

A Man Like None Other

Novel

Chapter 2871

Seeing Gao Qilan's hesitation, David smiled coldly and said, "I'm not a gentleman, if you don't hand over the Ice Soul Fragments, I can grab them directly, then you won't get the Ice Soul Fragments, maybe you will Because of this, I lost my body."

Hearing what David said, Gao Qilan's expression became very ugly, and finally he reluctantly handed over the ice soul fragments to David!

It's just that after David took the shards of the ice soul, he suddenly broke the pieces apart with force. The small ice shards became even smaller now!

"Seeing that you are the first to discover this fragment of ice soul, let me give you some..."

David gave Gao Qilan half of it!

This made Gao Qilan very shocked. She never expected that there would be such a person in the world of heaven and man, who would give herself back what she got? m*.!@i*nshu*ge.co*m

Even if David doesn't give her any points, Gao Qilan can't do anything about it, who makes her not as strong as David!

Since her skills are inferior to others, she can only be slaughtered, not to mention that David saved her.

"You are really a special person..."

Gao Qilan took the half of the Ice Soul shards and crushed them suddenly, and instantly a majestic aura surrounded Gao Qilan!

Gao Qilan's Yuanzhuang exercises directly absorbed all these auras!

Immediately afterwards, a beam of brilliance shot up from Gao Qilan's body, like a cannonball, it exploded in mid-air, releasing a beautiful firework.

"This..."

David couldn't help being shocked when he saw this!

"Finally broke through..." Gao Qilan said excitedly!

"Is the effect of this ice soul fragment so good? Just this little thing, let you break through?" "

And the vision of your breakthrough is really strange!"

David said in surprise!

"The aura in the Ice Soul Fragment is different from the Heavenly Human Realm. It is not so much the aura, but the immortal energy in the Ice Soul Fragment." "The reason why this continent was formed in

such an extremely cold place is now Earth, because many years ago, a piece of ice soul fell from the heavens, and finally the ice soul exploded, and the fragments scattered on this continent, thus forming such an extremely cold place." "And this ice

soul The energy contained in the fragments should be the immortal energy of the heavens, but no one knows what the immortal energy is like, it's just a guess!"

Gao Qilan followed David and told about the origin of the ice soul fragments!

It seems that Gao Qilan has a certain amount of trust in David, that's why she said this to him!

After David heard this, he suddenly realized that it was just like Sun Wukong who overthrew the alchemy furnace of Taishang Laojun, and a brick fell down, forming a flaming mountain!

It's just that why this ice soul fell, I don't know!

"How many such good things have you found?"

David didn't expect that in this extremely cold place, apart from the treasures of the ancient body-refining clan, there are such good things as ice soul fragments!

It seems that this trip was worthwhile!

"Do you think that the fragments of the ice soul are so easy to find? This continent covers a huge area, and the fragments of the ice soul are very small, and there is no trace of breath, so they can only be found with the naked eye, so it is very difficult to find one. "

Today, this piece of ice soul is the first piece I found. Before, I could only stay at home, and my elder brother wouldn't let me out."

Gao Qilan said!

"Then who is Gao Qijie to you?"

David thought of Gao Qijie who had been beaten by him in the ring, so he asked!

"That's my younger brother, how do you know him?"

Gao Qilan asked curiously!

"Oh, I saw him in Jialing County." David said!

"Ah, they went to Jialing County? No wonder I can't see him and my second brother at home during this period of time." "

They actually went to Jialing County secretly to play. I will settle accounts with them when I get home." "

This Bing Po Hurry up and absorb the fragments, it's a time bomb in your hand, maybe someone will snatch it away."

Gao Qilan warned David!

Chapter 2872

David nodded, and lightly crushed the shards of the ice soul, a breath instantly entered David's body, this breath was obviously much stronger than spiritual power!

After just a few minutes, David completely refined this breath.

"I'm going to reach the peak of the second rank soon. Could it be that this is really immortal energy?"

David was full of surprise. The breath in this ice soul fragment was really too powerful. Such a small piece contained such a huge amount of energy. If I find all the fragments of Ice Soul, wouldn't my own strength have to surpass several realms!

It's just that the fragments of the ice soul do not leak out, and there is no way to sense it with spiritual sense. If you only look for it with the naked eye, this white continent is probably worse than finding a needle in a haystack.
Disaster!

Just as David had finished absorbing the fragments of the ice soul, Wa Gu and the others had already found them!

When Liu Ruyan saw David talking and laughing with a girl, he walked over jealously!

"David, who is this girl?"

Liu Ruyan asked!

"This is Gao Qilan, the eldest daughter of the Gao family. Just now..."

David was about to explain!

When Wa Gang and the others saw Gao Qilan, they felt as if they were facing a formidable enemy, they took out their weapons and surrounded Gao Qilan!

Seeing this, Gao Qilan's expression changed immediately, and she asked in a puzzled manner, "Who are you? What do you want to do?"

"Are you from the Gao family?"

Wa Gang questioned!

"Not bad." Gao Qilan nodded!

"Since he is a member of the Gao family, he is our enemy."

Watt's face was full of anger!

"Who are you guys? I don't know you at all, how did you become an enemy?"

Gao Qilan was stunned, she didn't know Wa Gang and the others at all.

Usually she seldom goes out, and she is not allowed to participate in many matters of the Gao family, so Gao Qilan doesn't know about the Gao family and the ancient body training clan!

Actually, Wa Gang didn't know Gao Qilan either, but after hearing what David said, he surrounded Gao Qilan!

"We are members of the ancient body-refining clan. Your Gao family has occupied our territory and robbed our resources. You are our enemy."

Wa Gang said angrily!

"A member of the ancient body refining clan?" Gao Qilan frowned slightly, "I've heard of your ancient body refining clan, but when did our Gao family rob you of your resources? When did we occupy your territory? I think you are bloody people. "

Don't think I'm afraid of you because you have a lot of people. If you really do it, the few of you are simply not enough for me."

Gao Qilan just broke through to the sixth rank of the Fusion Realm.

"Wagang, well, the grievances between your ancient body-refining clan and the Gao family may not necessarily be related to every Gao family.

" "

David said at this time!

Wa Gang looked at David, and also knew that without David's help, they would not be Gao Qilan's opponent at all, just relying on the members of the ancient body training clan, so he nodded and stepped out of the way.

"Miss Gao, let's go, we have to hurry!"

David said to Gao Qilan!

Gao Qilan glanced at David, then turned around and left!

David and the others also started on their way!

“Wagang, your ancient body-refining clan has stayed in this extreme northern place for the longest time, do you know about ice soul fragments?”

David asked Wagang!

“Of course I know, the Ice Soul Fragment is a rare treasure in the extreme north, but this thing is hard to come by.” “

I have lived in the extreme north for so many years, but I have never seen a piece. ”

Why did Mr. Chen ask about the Ice Soul Fragment?”

Wa Chuan was curious, how did David know about the Ice Soul Fragment!

Chapter 2873

After all, this ice soul fragment is a specialty of this extremely cold place in the north, and it is not available in other places!

Only those who have lived here all year round will know the existence of the Ice Soul Fragments!

“Just now we got a fragment of the ice soul, but someone wanted to snatch it halfway, and I killed one!”

David explained!

At this time, Wa Gu saw a charred corpse not far away!

“David, what is this ice soul fragment?”

Liu Ruyan asked very curiously!

"It is rumored that the shards of the ice soul are..."

Wa Guan spoke at this time, and his explanation was almost exactly the same as what Gao Qilan said. It seems that Gao Qilan did not deceive Chen flat!

"I didn't expect this kind of treasure to exist in such a cold and barren place." "

David quickly show me what this ice soul fragment looks like."

Liu Ruyan couldn't help but said!

"The Ice Soul Fragment has been absorbed by me, it's gone long ago..."

David said awkwardly!

Seeing this, Liu Ruyan could only curl her lips, and then everyone continued on their way!

They didn't find a place to rest until it got dark!

.....

In this extremely cold place in the extreme north, there is a manor covering an area of tens of acres. In this kind of place, a family with such a manor must be very powerful!

This is the Gao family. Hundreds of members of the Gao family live in this manor, and there are many guard posts and protection formations around the manor!

It may be to prevent the attack of monsters, or it may be to prevent being attacked by other people!

Gao Qilan quietly returned to Gao's house. After all, she went out secretly. If her eldest brother Gao Qiqiang found out, she would definitely be scolded!

"Miss is back..."

The two guards guarding the gate saw Gao Qilan and hurriedly greeted her!

"You two, you didn't report on me, did you?"

Gao Qilan looked at the two guards and asked!

"No, no, absolutely not..." The two guards waved their hands again and again!

"It's better for you to be sensible, and I'll bring you some good things from outside when I have a chance."

After Gao Qilan finished speaking, she walked into Gao's Manor with a smile!

Originally Gao Qilan wanted to take advantage of the night to sneak back to her room, but she ran into two people! "The second young master is going to have fun again today . The two chicks I caught are really exciting.

"

I haven't touched a woman for a long time."

The two chatted while walking, but they didn't notice Gao Qilan at the side!

When Gao Qilan heard the content of the conversation between the two, she immediately frowned, stopped them and said, "What did you just say? Did my second brother arrest a woman again?" The two were stunned when they saw

Gao Qilan, waved their hands repeatedly and said, " No, we didn't say anything..."

The two guys looked very afraid of Gao Qilan, they kept waving their hands!

"Tell me the truth, if you lie to me, I'll kill you two right now."

Gao Qilan stared at her!

The bodies of the two people trembled suddenly, and they hurriedly said, "Miss, the Second Young Master did arrest two girls, and they are in the dungeon now, and the Second Young Master is also here. It is estimated that the two girls have been played by the Second Young Master now!" "Second

Brother This guy is really a dog who can't change eating shit..."

When Gao Qilan heard this, his expression changed immediately, and he hurried towards the dungeon!

But at this time in the dungeon, Huofeng and Yu Jiameng were locked inside, and their abilities were suppressed, just like ordinary people!

Gao Qisheng's eyes were glowing red at this moment, and he walked towards Huofeng and Yu Jiameng step by step!

"Don't come here, don't come here..."

Yu Jiameng and Huofeng hugged each other, curled up in a corner!

"Hahaha, don't resist any more, as long as the two of you serve me well, I promise I won't hurt you."

Gao Qisheng laughed loudly!
