

A Man Like None Other Novel

Chapter 2799

But when Gao Qijie sneered triumphantly, he suddenly froze, and the smile froze on his face!

I saw that the rapidly spreading frost stopped suddenly after reaching David's feet, and did not move forward at all!

It was as if Bingshuang was afraid of David and didn't dare to move at all!

"How could this be?"

Gao Qijie frowned, and then let out a loud shout. A large amount of cold mist appeared from one foot again, and he stepped hard on the ring!

The cold fog eroded the arena, and the frost spread along the arena again!

However, these frosts bypassed David and sealed the entire arena with ice!

But within one meter of David's feet, there was no frost at all, let alone freezing David!

Gao Qijie looked at the scene in front of him in disbelief, feeling very strange!

"Damn, what a hell, but it's enough to trap you within this meter..."

After Gao Qijie cursed, he jumped up and kicked David.

A large amount of cold fog filled the air, enveloping David!

David smiled disdainfully, his body flickered, and he left the place where he was standing in an instant!

This time, Gao Qijie missed another kick!

Gao Qijie couldn't help looking at David, and found that the frost had disappeared from where David was standing!

As long as David went, the frost would disappear, which made Gao Qijie look confused!

"It seems that you, Bingshuang, are a little afraid of me..."

David said to Gao Qijie playfully!

"Damn it, I still don't believe it..."

Gao Qijie gritted his teeth and attacked David again!

David just dodges, and every time he dodges in a mess, he almost gets hit!

This made Gao Qijie continuously increase his attack speed!

In the blink of an eye, Gao Qijie kicked hundreds of kicks, each of which brushed against David's body!

This made everyone who watched the excitement below anxious enough. "Oh, why is this guy so stupid? He has the strength of the third rank of the Body Combination Realm, but he can't hit a second rank

of the Composite Body Realm."

"

"I really want to get that guy down, I'll go..."

"Hit, I almost got kicked!"

Everyone below shouted, Gao Qijie was blushed and embarrassed by what he said!

He also wanted to continue fighting, but the quick attack just now consumed a lot of spiritual power in his body, and he was already sweating profusely and out of breath!

"Whether you want to fight or not, you will have to admit defeat. These bets are all mine!"

David said to Gao Qijie!

"Of course I want to fight. If I don't abolish you in a few days, won't I insult my Gao family's reputation..." After

Gao Qijie finished speaking, he kicked David again!

But David repeated his old tricks, evading Gao Qijie's kick with one side of his body!

But just after David dodged a kick, Gao Qijie suddenly pushed two palms towards David with his hands behind his back!

Two extremely cold breaths rushed towards David!

The surrounding air was frozen at this moment, and a white ice flower was suspended in the midair!

David couldn't dodge in time, and was instantly frozen by these two extremely cold air!

Seeing that David was frozen, Gao Qijie raised the corner of his mouth and said, "Hahaha, let's see how you can hide..."

Seeing Gao Qijie using his hands, Liu Ruyan immediately said angrily, "You bastard, you don't keep your promises. You can't say you don't use your hands. If you use your hands, you lose.

" How can you violate the rules of your own?"

The third elder also looked angry!

"Hmph, it's called soldiers are not tired of deceit, you know nothing, no matter what, I'm the one who wins now!"

Facing the doubts from Liu Ruyan and the third elder, Gao Qijie didn't care at all!

Although it's what he said without hands, but he just doesn't admit it now, as long as he can win!

Chapter 2800

Liu Ruyan and the third elder were flushed with anger, and at the same time they were still worried about David!

Although David's strength is very strong, and he is not afraid of facing fifth-grade monks in the Body Fit Realm, but now David has been frozen, as long as Gao Qijie gently slaps his palm, David's body will probably be shattered into pieces. Scum!

"Who said you won? Are you too happy?"

At this moment, David's voice came slowly! Gao Qijie was taken aback, and quickly looked at David, and found that David was still frozen, so he asked with a puzzled face,

"You are frozen, how can you still talk?"

I want to see how David talks!

"Not only can I talk, but I can also beat you..."

After finishing speaking, the frost on David's body melted and disappeared in an instant, and he slapped it out immediately!

Gao Qijie was right in front of David, observing David carefully, he never thought that Bingshuang would disappear suddenly, let alone that David slapped him, so no one had any mental preparations!

Snapped!

This slap was so powerful that it instantly sent Gao Qijie flying, and then fell heavily under the ring!

Gao Qijie got up slowly, looked at David angrily, half of his face was already red and swollen!

A few teeth also fell out in the bloody water Gao Qijie spit out!

"Damn it, I'll kill you..."

Gao Qijie looked at his fallen teeth, and immediately became angry, wanting to rush to the ring and follow David desperately!

"Bold, you have already fallen into the ring, even if you lost, how dare you go up to the ring? Do you want to make trouble in our Jialing County?" Seeing this, several

guards around the ring rushed over and pointed their weapons at Gao Qijie. !

"Third young master, don't be impulsive!"

At this time, two servants of the Gao family hurried forward to stop Gao Qijie.

Gao Qijie looked angry, and then looked at David on the ring and said, "Boy, you wait for me, I remember your face..." David didn't take it seriously,

he was not afraid of Gao Qijie's threats at all, After all, this guy is from the extreme north, tens of thousands of miles away from here, after this time, I guess I will never be able to deal with the Gao family again!

"Third young master, let's get out of here, and hurry up to reunite with the second young master!"

The servant whispered to Gao Qijie!

Hearing this, Gao Qijie said with a displeased face, "Second brother is really, for the sake of three stinky girls, he completely disregarded elder brother's orders." "

If he comes to Jialing County with me, I won't be humiliated, let alone I'll be beaten!"

After Gao Qijie finished speaking, he glared at David again, and then left with the two servants!

After Gao Qijie left, David glanced at the crowd and said, "Is there anyone on stage to compare with me? I can also bet on these things." "If

any of you lose on stage, I will only charge one million spirit coins, You won, but it is 50 million spirit coins, and there are countless resources!" As

soon as David finished speaking, everyone became restless!

Just now seeing David knocking Gao Qijie off the ring, everyone felt a little apprehensive, but just listening to one million spirit coins can win fifty million, and there are countless resources, it's really a bargain!

Besides, when David fought Gao Qijie just now, he was also very embarrassed, which proved that this guy is not very strong, probably because of his luck!

"I'm here to ask for advice..."

"I'm here..."

"I'm here too..."

Everyone rushed to compete with David on the stage!

Seeing this, David quickly waved his hands and said, "Everyone line up, one by one!"

After finishing speaking, David looked at Liu Ruyan and said, "Ruyan, you follow the third elder to guard, and those who come to the stage must pay one million to come up!"

Liu Ruyan nodded, followed the third elder to guard at the entrance of the ring, Start charging!
