm, tall and burly, wearing animal skins, walked onto the arena with a giant ax in his hand!

There was a barbaric smell on this strong man, and the aura emanating from his body was even more powerful.

David found that the aura of this strong man was somewhat different from that of other monks. He seemed to have an orc aura on his body, but it was very weak, and it was more of a human aura!

"I didn't expect such an ancient body refiner to exist in the world of heaven and man."

Yihe looked at the strong man on the ring and said in surprise!

"What? Do you know these people? I feel that the aura of these people is different from that of other monks, and they seem to have the aura of orcs."

David asked Yihe!

Yihe nodded and said, "That's right, the blood of the orc race is indeed flowing in this kind of ancient body refiner." "

They are the descendants of the human race and the orc race. I heard that the ancestor of these people is an ice bear monster." "

"Didn't you say that the human race can't combine with the beast race?" David looked at Yihe with some surprise!

After all, that's what Yihe and Isha said, and it's also recorded in the ancient books of the beast clan! "These people are different, because what they

practice is not the spiritual energy technique, but the ancient body refining technique, which is the so-called power

through the qi.”

There are very few people like them, I thought they were extinct.”

Yihe explained!

Chapter 2795

After David heard it, he immediately understood that the ancient body training technique Yihe was talking about should be the martial arts in the secular world!

After cultivating to a certain level in the secular world, tearing time and space to come to the world of heaven and man, and then continue to practice with body training techniques, you will form this kind of ancient body training monk!

However, the cultivation speed of this kind of kung fu is extremely slow, and it is very difficult to ascend to immortality, so many people will choose aura kung fu!

However, because these people have part of the blood of the beast race, they should not be suitable for the spiritual energy technique, so they chose the body training technique!

“Today, will someone come to the stage to fight with me?”

The strong man’s face was full of pride, and his voice was like a huge thunder explosion, buzzing in everyone’s ears!

Everyone looked at the strong man in front of them, and they were all silent. Although the bets were very tempting, no one dared to go on stage!

You must know that after entering the arena, life and death are determined by fate, wealth and honor, and if your skills are not as good as others, even if you are beaten to death, you can't have any complaints!

So although these people know that the bet is tempting, but if their life is gone, what's the use of asking for more things!

Seeing that no one came to the stage, the brawny man laughed and said, "They are all cowards, so no one dares to compete with me? I came here from a long distance. If I only bring back this little thing, I won't be able to do business."

Even if the strong man laughed at everyone as cowards, no one dared to go on stage!

Seeing this, David knew that it was time for him to come forward, but just as David was about to enter the ring, a voice suddenly sounded not far from him!

"Wagang, I have been with you for many days, and I knew you would come here to fight. Could it be that you savages can't survive and let you come so far to earn resources?" Accompanied by a voice

, A young man with a folding fan jumped onto the ring!

The young man is also a third-grade monk in the Body Fit Realm, and it seems that he still knows him after following this strong man!

After Nawagang saw the young man, he frowned and said, "Gao Qijie, why does your Gao family always have trouble with us?" "

In the extreme north, all the resources are controlled by your Gao family. Fight for it, don't you really want to drive us all to death?"

Wa Gang waited for Gao Qijie viciously with a look of anger on his face!

"In the extreme north, people from the Gao family are also here?"

Hearing what Nawagang said, the third elder was a little surprised!

"Third Elder, do you know what the Gao family is?" David asked!

"I just heard that the Gao family is very powerful in the extreme north, but I don't know." "

But it seems that the Gao family has some grudges against these ancient body-training monks?"

The third elder said!

"It seems to be, let's see!" David nodded!

At this time, Gao Qijie on the ring, facing Wa Gu's anger, didn't care at all, and said with a sneer, "As long as you join my Gao family, there will be resources available, and you don't have to go thousands of miles away to earn resources." "

You have to know that in the extreme north, there can only be our Gao family, and no one is allowed to have anything that does not belong to my Gao family." "And the things that my Gao family likes will sooner or later

belong to them We belong to the Gao family."

Gao Qijie's words can be described as extremely crazy!

Everyone was talking about Gao Qijie's words, but the extreme north is far away, and coupled with the harsh environment, no one would go there to compete for resources with the Gao family!

On the other hand, David was a little disgusted with Gao Qijie's words, but a third-grade monk of the Composite Body Realm dared to say such extremely arrogant words!

It can be seen how arrogant the Gao family has become in the extreme north!

"f***, your Gao family bully men and women and do all kinds of evil, how can I join your Gao family, even if my ancient body training clan dies, it is impossible to compromise." Wa Gu spat hard

Chapter 2796

"Since you don't want to submit to my Gao family, then die..."

Gao Qijie sneered, and then waved provocatively at the vat!

It seems that Gao Qijie is not afraid of the crock pot at all. Although the two people have the same realm, it seems that Gao Qijie is stronger!

Wagang glared at Gao Qijie, frowning tightly!

He also knew that in terms of strength, he was no match for Gao Qijie, but now in the ring, there was no way he could retreat!

After hesitating for a moment, Wa Gu gritted his teeth suddenly, waved the huge ax in his hand and walked towards Gao Qijie!

The giant ax tore through the void, and it was in front of Gao Qijie in an instant, and slashed down towards Gao Qijie fiercely!

Gao Qijie smiled coldly, stepped back lightly, and then a cloud of white mist appeared from his fingertips, and then tapped lightly on the giant ax in the vat!

In an instant, an extremely cold air spread from the arena to the surroundings. Everyone felt the air was suddenly cold, and couldn't help tightening their clothes!

And looking at the giant ax in Nawagang's hand, it was actually frosting rapidly at this moment, and this frost was still spreading towards Wagang's arm!

Wa Clan turned pale with fright, and hastily dropped the giant ax in his hand, and stepped back!

But this chill didn't disappear because Wa Gu dropped the giant ax in his hand, on the contrary, the chill began to spread around the entire ring through the giant axe!

The huge arena also turned frost in an instant and was completely frozen. Seeing this, Wa Gu knew that he had no place to hide, so he jumped up and planned to jump out of the arena!

Although jumping out of the ring means losing, but at least you can save your life!

But just when Wagang jumped up, Gao Qijie also moved, his body jumped up, and then he kicked Wagang's huge body fiercely!

Boom.....

Wa Gu's body slammed heavily on the ring, and his feet soon became frosty, making Wa Gu unable to move anymore!

"Ah..."

Wa Gu let out a roar, his body suddenly swelled up, and his aura also instantly climbed to the peak of the third-grade Composite Realm!

An extremely powerful and domineering aura erupted from Wa Vang's body!

The frost on Wa Chuan's legs also began to shatter slowly, and Wa Chuan finally broke free from his restraints.

"Hmph, I even used the power of the beast clan in my body, but unfortunately it's useless, you will definitely die today!"

Gao Qijie snorted coldly, and swung his palms down suddenly!

I saw icicles suddenly appearing from the ring out of thin air. The icicles, like sharp knives, went straight to the vat!

Seeing this, Wa Gu roared again, and slammed his fists on the ring fiercely, and the huge power spread through the ring to the surroundings!

This force, together with the collision of the icicles that constantly appeared on the ring, made a rumbling sound!

All the icicles shattered and turned into a cloud of white mist!

This cloud of white mist instantly swallowed Waguan, and Waguan's figure disappeared from the ring!

When everyone was wondering, the white mist disappeared, and Wa Gang's body reappeared!

It's just that Wa Gang's whole body has been frozen at this time, and his body can no longer move, only a pair of eyes and mouth are still moving!

Gao Qijie raised his mouth, walked up to Wagang and said, "Now you know how powerful I am? I'm asking you, are you willing to serve my Gao family?"

" , Even if it is death, I will not be loyal to your Gao family!"

Although Wagang has been controlled, he still does not give in!

"Good boy, since you are not loyal, then go to die..."

After Gao Qijie finished speaking, a cold light flashed in his eyes, and then Tai Zhang slapped towards the crock!

Chapter 2797

Wa Gang watched Gao Qijie slap him with a palm, but he had no room to resist, so he closed his eyes and waited for the dead general!

But just when Gao Qijie's palm was about to land on Wa Guan's body, there was a sudden huge suction force, causing Wa Guan's body to fly backwards, and then fell heavily outside the ring!

The frost on Wagang's body also shattered under this fall, making Waguan regain his ability to move!

Gao Qijie didn't expect this to happen, so he froze for a moment, then frowned, looked at the people around him and said, "Who is going to save this guy?" Gao Qijie knew that someone must have taken action

secretly Saved Wagang, otherwise Wagang would be dead!

But now, Wa Gang has reached the outside of the ring and landed on the ground, that means Wa Gang has lost, and Gao Qijie can't do anything to Wa Gang anymore!

And Wa Gang was also full of doubts, and then he looked at the people behind him, and when his eyes swept over David, he stopped instantly!

Because the aura of suction just now was very similar to the aura on David's body, and in this aura, there seemed to be a vague orc aura!

Although Wa Gang realized that it was David who rescued him, he didn't say it out. After all, if he saved him, he would offend the Gao family!

David chose to act secretly, obviously because he didn't want to offend the Gao family, so Wa Gang couldn't tell David at this time!

At this time, Gao Qijie, who was extremely angry, looked at the crowd and no one admitted it, so he said with a grim face, "Now that the vat has lost, these spiritual coins and resources are mine.

"Wanlingcoin, keep up the challenge, do any of you dare to compete with me on stage?" "

The guy who made a secret attack just now, if you have the guts, you can compete with me on stage..."

Gao Qijie didn't know who it was, so he used this This kind of huge bet temptation made the person who just helped Wa Gang make a move!

Everyone looked at each other in blank dismay, no one dared to go on stage, after all, they couldn't even deal with tile pots, so who would dare to deal with Gao Qijie!

Moreover, everyone was also very curious about the person who secretly rescued Wa Tank just now, and wanted to know who it was!

"Mr. Chen, stop pretending, it's your turn..."

The third elder looked at David with a smile!

David made a sneaky move just now, and he has already noticed it!

"In order to change to a big house, I'll make a sacrifice..."

After David finished speaking, he walked slowly towards the ring.

Gao Qijie waited for a while, saw that no one spoke, and no one came to the stage. He was about to make a few words of ridicule when he saw David walking out of the crowd, and then walked towards the ring step by step without haste!

Seeing David walking on the stage, Gao Qijie was taken aback for a moment, because he found that David was only in the second rank of the Fit Body Realm, so he dared to go on stage?

Seeing David coming to the stage, Nawagang was even more convinced that it was David who saved him just now!

When the people below saw that David had actually stepped onto the stage, they all turned their attention to David!

"Who is this guy? He dares to go up with his strength?"

"This kid is really fierce. With the strength of the second level of the Composite Realm, he dares to challenge the monks of the third level of the Composite Realm on stage. Is his brain broken?" "Really asking for

money Don't die, where did this fool come from?"

"Today's trip is not in vain, it seems to be fun!"

Everyone was discussing, but they all agreed that David would be severely humiliated and thrown away. Get off the ring!

Or die directly on the ring!

Although these spiritual coins and resources are very tempting, no one dares to risk their lives on the stage.

At this time, only Liu Ruyan and the others were different from the others, all with smiles on their faces, waiting for a good show!

Chapter 2798

David, who is at the second level of the Body Composite Realm, is completely pretending to be a pig and eating a tiger after he goes up. Even a monk at the

fifth level of the Body Fit Realm, David doesn't pay attention to it, let alone a monk at the third level of the Fit Body Realm!

"Let me ask for some advice..."

After David came to the stage, he cupped his hands towards Gao Qijie and said! Gao Qijie sized David up, and then said with some disdain, "Brother , you were the one who shot that pot in secret just now?"

" "I guess it's not you. It's impossible to save Nawa vat with mere second-grade body-fitting state. But with your strength, you dare to challenge on stage. Are you not afraid of death?" Gao Qijie couldn't figure it out. David's strength No matter how dare he go on stage, he just showed his strength just now, even Wa Gang, a third-rank of the Composite Realm, has no strength to fight back, how dare David, the second-rank of the Composite Realm, dare to come up? "I'm afraid of death, but I'm too poor and want to earn some money..." David said with a slight smile! "Heh, it's really funny. You came to this ring to earn money, do you think you can beat me with your strength, and take that bet away?" Gao Qijie was amused by David! "I don't know either, but the bet is too tempting, and I couldn't hold back." " " Otherwise, you admit defeat and step down, and I will take the money and resources away, and the two of us will stop fighting." " I'm afraid I'll hurt you..." David asked with a deliberative look on his face! David's words made Gao Qijie stunned for a while, and then he realized, "Boy, what the hell are you talking about? Hurt me?" "I can kick you to death even with my hands behind my back, believe it or not ?" "I don't believe it!" David shook his head!

"Since you don't believe me, I'll let you see it..."

Gao Qijie was about to do it, but was stopped by David.

"Wait a minute, let's make an agreement, you have your hands behind your back, if you can't beat me, you will lose."

David said to Gao Qijie!

"No problem, if I only use my feet and fail to knock you down, then I will lose."

Gao Qijie looked confident.

As a direct descendant of the Gao family, a monk of the third rank of the Composite Body Realm, if he can't even deal with the second rank of the Composite Body Realm, he will definitely be scolded when he returns to the Gao family.

"Okay then, do it!" David waved his hand!

Gao Qijie put his hands behind his back and kicked David with one kick!

When David saw Gao Qijie kicking him, he hurriedly dodged backwards!

Gao Qijie's kick touched David's chest, and David was about to be kicked if he was too late!

At this time, David was a little panicked, as if he escaped the kick by luck!

Seeing that one kick missed, Gao Qijie kicked it out again!

David dodged again.

Gao Qijie was taken aback for a moment, and then his feet were like hot wheels, kicking towards David instead!

David looked very embarrassed, trying his best to dodge, and even fell on the stage during the period, which made everyone burst into laughter!

Gao Qijie was a little anxious at the moment, he had kicked so many kicks, yet he didn't hit any of them!

Every time, David escaped in a thrilling manner!

"Damn it, I don't believe it anymore..."

Gao Qijie stomped his feet suddenly, and an icy chill spread across the ring in an instant. He was planning to use this method to slow down David's dodging speed!

David looked at the ever-spreading Frost, and the corners of his mouth couldn't help but twitched, his eyes full of disdain!

David condensed the fire in his body on his feet, and then quietly waited for the frost to arrive!

Soon, frost spread along the ring to David's feet, but David remained motionless!

Seeing this, Gao Qijie smiled, as long as David's feet were frozen by frost, he would be unable to move, and then he would be able to kick him to death!
