

# A Man Like None Other Novel

## Chapter 2829

The old man looked at David in shock, and tried his best to calm down the excitement in his heart!

He didn't know how long he hadn't seen a person with such a vast spiritual consciousness!

"Elders, let's announce the answers we think we can win."

The old man said to Suo Xingyue and the others!

Several people nodded, and then announced the answer!

When the answer was announced, everyone was stunned, even the old man was stunned for an instant!

Because apart from David, who he had chosen to win, Suo Xingyue and the others actually chose Meng He!

"Several elders, what's the situation?"

The old man asked very displeased with a gloomy face!

The reason why he came to be the referee was to prevent cheating. Now David's Concentration Pill is obviously a hundred times stronger than Meng He's!

And Suo Xingyue and the others even chose Meng He's Concentration Pill to win, which was obviously cheating!

Suo Xingyue and the others were in a daze at the moment, their minds were in a mess, they felt dizzy, and they became delirious!

"Now the results are out, my master and uncle are both feeling unwell, I'm going to take them to rest."

Seeing this situation, Zhuzhu hurriedly stood up and said!

If they didn't leave, Suo Xingyue and the others would probably faint here!

The old man frowned slightly, he saw that something was obviously wrong with Suo Xingyue and the others!

Just when Zhuzhu wanted to take Suo Xingyue and the others away, the old man reached out and grabbed Suo Xingyue's pulse door, and a burst of spiritual power penetrated into Suo Xingyue's body!

"What are you going to do?"

Seeing this, Zhuzhu wanted to stop her, but she was stared at by the old man and dared not move!

Seeing this, Meng He said loudly, "The results of the referees have come out. The first place belongs to me. Why haven't I announced it yet?"

" They check the body!"

The poison that Meng He gave to Zhuzhu was not heavy, it would not be fatal, it would only erode the sea of consciousness, but the dose was small, and it would recover slowly by itself after a while!

Meng He didn't want to take Xingyue's life, what he wanted was the first place in the pharmacist's competition!

At this time, the old man checked Suo Xingyue and the others, but found nothing unusual, which made him feel very strange!

It stands to reason that Suo Xingyue and the rest of the Danyang Sect have served as referees many times and have never cheated for personal gain, so this time is too strange!

At this time, David, looking at Meng He who was smug and yelling loudly, seemed to think of something, jumped up and landed in front of Suo Xingyue!

“Elder Suo...”

David shouted at Suo Xingyue!

But Suo Xingyue was unconscious at this moment and couldn't speak!

Seeing this, David hurried forward, a divine sense enveloped Suo Xingyue's body!

“What are you going to do, do you want to harm my master?”

Zhuzhu shouted, trying to stop David!

Zhuzhu knew best in her heart, what was going on with Suo Xingyue and the others!

David was still so used to Zhuzhu at this time, a breath burst out from his body, and instantly knocked that Zhuzhu away!

Immediately afterwards, the consciousness entered Suo Xingyue's sea of consciousness!

Looking at the gray mist in Suo Xingyue's sea of consciousness, David instantly understood!

The symptoms of Suo Xingyue and the others in their Sea of Consciousness at this time were exactly the same as those of David yesterday, but David's Sea of Consciousness was huge, and with the blessing of David's golden dragon avatar, David's Sea of Consciousness did not Be eaten!

David looked at Zhuzhu coldly, because that day after they drank the tea made by Zhuzhu at the same time, they became like this!

If it wasn't for Suo Xingyue and the others doing the same thing today, David wouldn't have suspected Zhuzhu either!

Looking at David's cold eyes, Zhuzhu didn't dare to look directly at David, and she dodged her eyes as if she had done something wrong!

## Chapter 2830

David didn't care about Zhuzhu, but relied on his huge spiritual power to remove the poison from Suo Xingyue's elders!

Soon, Suo Xingyue and the others became sober, but they couldn't remember the ruling just now!

The old man talked with Suo Xingyue and the others, and then brought the Ningshen Pill refined by David and Meng He, and let Suo Xingyue and the others check it again!

After checking again, several people were all shocked. It was obvious that David's Concentration Pill was a hundred times stronger than Meng He's, but they didn't know why they chose Meng He to win!

"How did this happen? I don't even know what I did..."

Suo Xingyue said with a face full of shame!

As a referee, it is simply too shameful to give such a result.

The other elders of the Danyang Gate were also blushing, not to mention how embarrassing they were, even children could tell the difference between high and low, but they were wrong!

"Elder Suo, you may ask your apprentice Miss Zhuzhu, she knows what's going on."

David said to Suo Xingyue!

When Suo Xingyue heard this, she hurriedly looked at Zhuzhu and said, "Zhuzhu, tell me what's going on? I remember you were standing behind us at that time." "

Master, I don't know what's going on. The result of the referee is chosen by you yourself."

Zhuzhu is still pretending to be stupid at this moment!

Seeing this, Meng He continued to yell loudly, "I won the first place, why don't you announce it quickly, are you going to cheat openly?"

Meng He shouted, which also attracted dissatisfaction from many other people. It was obvious that Meng He's Concentration Pill was better, after all, except for the old man, everyone else chose Meng He!

With such a large score gap, there is nothing to discuss, the results should be announced directly!

Looking at the yelling Meng He and the restless crowd, the old man could only say loudly, "Everyone, please be patient, because several elders of the Danyang Gate suddenly feel unwell, and the results of this assessment may be invalidated.

" Why is it invalidated? Is it invalidated if you are unwell? Could it be that I forced them to choose the result?" "

I don't agree with the invalidation, I must declare that I am number one. If you insist on invalidating it, then I have to doubt your Jialing County Fairness."

Meng He roared, of course he didn't want to void it!

This time, the scene fell into a stalemate. It was obvious that Suo Xingyue and the others had been plotted against, but now that they had reached this point, they were also in a dilemma!

It would be unfair to David if Meng He was declared number one!

But if Meng He is not announced as number one, and the competition is to be retested, it will also be a challenge to the authority of Jialing County!

"How did we get tricked?"

Suo Xingyue couldn't figure it out. After they entered the Pharmacist Association, they never left again. This was also for the sake of fairness of the Pharmacist Association!

But even so, they were still counted. Obviously, this outrageous referee result is the ironclad proof that they were counted!

"Elder Suo, you can think about it, maybe there is something wrong with the tea we drank." "

I also had the symptoms you have now, but because of my strong spiritual sense, I wiped out the virus directly, so we are safe and sound. matter."

David said to Elder Suo!

Upon hearing this, Suo Xingyue glared at Zhuzhu and said, "Zhuzhu, did you put something in our tea?" "

Master, what are you talking about? I don't understand at all!"

Zhuzhu pretended to be ignorant He shook his head and said!

David looked at Zhuzhu and knew that this guy was hopeless, and his mouth was still stubborn!

“Stop investigating the poisoning, how should we announce the results now?”

the old man frowned!

He doesn't know whether the result should be announced now!
